Top 4 Reasons to Live On Campus

Community: When you live on campus, you join a community of people who are focused on education. In the lounges and the dining hall—or even in the laundry room—conversation often turns to classes, to research, to that philosophy paper that's due in a few hours. And in campus housing, you'll form lasting friendships with people from different backgrounds, different religions, different majors, different races, different tastes. Together, you'll play Rock Band, do calculus homework, and cheer for the Eagles.

Convenience: One of the best parts of living on campus is leaving some of the chores to others. When you have an important test coming up, it's great to know that someone else has done the shopping and fixed dinner, and will do the dishes afterwards. Campus residence halls provide free cable and internet; campus apartments provide free utilities. And maintenance is taken care of, so you can use Saturdays for painting canvases instead of walls.

Easy access: From campus housing, you're never far away from campus services, including labs, classrooms, Halle Library, the student union and athletic facilities. Take in an evening play or recital, and walk home with a group from your hall. Grab a meal in any of several dining locations. Get in a walk or a workout between classes. Catch your professor for a quick question before she leaves for the day.

Parking: Students who live in campus housing can purchase resident permits for convenient parking in campus lots; some campus apartments come with free parking. Most importantly, if you live on campus you won't typically need to use your car during the day, so you can use the half hour before class reviewing your notes instead of circling the parking lot.

It's Easy Being Green

By Amy Whitesall

You pull into the parking lot. Eyes scan for empty spaces, taillights and walking people. You zero in on a pedestrian who looks like they're leaving and roll along behind them — near enough to close in quickly, but not so close as to scare them off. They unlock a car and you take up that territorial position that warns other drivers: "This one's mine."

Parking on campus can put even the mildest of manners in touch with one's dark side. But, with a little preparation and a little resolve, Eastern Michigan University students, faculty and staff don't have to go there.

Although interior lots like the parking structure, Oakwood South, Bowen and the Ford Commuter lots fill up between 8:30-9:30 a.m., Green Lots 1 and 2 (the 1,255 parking spaces along Huron River Drive formerly known as the North Lots) always have a place for EMU faculty, staff and students.

The lots have been renamed, though not yet completely re-signed. The environmentally friendly alternative beats driving around in circles or sitting in an idling car, waiting for a parking spot to open.

"Everyone wants to park as close as possible to where they're going, but I've seen people sitting in the lot, lined up for at least 15 minutes," said Parking Supervisor Luis Hernandez. "I guarantee, if they would drive out to the Green Lot, they could have walked back to that spot in five minutes."

Here's what you can do to avoid some parking headaches on campus.

Be prepared: Dress for the weather and wear comfortable shoes, then walk from the Green Lot. You'll end up saving time and frustration. Greg O'Dell, executive director of EMU's Department of Public Safety, a self-described "old guy," clocked himself at eight minutes walking from the middle of the Green Lot to Mark Jefferson last winter.

See the signs: Electronic signs that tell how many spaces are available in the parking structure will

go up on Oakwood and on the structure itself, O'Dell said. Likewise, read the signs at the lot to make sure you're allowed to park there. Some staff lots become commuter lots after 5 p.m. A student parking pass still costs \$150 for fall and winter combined. The price hasn't gone up since 2005.

Move it: Don't leave your car at a meter or in a lot overnight (unless it's in a 24-hour lot).

Text message safety

EMU has launched a University-wide, text-messaging alert service that will advise the estimated 25,000 students, staff and faculty of emergency situations on campus. The Department of Public Safety has initiated the program to more effectively reach today's mobile recipients. The same message will be sent to e-mail, and details will also be on EMU's Web site. Visit this Web site to sign up: getrave.com/login/EasternMichigan. Provide your my.emich e-mail address and your cell phone number. A confirmation message will be sent to your my.emich e-mail address.

CONTINUING EDUCATION

The General Education Program

Education for Participation in the Global Community

For students new to EMU beginning Fall 2007

(Students who began their education prior to fall 2007 should consult the General Education Program Outline found later in this schedule book.)

