EMERSONIAN FLOAT WINS FIRST PRIZE IN SOCIETY CONTEST

#### HUGE CROWD ATTENDS PEP MEETING

Clever Stunts and Play Presented by Students Provide Entertainment

"The best ever!" seemed to be the consensus of opinion regarding the homecoming program arranged for Friday Evening, Oct. 30, and carried out despite the intermittent showers. The parade and gathering in Carnegie Gymnasium showed the interest harbored by Hope's many graduates and by the citizens of Holland.

Headed by the Hope Band under the direction of Professor Ritter, the parade began shortly after 6:30. Eleven floats, representative of a great deal of work by the committees of the organizations entering the contest, were preceded by a large number of students marching according to class behind the band. The Emersonian float, which was later awarded first place, came third in line. Numerous private cars, decorated for the occasion, brought up the rear.

Forming in front of the girls' dormitory, the parade proceeded down Tenth Street past the Cosmopolitan house, which was decorated with crepe paper and an electric sign, "Welcome Alumni."

Second on the crowd's itinerary, the Knickerbocker house was bedecked with a mammoth orange H before the entrance and a large football with a red and black setting.

Continuing down Twelfth Street, the parade passed in front of the Emersonian House, which was resplendent with streamers and a large pennant welcoming the Alumni.

When the band began to play the ambling students departed from their role of sedate marchers and became a swirling mass of exuberant collegiates, timing their intricate oscillations to the cadence of the music, providing a novel spectacle to the onlookers that lined the streets, waiting for the appearance of the beautiful floats that followed.

Past the Frater house, decorated for the occasion as had been the others, went the parade after leaving Eighth Street, to end up at the gym, where a large crowd of students alumni and townspeople assembled, waiting for admittance.

Carnegie Gymnasium was soon filled, many standing in the rear of the room after the balcony and main floor seats had been occupied. Yells led by Marvin Kruzenga and Vernon Buell dovetailed with several selections by the band to work up an hilarious spirit.

George Painter, president of the student council, mounted the platform and addressed a few words of welcome to the alumni present. He then introduced Cory Vander Naald as master of ceremonies. Coach "Bud" Hinga was called

### Delphi and Sorosis Have Reunions

#### ENTERTAIN ALUMNAE AT WARM FRIEND TAVERN

The Delphi society and their alumni enjoyed a dinner at the Warm Friend Tavern Saturday evening, Oct. 31. Exchanging reminiscences kept the room in a hub-bub during the meal. A short program added to the delightfulness of the gathering. "Love Sends a Little Gift of Roses" by John Openshaw and "Sympathy"—a selection from the comic opera "Firefly" by Rudolf Friml were beautifully sung by Delphian Anne Jackson who was accompanied at the piano by Delphian Zella Skillern. Delphians Sarah Lacey and Eula Champion delighted the guests with two piano duets "Polish Dance" by Scharwenka and "Story of the Stork" by MacDowell. After the singing of the Delphi songs, the group adjourned. Everyone had a very enjoyable time talking over "old times." The following alumnae were present Polly Schutt, Grace McCarroll, Anne Buth, Esther Mulder, Marion De Kuiper, Evelyn Geerlings, Ann Heyboer, Grace Koeppel, Dorothy Mulder, Margaret Otte, Eunice Hyma, Sarah Lacey, Mrs. Wm. Beswick, Adelaide Dykhuisen, Geraldine Dykhuisen, Verna Brower, Doris Brower, Margaret Boter and Alice Boter.

On Saturday evening, October 31, sixty-five of the Sigma sisters of the past and present gathered in the beautiful Dutch Grill at the Warm Friend Tavern for the annual Sorosis reunion. After a delicious chicken dinner, President Marie Kleis opened the program with a hearty and sincere welcome to the alumnae. Two charming vocal duet numbers were then sung by Jean Herman and Arloa Van Peursem accompanied at the piano

Saturday the Sibylline Society entertained its alumnae at a delicious chicken dinner served in the Sibylline room. Several of the graduate members entertained during the meal with descriptions of their interesting experiences as teachers. Later everyone enjoyed an "Old-Times" hour. When all were "talked-out" the girls took their cars and followed the leader around town. Both the alumnae and

Evening Discussion Groups Arranged for Wednesday and Thursday

Rev. John A. Dykstra, D. D., who is the Pastor of Central Reformed Church in Grand Rapids, is the guest speaker for the annual week of prayer. His general theme is "For me to live is Christ." The services are held on Sunday and every school day of the week. Also anyone who wishes may have a conference with him either in the morning or the afternoon of any day of the week. ### Magician Birch to Appear Friday Evening on Lyceum

On Friday night of this week the Hope Lyceum course presents the greatest of coming Magicians of the day. Thurston has chosen Mr. Birch as his successor.

