Holland Bonus Committee Is Asked To Resign

COMMITTEE HAS NEARLY \$13,000 IN THE BONUS TREASURY Men are Thanked and New Committee will be Called Industrial Commission

In line with new industrial plans fostered by the citizens of Holland the civic clubs and the common council, there is to be a new deal in an industrial way as far as this city is concerned.

Many plans have been discussed including a bonus fund of \$50,000 for new factories together with other possibilities as this relates to industrial Holland.

The common council took the first step in this program when they asked for the resignations of the present members of the bonus committee who have faithfully served for a good many years.

The asking of the resignation of these men must not be considered as a reflection upon their work for the common council heartily thanks them for their untiring efforts, but if plans as suggested are to be worked out, then the industrial needs of Holland, it is considered, needs a new start.

The present bonus committee has in its treasury between \$12,000 and \$13,000. This money is to be turned over to the new commission after these have been selected.

The bonus committee at present are, Frank White, chairman, Nicholas Bosch, W. H. Becht, Otto P. Kramer, Charles M. Breda, A. H. Landwehr, G. J. Diekema, Ernest Brooks, Wynand Wischers, E. P. Stehnan and A. B. Bosman.

After the organization of the new industrial commission has been reported then plans will be developed jointly between the commission and the common council that will materially aid Holland in an industrial way.

The committee reporting on this bonus matter at Wednesday meeting of the council were Wm C. Vandenberg, chairman, Fritz Jonkan and Al. Kles. Mr. Vandenberg, in making his report spoke in the highest terms of the men who have constituted the bonus committee and were in charge of industrial affairs for nearly a score of years.

ZEELAND TAKES SECOND PLACE IN MUSIC CONTEST AT KALAMAZOO Zeeland Record.—The preliminaries of the state music contest of District B took place last week Thursday at Western State Teachers College at Kalamazoo.

Zeeland entered both the boys' and girls' glee clubs, the boys taking second place, which qualified them for the finals, and the girls just barely losing the same opportunity by placing third.

There were only one or two changes in the committee appointments for the ensuing years. A sidewalk was ordered constructed on the north side of 20th street between Washington and Maple avenues.

There will be music in the City hall every Thursday since the American Legion band has been given the court room on the third floor one night a week for practice.

Alderman A. Postma reported on a request for a light on US-51 and Lakewood boulevard, saying a new oil station there had altered the situation and that no light is needed now, it is believed.

K. E. OLSON GETS ALL HOLLAND STREET PAVING

There were four bidders on Holland's street paving program for 1929 and K. E. Olson who has done most of the paving here just came down from the wire when his bid was \$334.38 lower than the next lowest bid. Olson's bid was \$76,932.44 while the Brooks construction Co. bid was \$77,266.82.

COUNCIL NOTES

Rev. John C. Willits opened with prayer with all aldermen present. Petitions have been filed asking for a sidewalk on the west side of Washington avenue between 20th and 21st streets.

The Szekeley Aircraft Co., asked that they be allowed to put on overhead monorail track over the alley at their 12th street plant to be used as carrier for one of their buildings to another so they can cart airplane parts to the paint shop. No doubt their request will be granted.

The council set aside a vacant lot on north River avenue as a playground for children.

The ways and means committee reported that the books of the city have been audited and found O. K. A new picture of President Hoover has been hung in the council chamber back of the mayor's chair, replacing the one of Calvin Coolidge.

Old First avenue is to be put in good condition. This street was one of the first to be paved with back in 1910. It was a cheap job with no curb and gutter. Now the center will be resurfaced at a cost of \$2,000 for four blocks and the curb and gutter will also be put in.

The common council let the contract for inspecting this summer's paving to Flood and Co., at a square yard. This company has been doing Holland's inspecting for several years.

The bids for casting manhole covers and catch-basins for the new paved street have been held up allowing the eastern Foundry, a local concern, the privilege of bidding also. Their bid is to be in at the next meeting.

Alderman Westing reported paid out for welfare, regular aid-\$134.00, temporary \$135.29, total \$269.79. The message of Mayor Brooks will be found in full in the next issue of the official common council.

The request of the police board that the painting of parking zones in the streets be transferred to the street department was granted by the council last evening.

A motion was made to have a committee appointed to investigate getting machines in the neighborhood of getting them for Holland. When parking regulations go into effect again parking will also be enforced. No automobiles will be allowed to park on the downtown streets between 2 and 5 o'clock A. M. giving the street sweepers a clean sweep of the streets.

Urge C. E.'s to Attend Grand Haven Meet

LUBBERS AND DIEKEMA FROM HOLLAND ON THE SPEAKING PROGRAM

Christian Endeavorers who do not attend the conference to be held on the 27th and 28th of April in Grand Haven, will miss one of the best conferences that has been held in this part of the state for a long time. The conference is sponsored by the Central-West Union which is better known as the Tri-county Union. The Tri-county Union is made up of the societies in Kent, Allegan, and Ottawa counties, however, on this occasion Muskegon and Montcalm counties will also participate in this conference.

The conference will be held in the First Reformed Church of Grand Haven. It will open at 1 o'clock on Saturday afternoon and the time from 1 till 2:30 will be used for the registration of delegates. The opening address will be given by Prof. Irwin J. Lubbers of Hope College. Mr. Lubbers is a very interesting speaker and is an experienced man in Christian Endeavor work.

The Szekeley Aircraft Co., asked that they be allowed to put on overhead monorail track over the alley at their 12th street plant to be used as carrier for one of their buildings to another so they can cart airplane parts to the paint shop. No doubt their request will be granted.

Macatawa May Become Resort Of Yesteryear

CITIZENS COMMITTEE IS TO GIVE HOLLAND'S OLD 'STAND-BY' ITS SUPPORT

Macatawa for many years was Holland's principal recreation park. Way back nearly a half century ago when the Twilight, the Barker, the Queen of the Lakes and the Macatawa plied between Harrington's dock at the foot of Fifth street to the harbors mouth laden with passengers from this city and from abroad, the resort was the interurban trolley supplanting water travel, later the automobile supplanted the interurban of 30 years ago.