General education is the core of an undergraduate education. It is general in that it provides students with a comprehensive educational experience and prepares them for study within their majors. Courses in the General Education Program teach students to think critically and to communicate effectively; it provides an introduction to the methodologies and practices of the foundational academic disciplines; and it promotes intellectual curiosity and a love of learning.

The General Education Program, *Education for Participation in the Global Community*, is organized into five main categories:

Area 1: Effective Communication. Individuals need to be able to communicate effectively for their own advancement and for their engagement with the world. They need to be able to read, understand, and critique information. They need to communicate their expertise to others within their own culture and across cultures, and they need to understand different contexts for communication.

Area 2: Quantitative Reasoning. Quantitative Reasoning involves analyzing, critiquing, and evaluating quantitative information in order to make informed decisions. Quantitative reasoning skills are required in almost every major and professional program, as well as in personal and professional life.

Area 3: Perspectives on a Diverse World. Our personal and professional lives have been transformed by changes in a world that is increasingly interconnected. Knowledge of diversity and global issues is vast and complex. Courses in this category introduce students to issues and perspectives in these areas and also provide them with conceptual skills for future learning.

Area 4: Knowledge of the Disciplines. Knowledge of the liberal arts is still the core of General Education. General Education courses explicitly articulate the procedures, practices, methodologies, and fundamental assumptions of disciplines and interdisciplinary fields. In this category, students will take a sampling of courses in the Arts, Humanities, Natural Sciences, and Social Sciences, and they will learn the methodologies and practices associated with each of these disciplines.

Area 5: Learning Beyond the Classroom. This category provides opportunities for experimental learning. Students select from a wide range of experiences, including intellectual and artistic opportunities provided by the University, internships and practicums associated with majors and degree programs, and research opportunities for undergraduates.

GENERAL EDUCATION PROGRAM OUTLINE

Students who began college Prior to Fall 2007 see:
www.emich.edu/aac/forms/gened.pdf

Education for Participation in the Global Community
Bachelor Degree Candidates

General education is the core of an undergraduate education. It is general in that it provides you with a comprehensive educational experience and prepares you for study within your major. General education teaches you to think critically and communicate effectively; it provides an introduction to the methodologies and practices of the...academic disciplines; it promotes intellectual curiosity and a love of learning. General education...is the heart of an EMU education and a source of institutional pride.

ALL COURSES ARE **THREE (3) CREDIT HOURS** UNLESS OTHERWISE NOTED. ALL COURSES **ARE EFFECTIVE FALL 2007** UNLESS OTHERWISE NOTED.

AREA I: EFFECTIVE COMMUNICATION (GEEC)

Requirements: 2 courses (6 credit hours)

- 1. Required course in Written Composition (or Waiver)
- 2. Required course in Oral Communication (or Waiver)

AREA II: QUANTITATIVE REASONING (GEQR)

Requirements: 1 course (3 - 4 credit hours)

- 1. One course in Quantitative Reasoning (or Waiver)

Area II NOTE:

- 1) This matrix is NOT to take the place of the ACT/SAT math placement chart.
- 2) CLM is the Math Placement Test for College Level Math and used for QRChoice.
- 3) See pages 6 and 7 of the Catalog Addendum for more information regarding the QR, the math placement test chart, and the QRChoice.

AREA III: PERSPECTIVES ON A DIVERSE WORLD

Requirements: 2 courses (6 credit hours)

- 1. One course on Global Awareness (GEGA)
- 2. One course on US Diversity (GEUS)

Area III NOTE:

- Courses applicable to the categories of Global Awareness and U.S. Diversity may also be listed as courses within the Knowledge of the Disciplines. However, you may NOT use the same course to meet both requirements.

AREA IV: KNOWLEDGE OF THE DISCIPLINES

Requirements: 8 courses (24 - 32 credit hours)

- 2. Two courses in Humanities with different prefixes (GEKH)

Area IV NOTES:

- 1) Courses applicable to the Knowledge of the Disciplines may also be listed as courses within the categories of Global Awareness and U.S. Diversity. However, you may NOT use the same course to meet both requirements.
- 2) The two (2) courses you selected in each category must be in different disciplines. In other words, you cannot take more than one course with the same prefix in any one section; i.e., Arts, Humanities, Natural Sciences, and Social Sciences. (E.g. CTAR 158 & CTAT 145 are different disciplines (prefix) so both can fulfill the Arts requirement. However, CTAR 158 & CTAR 150 are from the same discipline (prefix); therefore, only one could fulfill the Arts requirement.

