Homily The Rev. Theodore M. Hesburgh, C.S.C.
President of the University

Profession of Faith

I believe in God, the Father almighty,
creator of heaven and earth.

I believe in Jesus Christ, his only Son, our Lord.
 He was conceived by the power of the Holy Spirit
 and born of the Virgin Mary.
 He suffered under Pontius Pilate,
 was crucified, died, and was buried.
 He descended to the dead.
 On the third day he rose again.
 He ascended into heaven,
 and is seated at the right hand of the Father.
 He will come again to judge the living and the dead.

I believe in the Holy Spirit,
 the holy catholic Church,
 the communion of saints,
 the forgiveness of sins,
 the resurrection of the body,
 and life everlasting.

General Intercessions

Please sing at the direction of the cantor.

Crown Him With Many Crowns

text: Godfrey Thring
 tune: Diademata

Crown him with ma-ny crowns, the Lamb up - on his throne;
 Hark! how the heavn'ly an -them drowns all mu-sic but its own:
 A - -wake, my soul, and sing of him who died for thee,
 And hail him as thy matchless King through all e-ter-ni - ty.

Baccalaureate Mass

2. Crown Him the Virgin's Son, the God incarnate born,
Whose arm those crimson trophies won which now his brow adorn;
Fruit of the mystic rose, as of that rose the stem;
The root whence mercy ever flows, the Babe of Bethlehem.
3. Choir
4. Crown Him the Lord of Life, who triumphed o'er the grave,
And rose victorious in the strife for those he came to save.
His glories now we sing, who died and rose on high,
Who died, eternal life to bring, and lives that death may die.
5. Crown Him the Lord of Heaven, enthroned in worlds above,
Crown Him the King to whom is given the wondrous name of Love.
Crown Him with many crowns as thrones before Him fall;
Crown Him, ye kings, with many crowns, for He is King of all.

The Academic Costume Code

The history of academic dress reaches far back into the early days of the oldest universities. Academic dress finds its sources chiefly in ecclesiastical wear, although mediaeval scholars tended to adopt a collegiate costume. A statute of 1321 required that all "Doctors, Licentiate and Bachelors" of the University of Coimbra (Portugal) wear gowns. Beginning with the second half of the 14th century, civilian collegiate costume was specified in various regulations of the universities. European institutions continue to show great diversity in their specifications of academic wear.

In American colleges and universities, the academic costume is prescribed by the American Council of Education, and its present form was adopted in 1932. The first suggestion for a uniform code was made in May, 1895, following an educational conference at Columbia University. In 1902, the Intercollegiate Bureau of Academic Costumes was created. It codified the 1895 rules and its legal firm serves as a clearinghouse and "repository" for official university and college colors, costumes and insignia.

The present academic dress consists of gown, hood and cap with the pattern and trimmings listed below. Exceptions have been granted to specific universities upon request.

GOWNS: Black cotton with long pointed sleeves for the Bachelor's Degree, long closed sleeves (with a slit for the arms) for the Master's Degree, and bell-shaped open sleeves for the Doctor's Degree. The Bachelor's and Master's gowns do not have trimmings. The Doctor's gown is faced down the front with black velvet and there are three bars of velvet across the sleeves.

HOODS: Black in all cases. For the Master's it is three and one-half feet long and closed at the end. The Doctor's hood is four feet long with panels at the sides. All hoods are lined with the official color or colors of the college or university which conferred the highest degree. The edging of the hood is velvet and three inches and five inches in width for the Master's and Doctor's degrees, respectively, while its color is distinctive of the subject field.

CAPS: Black cotton and stiffened into the so-called mortarboard style. Each cap has a long tassel fastened to the middle point of the top of the cap. The tassel color denotes the subject field. The Doctor's cap may have a tassel of gold thread. University administrators may also have a tassel of gold thread.