Though all these changes in modes of travel took place Holland never suffered. Macatawa has always been a great asset financially to the city of Holland, directly and indirectly. The tourists who came for the summer were the spenders and the colony of folks who lived there the year around, depending upon this resort for a park, and there are many of them, are heavy traders in Holland.

Macatawa has given Holland a great deal of publicity abroad during these 60 years and for all these reasons a Citizens' meeting was called for Tuesday night at the request of G. J. Diekema in order to see what Holland could do to help develop Macatawa, its first real summer resort.

Mr. Diekema was made chairman for the evening and Charles Gram was named secretary. Mr. Diekema called upon Con De Pree asking him to explain the project that had been suggested by the men who now own Macatawa and who three years ago purchased the interest of Swan Miller, head of the Macatawa Resort Company.

It appears that a company was formed that at the present time owns not only Macatawa Park hotel but a great many concession buildings, a score or more of cottages and other property in the park proper, besides having jurisdiction all the streets and highways there thru. They also own 1200 lots south of the old Macatawa property, nearly a mile and one-half of it on the lake front to the south.

It is proposed to capitalize for \$250,000, \$100,000 has already been paid in. Men of high standing now own the park proposed to put in \$100,000 more but they would like to have Holland's interests take stock for at least \$50,000 to make up the quarter of a million dollars proposed.

Mr. De Pree stated that the men feel that since Holland has been directly benefited it was to the interest of the citizens of Holland to take a part in the development of this property in order that these benefits may continue not alone but that there is every chance to receive handsome returns on their investments. Not considering the many holdings such as the hotel and concessions that the company owns in the old park, Mr. De Pree pointed out that the 1200 lots are easily saleable at an average of \$1000 each making a sum total in value of \$1,200,000 which is absolute protection to the stock and surely appears like a paying investment even if one-half of that amount.

Mr. De Pree stated that conservative real estate estimators had placed the valuation at the first figure however. Part of this money at least \$100,000, would be used for permanent improvements but these improvements would only enhance the value of every foot of ground at Macatawa. It would be an asset rather than a liability.

Mr. Diekema also spoke shortly giving some Macatawa history since he had been closely identified with this resort for a number of years. He also hinted that the owners had been approached by a colonel of Hebrews from St. Louis who would like to buy this property but the present owners would not negotiate.

Dick Boter gave some of his personal experiences as this relates to business from the resorts stating that between 60 and 75 per cent of his business during July and August was from resorters.

Mr. De Pree gave an interesting bit of history relative to Macatawa and he pointed out that much money had been made there. He said that one morning resorters of Macatawa woke up and found an energetic young man stationed on the dock with a peanut roaster and a popcorn machine. He was selling his wares to the passengers at a nickel a package business grew so money to buy the outfit. His little nickel a package business grew so tremendously that he bought a concession, he made more money and soon bought half the park. Mr. De Pree estimated that F. K. Colby, the man in question, when he moved to California, selling his interest here, took with him not less than \$150,000 and the foundation of this fortune being a second hand popcorn popper.

Mr. De Pree pointed out that there is even more money to be made at this resort than in the early days since Western Michigan has been advertised the country over as the playground of America.

In closing the meeting Mr. Diekema stated that some years ago he took it upon himself to make a canvass of the merchants of

HOLLAND WILL HAVE MORE BOULEVARD LIGHTS

Holland has made tremendous strides in the last few years in the illumination of its principal streets. Boulevard lights have brought the electric sign, scores of them in fact, but the council is going still further and will place lights on the following streets; on 8th street west from River to Pine, on north River, East 8th street from Lincoln avenue to Fairbank avenue. The total cost is estimated at \$17,000.00.

The Board of Public Works is to pay 40% of the cost and 60% is to be born by the city at large. The new lighting arrangement is to cover ten blocks.

Will Raise 200,000 Fish Each Year

FISHERMEN WILL TELL THEM HOW WE DID IT

Holland Game Club men will go to Grand Rapids this Friday noon to tell the Grand Rapids "Thee" how Holland got all the money to build fish ponds and do other things—how Carp were caught in Black Lake and marketed in New York and that the Holland Game Club expected to release 200,000 game fish in Black Lake and river each year. The local men are expected to put on quite a program and the Waltons of the Penitentiary City will sure get a "ear full" of the way the local club has been aiding fish conservation even if they do want to fish in May rather than in July. President Joe Rhea and Frank Lieverse are to do the talking for Holland and they sure can make good where fish and game are concerned. Walter Groth and Harry Morris have the musical part of the program in hand and are down for several numbers.

Quite a delegation is expected to go along this morning to boost for Holland. All who are interested and want to attend are requested to call Jake Lieverse at Ollie's Sport shop No. 5704 and arrange for transportation. Cars will leave Holland at eleven a. m. and return by 3 o'clock p. m.

**GOOD MECHANICS NEEDED**

Many parents are concerned about the future of their sons because they have no taste for book learning. Well, a quart measure cannot be made to hold more than a quart and if you try to put more than a quart into it the substance is sure to be wasted. It is so with the young brain. Regardless of the fact that fond parents are loth to admit it, the minds of their offspring are capable of holding only so much and it is time wasted to try to fill them to more than their capacity. It is bootless to deplore the fact that John likes to fust with machinery, or electrical appliances, and books; on the contrary it should be a matter of congratulation that he has a definite interest in some direction. Better let him grow up a good mechanic than to force him to be an indifferent professional man. Leave the white collar field of endeavor to those who can do no better. We really need more good plumbers, printers, electricians, machinists, blacksmiths, carpenters, masons and the like. All these and others are dignified callings with plenty of room and affluence at the top for men of brains sufficient to reach the top. Don't pity yourself because your boy has a mechanical turn, but thank the good Lord that he has a turn for honest work.