Mr. Birch is 29 years of age. This is his eleventh annual tour. He began giving performances at the age of seventeen, and is planning a world tour the first of the new year.

Among his fifty illusions are the following: making a live pony vanish, walking from his shadow, floating a young lady in space, cutting a live girl in four parts, driving a spike through the head of a youth. Truly, a man of mystery is a suitable term for him.

In addition, Miss Mabel Sperry, one of the company, will entertain with a few numbers played on her Xylophone.

Anything said in description seems cold and inadequate. You will have to see him to believe. Even

then, one can not believe one's eyes. Student tickets will be on distribution in the office Thursday afternoon only.

#### STUDENT VOLUNTEERS HEAR RETREAT REPORTS

The Student Volunteers met on Wednesday, Oct. 28, to receive a renewed interest for their life work. The reports of the retreat followed our song service and prayer circle led by Ella Boschker.

Marian Boot based her report on the devotionals used at the retreat. The missionary messages were retold by Lois Marsilje, Martha Vanden Berg gave a report on the business meetings and Bernice Mollama related the social events enjoyed.

### Alumni Dinner in Grand Rapids Well Attended

#### GUESTS ENTERTAINED WITH MUSIC AND TALK BY DR. WICHERS

Members of the Hope College Alumni Club, friends of the College, and the present junior and senior classes attended a reunion banquet at the new church house of the Central Reformed Church of Grand Rapids at five-thirty last Thursday evening. In spite of the rainy weather, over eighty were present.

After a delicious dinner had been served by the ladies of the church, and interesting program was rendered. President J. G. Riemersma presided. Mr. John Van Brook led lively group singing, calling on various people to perform. A quartet of men led by Professor Paul McLean, and a quartet of women sang selections. Mr. Van Brook also called on the Raymonds and the Hingas for a song.

Mrs. Marian Struik Blandford, and alumna of the class of 1918, sang two beautiful solos accompanied by Mrs. Van Antwerp. Following this, each person stood, told his name, the class he was graduated from, what he was doing, and if he was married or not. Some very witty and amusing speeches were given in connection with this.

The principal address of the evening was given by Dr. Wynand Wichers, President of Hope College. He spoke on "Things not in the Curriculum" stressing that people should live royally and loyally.

The banquet closed in time for those wishing to attend the evening programs of the Educational Convention.

### Fraternities Entertain Alumni

On Saturday, October 31, the Emersonians gathered at Grace Episcopal Church for their annual stag and formal initiation. The ladies of St. Agnes Guild served a delicious meal of corned beef and cabbage, with hot mince pie as dessert. After several impromptu speeches by the members of the football team on their views of the game with Hillsdale, the formal program was opened with a history of the Emersonian Society by John Vanden Belt. ### Thrill Great Home-coming Crowd of Fans

#### COME BACK STRONG IN LAST QUARTER TO MAKE TWO TOUCHDOWNS

#### DALMAN AND JAPINGA ARE BRIGHT LIGHTS

Pluck and Spirit of the Team and Crowd Overcome Heavy Odds

Hope's homecoming ended in fine fashion when the Blue and Orange tied the powerful Hillsdale varsity last Saturday afternoon at River-view Park. The final score was knotted at nineteen all. Hope displayed unexpected power and caught her worthy opponents off their feet. Playing an uphill battle all the way the home team came back with a seemingly reserved power to tie the Green and White in the final minutes of play.

Hillsdale won the toss and kicked off to Hope who fumbled on the second play of the game and McVicar of the opposition recovered to place his team in perfect scoring position. After six plays Dunlap carried the ball over for a touchdown. The kickoff for extra point was good and Hillsdale led 7-0. Before the first quarter was finished, however, Hope came back and also scored seven points. A pass from Japinga to Damson accounted for the first six and the Jappinga's toe added the seventh. During the second quarter, after a continued exchange of punts and a fatal penalty against the locals, Hillsdale again scored and the half ended 13-7 in their favor.

