**DRIVER KILLED** — Bruce W. Boerman, 23, of 50 West 21st St., Holland, driver of this demolished auto, was dead on arrival at Holland Hospital of injuries received when his car and another collided on icy M-40 near Hamilton Wednesday night. The photo shows the mangled driver's side of Boerman's car

which absorbed the full impact of the crash. Authorities said it appeared both autos were skidding at the time the crash occurred. Driver of the second car was identified as Mrs. Mildred Mitchell, 39, of rural Hamilton. Mrs. Mitchell and two passengers in her car were not hurt. (Sentinel photo)

## Supervisors Study County CD Shelter

**GRAND HAVEN** — The Ottawa County Board of Supervisors at its opening meeting of the January session Monday afternoon took under advisement a proposal to build an underground control center for the county.

The need for such a Civil Defense center was explained by Col. Henry Bacon of Battle Creek of the Department of Defense who was introduced by Hans Suzenaar, county CD head. Bacon explained this is the first time in history that levels of government are subject to an attack by nuclear weapons and that to maintain continuity of government, the county should have a control center.

He described federal centers now in existence, plans for additional centers on state and federal levels and regional centers. He said Michigan has been divided into five regions and the Corps of Engineers is engaged in a shelter survey to select buildings in cities, villages and rural areas which could be stocked with food, medical supplies, tools and radar equipment.

He said that Ottawa County is not a prime target, but pointed out dangers if a nuclear device were detonated in Milwaukee with westerly winds, and resultant fallout in this area in a matter of hours. Ottawa Agricultural Agent Richard Machiele reported orally on functions of his office, pointing to 700 calls in the Grand Haven area and increased calls in the Zeeland area. A total of 336 radio programs were presented in the past year. Mrs. Grace Vander Kolk, home demonstration agent, has 40 clubs in operation with 630 members. The 4-H Club program has grown considerably.

A communication was read from Faith Christian Reformed Church commending the board for its stand opposing the proposed race-track with parimutual betting in the Nunica area.

William L. Kennedy of Allendale Township, director of the safety committee, listed inventory consisting of a desk, filing cabinet, swivel chair, electric typewriter and miscellaneous items being held at the home of the former director, Don Oosterbaan. Several board members mentioned places where an electric typewriter could be utilized and this item was referred to the buildings and grounds committee.

Kennedy voiced the hope that all other equipment be kept intact with a view to reorganizing a citizens safety program through voluntary contributions.

Six supervisors indicated intentions to attend a meeting of Fifth District Supervisors Association in Lansing Jan. 23, 24 and 25.

Leonard O. Zick has been named vice president - treasurer of the Crampton Manufacturing Co. and Howard Pierucki controller effective Jan. 2, it was announced today by John H. Scott, president of the company.

Zick also is a director and will continue as chairman of the executive committee. He came to Crampton a few years ago as a widely known industrialist and consultant with a substantial background in manufacturing, management, accounting and government service.

Pierucki was formerly accounting and assistant secretary and treasurer of the American Seating Co. in Grand Rapids and electronic division controller and assistant treasurer of Sparton Corp. in Jackson.

Crampton Manufacturing Co. operates six plants in Douglas, Holland and Grand Rapids in the manufacture of zinc die castings for the plumbing, hardware, automotive, television, refrigerator and other trades. Its wholly owned subsidiaries include Conrad, Inc., of Holland, manufacturer of environmental chambers for testing and simulating space conditions relative to heat, humidity, cold, etc., and Angle Steel, Inc. of Plainville, manufacturer of steel desks, chairs, cabinets and files principally for office and school use.

**SLIPPERY ROADS** — A semi was stalled for nearly 30 minutes Wednesday afternoon on Eighth St. west of River Ave. before a street sander came to its aid. The truck was unable to make the slight grade due to snow and ice. Police diverted traffic at Pine Ave. when cars

lined up behind the truck to the intersection. City snowplows and sanders have been working nearly around the clock but continued snowfall has made it virtually impossible to keep ahead of the snow. (Sentinel photo)

## Mercury Due To Drop Near Zero Tonight

Parking restrictions in Holland residential areas will be put into effect Thursday. Continued heavy snowfall has made the move necessary.

The orders restrict parking as follows:

No parking on the north side of east-west streets.

No parking on the east side of north-south avenues.

In those areas where parking already is restricted in residential areas, persons are asked to comply with existing signs.

Today's action was taken after a conference of the police chief, city manager, city engineer and street supervisor.

The group chose to restrict parking on the north and east sides because nearly all city hydrants are placed on those sides of the street and this arrangement would generally allow easiest access.

The new restrictions do not affect neighborhood shopping areas, boulevards, parking meter areas, the downtown area, or those streets which have no curb and gutter unless otherwise posted.

City police will post "no parking" signs in critical areas, particularly at churches, schools and other spots.

The order is the first parking restriction because of the snow since February, 1958, when Holland had 24 inches of snow on the ground.

Intermittent snowfall today including a particularly heavy downfall just before noon boosted ground deposits to almost 19 inches. During the dense storm, visibility was for less than a half block, and motorists switched on their lights.

Then just before noon the sun came out and the atmosphere was clear as a bell. Wary snowplows had to admit it was a beautiful sight. Then clouds obscured the sun and snow fell again.

Low temperature early today was 4 degrees, a degree lower than Tuesday's minimum but it lacked the bone-chilling wind that was responsible for closing most secondary roads in Ottawa and Allegan Counties. The forecast for tonight is zero to 5 above and continued snow.

Road commissions of both Allegan and Ottawa counties were busy today trying to open drifted roads. School buses kept on main roads but road commission employees hoped to have most roads open today if only for one-lane traffic. Roads continued slippery in spots and most motorists drove with caution. There was little or no drifting today.

Schools closed today were Forest Grove, Westview, Sunnyside, Zutphen, Elmwood, Borculo public and Christian Schools, East Holland, Shellbourn, Pershing, Highpoint, Drenthe, Sunnyview of Overisel, Rose Park Christian, Beaverdam Christian, West Crisp, Hawthorne, Huyser, St. Peter's School of Douglas, Franklin School near Burnips, Vriesland, Russcher, Highland in Hamilton area, South Olive Christian, Beeline in Hamilton district.