AREA V: LEARNING BEYOND THE CLASSROOM (LBC/GELB)

Requirements: Satisfy two (2) of the six (6) groups (0-9 credit hours)

by completing one from each of the two you choose.

Area V NOTES:

- 1) Please see your on-line catalog at catalog.emich.edu for the approved courses, events, programs, positions held, and other possible experiences.
- 2) Courses with an "L" means that these courses could be offered as a NON-LBC course and may not have the "L" designation. Therefore, ONLY those sections of the course with "L" designations will count toward this requirement.
- 3) All experiences and courses, not on the above Web site, must be approved by an official "EMU representative" in order to fulfill the LBC requirement.

Honors College Courses

The Honors College at Eastern Michigan University strives to provide the intimacy of a small, liberal arts education within the context of a large, comprehensive university. To this end, both educational and cultural experiences for EMU's intellectually talented and motivated students are provided through challenging Honors courses and extra-curricular activities that encourage scholarly curiosity, leadership, civic engagement, and diversity. The Honors College offers undergraduate students opportunities for a wide range of experiences that aid in the development of their appreciation for creativity, the arts, sciences, critical issues facing contemporary society, and diversity among people and their cultures.

The following Honors courses are offered in cooperation with faculty in departments from all of the five academic colleges, either as special sections of regularly scheduled departmental offerings or as specific courses developed for The Honors College. Honors courses are small (20 students maximum), interdisciplinary, seminar style classes, emphasizing discussion, student participation, experiential learning, and collaboration.

Students must be members of the Honors College to register for Honors courses. Applications for membership are available in the Honors College office and on the university web site. A course grade of B- or better must be achieved to receive Honors credit. A course for Honors credit cannot be taken as "pass/fail." University academic credit (but not Honors credit) will be earned for any Honors course in which a passing grade of C+ or lower is earned.

Web registration

EMU uses a Web-based registration

process through the
my.emich system.

All students **must** use the online registration system to register for classes. For additional assistance contact Service EMU, 268 Student Center or the Office of Records and Registration, 303 Pierce Hall, 734.487.2300.

Step 1:

Get your my.emich account

If you already are using the my.emich system and your password has not expired, skip this step and go to Step 2. (If your password has expired, you will be redirected to the account password reset page). To get your my.emich account username, you must:

- a. Be eligible to register as defined on page G12. If you still need to take care of any admission details, please visit our Web site at www.emich.edu and click on "Future Students" and then click on "Admissions" or call 1.800.GO.TO.EMU (734.487.3060 for local calls).
- b. Have access to a computer connected to the internet, capable of running a Web browser. my.emich supports Internet Explorer 5.5 SP2 and 6.0 plus latest security patch (Windows), 5.1 (Macintosh) and Netscape Communicator. 4.79 or 6.2.x (Windows), 4.79 (Macintosh). Connection to the internet can be either dial-up (such as AOL) or broadband (such as SBC DSL or Comcast cable internet).

If you meet these criteria, do the following to get your my.emich account information:

On the main page for my.emich.edu, click on **"How do I get my username and password."**

Once the page for **my.emich Account activation** opens, follow these steps:

1. Choose **"Student"** under Activate a new account
2. Click **"Next step" >>>**
3. Type in your EID and PIN
4. Click **"Submit"**
5. Enter a Challenge **"Question"** and **"Response"**
6. Click **"Change Challenge Question/Response"**
7. Enter a valid password in the **"Password"** and **"Verify"** fields
8. Click **"Change Password"**

Step 2:

Logging in and navigating to School Services

Use your Web Browser to go to <http://my.emich.edu>, and enter your username and password in the spaces provided. The **my.emich** passwords expire on a timed basis (currently 180 days). If your password has expired, you will automatically be redirected to the password change page on your next log in. To change your password at other times, click the **"Change your Password"** link in the EMU Quick Links section of the **my.emich** tab (you may need to scroll down).