An inspired Hillsdale team took the field the second half and after a beautiful kick by Tysse and a 15 yard penalty, which placed them back on their own ten yard line, the Blue and Green marched down the field, playing straight football all the way and scored her third touchdown of the day making the score 19-7 in her favor. In this drive the Hillsdale team exhibited some of the prettiest offensive football ever seen by the local fans. Hope was not to be denied, however, and she came back in perfect unison to send Dalman off on a beautiful fifty-yard run to a touchdown, which made the score 19-13,—and things looked brighter for the Hope supporters. The fourth quarter was one merry battle with Hillsdale fighting with fury to stop a team of determined Dutchmen who just couldn't be stopped. With but three minutes to play the Orange and Blue came through, and a pass from Japinga to Dalman tied the score 19-19.

Jim Zwemer played a perfect game at tackle and his work deserves much credit while Dalman and Japinga performed brilliantly in the backfield. The team as a whole fought and played together in a beautiful harmony and cooperation. Dunlap, Reynolds and MacVicar were the outstanding performers for Hillsdale, Albion surprised Alma by trimming her 13-7 and now Hope is tied with Alma for second place in the M. I. A. A.

**HOPE SPIRIT WINS**

Saturday's magnificent game witnessed a triumph for that indefinable quality of our college and its people known as "Hope Spirit." Something more than skill or luck was needed to overcome the heavy odds which Hillsdale held against our team. Something kept Hope going when the score stood 19-7, and something pervaded the crowd that cheered through every setback and gain. That something was Hope Spirit—and a reality. The new meaning which this year's activities have given to Hope Spirit was never more manifest than at the home-coming game. With a force like that behind them our teams can not help but win victories. Our hats are off to the new Hope Spirit. May it grow stronger and finer every year!

**CONGRATULATIONS**

After thoroughly enjoying the best home-coming that Hope has ever had, we realize that someone put a lot of time, work, and enthusiasm into the preparations. The Home-coming committee surely deserves the highest commendation for their outstanding achievement. The entire program of events was as nearly perfect in plan and execution as one could wish, and we are only sorry that the committee didn't have charge of the weather. We extend our heartiest thanks to Miss Sabo and her assistants; Kay Skillern, Edith Drescher, Bob Notier, Rub Aiken, Waddy Spoelstra and Howard Schade.

**RAZZING**

One of the few things which detracted from the perfection of our home-coming was the tendency displayed at the game by certain sections of the crowd to razz members of the opposing team. We should not forget that while visiting teams are rivals they are at the same time our guests and should be treated with every mark of respect. Razzing is an effective way to show disapproval, but it should be used only when a player's actions warrant such a procedure. There was no call for razzing at Saturday's game, and the fact that Hillsdale was a powerful team does not excuse its practice. We expect our men to get a square deal when playing on foreign fields. Let us grant visitors the same courtesy.

by Esther Koster. Miss Ross, a Sorosite of '26, then gave us some very interesting statistics of the activities of our very "active" alumnae. This was followed by a group of selections on the marimba by Hilda Lanting, accompanied by Gertrude Holleman at the piano. The speaker of the evening was a Sorosite of the year 1923, now the wife of Mr. Greunar Heimburger, professor at the Government University at Stockholm, Sweden. Mrs. Heimburger, in her charming way, gave us a very interesting account of her participation, during the

past three years, in the social and educational life at Stockholm. The concluding number on the program—a group of vocal solos by Mrs. Gordon Van Eenam, a Sorosite of '20—was very well rendered. The meeting was closed with the Sorosis Song and we bade farewell to our alumnae, confident that no matter where their activities may carry them, thoughts of Sorosis will bind us together—until we meet again.

upon to open the program. Hinga's speech, well adapted to meet the demands of the occasion, promised the football fans that the game promised to be an exhibition of unrivalled energy and "fight" by the Hope aggregation.

The Sophomore Class came into the limelight when its president, Marvin Kruiuzenga, presented "Watty" Spoelstra and Corny VanderNaald with tokens of appreciation for their services in coaching the pull team that won two successive contests.

A clever playlet, "Annual Examinations, 1981," directed by Herbert Marselje, mixed wit with drama and sarcasm to win the plaudits of the audience. The new Hope song was then introduced to the alumni. "Flittermouse," a one act farce, provided hearty amusement and boosted considerably the stock of Edith Drescher, Ruth Van Dyke, Lillian Sabo and Al Tarrant as comic artists.

