Located on the third floor of historic King Hall, you need only stop in to get started on planning the rest of your life. Every year, hundreds of students use the services the office has to offer and successfully navigate the employment waters.

### Career Services

Location:

Third Floor, King Hall

Hours:

8 a.m. to 5 p.m.,

Monday through Friday

One of the most successful programs Career Services runs each year is the teacher job fair. Slated for the spring, the fair brings representatives from schools all around the state to campus. In one day, prospective educators can interview with several schools and learn more about where they might want to teach upon graduation. The fair gets larger and larger each year and more and more Eagles are placed in schools, helping

to educate the next generation.

Career Services is also the place students can go to find a job on campus. Most departments on campus register available positions and details job specifications, pay ranges and hours required. All work-study positions are advertised through Career Services, and many regular work positions, too. Stop in today and you might start earning money tomorrow.

Throughout the year, Career Services also offers seminars to help build time management, interviewing and resume skills. Other seminars are offered, as well. Watch their Web site at [www.dsa.edu/careerservices](http://www.dsa.edu/careerservices) for more information about the seminars and programs.

# Holman Learning Center can help you build valuable new academic skills

The Holman Learning Center has put together several skill-building workshops which are conducted throughout the semester. Some students take advantage of these workshops by scheduling a one-on-one session with a graduate assistant; other students learn about the program through tutors who share the information in a tutoring session.

The following is a brief overview of the workshops and how they may help your students.

**Getting Started:** Plan an academically successful semester. This workshop will help students review their syllabus and predict their semester GPA. This workshop will also help students organize their time based upon their academic and social commitments. Finally students will consider how to best maximize their textbook reading efforts through critical thinking.

**Transfer Student Tips:** This workshop addresses issues transfer students confront in their transition to EMU. Campus resources will also be discussed.

**Learning Styles/Memory Techniques:** Every student takes in and processes information differently. This workshop will help students discover which learning style best fits their academic patterns. The students will then learn different memory techniques that best suit their individual learning style.

**Note Taking:** The workshop discusses the value of effective note taking. The Cornell System of note taking is introduced to students as a standard method of note taking. The workshop then suggests ideas so that the student may develop a personalized note-taking process.

**Test Taking:** This workshop shares general test preparation techniques. Students will learn specific strategies for taking multiple choice, true and false, matching and essay tests.

**Time Management:** workshop includes suggestions for planning long-short-term and daily schedules that will meet student's individual needs based upon academic and social commitments. The workshop also recommends approaches that may help students overcome procrastination.

### Assessing Your Progress:

This workshop assesses your academic progress by examining several key areas including calculating a GPA, setting academic goals, the basic studies curriculum and planning for future semesters.

**Preparing for Tests:** This workshop helps students prepare an effective study schedule, determine where and what to study, as well as arrange notes and textbook readings into an organized study plan.

**Preparing for Next Semester:** Students will appraise their short and long term plans for graduating from EMU. This workshop will also discuss what is important when devising next semester's class schedule.

**Beginning Your Research:** Sometimes the most difficult part of a research project is simply getting started. This practical, hands-on workshop will help you begin the process of selecting a topic, searching the journal databases, selecting books and other research materials.

**Locating Library Materials:** Many people find that simply locating materials in a library is the hardest part of doing their research. This practical hands-on workshop will lead you in a step-by-step process to get your hands on journal articles, in print or hard copy, government documents, microfiche, microfilm and books.

For questions contact the Holman Learning Center, G-04 Halle Library. The knowledgeable staff is there to answer all your questions and help you be successful in and out of the classroom.

## Don't forget

There is more to life on campus than just what goes on in the classroom. Take some time and look around [www.emich.edu](http://www.emich.edu) and see how you can get involved in a student organization, club, intramural team, varsity sport or just go away for an Alternative Spring Break. We offer many opportunities for you to get involved. Take us up on it.

# Web registration

EMU has instituted a new Web-based registration process through the my.emich system.

Telephone  
registration  
is no longer  
available.

All students registering for the winter 2004 term **must** use the new system to enroll in classes. Web-based registration is part of a University-wide upgrade of Information Technology, which also includes the new e-mail system, calendar, and Web-CT virtual classroom technology.

## Step 1:

### Get your my.emich account

If you already are using the my.emich system, skip this step and go to Step 2.