When you are ready to register, select the Student tab. Scroll down to the Services Main Menu section. Click the **"Student Services"** link, then click **"Registration"**, and then click **"Add or Drop Classes"**.

Follow the instructions to enroll for your classes. If you have any questions, select the Tutorial tab. The Tutorial tab provides step by step instructions along with pictures of what you should be seeing for many common **my.emich** functions including registering for classes.

UNIVERSITY REGISTRATION POLICY

By registering for classes at Eastern Michigan University, you accept responsibility for reading and conforming to all policies, procedures, required dates, fees and other requirements published in the University catalogs and in the class schedule book. You will also incur the \$43 non-refundable registration fee.

ADDRESS CHANGE

File your ADDRESS CHANGE with the post office and the University. Each time you change your address, you must update your address in the University's records. You can make address changes online by logging into your my.emich.edu account, clicking on the Student tab, choosing "Personal Information" and following the links to the address correction page. If you have activated your Higher One card, you must also change your address with Higher One.

COURSE LOAD

Undergraduate:

During fall and winter semesters, the recommended academic course load is 15-18 credit hours. Students must take at least 12 hours to be considered full-time. First semester freshmen and students on academic probation may not take more than the recommended academic load without special permission from the Academic Advising Office, 301 Pierce.

Graduate:

During the fall and winter semesters, the minimum full-time graduate load is eight credit hours.

COURSE OPTIONS

See the EMU Catalog for guidelines for all of the following:

Auditing Classes: Courses may be audited (no credit or grade is given) subject to the approval of the head of the department offering the course. Tuition and fees apply the same as if credit is given. Forms may be obtained at the Office of Records and Registration, 303 Pierce Hall.

Credit/No credit: The credit/no credit option is utilized by departments in courses where the standard letter grades do not seem appropriate.

Incompletes: An I (incomplete) grade is never applied to poor work or non-attendance by the student. An incomplete is granted by the instructor at his/her discretion. A maximum of one (1) year is allowed for completion of the course work.

Pass/Fail Option: A pass/fail option is available to any regularly enrolled junior or senior in good standing within the guidelines set forth in the EMU catalog. A student who qualifies and wishes to elect this option should fill out a pass-fail form and submit it to the Academic Advising Center, 301 Pierce Hall. Graduate students enrolled in undergraduate classes who would like to elect pass/fail should consult with an academic department advisor or the Graduate School. Consult the calendars in this student guide for deadlines.

Repeat of Course: Undergraduates may elect to repeat any course, regardless of the grade received, within guidelines outlined in the EMU catalog. A course may be counted as a repeat, thereby eliminating prior grade and hours, no more than twice without approval of the department head of the course. Graduate students may only repeat a course once, and only if the grade obtained in the first enrollment is less than a B.

COURSES BELOW THE 100 LEVEL

Developmental courses, those with course numbers below 100, will appear in total hours attempted, completed and passed. The grades will also be used in calculating the term and cumulative grade point average. However, they will **NOT** count toward the minimum 124 hours required for graduation.

GRADUATE COURSES FOR SENIORS AND 400-LEVEL COURSES FOR GRADUATE CREDIT

Seniors may take 500-level graduate courses for undergraduate credit and graduate students may take certain 400-level courses for graduate credit. See the EMU Catalog or the Graduate School Web site (go to gradschool.emich.edu and then click on Student Resources) for guidelines and information.

GRADUATION INFORMATION:

When To Apply

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. For more graduation information, go to www.emich.edu/registrar and click on Graduation Information.

INSTRUCTOR ASSIGNMENTS

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule book.