**Man Bound Over**  
Cornelius Ten Voorde, 22, of 289 Fourth Ave., waived examination in Holland Municipal Court Tuesday on a charge of felonious assault and was bound over to Circuit Court. Bond of \$3,000 was not furnished. Ten Voorde was arrested in connection with an incident Monday noon in a local restaurant where his estranged wife had gone for refuge with her mother. According to the charge, Ten Voorde threatened Mrs. Lewis with a loaded gun.

**Firemen Summoned**  
Holland firemen were called to 21st St. and College Ave. at 8 a.m. today to put out a car fire. One pumper was sent to the scene. Firemen said the blaze was out when they arrived.

**Fire Destroys Cottage**  
SAUGATUCK — A fire early Wednesday completely destroyed the summer home of Lloyd Kaiser on the New Richmond Rd., three miles east of Saugatuck. Cause of the fire is unknown. The Saugatuck Fire Department responded to a call at 1:30 a.m. but the fire had already destroyed the cottage and contents.

**Report Reveals Some Changes Are Necessary to Aid Holland's Growth**  
A detailed community appraisal and a program for economic development was received today from the Fantus Company after nearly a year of study. The many conclusions and recommendations will be covered in a series of articles. This is the first. The study was authorized by the City Council, Board of Education and Board of Public Works in 1961. Editor's note

Holland today is in very good shape with respect to its resources for further economic growth and development.

But its growth will depend on Holland citizens realizing that some changes are now inevitable in the community because of economic necessity.

The Fantus report sees the problem as becoming one of deciding what changes ought to be accepted in light of the necessity for encouraging outsiders to live in Holland.

Basically, the report says, Holland will remain highly selective in terms of the firms and families which it will invite into its environment in the years ahead.

Holland, unlike the majority of communities studied by the Fantus Company, does not require extensive internal improvements or community development efforts aimed at making the area ready for economic development.

The City of Holland receives praise for being a well run municipality under the competent administrative direction of City Manager Herb Holt.

Municipal services provided by the Board of Public Works were found to be of generally high standard and quality. City operations, such as police, fire, finances and zoning, and planning, also were found to be very well handled.

The Holland Public Schools and the Christian schools and Home College were described as excellent. The educational facilities

## Knights Hand Dutch First MIAA Setback

**GRAND RAPIDS**—Superior rebounding and shooting, bench strength and Hope College's late game fouls gave Calvin College's basketball team an 81-70 MIAA victory over the Flying Dutchmen here Wednesday night before 3,100 fans in the Grand Rapids Civic Auditorium.

The taller Knights got the rebounds when it counted in the final seven minutes of the game and overcame a seven-point Hope lead, tied the score and then moved into command in the final three minutes.

As expected, Calvin's bench helped the Knights as Coach Barney Steen could shuffle his club and keep big men in the game while Coach Russ De Vette lost two players in the final six minutes on fouls.

Glenn Van Wieren fouled out with 6:34 left and Hope's high scorer 6'3" sophomore Ron Te Beest left with 3:11 left. After Calvin moved ahead, 67-65 with 3:51 left, six of the Knights' 14 points were made at the free throw line as Hope was forced to foul to try to get the ball.

And with the strong rebounding, Calvin was able to clear the Hope boards and move down for a shot. The Knights outrebounded Hope, 57-33. Calvin took down 34 rebounds in the second half to only 14 for Hope. In the first half Calvin had 23 and Hope 19.

Calvin also got some fine shooting in the second half. The Knights shot 46 per cent in the final half with 19 baskets in 41 tries, 12 of the baskets in the last 10 minutes.

Coupled with Calvin's first half mark of 13-33, the Knights had 32 of 79 from the floor and a fine 17 for 35 per cent in the first half and then slumped to 13 of 47 in the final 20 minutes for 28 per cent. The Dutchmen ended with 87 for only 31 per cent. At the free throw line, Calvin made 17 of 27 while Hope hit on 16 of 25.

Leading the final Calvin onslaught was ex-Holland Christian player Warren Otte. The 6'4" senior canned five buckets in the last 10 minutes of the game and was joined by 6'5" senior Hank De Mots who added three baskets in the closing minutes.

When Calvin took its 67-65 lead on Len Rhoda's jump shot with 3:29 remaining in the game it was only the second time the Knights had held the lead. The other time was 42-40 with 16:30 remaining in the second half. The game was tied six times and the final tie was 63-63 with 4:43 left.

With Hope in front with 7:42 remaining, Calvin began its game-winning drive. The Knights pounded seven points home, five by Otte, and tied the score 61-61 with 6:16 remaining.

The teams exchanged baskets in the next two minutes before Ron Venhuizen's free shot put Hope ahead, 64-63. Jim Vander Hill added a basket for Hope's final lead, 66-63 before the Knight's surge continued with four minutes left.

Calvin banged 12 straight points and the score soared to 77-66 with one minute left. Vander Hill then added two free shots which was matched by a De Mots basket. Jim Hesslink made a two-pointer and Otte connected at the game's end for the 11-point margin.

Calvin scored 50 points in the second half, including 32 in the final 10 minutes. Hope had 53-49 at the 10-minute mark after holding a 36-31 halftime lead. The score was tied, 17-17 at the first 10-minute mark.

Te Beest turned in his best game for the Dutch and took high point honors with 23, including six in the last few minutes before fouling out. He got many of Hope's offensive rebounds.

For Vander Hill it was an off night and the MIAA's leading scorer made 14 points, including five baskets. He fired 28 times. Capt. Ek Buys made 12 points and Van Wieren added 11. Vander Hill's consecutive free throw mark was stopped at 30 as he missed two in the game.

## List Plans for Purchase Of Hotel in Grand Haven

**GRAND HAVEN** — Win Schuler Inc. has purchased the Hotel Schuler in Grand Haven, the fifth restaurant to be added to the Schuler chain. Michael E. Hurst, executive vice president of the organization, made the announcement earlier this week.