If you are not using my.emich, you will need to get your login username and password before you can register for winter 2004. To get your my.emich account username, you must:

- a. Be eligible to register for winter 2004 as defined on page G12. If you still need to take care of any admission details, please visit our Web site at [www.emich.edu](http://www.emich.edu) and click on "Future Students" and then click on "Admissions" or call 1.800.GO.TO.EMU (734.487.3060 for local calls).
- b. Have access to a computer connected to the internet, capable of running a Web browser. **my.emich** supports Internet Explorer 5.5 SP2 and 6.0 plus latest security patch (Windows), 5.1 (Macintosh) and Netscape Communicator. 4.79 or 6.2.x (Windows), 4.79 (Macintosh). Connection to the internet can be either dial-up (such as AOL) or broadband (such as SBC DSL or Comcast cable internet).

**If you meet these criteria, do the following to get your my.emich account information:**

- a.** Use your browser to go to <http://my.emich.edu>.
- b.** Once there, click on **"How do I get my username and password?"** under "getting started..." on the left side of the page.
- c.** You are now on the **"my.emich Account Activation/Password Reset"** page. Click on the link for students.
- d.** You are now on the **"my.emich – Student Account Actions"** page. Click on the **"Lookup New Account"** link and follow directions to retrieve your Campus Pipeline username and password.

## Step 2: Logging in and navigating to School Services

Now that you have your **my.emich** username and password, you must log into the system before you can register. Use your Web browser to go to <http://my.emich.edu> again, and enter your **username** and **password** in the spaces provided on the left side of the screen.

If this is your first time logging in to the system, you will be immediately asked to change your password. Try to choose something that will be easy for you to remember but difficult for someone else to guess.

If you ever forget your password, you can also click the

**"How do I get my username and password?"** link again, and follow the links to "Password Reset."

Once you are logged in properly, you should see the **"My Pipeline"** page. Across the top of the page are tabs that, when clicked, will navigate to different features of **my.emich**. Click on the tab with the words **"School Services"**.

Once in **School Services**, click on the **"Administrative Services"** link and then click on the **"Student and Financial Aid"** link. To access the registration menu, click on the **"Registration"** link.

## **UNIVERSITY REGISTRATION POLICY**

By registering for classes at Eastern Michigan University, you accept responsibility for reading and conforming to all policies, procedures, required dates, fees and other requirements published in the University catalogs and in the class schedule book.

## **ADDRESS CHANGE**

File your ADDRESS CHANGE with the post office and the University. Each time you change your address, you must update your address in the University's records. You can make address changes online by logging into your my.emich.edu account, clicking on the Student Services tab and following the links to the address correction page.

## **COURSE LOAD**

### **Undergraduate:**

During fall and winter semesters, the recommended academic course load is 15-18 credit hours.

First semester freshmen and students on academic probation may not take more than the recommended academic load without special permission from the Academic Advising Office, 301 Pierce.

### **Graduate:**

During the fall and winter semesters, the minimum full-time graduate load is eight credit hours.

## COURSE OPTIONS

See the EMU Catalog for guidelines for all of the following:  
**Auditing Classes:** Courses may be audited (no credit or grade is given) subject to the approval of the head of the department offering the course. Tuition and fees apply the same as if credit is given. Forms may be obtained at the Office of Records and Registration, 303 Pierce Hall.

**Credit/Noncredit:** The credit/noncredit option is utilized by departments in courses where the standard letter grades do not seem appropriate.

**Incompletes:** An I (incomplete) grade is never applied to poor work or non-attendance by the student. An incomplete is granted by the instructor at his/her discretion. A maximum of one (1) year is allowed for completion of the course work.

**Pass/Fail Option:** A pass/fail option is available to any regularly enrolled junior or senior in good standing within the guidelines set forth in the EMU catalog. A student who qualifies and wishes to elect this option should fill out a pass-fail form and submit it to the Academic Advising Center, 301 Pierce Hall. Consult the calendars in this student guide for deadlines.

**Repeat of Course:** Undergraduates may elect to repeat any course, regardless of the grade received, within guidelines outlined in the EMU catalog. Graduate students may only repeat a course once, and only if the grade obtained in the first enrollment is less than a B.

## COURSES BELOW THE 100 LEVEL

Developmental courses, those with course numbers below 100, will appear in total hours attempted, completed and passed. The grades will also be used in calculating the term and cumulative grade point average. However, they will not count toward the minimum 124 hours required for graduation.