LATE REGISTRATION

1. Students must be registered in order to attend classes.
2. After the first day of classes, you have a short grace period in which to register by Web. If your first registration for the term is on or after the first day of the term, you will be assessed a single, one-time \$120 late registration fee.
3. After the grace period, registration is permitted on an exception basis only. Authorization from the appropriate academic department is required for each course. Registration with departmental authorization is permitted through 50 percent of the semester/subterm. See calendars in this guide section for specific deadlines.
4. After the registration (by departmental authorization) deadline, students will not receive credit for any class(es) in which they are not officially registered. If a student believes they have extenuating circumstances and should be permitted to register after the deadline, he/she must submit a late registration appeal. All appeals must be reviewed and endorsed by the instructor, department head and dean of the college in which the course is taught. Final approval rests with the Registrar. A request does not constitute approval. A late add fee of \$120 per class will be assessed on all approved appeals. The \$120 late registration fee will also be assessed if the student has not previously registered for at least one class.

NOTIFICATION OF STUDENT RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. Please refer to the EMU catalog or our Web site (www.emich.edu/registrar) for complete information on FERPA.

SPECIAL-NEEDS STUDENTS

Special priority enrollment is available for special-needs students. Services are also provided for serious injury or other crises. Contact the Student With Disabilities Office, 240K in Student Center, for information or call 734.487.2470.

Student ID Cards:

The Eagle Card

The Eagle Card is required for the use of the library, Rec/IM facility, computer labs, all meal plans, for entrance to the residence halls after 10 p.m., and for refund processing. Contact The Eagle Card, 120 Student Center, for information or call 734.487.3176.

TRANSCRIPTS

You can request an official transcript online, by mail or in person at 201 Pierce Hall. Information and forms are available through the Records and Registration Web site at www.emich.edu/registrar. Transcripts may also be ordered online at www.getmytranscript.com. A \$5 charge per copy applies for each transcript ordered.

WITHDRAWAL – INDIVIDUAL

After the 100 percent drop deadline, there is a period for withdrawal from classes. Withdrawal results in a W on your academic record. Individual course withdrawal will produce no tuition credit or refund.

Students may withdraw from individual classes via the Web, or at the Records and Registration Service Counter, 303 Pierce Hall or Service EMU, 268 Student Center, through two-thirds of the semester/subterm. See calendars in this guide for specific deadlines. For *undergraduates* after this time, individual late withdrawals are made by petition only, at the Academic Advising Center, 301 Pierce Hall, 734.487.2171; students must provide evidence of extenuating circumstances.

For *graduate students* after this time, individual late withdrawals are made at the Graduate School, Boone Hall. Graduate students must provide evidence of extenuating circumstances.

WITHDRAWAL – TOTAL

If you decide not to attend a semester for which you have registered, you must cancel your entire class schedule or be subject to financial and/or academic penalties. If you neglect to notify the Office of Records and Registration, the University has no way to know that you do not plan to attend, and will continue to reserve your space in class. Non-attendance and non-payment of bills will not result in any class being dropped.

You may cancel all classes by:

1. coming in person to the Office of Records and Registration Service Counter, 303 Pierce Hall or Service EMU, 268 Student Center, or
2. mailing by certified mail the cancellation form in this book or sending a certified letter, including your student number, term, year and main reason for withdrawal, to the Office of Records and Registration, 303 Pierce Hall, Eastern Michigan University, Ypsilanti, MI 48197; or
3. calling registration at 734.487.2300
4. in writing by fax to 734.487.6808

Through the 100 percent deadline, a total withdrawal will result in a refund of 100 percent of tuition and fees. The \$43 non-refundable registration fee will remain. Through the 50 percent deadline, total withdrawal will result in a 50 percent refund of tuition and fees and W grades. Through the 25 percent deadline, total withdrawal will result in a 25 percent refund of tuition and fees and W grades.

RECEIVING AND PAYING BILLS

EMU uses electronic billing only. No paper bills are mailed. It is each student's responsibility to check their "my.emich" email account. E-bill emails are always sent and received through "my.emich". Bills are posted monthly and can be paid by web check at: <https://ebill.emich.edu/>. Credit card payments are also accepted at this site on line via PayPath. PayPath is a third party that processes all credit card payments for a 2.75% fee (min \$3.00). Payments can also be made in person by cash or check or via mail by check at: EMU Cashier, 201 Pierce Hall, Ypsilanti, MI 48197 or at the night depository at Pierce Hall (check only).

