### Preface

The *Notre Dame Lawyer* is pleased to publish this review of decisions by the Court of Appeals for the Seventh Circuit. Whereas last year's survey considered cases decided during the 1975 calendar year, this review consists of cases decided after January 1, 1976 during the court's 1975-76 term. Although a smaller number of cases were available to the *Lawyer* staff for comment this year, future reviews will be able to address the full term of the Seventh Circuit.

The *Lawyer* is grateful to the judges of the Seventh Circuit for their encouragement and assistance in the preparation of this publication. It is the sincere hope of all the staff that our present effort may in some measure contribute to the understanding and resolution of some of the complex issues in the cases discussed.

*Robert J. Cramer*  
*Editor-in-Chief*