The hotel will be completely remodeled in the traditional Old English styling of the Schuler chain. The organization will complete the purchase by May 1 from Albert Schuler, Jr. who took over the hotel from his brother, Win Schuler, 15 years ago.

## Slightly Hurt in Mishap

**ZEELAND** — Jay C. Keizer of Detroit was treated at Zeeland Hospital for minor injuries received when the car he was driving struck the rear of an Ottawa County Road Commission road sander at 11:30 a.m. today on M-21, near 98th Ave. Ottawa County deputies said the sander was parked along the highway when the mishap occurred.

but he ended with 18, second high to De Mots, always a thorn in the Hope game, who had 20. Capt. Carl DeKuijper added 15. Five of Otte's baskets were in a row while sub Rhoda made three straight buckets.

Holland freshman Doug Windemuller added two first half baskets and 6'4", 213-pound Kalamazoo freshman Ken Fletcher was rich on the boards. He and 6'5" Rich Rusthoven guarded Vander Hill.

Hope now has a 3-1 MIAA mark while the Knights are 4-1. Kalamazoo and Albion lead with 3-0 records. Hope plays at Kalamazoo Saturday night while Calvin plays at Wheaton Friday night. Hope is 4-6 overall and Calvin is 6-4.

It was an especially rough night for De Vette. Besides losing the game, De Vette was suffering from the flu and had spent most of the day in bed.

## Holland Man, 23, Killed In 2-Car Crash on M-40

**HAMILTON** — A 23-year-old Holland man was killed in a two-car collision Wednesday night on ice-covered M-40, about 1 1/2 miles north of Hamilton.

Bruce Wayne Boerman of 50 West 21st St., Holland, was pronounced dead on arrival at Holland Hospital of injuries received in the crash.

Driver of the second vehicle involved in the accident, Mrs. Mildred Jane Mitchell, 39, of route 2, Hamilton, and two passengers in Mrs. Mitchell's car, Mrs. Alvin Edgerly and Mrs. Warren Swainston, both of rural Hamilton, escaped injury. The accident occurred at 9:30 p.m.

Hospital officials said Boerman suffered a fractured neck and a compound fracture of the left leg. Medical examiner was Dr. Alvin Bonzelar.

Allegan County deputy Roy Ashley said it appeared that both cars were skidding on the icy pavement when the crash occurred. The two vehicles collided

near the center of the highway, Ashley said.

Boerman's small foreign auto was struck on the left front and swung broadside into the front of Mrs. Mitchell's car, receiving the full impact of the crash on the driver's side of the vehicle. Boerman was alone in the car.

Ashley said Boerman was headed north and Mrs. Mitchell was driving south at the time of the accident. There is a slight grade on the highway at the crash scene. The road was covered with ice and hard-packed snow.

The Mitchell auto was spun around by the impact of the crash and came to rest straddling the center of the highway. Boerman's car was shoved off the east side of the road into a snowbank. Boerman was still in his car when help arrived.

Boerman was driving for the Du Saar Photo and Gift Shop of Holland and had been in Hamilton making deliveries of photo supplies, Ashley said.

Boerman was employed as a water tender at the Holland municipal light plant for the last 2 1/2 years. He was a member of the Maplewood Reformed Church and Holland's National Guard unit.

He is survived by his wife, the former Betty Koops; two children, Debra Lynn and Sandra Kay, both at home; his parents, Mr. and Mrs. Harry Boerman of Holland; two brothers, Clifford and Paul, both of Holland; three sisters, Mrs. Joyce Dykstra and Mrs. Donna Fynevever, both of Holland, and Shelby, at home.

Funeral services will be held Monday at 2 p.m. in the Maplewood Reformed Church with the Rev. William A. Swets officiating. Burial will be in Pilgrim Home Cemetery. Relatives will meet in the church basement at 1:45 p.m. Relatives and friends may meet the family at the Dykstra Funeral Chapel Saturday from 7 to 9 p.m. and Sunday from 2 to 4 and 7 to 9 p.m.

## Dutch Drop Sixth Game This Season

Grand Rapids South's basketball team outgunned a game Holland team here Friday night and recorded a 69-44 win before 1,300 fans in the Civic Center.

It was the sixth straight win for the unbeaten Trojans this season while Holland has dropped six of seven. The Dutch entertain unbeaten Muskegon Heights here Friday night in an LMAC game.

South, coached by Mike Murphy, should repeat as Grand Rapids City League kings for the third straight time. The Trojans have good shooters, fast and agile players and good rebounding. They took 80 shots and made 32 for 40 per cent.

Holland's play was improved but up against a team with the prowess displayed by the Trojans the Dutch were never in the game. Holland's Jack Vander Broek scored the first basket and the score was tied 4-4 with 4:38 left in the first period but the rest of the game belonged to the winners.

The Dutch ballhandling was better and they moved the ball. But Holland made only 20 of its 58 pecks at the hoop for 33 per cent. Holland's defense was also improved but it couldn't stop South's "gunners."

Leading the visitors in the bombing department was 5'11" guard Gene Lewis. He banged 10 times and hit nine. He made six of seven in the first half and three straight in the third period before retiring with 1:24 left.

Bill Owens joined him on the firing line with eight baskets and Dick Butler added 10. The trio made their baskets from out and on drives.

Bill Curtis, South's 6'4" all-state nominee, scored only one basket but he controlled the boards and got the ball to the others. He played slightly more than half the game.

South's offense seemed to be "turned on and off." Leading 9-6 with three minutes left in the first quarter, the Trojans quickly hurried the play and danced to a 23-8 first period lead. South slammed home 11 of 18 in the first quarter for an amazing 61 per cent. Owens had four buckets in the first period.

The Trojans pushed the count to 34-10 with 3:44 left in the half and then Holland got its chance. The Dutch scored 13 straight points, six by Vander Broek, to make the score 34-23. A South basket at the half's close made it 36-23. South had six of 11 from the floor.

South "turned on" its offense again in the third period and the winners notched 11 of 21 from the floor for 52 per cent. The third quarter score was 59-34. Subs played the final period and made four of 23.

Vander Broek, bombing from outcourt, was Holland's scoring punch. He canned seven buckets for 14 points and was the lone Dutchman in double figures.