EZ Payment Plan

Located on the same website as E-bill and E-Pay is EZ Payment Plan: <http://www.emich.edu/sbs/>. For a nominal fee, a student or authorized parent can set up an installment plan, ranging from three months to four months, depending on the timing within a term. The plan is flexible based upon adjustments made to the account from added classes or other charges, dropped classes or other reversed charges, as well as payments by cash, check or credit card and financial aid. The important thing to remember is that the original payments may change based upon account activity!

Third Party Billing and Payment Process

A company that will pay student charges using a company voucher is a third party vendor. Please mail or deliver the third party voucher to 201 Pierce Hall. After the voucher is received, it is verified and the approved amount is credited to the student account. The Michigan Education Trust (MET) program is applied to the student account when the third party office receives a student report from MET. MET cannot pay the fast track fee.

REFUNDS

When financial aid awards exceed tuition costs, academic fees, campus room and board, a refund will be issued to the student's Higher One Card. Financial aid cannot be used by the University to pay non-educational charges (e.g., telephone charges, parking fines, library fines) nor can it be used to pay charges from a different aid other than the year for which it was designated. All refunds are processed through Higher One. Exception: (Credit card payments that create a refund are credited back to the credit card. If a convenience fee is paid, it is NOT refunded.) When a student activates their Eagle One card they are given two options to process their refund. The card can be used as a debit card or the balance can be transferred to a third party bank. Please see this site for refund inquiries: <https://www.emueagleone.com>

RESIDENT STATUS FOR TUITION ASSESSMENT

Students are responsible for payment of tuition according to their resident or non-resident status at the time of their admission. If, after admission, a student feels his or her residence status has changed, an application for reclassification along with documentation, must be submitted to Student Business Services no later than the end of the 100% tuition refund period. Failure to file an application before the deadline may result in not being considered for reclassification or refunded for the semester for which the student has registered. If an appeal is pending, and a bill is received, the student should pay the minimum payment due on the bill. If the appeal is approved, any amount overpaid will be refunded.

INSTALLMENT PAYMENT PLAN

Installment fees are assessed to student accounts whose bills are not paid in full by the bill due date. If more than half, but not all, of the student account is paid by the first bill due date, a \$36.00 installment fee will be assessed. If less than half of the student account is paid by the bill due date, both a late payment fee and an installment fee will be assessed.

LATE PAYMENT FEE

If payment is received after the bill due date, a late payment fee of \$36.00 is assessed. Late payment fees will continue to be assessed until the account is paid in full. If more than half of the student account is not paid by the first bill due date, both a late payment fee and an installment fee will be assessed.

Tuition Refunds for Dropping Classes

When you register for a class, you have contracted with the University to reserve space in that class and you are responsible, by virtue of your registration, for payment of tuition and fees. If you find that you cannot take a class, you must **DROP THE CLASS OR CLASSES VIA THE WEB REGISTRATION SYSTEM or IN WRITING** by the 100% drop date in order to be relieved of your responsibility for payment of tuition. If you dropped using the Web Registration system, you need to verify that the drop was processed correctly.

CAUTION!

If you decide not to attend the University, you must:

1. **CANCEL ALL YOUR CLASSES** at the Records and Registration Service Counter at 303 Pierce, Service EMU at 268 Student Center or by certified mail or by fax. A mail-in cancellation/withdrawal form is included in this book for your convenience or you can obtain the form from the website at www.emich.edu/registrar.forms.htm. You may also contact Records and Registration at 734.487.2300.
2. If you are receiving financial aid, **NOTIFY THE OFFICE OF FINANCIAL AID** that you will not be attending.
3. If you are in the residence halls, **CONTACT THE HOUSING OFFICE** to arrange for **CONTRACT WITHDRAWAL**. **FAILURE TO DO THE ABOVE MAY LEAVE YOU WITH TUITION AND HOUSING CHARGES THAT WILL NOT BE PAID BY FINANCIAL AID.**

Returned Checks and Charge Card Authorizations

A check or charge returned from your bank or other financial institution unpaid (returned item) will not automatically cancel your registration with a refund of tuition charges. The University will hold you responsible for your original enrollment plan unless you follow the published procedures and schedules for dropping classes or withdrawing. We will charge the returned item to your account, along with the returned check fee, and request immediate payment. If you do not tender payment when requested, administrative action may be taken to place holds on future registration privileges, release of transcripts and other University services. You will also face collection action for the unpaid amount.