**PAULINE RUITER TAKES SPELLING CHAMPIONSHIP OF OTTAWA COUNTY**

Pauline Ruiter of Ferrysburg goes to Grand Rapids, May 10, as champion speller of Ottawa County. The winner there has all expenses paid to the national held at Washington for a prize of \$1,000 and a meeting with President Hoover.

Wilfred Ritz of the German Lutheran School near Conklin took second and Ella Vander Heide of Allendale was third at the county finals in Holland High School Saturday afternoon.

Mr. Gerrit Groenewoud of Holland, commissioner of schools, dictated words in groups of 20. Each person who failed to score 100 in the first groups was eliminated immediately. The first groups were very common words. Yet after four of the groups had been dictated about half the contestants were eliminated.

The next list of words was unusually hard. Only three pupils wrote perfect papers and less than 15 got more than 75 per cent. Further lists of words showed that these pupils were about equal. The commissioner then tried an oral spell down. He was not able to spell any of the 15 down on ordinary words so he changed to the written test again. The next list contained words such as "psychology," "chamion," "khaki," "mullin," and "environment." After this list all but three were eliminated. The remaining three were more or less equal in ability and several tests had to be given in order to determine the order of the places.

In the list from which the contest words were selected an effort was made to make up the list from the most practical standpoint of everyday use.

In the old-fashioned spelling matches an effort was made to trip the spellers on words of queer sound or to give the biggest words possible, always including the capital of the Turkey.

The words at the last included the following which will serve as a sample: acquiesce, anonymous, statistical, syllogism, technique, curriculum, adolescence, baccalaureate, consensus and equilibrium.

The words were selected from a graded list of 2,260 words, beginning with the more simple and ending with some that would prove difficult for adults or even old-time spelling match artists.

Mr. Groenewoud was well pleased with the success of the contest, both from the standpoint of the large attendance of contestants from all parts of the county and spectators, but also because he believes there is no question but that the best speller in the group was selected to represent the county.

The attendance was much larger than was expected. Smaller contests had been held in 15 districts of the county, Marne, Conklin, Coopersville, Nunia, Spring Lake, West Olive, Allendale, Bauer, Town Line, Jamestown, Hudsonville, New Gronigen, North Holland, Beechwood, and spellers were also entered from the Holland Christian schools, Zeeland and Grand Haven.

**HARRINGTON STARTS DIGGING FOR NEW BELL BUILDING**

Excavation was started Monday for the new three-story home of the Michigan Bell Telephone Co. on the site adjoining the Masonic temple to the east. The structure will face Centennial park on the north and will be one of the biggest building projects listed for 1919. Austin Harrington has the contract for excavation, and the big steam shovel, a gang of men and trucks are on the job and expect to be ready for the laying of the foundation within 10 days. The building will be of Dutch architecture and will be an added ornament in the way of public and semi public buildings around Centennial park.

**MRS. JOHN KOLLEN DIES AT HER HOME SATURDAY**

After an illness of several weeks Mrs. John Kollen died Saturday night at her home, 45 East Twelfth street. She had been confined to her home as an invalid for a number of years and her illness took a critical turn a few weeks ago.

She is survived by her husband and four children: Mrs. Gerrit Klanson of Cedar Rapids, Ia., and Mrs. Arnold Mulder of Holland; also by eight grandchildren, one brother, Edward Wormsor of California, and two sisters, Miss Alyda Wormsor and Mrs. H. C. Carras, both residing in the Netherlands. Her maiden name was Marie Wormsor and she was born in Nijverdal, The Netherlands. She came to this country as a young girl.

The funeral was held Tuesday afternoon at 1:30 at the home, Dr. Albertus Pieters, of the Western Theological seminary, a nephew of the deceased officiating. Interment was in the Pilgrim Home cemetery.

**HOLLAND STAR DELEGATES ATTEND GRAND HAVEN MEET**

The semi-annual Eastern Star Ottawa County convention was held in the Masonic Temple, Grand Haven yesterday afternoon and evening. Delegates from Holland, Coopersville, Lisbon, Conklin, Spring Lake and Marne were entertained. The grand associate conductress, Mrs. Bessie Gardner of Grand Rapids attended. A business meeting was held in the afternoon. The evening session consisted of a school of instruction conducted by Mrs. Gardner. This is the first convention of the kind held in four years and many came from different parts of the county. Dinner was served at 6:00 p. m. at the Presbyterian Church House by the ladies of the Presbyterian Church.

**STATE COLLEGE MODEL DAIRY BARN ON WHEELS TO STOP HERE**

A dairy models truck from the State College carrying models of dairy barns, equipment and handy devices, milk rooms, bull pen, breeding chute, and other equipment will make four stops in Ottawa County April 24th and 16th. Local creameries and milk product plants are cooperating with agricultural agent Milham in bringing in this truck for the benefit of dairy farmers. Better barns and equipment along with better care will mean better milk and greater use of dairy products and better prices is the slogan. The models will be displayed on tables and an engineering specialist will explain them at the following places.

**FORMER GRAND HAVEN CLUB WOMAN IN TROUBLE; ONCE DID CHARITY WORK**

Mrs. Nellie Schutter of Whitehall, Route 2, wanted for forgery of 26 checks at Grand Haven and in Muskegon, was brought to the Ottawa county jail Monday night by county officers after she had slipped away from them once. She waived examination and is not being able to furnish bonds, she is in jail until Thursday, when she will be arraigned before Judge O. S. Cross, where, she says, she will plead guilty.

Mrs. Schutter has been gone from her home in Whitehall about 10 days. She admits having gone to Grand Rapids, St. Joe, Chicago and Minneapolis since her arrest but the thought of her little baby at home drew her back, regardless of the prison sentence.

She wrote to Roy Musselman, her former husband, at Grand Haven, asking that he go to the farm and get the two older children, a boy and girl about 10 and 14 years old, his own children. It is said he has taken them.

Although Mrs. Schutter begged to be allowed to go again and care for her baby Sheriff Steketee would not take a second chance.