## GRADUATE COURSES FOR SENIORS AND 400-LEVEL COURSES FOR GRADUATE CREDIT

Seniors may request 500-level graduate courses and graduate students may take certain 400-level courses for graduate credit. See the EMU Catalog or the Graduate School Web site (go to [www.emich.edu](http://www.emich.edu) and click on Academics and Programs and then Office of the Graduate School) for guidelines and information.

## GRADUATION INFORMATION: When To Apply

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. For more graduation information, go to [www.emich.edu](http://www.emich.edu) and click on Records and Registration.

## INSTRUCTOR ASSIGNMENTS

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule book.

## LATE REGISTRATION

1. Students must be registered in order to attend classes.
2. After the first day of classes, you have a short grace period in which to register by Web. If your original registration is on or after the first day of classes, you will be assessed a single, one-time \$50 late registration fee.
3. After the grace period, registration is permitted on an exception basis only. Authorization from the appropriate academic department is required for each course. In-person registration with departmental authorization is permitted through 50 percent of the semester/subterm. See calendars in this guide section for specific deadlines.

## NOTIFICATION OF STUDENT RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. Please refer to the EMU catalog or our Web site (go to [www.emich.edu](http://www.emich.edu) then click on Records and Registration) for complete information on FERPA.

## SPECIAL-NEEDS STUDENTS

Special priority enrollment is available for special-needs students. Services are also provided for serious injury or other crises. Contact the Dean of Students Office in 221 King Hall for information or call 734.487.3118.

## Student ID Cards: The Eagle Card

The Eagle Card is required for the use of the library, Rec/IM facility, computer labs, all meal plans and for entrance to the residence halls after 10 p.m.

## TRANSCRIPTS

To order an official Eastern Michigan University transcript, complete a transcript request form at the Cashier's Office, 201 Pierce Hall. Information and forms are available through the Records and Registration link on EMU's Web site at [www.emich.edu](http://www.emich.edu).

## WITHDRAWAL – INDIVIDUAL

After the 100 percent drop deadline, there is a period for withdrawal from classes. Withdrawal results in a W on your academic record. Individual course withdrawal will produce no tuition credit or refund.

*Students* may withdraw from individual classes via the Web, or at the Records and Registration Service Counter, 303 Pierce Hall, through two-thirds of the semester/subterm. See calendars in this guide for specific deadlines. For *undergraduates* after this time, individual late withdrawals are made by petition only, at the Academic Advising Center, 301 Pierce Hall, 734.487.2171; students must provide evidence of extenuating circumstances.

For *graduate students* after this time, individual late withdrawals are made at the Graduate School, Starkweather Hall. Graduate students must provide evidence of extenuating circumstances.

**WITHDRAWAL - TOTAL**

If you decide not to attend a semester for which you have registered, you must cancel your entire class schedule or be subject to financial and/or academic penalties. If you neglect to notify the Office of Records and Registration, the University has no way to know that you do not plan to attend, and will continue to reserve your space in class. Non-attendance and non-payment of bills will not result in any class being dropped.

You may cancel all classes by:

1. coming in person to the Office of Records and Registration service counter, 303 Pierce Hall; or
2. mailing by certified mail the cancellation form in this book or sending a certified letter, including your student number, term, year and main reason for withdrawal, to the Office of Records and Registration, 303 Pierce Hall, Eastern Michigan University, Ypsilanti, MI 48197; or
3. calling registration at 734.487.2300
4. in writing by fax to 734.487.6808

Through the calendar 100 percent deadline, a total withdrawal will result in a refund of 100 percent of tuition and fees. Through the 50 percent deadline, total withdrawal will result in a 50 percent refund of tuition and fees and W grades. Through the 25 percent calendar deadline, total withdrawal will result in a 25 percent refund of tuition and fees and W grades.

**FINANCIAL INFORMATION**

**RECEIVING AND PAYING BILLS**

For specific information, guidelines and policies regarding paying and receiving bills, please refer to the Student Business Services Web site (go to [www.emich.edu](http://www.emich.edu), click on Current Students and then click on Student Business Services).

**WHAT'S THAT \$40 FEE ON MY BILL?**

By submitting any registration request, you incur a \$40 non-refundable registration fee. If your original registration for the term was on or after the first day of classes, you will incur an additional one-time \$50 late registration fee.