TUITION APPEALS

EMU allows the first 10 percent of the semester (eight days for fall and winter, four days for spring and summer) to drop your classes with full credit, minus the non-refundable registration fee. If you fail to drop within the time allotted, you will be charged the entire tuition and fees for the class(es). If you feel there is a University error that resulted in your failure to drop the class(es) in a timely manner, you may file a tuition appeal with all supporting documentation at Student Business Services, 201 Pierce Hall, until 15 business days after the end of the semester. You must have an extenuating circumstance with supporting documentation for an appeal approval. Appeals will not be approved for changes in your work schedule or because you failed to verify a drop transaction.

HELP! THERE'S A HOLD ON MY ACCOUNT SO I CAN'T REGISTER ...

Eastern Michigan University may place a hold on a student's registration if either financial or academic performance obligations are not met. To settle your account and clear a financial hold, contact **Student Business Services at 734-487-3335** or 203 Pierce Hall. You will then be allowed access to the Web Registration System.

EXPLANATION OF HEADINGS

- **CRN** stands for Course Reference Number. This is a five-digit number that uniquely identifies a particular section of a course.
- **S** stands for Status. This column denotes whether sections are Honors sections (H), Freshmen Interest Group sections (F), PASS sections (P), or CSIE Program (E). If any of these four codes appear in that column, students will not be able to register for the section unless they are in that particular program. Sections with no Status code are open to the general population, provided course restrictions and prerequisite requirements are met.
- **P/T** stands for Part of Term (also used interchangeably with Sub-term). There are several Parts of Term within each term. For example, Winter term consists of a 15 week Part of Term, several 7-1/2 week Parts of Term, and a 1 week Part of Term. For specific Part of Term begin and end dates, see Page G4.
- **ST** stands for Schedule Type. The following codes are used:

DEI = Distance Education Independent Learning	HLE = Hybrid Lecture
DEO = Distance Education Fully-Online Lecture	HLL = Hybrid Lecture/Lab
DLB = Distance Education Fully-Online Lab	IST = Independent Study
DLL = Distance Education Fully-Online Lecture/Lab	L = Lecture
EBR = Web Enhanced Lab/Recitation	LAB = Laboratory

- **Days** denotes which day of the week the class is held:
M = Monday, T = Tuesday, W = Wednesday, R = Thursday, F = Friday, S = Saturday, U = Sunday (eg. TR means Tuesday & Thursday)
- **Camp** stands for Campus. This code tells where the section is held and is used to denote Continuing Education sections. For a list of Campus Codes and descriptions, please see the beginning of the schedule book.
- **Rm** and **Bldg** denotes the Room and Building in which the class is held. For a list of Building codes and descriptions, please see the beginning of the schedule book.

FALL 2009 HANGTAGS

A commuter hangtag may be ordered on the Web at <http://it.emich.edu/service/online>.

This link will take you to the Commuter Hangtag Request application. You will be asked for your Campus Pipeline account name and your PIN. Hangtags ordered via the Web will be charged to your student account.

Hangtags ordered Aug. 3 through Aug. 30, 2009, will be mailed. For orders placed on or after August 31, 2009, the hangtag must be picked up after 4 p.m. the following business day at the Public Safety Department located on the ground floor of the Parking Structure. Photo identification will be required to pick up the hangtag.

There is a \$25 fine for parking a vehicle on campus without a valid hangtag in any lot other than designated guest pay lots. Failure to display the hangtag is a violation of the parking regulations and will result in the issuance of parking violations (tickets). A lost hangtag must be replaced by purchasing another from the Parking Department.

Hangtags may be purchased in person starting Aug. 17, 2009 at the Parking Department, Monday through Friday, from 8:30 a.m. to 4:30 p.m.

The Parking Department will be open until 7 p.m. on Sept. 9-10 & 14-17, 2009. If you need further information, please call the Parking Department at 734.487.3450 or view the Web site <http://my.emich.edu>.