Mrs. Schutter is well known in Ottawa county where she lived several years. Her neighbors speak well of her and she had many friends. She was prominent in Grand Haven club life and especially interested in charity work. She is a small woman, 36 years old, weighing only 104 pounds, good looking and a keen, intelligent person. Her ability at securing money from merchants was widely demonstrated. She would go into a store, purchase an article and then give a check drawn on some prominent person in the community for twice the amount. Often she would have merchandise sent to a fictitious address.

Robert Evans spent the week-end in Battle Creek visiting with relatives.

The heavy rain of last week caused another break-up of the main roads in this vicinity. Several bad places resulted so that many cars had to be hauled out. State and county trucks have been busy all week and it is hoped that the roads will hold up from now on. At present they are again in very good condition.

**Womanly Ailments Bring Age Before It Is Due**

Health Talk by John De Jonge, D. C.

Womanly ailments are generally accompanied by depression and a disposition to view things on the dark side. They are most destructive to youthfulness. Usually an operation is advised as the only means of relief, but fortunately spinal adjustment is most effective in ailments of this kind.

Where there is chronic disease of pelvic organs it is often hard to judge without a spinal analysis, just what organs are involved. By a spinal analysis I discover what spinal bones are displaced, and just what group of spinal nerves is involved. I then make a nerve tracing and thus definitely locate along the line of tender nerves, just where the disease is active. By spinal adjustments the spinal bones are realigned and the nerves are freed of pressure. The result is health.

Diagnosed as Ovarian Tumor, case is Now Well.

"The first doctor said I had ovarian trouble and advised an operation. The second said it was rheumatism. The third said heart trouble and that the sciatic nerve was affected. The fourth said I had tumors and advised an immediate operation as necessary if I was to live much longer. My husband advised the operation, but I objected and tried the chiropractor. I am glad that I did. I began to improve at once. Within three weeks I thought I was well, but continued. I would advise all to try chiropractic." ### New Blood Stirs New Energy In Local Concern

#### BUSH & LANE CO. GATHERS IN ITS SALESMEN FROM FAR AND NEAR

Holland Plant Shows Steady Increase in Business and Its Affairs Look Bright

"Every cloud has a silver lining" is a trite saying and this even applies industrially as far as a local plant is concerned. With new blood, so to speak, and change in policy and the retention of many of the old hands, things are surely looking up at the Bush & Lane Piano company and there's every indication that "the sun will be shining on the right side of the fence" soon as far as this fine Holland industry is concerned. There's an optimistic spirit from head to salesman through to the employees of the shop.

This was evident when a gathering of sales managers was held for three days in this city when there not only was a school of instruction but an exchange of ideas and the solving of certain problems in certain localities. There was free discussion on all these things that brought much benefit to the Bush & Lane family as a whole. There were representatives from New York to California and from Texas to Northern Michigan.

One fact came out prominently at these meetings, namely that the radio industry was paramount in the musical world today and that the Bush & Lane Piano company had been adjusting itself for some time to put on the market the very best in radio equipment and that today the Bush & Lane radio had been so perfected, not alone as an ornamental addition to the home, but the last word in perfect transmission of sound covering the field of possibilities that the best radio of today can cover. It is a nationally known fact among the radio experts, even among the most biased, that a Bush & Lane radio is a very good radio from every standpoint. Expense has not been spared by the management in perfecting this instrument up to the very latest degree.

The spirit of the convention held in Holland seemed to radiate that thought and for that reason the optimism. The banquet at Warm Friend Tavern marked the closing of the three day session. Landlord Leland had provided a beautiful spread with the proper table settings for an occasion of that kind. Rather unique was the radio model of seven years ago side by side with the very latest instrument of today with which the company is combating the very aggressive competition that is rampant in the radio world.

The new radio performance constituted a part of the banquet program over WMAQ, Chicago. The reception was unusually clear and the demonstration was entirely satisfactory.

The banquet was opened by Dr. John E. Kuizenga, president of the Western Theological Seminary, who led the devotions. Mr. E. P. Stephan, the manager, welcomed the men and said that it is gratifying to see such a wide-awake delegation present and that he knew and felt that there was a spirit of co-operation that could not help but be of mutual benefit to all who had the destiny of the Bush & Lane company at heart.