His three second period baskets helped Holland's six of 14 floor figure and he added two of the five baskets made in 14 attempts in the third period. The Dutch hit four of 12 in the first quarter and five of 15 in the final frame. Holland took 29 shots in each half and made 10 buckets each half. Lewis had 18 for South and Owens made 17.

Holland committed only six fouls and the Trojans made five out of six free shots. The winners fouled only nine times and the Dutch hit four of 11.

Carl Walters' knee went out while he was dribbling in the third period and he fell on the floor. He was assisted to the locker room. Coach Fred Weiss reported the knee has gone out a few times in practice and Walters is scheduled to have an operation soon for the injury.

Tom Esenberg started the game at guard but was suffering from the flu and Weiss sent him home at half.

## Zeeland Edges Godwin, 58-57

ZEELAND—Zeeland High's basketball topped Godwin, 58-57 here Friday night in the biggest upset to date in the Grand Valley League action this season before only 500 fans in the Zeeland gym.

The fired up Chix trailed in the first quarter, 19-12 but moved into the lead in the second quarter and left the floor at halftime with a one-point 28-27 lead.

Zeeland didn't trail again and the Chix outscored the Wolverines, 21-11 in the third quarter and enjoyed a 49-38 third period advantage. At one point in the third quarter the winners led by 14 points, 49-35.

With 4:02 left in the game Zeeland still held an 11-point lead but the Godwin's pressing tactics bothered the Chix and Zeeland was called for frequent fouls.

The Wolverines chipped away at the lead and most of the final

Dan Zuverink had 13 and Gary Boeve 10.

Zuverink did a strong defensive job of Godwin's leading scorer Jerry Isler. After scoring nine points in the first quarter, Isler was held to four the rest of the game. He scored the four points in the final frame.

Klinger also stood out with his jump shooting. He sank 10 baskets and added three free throws for 23 points. Klinger has scored 116 points in seven games for a 16.4 average.

Guards Chuck Hansen and Terry Buter did a good job of moving the ball against the Godwin press with Hansen's floor game and ball handling, especially impressive. Buter fouled out in the fourth quarter along with center Boeve. Stratton led Godwin with 16 points.

The Chix are now 2-0 in the Grand Valley and 5-2 overall. Godwin is 2-1 in the league and 5-2 overall.

**NICE MESS OF SPECKLED BASS** — Tony Klingenberg of 41 West 38th St. had lots of fun pulling in his limit of speckled bass Friday morning through the ice in Pine Creek Bay. Klingenberg caught his limit of 25 within two hours and he's holding two of the biggest fish. His largest catch measured 12½ inches and the next largest fish was nine inches. He was using small minnows and was fishing at a depth of about eight feet. (Sentinel photo)

## Wild Flower Slides Shown To Garden Club Members

Dr. Chester A. Van Appledorn presented a program of slides of wild flowers for members of the Holland Garden Club which met Thursday afternoon in the Woman's Literary Club.

The speaker, whose hobby is photography, amazed club members with the variety of wild flowers found within a 10-mile radius of Holland. Dr. Van Appledorn said that all of his pictures were taken without flash bulbs and that it requires a great deal of patience to wait for the proper sun and wind.

The first wild flowers shown were those which popped through the disappearing snow in early spring. Among them were the trailing arbutus, trillium, Dutchman's breeches, wind flowers, but-

tercup, wild geraniums, violets, and the red bud on the Judas tree.

Included in the summer flowers were the Canadian Mayflower, the verbena, tulip tree blossoms, daisies, roses, lupine, and the devil's moss which is found in old graveyards.

The three orchid series found in the Holland area proved most interesting to club members.

The program concluded with slides of wild flowers found in late summer and fall. This group included the insect eater, the milk weed type, cactus, hawkweed, prairie blaze, wintergreens, water lily and gentian. One slide taken of deer grass had to be taken in the early morning as the flower is open only at night.

## Forest Grove

The following young men were received into the church fellowship upon confession of their faith: John Dekker, Alan Myaard and Robert Van Dam.

Special offering at the Dec. 31 services was for the Rev. Ray Hayes in Kentucky. Rev. Hayes suffered a stroke some months ago and is unable to do his work.

Thursday evening, Dr. Gerald Nykerk, missionary to Arabia addressed the men of the church at the Mens Fellowship meeting.

Gordon Isenga sang two vocal solos at the evening service.

Prayer services begin the week of Jan. 7. Services will be on Tuesday, Wednesday and Friday evenings. The Christian Guild for service of the church will meet on Thursday evening. Mrs. Gerald Nykerk will be the speaker.

Miss Ethel Vande Bunte, daughter of Mrs. Lester Vande Bunte, and Marian Smallegan, daughter of Mrs. Anne Smallegan have both returned to the East to their work after spending a few days with their families here.

Mr. and Mrs. Robert Finley of Sturgis spent several days with their parents, Mr. and Mrs. John Van Dam, during the holidays.

Mr. and Mrs. Bob Paul and children returned to California by jet after the holiday vacation with their parents, Mr. and Mrs. Arthur Smallegan.

Mrs. Glen Sprik is confined to Butterworth Hospital in Grand Rapids.

Mrs. Henry Ver Meer had major surgery at Bronson Hospital in Kalamazoo last week.

Surviving are two sons, Joe of Chicago, and Edward in California.

**PICTURES RECALL PAST** — This prize collection of photos, displayed in the lobby of the Hotel Warm Friend, shows a number of the ships that frequented Holland Harbor and depicts several points of interest along Lake Macatawa around the turn of the century when Holland was in its heyday as a

tourist resort area. C. C. Zalsman, owner of the display, holds a rare photo of the S.S. Argo, taken when the ship went aground off Ottawa Beach Nov. 24, 1905. All of the valuable collection were taken between 1897 and 1910. (Sentinel photo)

## Visscher Heads Scout Exposition

Robert Visscher, former Holland mayor, has been named chairman of the annual Chippewa District Scouting Exposition to be held in the Civic Center, April 6-7, it was announced Friday by James Townsend, district chairman.