Vehicle registration fees: (subject to revision)

Commuter \$75

Parking is allowed between 6 a.m. to 2 a.m. with a valid hangtag. Overnight parking is only allowed in resident lots with a valid guest or resident hangtag.

Residents of University Apartments may purchase their hangtag by presenting their current student ID, vehicle license plate number and a copy of their apartment lease to the Parking Department.

Residents of University residence halls may purchase a resident hangtag at the Parking Department with their current student ID and vehicle license plate number.

Graduate assistants must obtain a "Hangtag Request" form from their sponsoring department. They must present the completed form and student ID, in person, at the Parking Department, to obtain a hangtag.

GENERAL INFORMATION FOR GRADUATION APPLICATION GRADUATE DEGREES & CERTIFICATES

Application for Graduation

Candidates for graduate degrees and certificates must submit an Application for Graduation by the deadline date for the semester in which they plan to complete program requirements (see calendar below). The completed Application, together with the graduation fee, should be turned in at the Cashier's Office in 201 Pierce Hall. The Cashier's Office will validate the form with the date received and fee paid and forward the application to the Office of Records and Registration.

Graduation Process

The records of each applicant are reviewed to determine graduation eligibility. Each student is sent a Graduation Check-out sheet. A copy is also forwarded to the coordinator of advising for that student's academic department for review and recommendation. Upon receipt of the department's recommendation, the student is notified by letter of his/her clearance for graduation. Degree Verification letters are sent to all students who have completed program requirements. Students enrolled in the semester in which they have applied for graduation are sent Degree Verification letters approximately three weeks after grades are received at the end of the semester. Diplomas and a complimentary transcript are mailed six weeks after the semester ends.

The Office of Records and Registration cannot accommodate requests for advanced verification.

The degree recommendation/clearance letter documents the University's degree verification process and can be used to inform any employer of the date when degree certification can be expected.

Graduation Requirements

Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

- **Grade Point Averages:** No student will be recommended or approved for a degree/certificate unless the student has achieved a grade point average of 3.0 (master's), 3.3 (specialist's), or 3.5 (doctorate). This grade point average applies to all graduate credit taken at EMU and all graduate credit in the area of concentration/specialization.
- **Residency:** Although the Graduate School does not require a specific period of campus residency, it nevertheless encourages the efforts of graduate programs to create a cohesive intellectual community. Some EMU graduate programs do enforce a residency requirement even if the Graduate School does not. Students should check with their advisers and program descriptions to determine specific expectations and requirements.

These may vary from one program to another and may include attendance at guest lectures or conferences, or even specific periods of enrollment on the main campus.

- **Time Limitation:** All requirements for master's and specialist's degrees must be completed within six calendar years of the time of the first course used on the program; candidates for the doctorate degree must complete all requirements within seven calendar years.

Graduate Record Updates

All course work accrued prior to the graduation semester must be completed, documented/validated as required, and made a matter of record by the degree award date of the expected graduation period.

• "I" (Incomplete) Thesis/

Dissertation: Required course components must be completed and "I" grades converted to letter grades. Thesis/dissertation copies must be in the Graduate Dean's office by the deadline date of the expected degree period.

• **Transfer Credit:** Filing of official transcript(s) in the Office of Records and Registration is required to post transfer credit. Students taking their last courses at another university to fulfill program requirements at EMU should apply for the graduation period following the semester in which the course is completed because of factors involved in receiving transcripts and finalizing the graduation check-out process. Letters from professors or grade reports are not acceptable substitutes for transcripts.

• **Out-of-Date Credit:** Courses which are between 6 and 10 years old must be validated for use on a program of study. Any course which is over 10 years old may not be validated nor used on a degree program. For information on this process, please contact Records and Registration at 734.487.0093. Validation must be completed and recorded by the deadline date of the expected graduation period.

• **Certification:** Candidates graduating from the College of Education must hold or be eligible for a teaching certificate and a copy must be on file with Records and Registration. If appropriate, the academic department may submit a signed waiver. Certification candidates should contact the College of Education, Office of Academic Services, at 206 Porter, 734.487.0275.