As a final number, Jack De Witt in his inimitable manner broadcasted an imaginative football game between the all-Faculty and the all-Flunks.

In the meantime the judges had met to decide the winners in the float contest. As president of the Emersonians, Jack De Witt was summoned to receive a plaque as first prize for the entrant prepared by Laurence De Cook and his committee. The float portrayed a large windmill surmounting the slogan, "You Can't Beat the Dutch."

Fraternal was given second place for its miniature football field and the inscribed sentiment, "May the Best Team Win." The Alethian float won third.

As an appropriate culmination to the festivities, the crowd gathered around a large bonfire provided by the freshmen and gave a few yells before dispersing.

The committee in charge of the program consisted of Lillian Sabo, chairman, Ruby Aiken, Edith Drescher, Robert Notier, Howard Schade, Kay Skillern, and Watson Spoelstra.

**SORORITIES DINE WITH THE HOMECOMERS**

(Continued from Page 1)

members agreed that the evening had been a most pleasant one.

After the glorious football game, the Dorians assembled for a pleasant evening. Devotions were in the charge of Edith Cunnigin. Following this, Alice Brunson, an alumna, led the singing. As Saturday was Hallowe'en, the room was decorated most attractively to fit the occasion. Several games were played in which the alumnae scored high. The remainder of the evening was spent in talking over old times and the events of the day. After some delectable sweets were served, the meeting was adjourned. The alumnae, who visited the society were, Alice Brunson, Mrs. Timmer, Georgia De Weerd, Cornelia DeKleine, Ada Boone, Henrietta Lamet, Harriet Baron and several other guests.

In spite of many hideous and gruesome spirits floating about Saturday evening the Aletheans gathered at Josephine Ayers' home for an Alumnae Musical Haunt. The spacious living room was camouflaged into a corn-stalked harvest bin overflowing with apples, leaves, pumpkins and peanuts. Flickering candles did their best to furnish light on the subject with meagre success.

After following the candle lighted trail of destiny upstairs and down, the guests were cautioned to discover the instrument they represented by asking questions answerable by "yes" or "no" concerning the names on their backs. Demonstrations proved very amusing es-

pecially during the new Hope song. Who'd have thought sculptors ever lived on Hope's campus. Some proved themselves incomparable. Results with gum-toothpicks were very encouraging. The masterpiece was the handiwork of Harriet Boot who depicted a jinrikisha and coolie from China.

The peanut scramble was hard on one's ears. Yells for Hope and Hillsdale clashed at "High C". In spite of the tie in the afternoon Hillsdale boasted the more peanuts at night. But Hope won out in the pumpkin relay.

Games and more of them—some surprises for and by Alumnae such as judging contests.

Roasted marshmallows and rosy apples preceded the colorful salad of orange and Black, Boston brown bread sandwiches and the inevitable cocoa with pumpkin pie a la mode.

The guests and Alumnae were: Anna Koeman, Edith Mc Gilvra, Ruth Everhart, Evangeline Horning, Janet Kalker, Janet Kaper, Marguerite Kinkema and Lucia Ayers.

**Sidelights on Education**

The true spirit of American democracy is invading our American campus in a new, unusual way. Women have long demanded equal rights with men and now they must pay for them — on the campus of the University of Arizona. A Bachelors' Club has been formed in this institution for

the purpose of conducting a drive to make its co-eds share the expenses of the all-necessary dates in order to bear through the depression together. It was estimated that the average college girl had more money to spend than the male. It seems that there is a danger that the "great American date" may lose much of its color unless this plan is adopted.

Arizona is not alone in this attempt to liquidate the "frozen date asset," for the divided payment plan is in operation at present at Annapolis, West Point, University of Pittsburgh, and several other large institutions.

Soup kitchens and shows will be established on the campus of Oberlin College. Hunger-stricken students will find help through this work which is sponsored by the Student Council. A coffee-house will be situated in the center of the campus and will dispense drinks to the hordes after they have negotiated the breadline.

Food tickets were handed out to the students after chapel. There will be entertainment to keep the spirits of these poverty-stricken students from sinking too low. But don't get excited—this is only a campus "mixer," following out the spirit of the depression.

College men prefer college women as life companions, according to the nation-wide poll of the College Stories Magazine. The poll revealed that men preferred college girls because they have "it," intelligence, and a knowledge of the higher values of life.