The event will bring together about 2,000 Cubs, Scouts, Explorers and adult leaders for the two-day show. The show will feature the various units of the district displaying scouting, cubbing and exploring crafts in booths.

C. C. Zalsman of the Kouw Realty office, also located in the Warm Friend Hotel, owns the pictures. They were given to Zalsman by his father, Fred Zalsman, for 17 years the passenger agent for the Graham and Morton Steamship Line.

Among the vessels shown in the display are the sidewheelers, Cities of Holland, Benton Harbor and Chicago. Other ships owned by the Graham and Morton line were the Cities of Milwaukee and Grand Rapids, and the vessels Argo, Puritan and Soo City.

The Graham and Morton line had formerly been known as the Holland-Chicago Steamship Line and was purchased by Graham and Morton about 1900. The company featured two daily sailings to Chicago from Holland during the early years of the 20th century. The ships sailed Lake Michigan from Holland to St. Joseph and Benton Harbor and Chicago, leaving Holland daily at 8:30 a.m. and 9:30 p.m.

Zalsman's collection of photos includes a rare photo of the S.S. Argo aground off Ottawa Beach and shows passengers being taken off the ship by breeches buoy.

The Argo ran aground at 5:30 a.m. Nov. 24, 1905. The ship remained on the beach and was icebound until 3:50 p.m. Jan. 28, 1906.

Zalsman recalled, although he was only some seven or eight years old, having walked out to the ship on the ice with his father and having dinner with the Argo's crew.

Also included in Zalsman's photo collection are pictures of the Grand Rapids, Holland and Chippewa.

Refreshments were served by Mrs. Jud Hohl, Mrs. Leonard Stiller and Mrs. Opal Miles.

DRIVER TRAINING

Over the years, thousands of people young and old have learned to drive motor vehicles on our streets and highways through the driver training program.

These training programs for years have been associated with the public schools. It would be interesting to determine how many have learned to drive properly through this program, and it also would be interesting to know how many have been sent to traffic schools by judges who handle traffic violations.

With or without the figures, we are still sold on driver training and it seems this program is becoming more of a "must" every day of the year. More and more cars are driving on our streets and highways every working day, running into millions each year.

The National Safety Council states that \$5,744,245 was spent on driver training in 1960 and \$5,277,305 in 1959. Top executives serve on the board of directors responsible for general policies and programs on safety.

Promote Local Guard Officer

The National Guard Bureau in Washington, D.C., has announced the promotion of Lt. George Smeenge, commanding officer of Holland's National Guard unit, to the rank of captain.

Smeenge, who joined the local unit in 1951, assumed command of Co. D last September, succeeding Capt. Clarence W. Boeve who was transferred to 2nd Battle Group Headquarters.

Smeenge entered the Regular Army in May 1952, and was appointed a second lieutenant upon completion of Officer Candidate School at Fort Benning, Ga.

He served in the Far East from Feb. 1954 until May 1956, and was promoted to the rank of first lieutenant in October 1954. In 1957, Smeenge rejoined the local guard unit and served as platoon leader and executive officer before assuming command of the unit.

Capt. Smeenge is a graduate of Holland High School and is currently attending the Kendall School of Design. He is married and lives with his wife and two children at 214 West 12th St.

Sunday School Lesson

Sunday, January 14 One God Exodus 20:1-3; Deuteronomy 6:4-9; Matthew 6:24 By C. P. Dame

Some people believe the contents of this lesson and many do not. The world would be much better off if all mankind would accept and practice the teaching of this one lesson which makes known the truth that there is but one God to whom we owe our highest allegiance and love.

I. There is but one God. Three religions — Judaism, Mohammedism and Christianity teach that there is only one God. This one God is the Author of the Ten Commandments. "And God spake all these words." Observe that God introduces Himself in the words: "I am the Lord thy God, which brought thee out of the house of bondage." In these words we are told that God is a Person — not a Power; a Lawgiver and a Deliverer.

God is self-existing, independent and says, "I am that I am." God is a Lawgiver and has the right to command. Besides this, God is a Deliverer. The Old Testament tells about how He delivered Israel from Egyptian bondage and in the New Testament we are taught how He delivers man from sin. After the revelation of the Person of God there follows the revelation of His law. They who love the Lord show it by obeying His law.

The Ten Commandments are divided into two sections. The first four tell us about our duty to God, the other six about our duty to our fellowmen. The first commandment forbids worshipping any other gods. Israel was surrounded by nations worshipping many gods.

Many times in its history the nation yielded to idolatry. It is a miracle that Israel kept its knowledge of the one God and that the nation, at least in part, acknowledged Him. All the prophets opposed idolatry and proclaimed the unity of God. Today many worship pleasures, luxuries, material things.

II. This one God demands single-minded love. "The Lord our God, is one Lord"—these words, plus Deut. 11:13-21 and Numbers 15:37-41 form what is called the Shema, meaning "Hear" which is a Jewish confession of faith. The Lord demands that we love Him with all our heart, soul, and might —with our whole personality. God is much concerned about the family. Parents are commanded to have God's words in their hearts and teach them to their children.

This teaching is to be done diligently and persistently from early morning until evening—"when you rise" and "when you lie down" in the house, "when thou sittest in thine house, and outside, "when thou walkest, by the way, "Religion is designed for all of life. Although religion is not hereditary it is contagious.

The Jews took literally the words, "sign upon your hand," "frontlets between your eyes," "on the doorposts of your house and on your gates" and hence made phylacteries, scroll-boxes for their wrists, foreheads and doorways. The purpose of the command was that God's law should govern hands, eyes and the home.

III. God tolerates no rival. There is one thing a man can't do—to serve two masters. God's biggest rival is mammon—money. Either God is first in our lives or He is not. God is not even satisfied with second place—no more than a wife is satisfied to occupy second place in her husband's heart. In almost every congregation there are members who are slaves of money — they put the money God loaned to them first in their affections. And they do this in spite of the fact that the Bible contains so many warnings against the love of money which is the root of all evil.

Miss Wedeven Wed to E. Boeve

Mr. and Mrs. Edwin Dale Boeve (Vanden Berge photo)

Miss Marjorie Ann Wedeven became the bride of Edwin Dale Boeve on Wednesday evening, Dec. 27, at 8 p.m. at the Niekerk Christian Reformed Church.