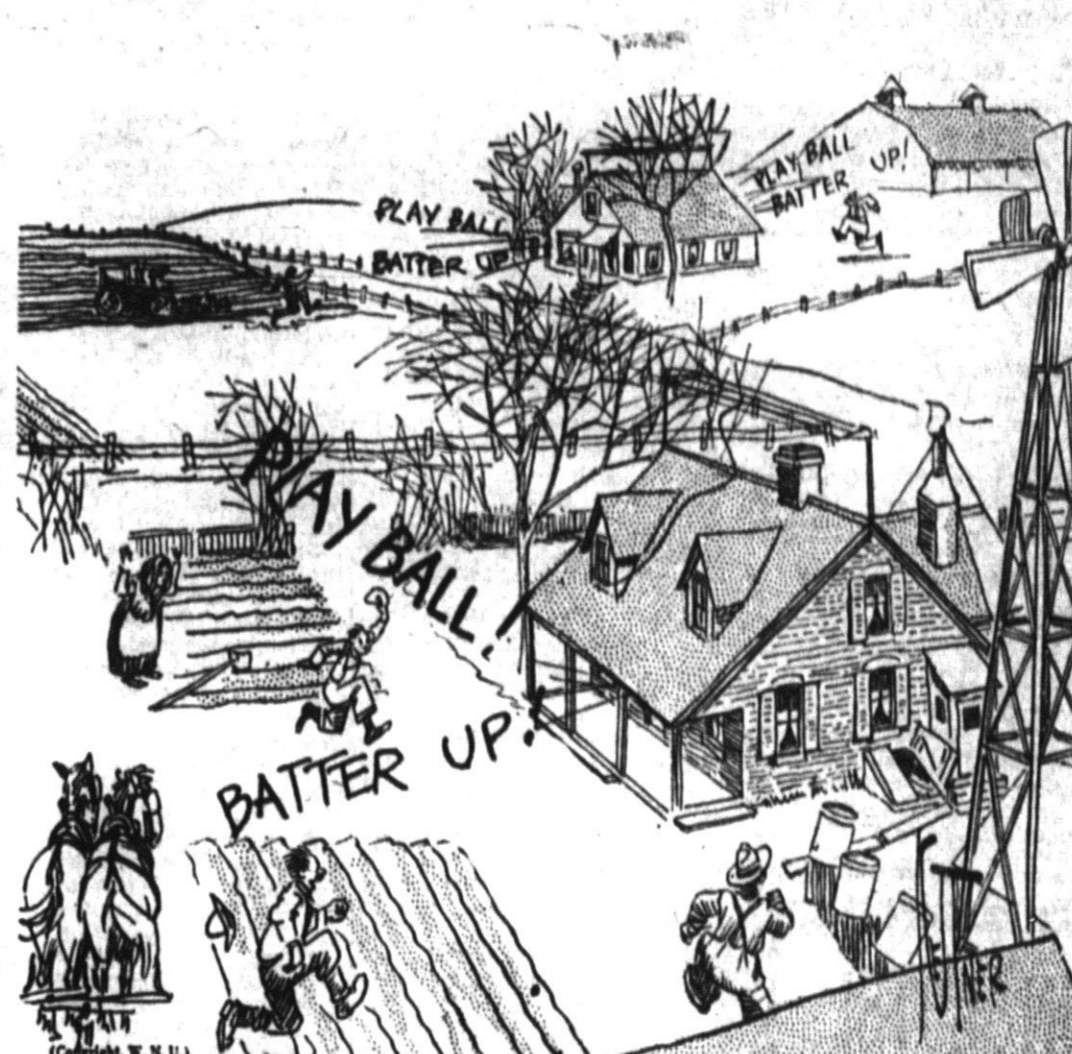

He said that the ultimate success of the Holland plant was not possible through the efforts of one man or a dozen men but through the untiring efforts of all forming one large unit of efforts, so to speak. It is a united policy that will put the Bush & Lane in the forefront, Mr. Stephan contended.

Toastmaster Stephan called upon other officials of the company for short talks. Mr. W. H. Beach gave the thought that the history of every well regulated business organization in the nation and its success in the business world was a reflection of the manpower behind that organization and he knew and felt that the sales force of the Bush & Lane company realized the importance of their position thoroughly and their responsibility as a factor in its ultimate success.

V. C. Hungeford, secretary of the company, spoke briefly on the growing success of the Bush & Lane company and also supplemented that a spirit of co-operation spelled the company's success.

Charles H. McBride gave a resume of Bush & Lane history from the beginning to the present day. He recounted that making of pianos was a family trait, largely of members who were musically inclined. That is the history of practically every large piano concern with a name and an instrument worth while and the Bush & Lane piano was no exception and was the creation resulting from great vision into the future on the part of the founders many years ago. Concluding Mr. McBride said: "Radio has been built up, not by business men, but by schoolboys," he said. "It is now an industry worth millions of dollars. When selling merchandise you are selling more than that. The winners come from India and Australia. The words of the world are combined with the labor of many hands and the product is the symbol of men's brains."

### LOCAL HIGH SCHOOL GIRL SMOKERS! AVOID HOLLAND

Grand Rapids Press—Grand Rapids high school girls who smoke will have to find somewhere else to do so, under a police warning issued Tuesday. Holland officers declared girls from Grand Rapids who recently have come here smoked in hotel lobbies and other public places. Arrests will follow if the practice is not stopped according to the warning. A merchant has been arrested for selling cigarettes to minors and a hotel proprietor has posted a sign in the lobby of his establishment forbidding smoking by young girls there.

### Thank Heaven! Let Grand Haven Do Something

CITY CAN PASS AN ORDINANCE REGULATING TIME SHIPS MAY OPEN IT

The editor of the News and family together with 213 car drivers with parties were held up one Sunday not so long ago for 25 minutes on the Ferrysburg side of the bridge. How many were waiting on the other side would be difficult to conjecture, since they could not be counted, but at least that many more motorists were going toward Muskegon. On that occasion the yacht went to swing for a small yacht with tall masts. There were only two persons in the craft and they stood up and shouted a gleeful "horse laugh" to the waiting thousands as they proceeded upstream on to Spring Lake.

Grand Haven Tribune—Opening and closing the bridge on US-81 between this city and Ferrysburg and Spring Lake, is a question that comes up each year as the winter traffic opens and the motor traffic increases. Investigation has been made this winter regarding such matters elsewhere.

L. W. Goddard, federal engineer at Grand Rapids, says that time regulations on the opening and closing of bridges can be regulated by city ordinance. The usual time is in the morning, noon and at night when workmen are going to and fro.

The annoyance from boat owners carrying masts and flag staffs that a few inches higher than would enable them to pass under the bridge is considerable and many a time held up many minutes awaiting for inconsiderate boat owners to leisurely pass.

Each year the motor traffic increases and winding lines have been known to stretch from the bridge down onto Seventh street. Regulating the bridge swing would at least assure factory hands of no time lost at the bridge.

Some of the large cities of the country were cited as having passed such ordinances. Interference with river traffic is a hard matter to regulate, as the engineer pointed out a tug with a gravel scow attached would be helpless if forced to stop. But if the owners were acquainted with bridge opening regulations, they could time their trips accordingly.

More rigid enforcement of traffic rules in regard to cutting out of line while waiting for the bridge to be maintained this season.

### Ottawa County Has Murder Case On Its Hands

#### SHERIFF STEKETE CONTRARY TO RUMOR, HAS NO CLUE TO ROBBERS AND KILLERS

#### One of Aged Bultenwert Bachelors Dies, Life Story of These Brothers Interesting

Rumors that Sheriff Stekete had picked up a suspect in the Bultenwert assault and murder case at Grand Haven and had him confined in the county jail are without foundation. It is found and how the rumor got about Mr. Stekete is at loss to say.