There were some, however, that thought that college did a girl more harm than good. A statistician in Kansas revealed that figures show that the Kansas divorce rate is one to every five among non-college graduates, and only one to every hundred among college graduates. College people have ninety-nine more chances of being right.

**Fraternities**

Fraternities—Last week Wednesday the Fraters met again for an hour of pleasure and fellowship. The meeting was opened by prayer led by Frater Van Kolken. Frater Tyse was appointed the critic for the program. The first number was a paper by Frater Damson, entitled "Modern Advertising." This was followed by a paper, "Friendship," given by Frater Gerald Rott-schafer. This was an excellent piece of work and the first of a series of papers on Fraternal principles. Frater Shade, who has not been able to sing for the last half year, due to a slight operation on his throat, was again able to entertain the Fraters. He sang two songs, "Friend of Mine" and "Invictus," and his ability has not grown rusty because of his long

rest from singing. The final number was a good laugh. It was a humor paper, "Hope versus Calvin," given by Frater Plewis.

The music is as follows: Sunday—An Anthem by the Chapel Choir, Monday—A violin solo by Miss Cornelia Stryker, Tuesday—A vocal duet by Miss Herman and Mr. Friesma, Wednesday—A vocal solo by Mr. Shade and an anthem by the Chapel Choir, Thursday—A vocal solo by Miss Paalman, and Friday—A quartet by Miss Paalman, Miss Herman, Mr. Friesma, and Mr. Somsen.

**MR. JAMES DOOLEY GIVES ADDRESS AT DIVINITY GUILD**

The Divinity Guild held its weekly meeting on Wednesday afternoon, Oct. 28. Mr. Kenneth Hicks had charge of devotions, who, after the song service, read the thirtieth Psalm. This was followed with a season of sentence prayers and another song. The speaker of the afternoon was Mr. James Dooley, who gave a very excellent talk on Matt. 20:26 and 27, which contain the answer Jesus gave to His disciples, and is giving to us today, when they asked Him who would be greatest of them in Jesus' kingdom. Mr. Dooley, in a most effective and interesting manner, pictured the lives of Jesus, Booker T. Washington, Lincoln, and Carnegie, as illustrations of leaders — those who had been chosen by God to be of service to the people through prayer and mind. He pointed out that one is always "happy in the service of the King," and Mr. Dooley proved this by some very interesting facts of his own life. A lively discussion followed, in which Mr. Dooley's address was highly commended, and in which the fact was revealed that although one's good works are not always praised by people, Christ always appreciates them and blesses the doer. Mr. Dooley then sang a negro spiritual entitled, "Down by The River Side." The meeting was closed with a song and the mizpah.

**INTERESTING ADDRESSES  
FEATURE TEACHERS'  
INSTITUTE MEETING**

The Fourth District of the Michigan Education Association Institute held an interesting and educational series of programs on October 29 and 30 in Grand Rapids. On Thursday morning the general program in the Armory at which Bishop Fisher of the First Methodist Episcopal Church of Ann Arbor spoke, was especially interesting. Mr. Fisher, speaking on "Mahatma Gandhi," showed that Gandhi is not a fanatic, but that he holds to his unusual habits and customs because of the principals that lie back of them.

Thursday afternoon was given over to the regular divisions consisting of discussions on the Early Elementary, Later Elementary, High School, Junior High School, Rural, and Parent-Teacher. Special divisions on Manual Arts, Nature Study, and Home Economics were also held. In the evening another general session took place at which Judge Marcus Kavanagh of Chicago spoke on "Why the Law Fails."

Friday morning was taken up with section meetings and at 2 p. m. a last general meeting was held at the Armory. After a business meeting and a musical selection by the Junior College Brass Quartette, Stuart Chase, an Economist and writer, spoke on the subject "A Billion Wild Horses."

enjoyment from discussing old times, new times, and especially the dashing game. Many people were heard to comment on the new spirit at Hope and the increased enthusiasm for athletics.

After the reception, a lot of the guests went on tours of inspection through the campus for Voorhees, Van Vleck and the fraternity houses were open to the public.

William Cough furnished the humor for the program by giving several campaign speeches. Bernard Vander Beek played a group of piano solos to give a slight diversion from the task of listening to talks. The last and most serious number of the program was administration of the Emersonian Oath to the new members. The meeting was concluded with the new men singing the Emersonian Song.