The Rev. D. J. Negen performed the double ring ceremony before a setting of Oregon ferns, palms, seven - branch candelabra and bouquets of white gladioli, pompons and mums, accented with red and white bows. The pews were marked with holly sprigs and red and white satin bows.

Mr. and Mrs. Gradus Wedeven, 174 West 20th St. are the parents of the bride, and the groom's parents are Mr. and Mrs. John Boeve, route 3, Holland.

The bride, escorted to the altar by her father, wore a gown of Schiffler embroidered chiffon over satin which was fashioned with a bateau neckline above a sequin and pearl-trimmed princess bodice. The bouffant skirt featured embroidered panels and flowed into a chapel length train. Her bouffant veil of imported silk illusion fell from a coronet of pearl orange blossoms. She carried a cascade bouquet of white feathered fuji mums and stephanotis, centered with a white orchid. She wore a pearl necklace, a gift of the groom.

Miss Christlyn Wagenvel, was organist and accompanied Louis Wagenvel as he sang, "Because," "The Wedding Prayer," and "Together With Jesus."

Mrs. Harvin Postma, matron of honor, and Mrs. Herwin De Roo, bridesmaid, were attired in red velvet dresses with three-quarter length sleeves, scoop necklines and full skirts. They carried cascade bouquets of white feathered fuji mums and red beauty berries.

Harvin Postma attended as best man and Alvin Boeve, brother of the groom, served as groomsman. Thomas Wedeven and Jacob Boeve, brothers of the bride and groom, respectively, seated the guests.

For her daughter's wedding, Mrs. Wedeven chose a sheath dress of magenta crepe, with matching accessories, and Mrs. Boeve, the groom's mother, was attired in a two-piece dark green dress. Both wore corsages of white cymbidium orchids and feathered white fuji mums.

Mr. and Mrs. Julius Becksvort, cousins of the groom, were master and mistress of ceremonies at the reception for about 145 guests held in the church basement. Decorations for the buffet and bride's table were arranged by Mrs. Donald Koolman, aunt of the bride, Mrs. Koolman and Mrs. Minnie Vander Linde, aunt of the groom, poured. Carol Tuls and Vern Wedeven served punch and Miss Lois Dykstra, Adrian Vanden Bosch, Miss Judie Kronemeyer and Landis Zylman were in charge of the gift room. The Misses Jean and Joyce Boeve, twin sisters of the groom, attended the guest book.

The bride chose a deep pink knit dress with black and white accessories and she wore the orchid corsage from her bridal bouquet for a southern wedding trip. The new Mrs. Boeve, a graduate of Holland Christian High School, attended Calvin College, and is teaching at the West Side Christian School in Holland. The groom, a graduate of Zeeland High School, is employed by the Zeeland Co-op.

The couple now resides at 146 1/2 West 20th St., Holland.

The groom's parents entertained at a luncheon following the rehearsal.

Pre-nuptial showers were given for the bride by Mrs. Alvin Boeve and Mrs. Chester Bruins; Miss Judie Kronemeyer, Miss Lois Dykstra, Mrs. Harvin Postma and Mrs. Herwin De Roo; Miss Joyce Michmerhuizen and Miss Janice Bosch; Mrs. Adriana Diepenhorst and Mrs. S. Van Dussen; and by Mrs. Donald Koolman. She was also honored at a dinner by the teachers at West Side Christian School, and her third grade pupils gave her a kitchen shower.

Hope College's JV basketball team defeated Davenport Business Institute of Grand Rapids, 22-68 in the preliminary game Monday night in the Civic Center for its third win in five starts.

The winners led 44-32 at half. Chuck Veurink had 18 for the win-

ners while Dean Overman added 17 and Tom Cousineau and Bill Hill each had 10.

Doug Bush made six while Cal Poppink scored five. Fuzz Tiemstra added two and Russ Kleinheisel had one point. Curt Bosker led the losers with 19 while Al Seeley made 15 and John Mulder of Holland had 14.

SNOWBOUND — Winter often creates picturesque scenes like the one of this home on West 11th St. But it also poses a number of problems, especially for drivers. The owner of this snowbound auto faces the back-breaking chore of digging out before he can use the car. Holland was buried under a total of 15 inches of snow since Saturday night, and today the storm showed few signs of letting up. Accompanying Monday night's additional snowfall of four inches was a drop in temperature, with a Monday night's low of 5 degrees. (Sentinel photo)

# Graves Library Remodeling Set

Plans for remodeling of the former Graves Library at Hope College are now complete according to college business manager Rein Visscher.

Construction will begin next month with Rhine Vandermeulen, contractor. Estimated cost for the project is \$100,000 to 125,000. The job should be completed by Sept. 1 of this year.

With the exception of two new entrances to the building very little change will be made to the exterior. The interior, however, will be greatly changed.

The ground floor will house offices and work areas for the campus publications, Anchor, Milestone and Opus; meeting rooms for the International Relations Club, Student Christian Association, and Student Council; Organ practice rooms to relieve overcrowded conditions in the Music Hall; a lounge; and a chapel to be used by the students for private devotions. The latter will be known as the Schoon Memorial Chapel in memory of the late Professor Schoon, Dean of the Chapel.

The first floor of the building will consist of a large lecture room, 2 seminar rooms, 2 classrooms, 3 faculty offices, and restrooms.

The second floor will be devoted to an enlarged language laboratory, 2 classrooms and 8 faculty offices.

## Borculo Garage Guttled by Fire

BORCULO — Fire of undetermined origin early Friday gutted the gas station and front office of the Borculo Garage at 96th St. and Port Sheldon Rd. in Borculo.

An inspector from the state Fire Marshal Division, along with Ottawa County detective John Hemple, were at the scene in an effort to find clues to the cause of the blaze.

Officials said it was too early to estimate damage, but they said it would "run into the thousands." Office records were lost in the fire. The gas station and office are located at the front of the one-story brick structure.

The blaze was discovered at 4:49 a.m. Friday. The Blendon and Olive Township Fire Department was summoned and received an assist from Holland Township Station No. 3, located just west of Zeeland. Firemen were at the scene of the blaze more than four hours.