**HELP! THERE'S A HOLD ON MY ACCOUNT SO I CAN'T REGISTER ...**

Eastern Michigan University may place a hold on a student's registration if either financial or academic performance obligations are not met. You must clear all holds before you will be allowed to register. To settle your account, contact Student Accounting in 203 Pierce Hall. You will then be allowed access to the Web Registration System.

**TUITION AND FEES**

*Subject to Revision*

All tuition and fees are subject to change by action of the Eastern Michigan University Board of Regents without prior notice and at any time. Such changes may be retroactive to the date of original registration. Rates in effect for 2003-2004 (Subject to change and published here for informational purposes only) are as follows:

<b>Resident status</b>	Michigan Resident	Non-resident

<i>Post-Graduate tuition per credit hour:</i>

**FEES**

- Registration fee: \$40 (non-refundable)
- Late registration fee: one-time \$50 additional
- General fee: \$21 per credit hour
- Installment Payment fee: \$30 (fall/winter only)
- Late payment fee: \$25/month
- Returned Check/Charge card fee: \$20
- Program fees: \$12.50-\$52.50 per credit hour (fees vary according to program)
- Student Union fee: (see below)
- Technology fee: \$10 per credit hour

**THE GENERAL FEE**

EMU has the responsibility to maintain certain services and facilities on and off campus for the comfort and convenience of students, and to maintain academic accreditation. These are funded through a general fee per credit hour, assessed to all students.

**STUDENT UNION FEE**

Effective summer 2003, a student union fee of 75 cents per credit hour is charged to all students to service the debt on the new student union building. The fee will increase each summer by 75 cents per credit hour for three years, capping at \$3 per credit hour beginning summer terms 2006, and thereafter.

**THE TECHNOLOGY FEE**

Each student will be charged a technology fee of \$10 per credit hour to update the technology of the University. This fee applies to any on campus, off campus and online classes.

**RESIDENT STATUS FOR TUITION ASSESSMENT**

Students are responsible for payment of tuition according to their resident or non-resident status at the time of their admission. If, after admission, a student feels his or her residence status has changed, an application for reclassification, with documentation, must be submitted to the Student Accounting Office no later than the end of the 100% tuition refund period. Failure to file such an application on time shall constitute a waiver of all claims to rebates or reclassification for the semester for which the student has registered. If an appeal is pending, and a bill is received, the student should pay the minimum payment due on the bill. If the appeal is approved, any amount overpaid will be refunded.

**INSTALLMENT PAYMENT PLAN  
(FALL AND WINTER ONLY)**

If you choose to pay the minimum amount due, you have chosen the installment plan. The installment plan requires that half of tuition, half of room and board, and all fees must be paid by the listed due date prior to the beginning of classes. The second half of tuition and room and board will be due the eighth week of the semester. An installment fee of \$30 will be charged to your account. If you fail to pay the minimum payment by the due date, you will be charged both the late fee and the installment fee, a \$55 total.

**LATE PAYMENT FEE**

If your payment is received after the bill due date you will be charged a \$25 late fee each month until it is paid in full. If the MINIMUM payment is not received by the due date, you will be charged both a late fee and an installment fee.

**SPRING AND SUMMER PAYMENT SCHEDULE**

100 percent tuition and room & board are payable as billed at the end of the Web registration period, or at the time your registration is billed, if you register during open registration.

**BILLING ERRORS OR PAYMENT POLICY  
QUESTIONS**

Questions concerning billing errors or payment policies should be directed to the Student Accounting Office, 203 Pierce Hall. Requests for tuition/fee adjustments must be made no later than 15 business days after the semester ends. **REQUIRED FEES APPROVED BY THE BOARD OF REGENTS ARE NOT DISPUTABLE.**

**REFUNDS**

Refunds are issued when enrollments, assessments and financial aid records are substantially complete. Questions regarding your refund should be directed to Student Accounting at 734.487.3335. All refund checks are mailed to the student's designated billing or permanent address. If you want a refund mailed to a different address, contact Student Accounting.

**Tuition Refunds for Dropping Classes**

When you register for a class, you have contracted with the University to reserve space in that class and you are responsible by virtue of your registration for payment of tuition and fees. If you find that you cannot take a class you must **DROP THE CLASS OR CLASSES VIA THE WEB REGISTRATION SYSTEM or IN WRITING** by the required dates in order to be relieved of your responsibility for payment of tuition. If you dropped using the Web Registration system, you need to verify that the drop was processed correctly.