—Due to the recent Home-coming events, the Knickerbocker Society did not hold its regular meeting, but enjoyed a very busy week in spite of the fact. The stag dinner Saturday night was given in the Knickerbocker Grille and was proclaimed by all to be a most bounteous feast. Among the Knickerbocker Alumni present were Rev. Vandenberg, James and John Ver Meulen, R. Hemkes, Bill Beswick, V. Ten Cate, Ray Smith, Allan Brunson, Paul Brouwer, Louis Scudder and Ed Tellman. After the dinner, Rev. Vandenberg, who is a charter member, gave a short talk on the history and ideals of Knickerbocker. John Somsen sang two numbers, and "Waddy" Spoelstra made a few closing remarks.

Friday night Mr. Ross, the advance agent of Birch the Magician and his troupe, ate dinner with the boys at the House, and thoroughly delighted and mystified them (even "Red" De Young) with a number of sleight-of-hand tricks. If he is only the advance agent, the Knicks are going to nail everything down before Mr. Birch himself comes.

Last Saturday evening, after a busy and exciting day, The Fraters held a quiet, informal meeting. Many of the Alumni, including several of the faculty members, "dropped in" for a little chat. Chairs were drawn into the lounge room and discussions began. Every play

**Hope Fans Will Flock to See Kazoo Game**

**CLOSE MATCH BETWEEN THE OLD RIVALS WILL FEATURE KAZOO HOME-COMING**

This Saturday our fighting Dutchmen travel down to Kalamazoo to play their fourth conference game of the season. Both squads will make this trip, since the Hope yearlings meet Western State Normal's first year men on the same date.

The dope indicates that the game will be a close one. The Hornets started the season well, defeating Grand Rapids Junior, Flint Tech, and a Notre Dame B. outfit in their first three starts. In the conference standing, they have a percentage of .333, having defeated Albion 17-0 and taking it on the chin from Hillsdale and Olivet to the tune of 25-7 and 13-0 respectively.

The fact that they had defeated Albion more decisively than we, seemed to give them the edge. However, our fine showing last Saturday suggests something entirely different. Nevertheless, the outcome appears to be a toss-up and the boys will certainly need our support from the sidelines. However, with a large crowd to spur them on, the fighting Dutchmen should bring home the bacon.

of the afternoon's games and the "shake-up" in the M. I. A. A. was discussed. The alumni seemed pleased with the spirit shown by all of the students. At about nine o'clock several Fraters were dismissed to go to the "dorm" and other places of interests.

**Frosh Play Hillsdale To Second Tie**

**AGAIN FAIL TO SCORE IN AN EVENLY MATCHED BATTLE**

In the preliminary game last Saturday the Hope and Hillsdale Frosh battled to a scoreless tie. From the spectators' viewpoint the game was uninteresting because no score as made, but the teams were so evenly matched that when a chance to score was offered to one team the other tightened its defense just a bit and the score was thus prevented. The game was mainly a punting dual between Bonnette and the Hillsdale kicker. Bonnette's toe did some very pretty work and continually kept the Frosh out of danger. "Steam Roller" Te Roller got away for some pretty runs around end several times. Peter Boter played a creditable game at guard.

This is the second game that the Frosh have failed to score and that much needed punch and offensive power is an absolute necessity if they hope to win any of their remaining games. Next Saturday they go to Kazoo with the varsity and later in the season they play the Olivet Frosh. A post-season game for charity with the local high school will probably be arranged later.

**CROSS COUNTRY TEAM CAPTURES SECOND PLACE IN M. I. A. A. MEET**

Last Saturday the M. I. A. A. cross country championship meet was held at Kalamazoo. Six Hope men sacrificed a homecoming game so that they might run for their school. Their efforts were rewarded and they captured second place. The Hope runners displayed excellent form and their performance showed that they were in perfect condition. The Blue and Orange team consisted of Cupery, Decker, Zegarius, Scholten, Veltman and Ellerbroek.

Because of the popularity of football cross country is often overlooked. It is a great game, however, and demands long intensive training. Hope is proud of her cross country team even though the game itself is hidden by the great game of the gridiron.

This coming Friday at 4:00 P. M. the All-College Cross Country Meet will be held. The meet shall start from the campus and chances are that the all-time college five mile record will be broken. About fifteen men will start the run and a merry race should ensue.