Both the county and city officers have questioned several but thus far they have all been released. "Uncle Tye," the brother who is recovering, is a broken hearted old man and hopes he will not live long, now that his companion has died.

It was the younger brother who was the leader of the two and shouldered the responsibilities. The old man wanders about the house, meaning the cruel fate that overtook his brother, and neighbors are deeply sympathetic.

The companion of the murdered brother after laying in a stupor for six days after having been beaten by the unknown robbers has at last revived sufficiently to give the county officers a very vague and disconnected story that throws very little light on the case.

The pair of hermits seem to be rather unusual characters as the following from the Grand Haven Tribune would indicate:

"Uncle Weep," as he was known, was 69 years old and is survived by two brothers, Tye, who lives with him, who is about 75 years old, and another brother John, 81 years old, who lives within a block. He also had several nieces and nephews.

"For years these two men had been living apart from other people in their little home at the corner of Jackson and Fifth streets. They were born in the Netherlands and came to this country with their parents about 60 years ago. They have lived in the house 55 years and their parents died there.

"For years both brothers were employed by the Gas and city gangs digging sewers and laying gas mains. They were not known to have had any money. Their recent years were supported by a little garden and a few chickens. They are said to have gotten along on the bare essentials. They never associated with anyone, attended church, or were ever known to leave the city.

"Although peculiar in many ways they were friendly and of a happy disposition. They were inseparable, sleeping together, working and sharing all their experiences. They are known to have had only one quarrel and that with a neighbor over a lot line. Staking fences in the early days, when lot lines were not closely defined, was done by guess.

"While the men declared they battled for three hours with the unknown thug, some are convinced their strength would not have permitted such a fight. Others are of the opinion they became confused and in the dark went at each other.

"Sheriff Stekete, who speaks the Dutch dialect they know best, got just a faint idea from the older brother when he declared 'We know him, Weep.' But they could give no accurate description of the assailant.

"Several mysterious facts enshroud the case. They never called anyone and would hardly tell the milkman what had happened the night before. If they battled so long why did no one hear anything? Why did they fall to call anyone at the time? The police can get no light on these questions.

"They were never known to have quarreled with each other. They were familiar figures in their neighborhood, especially in the summer time, sitting side by side on the steps of their little home passing the days in happy appearances.

"Refusing to go to the hospital, the men have been cared for in their home."

Not in many years has a murder been committed in this city or county. It was about seven years ago that Mrs. Peter Koopman was killed on Thanksgiving Day. The husband pleaded guilty to the charge and was sent to Jackson for seven years. He was recently released.

"Molly Fleming, a school teacher at Big Spring School in Chester Township, was killed by Egbert Dyke, known as "Happy" Dyke, in a sensational murder on Oct. 11, 1924. He was convicted of manslaughter and sentenced to Jackson for seven to 15 years. He is still there.

#### SAUGATUCK MAN WANTS SCHOOL BOOKS PRINTED IN JAIL

The state legislature is to decide whether the textbooks used in the public schools of Michigan are to be published in the state prison at Jackson. This frequently recurring textbook question, which always brings down most strenuous opposition by the book publishing companies, was revived today when Rep. Fred Wade, Saugatuck, submitted a bill to authorize the state administrative board to equip and maintain at the Jackson prison a plant for publication of textbooks for use in the public schools of the state. The measure was referred to the committee on education of which Rep. Edward L. Smith, Grand Rapids, is chairman.

Miss Cornelia Van Anrooy, a daughter of John Van Anrooy, Grand Haven, is in the probate office of Judge Dushoff to assist with the work there during the absence of Miss Harriet Swart who is on sick leave.

#### ONE REASON FOR FLOODS

Deforestation is one of the principal reasons why floods create so much damage in the spring. When the country is denuded of trees water flows swiftly to lower levels. But when there is a growth of timber, much of the water is held back and absorbed.

#### ARBUTUS IS AHEAD OF SCHEDULE

Arbutus is in blossom north of Holland at Macatawa, Waukegan and elsewhere in the neighborhood ahead of schedule. If persons picking the flowers would use discretion and not try to hog all of the blossoms, there might be a chance that this fragrant little flower would be picked by our grandchildren.

#### REFUSES TO REOPEN \$50,000 DAMAGE SUIT

Judge O. S. Cross refused to reopen the damage case for \$50,000 against Jameson, Grand Rapids, which was tried here in January. Lawyers claimed an error in the testimony and in the charge to the jury and prejudicial influence of local newspapers.

#### OTTAWA MINISTERS ON SYNOD PROGRAM

Rev. Albertus Pieters of Western Theological seminary and Rev. Henry Schipper of Grand Haven are listed as speakers at the evening session of the particular synod of Chicago in the Reformed Church in America, which convenes May 1 in its seventy-third annual session in the Reformed church in South Holland, Ill. Seven classes, numbering 132 churches, will be represented. Mr. Schipper is retiring president.

Mrs. Henrietta Visser died at her home in Zeeland on Monday morning after a lingering illness. She attained the age of sixty-three years. Mrs. Visser is survived by seven daughters, Miss Lena Mae Visser, a teacher in the Zeeland schools, and by two brothers and four sisters: John and George Vrieling of Overisel, Mrs. Albert Voorst of Overisel, Mrs. Anna Boers of Holland, Mrs. Jennie Oede of Grand Rapids and Miss Helen Vrieling. The body was taken to Mrs. Vrieling of Overisel. The funeral services were held at two o'clock Friday afternoon at the family home, 139 Wall st., with Rev. Richard J. Vanden Berg, pastor of the 2nd Reformed church officiating. The body was atoken to Mrs. Visser's former home at Overisel cemetery.

Isaac Haak purchased the late Mrs. Katie Wabeke residence on West Main St and will move into it from the John Moeke residence on East Cherry st.—Zeeland.