**CAUTION!**

**If you decide not to attend the University, you must:**

1. **CANCEL ALL YOUR CLASSES** at the Records and Registration Service Counter or by certified mail. A mail-in cancellation/withdrawal form is included in this book for your convenience. You may also contact Registration at 734.487.2300.
2. **NOTIFY THE OFFICE OF FINANCIAL AID** that you will not be attending.
3. **CONTACT THE HOUSING OFFICE** to arrange for **CONTRACT WITHDRAWAL**.

**FAILURE TO DO THE ABOVE MAY LEAVE YOU WITH TUITION AND HOUSING CHARGES THAT WILL NOT BE PAID BY FINANCIAL AID.**

**Returned Checks and Charge Card  
Authorizations**

A check or charge returned from your bank or other financial institution unpaid (returned item) will not automatically cancel your registration with a refund of tuition charges. The University will hold you responsible for your original enrollment plan unless you follow the published procedures and schedules for dropping classes or withdrawing. We will charge the returned item to your account along with the returned check fee, and request immediate payment. If you do not render payment when requested, administrative action may be taken to place holds on future registration privileges, release of transcripts and other University services. You will also face collection action for the unpaid amount.

**TUITION APPEALS**

EMU allows the first 10 percent of the semester (eight days for fall and winter, four days for spring and summer) to drop your classes with full credit, minus the non-refundable registration fee. If you fail to drop within the time allotted, you will be charged the entire tuition for the class(es). If you feel there is a University error that resulted in your failure to drop the class(es) in a timely manner, you may file a tuition appeal with all supporting documentation at the Student Accounting Office, 203 Pierce Hall, until 15 business days after the end of the semester. Appeals will not be approved for pre-existing medical conditions, for changes in your work schedule or because you failed to verify a drop transaction.

## EXPLANATION OF HEADINGS

- **CRN** stands for Course Reference Number. This is a five-digit number that uniquely identifies a particular section of a course.
- **S** stands for Status. This column denotes whether sections are Honors sections (**H**), Freshmen Interest Group sections (**F**), or PASS sections (**P**). If any of these three codes appear in that column, students will not be able to register for the section unless they are in that particular program. Sections with no Status code are open to the general population, provided course restrictions and prerequisite requirements are met.
- **P/T** stands for Part of Term (also used interchangeably with Sub-term). There are several Parts of Term within each term. For example, Spring term consists of a 7-1/2 week Part of Term and a 6 week Part of Term. For specific Part of Term begin and end dates, see Page G4.
- **ST** stands for Schedule Type. The following codes are used:
 

<b>L</b> = Lecture	<b>LAB</b> = Laboratory
<b>REC</b> = Recitation	<b>LLA</b> = Combined Lecture and Lab
<b>LRE</b> = Combined Lecture and Recitation	<b>LLR</b> = Combined Lecture, Lab and Recitation
<b>DEO</b> = Distance Education Online	<b>DEI</b> = Distance Education Independent Learning
<b>IST</b> = Independent Study	
- **DP** stands for Department Permission. If a DP code appears in this column for a particular section, than that section requires department permission. Students will be unable to register for the section until they secure authorization from the proper academic department.
- **Camp** stands for Campus. This code tells where the section is held and is used to denote Continuing Education sections. If there is no campus code, than the class is not offered through Continuing Education and is most likely on the EMU main campus. For a list of Campus Codes and descriptions, please see the beginning of the schedule book.
- **Rm** and **Bldg** denotes the Room and Building in which the class is held. For a list of Building codes and descriptions, please see the beginning of the schedule book.

# WINTER HANG TAGS

A commuter hang tag may be ordered by a link on the Web for Students. This link will take you to the Commuter Hang Tag Request application. You will be asked for your Campus Pipeline account name and your PIN at any time online. Hang tags ordered via the Web will be charged to your student account.

Hang tags ordered through December 19, 2003 will be mailed. For orders placed on or after December 19, 2003, the hang tag must be picked up the following business day, after 4 p.m., at the Parking Office located on the ground floor of the Parking Structure. Student identification or course confirmation, along with photo identification and your license plate number, will be required to pick up the hang tag.

There is a \$25 fine for parking a vehicle on campus without a valid hang tag in any lot other than designated guest pay lots. Failure to display the hang tag is a violation of the parking regulations and will result in the issuance of a parking violation (ticket). A lost

hang tag must be replaced by purchasing another from the Parking Department.