## Vander Kooi-Petroelje Rites Read

Mr. and Mrs. Lawrence Vander Kooi

The Ottawa Reformed Church was the scene of a double ring wedding ceremony on Dec. 28 when Miss Janice Faye Petroelje and Lawrence Vander Kooi exchanged wedding vows.

The Rev. Clarence De Haan, pastor of the Borculo Christian Reformed Church read the rites for the daughter of Mr. and Mrs. Harry Petroelje of route 2, Zeeland, and the son of Mr. and Mrs. James Vander Kooi of route 2, West Olive.

The church was decorated with bouquets of snapdragons and daisies, ferns and candelabra. Ken Vander Kooi played organ music and Jerry Dyke sang "O Perfect Love" and "Wedding Prayer."

Attending the couple were Mrs. Robert W. Klingenberg, sister of the bride, matron of honor, and George Vander Kooi, the groom's brother, as best man. Ushers were Allen Petroelje and James Vander Kooi Jr., brothers of the bride and groom, respectively.

The bride's floor-length gown of crisp taffeta was fashioned with a fitted bodice accented with Venice lace with sweet pearl embroidery at the sweetheart neckline. Long sleeves tapered to points at the wrists and the bouffant skirt was accented by a bow in back. The French illusion tulle

### Former Hope Athlete Hurt In Car Crash

TOLEDO, Ohio — Robert Thomson, 27, of Detroit, former Hope College basketball and baseball player, remains in critical condition today in Riverside Hospital following a car-truck accident Saturday which killed four occupants of the car in which Thomson was riding.

Thomson was a passenger in a car driven by Marvin R. Pierce, 26, of Madison Heights. Pierce was killed along with Valerio DiFalco, 32, and Carroll C. Wood, 20 both of Detroit and William W. Knight, III, 28 of Warren.

Police said the car occupants were deaf-mutes on their way to Toledo to play a basketball game when the car skidded out of control on the icy Toledo-Detroit Expressway and slid into a tractor-trailer truck.

Another passenger in the car,

Robert Thomson Gilbert DeFalco, 19, of Fernalde was reported in good condition in Flower Hospital. The truck driver, Newt Thompson, 52, of Indianapolis was not injured.

Police said the trucker told them he saw the car skidding toward him but was unable to stop in time. The southbound car skidded across a 20-foot medial strip and rammed into the northbound truck, wedging itself between the truck's saddle tanks and running board.

The truck dragged the car 100 feet before stopping, police said.

Thomson won a gold medal as a member of the championship U.S. basketball team in the International Deaf Olympic Games in Helsinki, Finland in August. He was a 1960 Hope College graduate.

Totally deaf since he was eight years old, Thomson played three years of varsity basketball at Hope and his quick reflexes and dribbling made him a fine basketball player although he never heard the cheers of the crowd.

Thomson, a Detroit native, was an All-MIAA baseball selection at shortstop in 1958 and 1959. He graduated from Mackenzie High School in 1955 and was named the school's outstanding athlete.

### Lecture-Recital Featured At Century Club Meeting

A lecture-recital on the orchestra of the 17th century by members Dr. Morrette Rider and Prof. Anthony Kooker was the feature of the supper meeting of the Century Club on the Hope College Campus Monday evening.

Though there was no orchestra in the 17th century — the orchestra as we know it being only a little more than 100 years old — such groups had their beginnings in the 17th century in the informal family of ensembles, grouping any instruments available; and in music composed at that time by Handel and Bach and in the development and construction of such instruments as the violin by Stradivari.

Most of the ensemble music was performed informally in the home, with the performers making up their own parts, with no fixed instrumentation, each just playing whatever he had and for the amusement of the performers and their families. What public recitals there were, the ensembles of instruments accompanied chorals, mostly in churches and cathedrals.

### Optimists Hear Talk by H. Fisher

Plans for the distribution of canisters to be used in the roller drive were outlined by Verne Fuder at the luncheon meeting of the Holland Non Optimist Club Monday at Cumerford's Restaurant. Members of the club will participate in placing the containers in local business houses.

President Al Lucas welcomed Les Wolfram back into the club and he also read a letter of thanks from a boy who had been supplied with text books and other materials for home study during his absence from high school due to illness.

Jim Frans, program chairman, introduced Harold Fisher of the Grand Haven Optimist Club who spoke on "Great Lakes Shipping Tragedies." He told of all the major disasters occurring on the Great Lakes since the inception of the shipping industry. He also spoke of the gradual adoption of safety measures in the prevention of such catastrophes.

### Pair Injured When Car, Truck Collide on Bypass

Two men were injured when their car and a two-ton stake truck collided at the intersection of 16th St. and the US31 bypass at 10:10 a.m. Monday.

Treated for injuries at Holland Hospital were Kenneth Retzlaff, 54, of Grand Haven, driver of the car, and Eliot Schwartzman, 43, of New Hyde Park, N. Y., a passenger in Retzlaff's car.

Driver of the truck, Harold Bonelaar, 48, of 434 Ribey St., was not injured. Holland police said both vehicles were headed south on the bypass, and Bonelaar was preparing to make a left turn onto 16th St. when the mishap occurred.

### Mother's March Lieutenants Given Briefing

About 30 lieutenants met at the home of Mrs. Andrew Dalman Monday night for their first briefing for the Mother's March, a part of the 1962 Greater Holland March of Dimes campaign.

TOUGH BATTLE — The Holland city engineer department snow loader and its crews worked almost hopelessly Monday hauling away mountainous piles of snow from downtown streets. The crew is shown picking up snow from Eighth St., just west of River Ave. Their efforts appeared futile as snow continued to fall. Monday the loader and crews were back, picking up piles of snow from the same streets, in an effort to keep pace with the wintry weather. City Engineer Laverne Sene said his department would keep all streets plowed, but could remove snow only from main streets until the current storm abates. (Sentinel photo)

# Dutch Take 75-54 Victory Over Alma

Hope College's basketball team whipped Alma College, 75-54 in the Civic Center Monday night for its third straight MIAA victory.