Road conditions east of the city are in bad shape due to the recent rains. Jamstown-rd., is almost impassible. Drenth-rd., is breaking up because of the sinkholes caused by winter travel.—Grand Rapids Press.

**ZEELAND**

Peter Dykema of this city, younger son of Mr. and Mrs. Ed. Dykema of West Central-av., and Miss Marian Geertman of Holland were united in marriage on Tuesday morning at the parsonage of the First Reformed church of Holland by the pastor, Rev. James A. Wayer. The newly wedded couple will make their home in the residential part of Zeeland.

Mr. Dykema is a printer employed for the past several years at the Zeeland Record Co.—Zeeland Record.

Twelve ladies from Saugatuck were entertained at the home of Mrs. Willard Claver in Zeeland Wednesday, April 3. Bridge was played. Mrs. Fred Metzger had high score. Mrs. Ross Phelps second, and Miss Jessie Viets, consolation. Refreshments were served.—Saugatuck Commercial Record.

The C. E. society of the Beaverman church held a farwell party in the church chapel Friday in honor of Peter Buisser, who for the past two years has been leader of the Christian Endeavor society, and also welcomed Rev. C. Schroeder as the new leader.

G. Flokstra moved from Beaverman into the residence on E. Washington-st., which he recently purchased from B. Moeke, formerly occupied by M. De Jonge.

The local chick hatcheries now are operating full capacity. Two special cars were filled with chicks Monday. Besides the special cars four other trains received local shipments of peepers. Indications are for a very good year.

A marriage license has been issued in Grand Rapids to Peter J. Vanden Ark 21, and Helen Boustra, 20, both well known in Holland.

**COMMON COUNCIL**

Holland, Mich., April 9, 1929.

The Common Council met in special session pursuant to call by the mayor.

Present: Mayor Brooks, Alds. Kleis, Westing, Brive, Woltman, Hyma, Vandenberg, Steffens, Postma, Jonkman, Vande Water and Scholten, and the Clerk.

Devotions were led by Dijk Boter. On motion of Ald. Vandenberg, 2nd by Kleis, Resolved, that the regular order of business and proceed with the special business for which the session had been called.

Mayor Brooks stated that the special session had been called for the purpose of considering the industrial situation in this city, and see if something could be done toward the securing of new industries for the City.

The Mayor then called upon Ald. Vandenberg for suggestions, and Ald. Vandenberg in turn asked Mr. Dijk Boter, President of the Chamber of Commerce, to address the Council and outline their position.

Mr. Boter told of the newly reorganized Chamber of Commerce and the securing of Mr. Gross as secretary, and said further that in his opinion the Chamber was now stronger than it had ever been, and felt that it was now on a firm foundation and would be a permanent organization.

He further stated that it was his opinion that one of the most urgent needs of the City at present was new industries. And that new industries usually required some financial assistance to get started, and believed that the City as a whole should lend some assistance as the whole City was benefitted by industrial growth.

He further stated that he believed it would be a good thing if the City would raise an amount of \$50,000.00 to be used as a sort of revolving fund, and handled by some proper body, to loan out and be repaid, either on a payroll basis or some other equitable arrangement, and that much good would result from such a procedure.

Mr. Henry Winter, Mr. Arendshorst, Mr. Vaudie Vandenberg, Mr. Andrew Klompans and Mr. Gross spoke on the same subject along various lines endorsing such a move. It was brought out during the meeting that at the present time the Chamber of Commerce was negotiating with two industries who were considering locating in Holland as follows: The Charles Kerr Co. (organized by local men), and Consolidated Cabinet Co. of Grand Rapids, Mich.

The members of the Council asked various questions from representatives of the Chamber of Commerce and also from the City Attorney.

City Attorney McBride stated that under the 1925 Statutes, Cities have the power to levy a special tax not to exceed in any one year four mills on the dollar of the assessed valuation, said tax not to exceed \$50,000.00, to be used for advertising, exploiting, and making known the industrial, commercial, educational or recreational advantages of said city. He further stated that this would have to be spread on next years tax roll, as the act did not make any provision for a bond issue. He further stated that he did not see how it could be financed for the present.

The Mayor asked for an expression from the Council if they were in favor of the policy of a bond issue.

All present voted Aye. On motion of Ald. Vandenberg.

2nd by Kleis, Resolved that the Mayor be instructed to appoint a committee whose purpose would be to work out some method which should be presented to the Common Council at their next regular meeting on April 17th, 1929, whereby something definite could be accomplished in providing for a fund of \$50,000.00 to be used for the advancement of our industrial development. Carried all voting Aye. Mayor appointed as such committee: Alds. Vandenberg, Jonkman and Kleis. Adjourned. Oscar Peterson, City Clerk.

**COMFORT FOR GOD'S PEOPLE**

**LESSON TEXT**—Isa. 40:1-11.  
GOLDEN TEXT—As one whom his mother comforteth, so will I comfort you.  
PRIMARY TOPIC—God's Love for Us.  
JUNIOR TOPIC—God's Love for Us.  
INTERMEDIATE AND SENIOR TOPIC—The Secret of True Happiness.  
YOUNG PEOPLE AND ADULT TOPIC—The Source of True Comfort.