Hang tags may be purchased in person at the Parking Department from 8:30 a.m. - 4:30 p.m. The Parking Department will be open until 7 p.m. on January 5-8, 2004. If you need further information, please call the Parking Department at 734.487.3450 or view the Web link <http://myemich.edu>.

**Vehicle Registration Fees: (Subject to Revision)**  
**Commuter \$65**  
 (Parking on campus between 6 a.m. and 2 a.m.)

Residents of Cornell Courts, Pine Grove, Westview and Brown Apartments may purchase their hang tag by presenting their current student ID, vehicle registration and apartment lease to the Parking Department.

Graduate assistants must obtain a GA Request form from their sponsoring department. They must present the completed form, in person, at the Parking Department, to obtain a hang tag.

# GENERAL INFORMATION FOR GRADUATION APPLICATION GRADUATE DEGREES & CERTIFICATES

## Application for Graduation

Candidates for graduate degrees and certificates must submit an application for Graduation by the deadline date for the semester in which they plan to complete program requirements (see calendar below). The completed Application, together with the graduation fee, should be turned in at the Cashier's Office in 201 Pierce Hall. The Cashier's Office will validate the form with the date received and fee paid and forward the application to the Office of Records and Registration.

## Graduation Process

The records of each applicant are reviewed to determine graduation eligibility. Each student is sent a Graduation Check-out sheet. A copy is also forwarded to the coordinator of advising for that student's academic department for review and recommendation. Upon receipt of the department's recommendation, the student is notified by letter of his/her clearance for graduation. Degree Verification letters are sent to all students who have completed program requirements. Students enrolled in the semester in which they have applied for graduation are sent Degree Verification letters approximately three weeks after grades are received at the end of the semester. Diplomas and a complimentary transcript are mailed eight to ten weeks after the semester ends.

The Office of Records and Registration cannot accommodate requests for advanced verification.

The degree recommendation/clearance letter documents the University's degree verification process and can be used to inform any employer of the date when degree certification can be expected.

## Graduation Requirements

Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

• **Grade Point Averages:** No student will be recommended or approved for a degree/certificate unless the student has achieved a grade point average of 3.0 (master's), 3.3 (specialist's), or 3.5 (doctorate). This grade point average applies to all graduate credit taken at EMU and all graduate credit in the area of concentration/specialization.

• **Residency:** Although the Graduate School does not require a specific period of campus residency, it nevertheless encourages the efforts of graduate programs to create a cohesive intellectual community. Some EMU graduate programs do enforce a residency requirement even if the Graduate School does not. Students should check with their advisers and program descriptions to determine specific expectations and requirements.

These may vary from one program to another and may include attendance at guest lectures or conferences, or even specific periods of enrollment on the main campus.

• **Time Limitation:** All requirements for master's and specialist's degrees must be completed within six calendar years from the time of the first course used on the program; candidates for the doctorate must complete all requirements within seven calendar years.

## Graduate Record Updates

All course work accrued prior to the graduation semester must be completed, documented/validated as required, and made a matter of record by the degree award date of the expected graduation period.

• **"I" (Incomplete) Thesis/Dissertation:** Required course components must be completed and "I" grades converted to letter grades. Thesis/dissertation copies must be in the Graduate Dean's office by the deadline date of the expected degree period.

• **Transfer Credit:** Filing of official transcript(s) in the Office of Records and Registration is required to post transfer credit. Students taking their last courses at another university to fulfill program requirements at EMU should apply for the graduation period following the semester in which the course is completed because of factors involved in receiving transcripts and finalizing the graduation check-out process. Letters from professors or grade reports are not acceptable substitutes for transcripts.

• **Out-of-Date Credit:** Courses which are between 6 and 10 years old must be validated for use on a program of study. Any course which is over 10 years old may not be validated nor used on a degree program. For information on this process, please contact Graduate Records at 734/487-0093. Validation must be completed and recorded by Graduate Records by the deadline date of the expected graduation period.

• **Certification:** Candidates graduating from the College of Education must hold or be eligible for a teaching certificate and a copy must be on file with Graduate Records. If appropriate, the academic department may submit a signed waiver. Certification candidates should contact the College of Education, Office of Academic Services, at 101 Boone, 734/487-0275.