1. God's Message of Comfort (vv. 1, 2).  
1. It was addressed to Isaiah, the prophet, and his successors in office (v. 1).  
He, as God's spokesman, was to make known the very heart of God to the people who were in great need of comfort. They were in a strange land, in captivity because of their sins. In spite of their apostasy from God—the breaking of their covenant with Him—His favor was about to return.  
The intimate relation of God and His people (v. 1).  
This is expressed in the phrases "my people" and "your God." The believer belongs to God, and God belongs to him. How blessed it is to be thus related to Him. Observe, this was said concerning a people who had sinned and backslidden.  
3. Pardon received (v. 2).  
In spite of their gross iniquity, their pardon was declared. The receiving of double at the Lord's hands does not mean that there had been undue infliction of punishment, but that the divine pardon exceeded the guilt. The period of the captivity was at an end. Their blessing was not through their own merit, but was to be realized through the sin offering of Jehovah.  
II. The Preparation Required (vv. 3-5).  
In order to secure the salvation which was to be theirs through the vicarious offering of Jehovah, it was necessary that certain preparation should be made. Observe:  
1. The voice in the wilderness (v. 3).  
This voice was that of John the Baptist, and actually was heard at the time of the coming of Jesus Christ (Matt. 3:3-3).  
2. Prepare ye in way of the Lord (v. 3). It was the custom on state occasions for some one to go in advance of the king or ruler and make preparation for his coming. This preparation consisted of the actual depression of hills, the elevation of valleys and the straightening of crooked places, so that the monarch could move forward with ease and facility. In its moral bearing, the meaning is that preparation for the coming of the Lord into the hearts and lives of the people consists of a way of the Lord (v. 3).  
3. The glory of the Lord revealed (v. 5).  
When there is proper preparation of heart, the Lord will enter, and His glory will be revealed in the life. It primarily refers to the manifestation of the divine glory in the person of the Messiah.  
III. The Fruity of Man in Contrast With God's Word (vv. 6-8).  
"All flesh is grass and all the goodliness thereof is as the flower of the field. The grass withereth, the flower fadeth, because the Spirit of the Lord bloweth upon it. Surely the people are grass. The grass withereth, the flower fadeth, but the word of our God shall stand forever." Just as the blast of the wind scatters the grass and destroys the crops, so everything loved and prized by the natural man will wither and die under the blast of God's judgment, but His Word shall stand forever. The Word of God abides from age to age with perennial freshness. God's promise of ultimate triumph stands steady through what stress and strain we may be called to pass, when the Lord comes there will be victory.  
IV. The Lord God Coming to Zion (vv. 9-11).  
Behold your God (v. 9).  
When He comes to Zion there will be no need of fear. The blessed truth can be proclaimed abroad to the cities of Judah.  
2. The Lord God will come with a strong hand (v. 10).  
The hope of the world is in the coming of Jesus Christ in power and great glory to establish His Blessed rule over the earth. Righteousness and peace can come only with the Messianic rule.  
3. He shall feed His flock like a shepherd (v. 11).  
As the shepherd feeds the lambs, feeds and cares for them, so will the Good Shepherd search out and provide for His own.

**ASKS BEET SUGAR PROFITS PROBED**

Rep. Haugen, Republican, Iowa entered the sugar tariff discussion today with the statement that reported large profits of domestic beet sugar producers "should be investigated." Domestic sugar producers have asked for a raise in the tariff on sugar, which is mainly produced in Cuba, on the grounds that American farmers, particularly the beet farmers of Colorado, are unable to compete with the farmers of Cuba. Reports are widespread that the House Ways and Means committee has increased the tariff on Cuban sugar in the forthcoming bill from \$1.76 a pound to \$2.40.

**AUTO ACCIDENT AT COOPERSVILLE**

An accident occurred two miles east of Coopersville Sunday at 5:30 P. M. when a light coupe went off the road and rolled over three times before reaching the deep gully, inflicting two occupants severely. William E. Wendel of Detroit was driving. He was seriously injured and was taken to St. Mary's Hospital at Grand Rapids. His mother, Mrs. Mary Wendel, 72 years old, was brought to Halton Hospital. She has a fractured leg and arm and slight bruises and cuts on the head. Her condition is said to be favorable.

Another companion, Mrs. Mammie Sheldon of Grand Rapids, was uninjured. She was taken to her home by a passing motorist.

**Young Lady Will Be Salutatorian Of Graduating Class**

Miss Helen Sprietama

It is rather a coincidence that a young man will be the valedictorian for Holland High's graduating class of 1929 and a young lady, the salutatorian. Because of her standing of 96.75, Miss Helen Sprietama of Holland has been chosen. Miss Sprietama has taken an active part in many other things besides her regular studies. In her freshman year, she won first prize in Citizenship. She was also elected president of her Camp Fire Group. During her Sophomore year, she joined Kappa Delta Lit. Society and Blue Triangle. Helen was a member of the Biology Club and during her sophomore year was elected secretary. When a Junior, she was elected an alderman of the student council and secretary of the Kappa Delta. In her senior year she was literary editor of the Boomerang and president of Kappa Delta. She also took part in the Senior play and was named a member of the National Honor Society.

**Young Man High School Valedictorian**

Marion McCoy

For several years past, girls have won the honors of valedictorian and salutatorian of the graduating class in Holland High School, but this year a boy, Marion McCoy, has attained the high average of 97.13 for four years. Mr. McCoy has not only a high scholastic standing, but excels in many other things. When a freshman, he was awarded second prize in Citizenship and was also the first secretary of the Junior High Republic. During his sophomore year, he joined the Athenaeum Literary Society, was a squad leader, was elected president of the Biology Club, became "primus consul" of Latin Club and class president. In his junior year, he was made a member of the debating squad, secretary of Athenaeum, member of H. Y., and also enjoyed being assistant stage manager.

**ALLEGAN LIQUOR RAID NETS ONE WOMAN**

The home of Mrs. Emma Kruijthof, Allegan, was raided Friday night by Sheriff Guy Teed and his deputies who found 50 gallons of alleged moonshine concealed in a cistern. The officers were informed by a brother of the woman, Andrew Vandebunte of Milwaukee, Wis., alleged to have brought the liquor here in his car several nights before.

Vandebunte was arraigned Saturday afternoon before Justice Fides E. Fish and demanded examination which was set for April 6. He was unable to furnish \$1,500 bond. Mrs. Kruijthof also was arraigned, waived examination and was bound over to circuit court. She could not give bail of \$1,500.

She is alleged to have given H. L. Culver of this City a black eye and he gave the officers a tip because of her assault. Culver is being held in jail for further questioning.