Jim Vander Hill, the MIAA scoring leader with 85 points in three games for a 28.1 average, scored 27 points to lead both teams. He has scored 259 points in nine games for a 28.7 average.

Although Vander Hill scored two jump shots from opposite sides of the floor in the first 45 seconds and the tallies were matched by Alma pointers, the game started slowly.

With the score tied, 44 with the game slightly more than a minute old, it took another four minutes before another field goal was scored. Alma scored the goal to tie the score, 6-6 and that was the last time the game was close.

Hope shook off its slow start and went to work with 10 straight points to lead 16-6 at the 10-minute mark and with Vander Hill and Glenn Van Wieren leading the way the Flying Dutchmen pushed out to a 41-25 halftime lead.

Vander Hill tallied five baskets in the second 10 minutes of the first half and Van Wieren added three one-hand outcourt shots. Hope made 17 of 39 in the first half for 44 per cent.

Alma arrived in Holland by bus just a few minutes before game time and the late arrival seemed to bother both teams in the opening minutes. The snowy weather had delayed the Scots.

Coach Wayne Hintz of Alma attempted to have his club slow down the game in an effort to stop Vander Hill's shooting. But the strategy didn't work and Hope held margins from 10 to 21 points in the first half.

Hope led 59-36 at the second half 10-minute mark and Coach Russ De Vette took a long look at his entire team as he shuffled replacements the entire second half. Vander Hill left with 5:34 remaining in the game after scoring four more baskets in the first seven minutes of the second half.

The Dutchmen made 30 baskets in 83 tries for 36 per cent, including 13 of 44 in the second half. Alma had halves of 10-33 and 12-48 and ended with 22 of 76 for 29 per cent.

At the free throw line, Hope connected on 15 of 20 including its first seven in a row. Alma made 10 of 16. Vander Hill made three straight free shots and has made 28 straight free throws in his last three games.

From the floor, Vander Hill hit 12 of 25, including eight of 16 in the first half. Van Wieren came through with some fine shooting. He fired 10 times from outcourt and hit six, three in each half, and finished with 12 points. Capt. Ek Buys and Ron Venhuizen each had 10.

Sophomore Ron Te Beest and Van Wieren were strongest on the boards. Each picked off eight defensive rebounds. Buys was strong on the offensive boards. Don Philippi paced Alma with 15 points while Bill Reese followed 13.

The Scots, 0-8 and 0-4 in the MIAA played without Bill Pendell, who is out with a knee injury. Gary Nederveel, Hope's center, is still in the college clinic recovering from a thigh injury.

Henrik Ibsen's immortal drama of universal moral problems in small-town politics, "An Enemy of the People," as the next play to be presented by Palette and Masque, Hope College's drama society. The three-act drama will be given Jan. 18, 19 and 20 at 8:30 p.m., in the Little Theater auditorium in the Hope Science Building.

Taking the leading role as Dr. Thomas Stockmann, idealistic, well-meaning doctor-scientist, is Lewis Scudder, a senior from Kuwait, Persian Gulf. Carl Benes, a senior from Mohawk, N.Y., appears as the mayor of the town, and the doctor's antagonistic brother, Peter Stockmann.

Julie Blough, a sophomore from Caledonia, Mich., takes the part of Catherine, loyal wife of Dr. Stockmann.

Bob Jaehning, Holland senior, appears in a character role as Hovstad, editor of the town's newspaper and an outspoken advocate of "reform." Albert Nicolai, Linden, N.J., junior, as Aslaksen, the newspaper owner, and Dick Bennink, Kalamazoo freshman, as Billing, a reporter, help to present the role of the press in the town controversy.

The well-known story concerns the discovery by Dr. Stockmann that the highly-publicized baths, which are the town's valuable stock in the resort trade, are contaminated and dangerous to human beings. The action unfolds around the doctor's conscientious attempts to correct the situation and the antagonism of the rest of the town to any interruption of the town's prosperity.

Important assisting roles are taken by Lesley Brower, Sioux Center, Ia., sophomore, as Petra, Dr. Stockmann's daughter; Bruce Gillies, Kenmore, New York, junior, as Kill, the doctor's father-in-law; and Larry Haverkamp, Pella, Ia., freshman, as Captain Horster, loyal friend of the Stockmann family.

Dirck De Velder, freshman from Hong Kong as Morien Stockmann, James Howell as Ejilf Stockmann, Don Kardux as a drunk, Bonnie Peddie as Tori, John Draper as Nansen and John Crozier as Henrik, round out the cast.

James De Young of the Hope Speech faculty is director of the play, and Mary Ten Pas, Cedar Grove, Wis., junior, serves as assistant director.

# Grand Haven Realtor Dies

GRAND HAVEN — Bernard A. Kammeraad, 55, 229 Lafayette St., Grand Haven, died unexpectedly at his home early Wednesday.

# Ottawa County Farm News

**By Richard Machiele**  
Extension Agent, Agriculture

The Farmers Tax Guide for 1962 have arrived at our office and are available upon request. This explains in detail the procedure for filing farmers income tax for the current year. You may have a copy by writing or phoning either of the County Extension Offices.

An interesting article appeared in the Wall Street Journal of Dec. 13 regarding the Dairy industry in the U. S. I would like to quote a few statements from this article: "Spurring production and lagging consumption, officials fear, threaten to yield a near-record 10 billion pounds of milk that no one but Uncle Sam's price supporters will buy. This overflow would exceed this year's expected surplus by 60 per cent and would more than triple 1960's surplus."

Under the present support program, "the Government may take a loss of perhaps \$500 million in its dairy dealings next year, well above this year's \$300 billion and far over the \$150 million of 1960." "This new loss, if it comes, would cap a trend that has made the dairy price support program the most costly of all Government farm aids. Since 1933, when the Federal milk machinery was set up, the Government has lost nearly \$2.1 billion in upholding milk prices — not counting nearly \$500 million spent to provide out-rate milk to children in schools and other institutions. By comparison, the total net outgo for propping corn prices over the years has come to \$1.9 billion and wheat losses have totaled \$1.4 billion."

"Last spring Federal forecasters predicted milk output would mount from under 124 billion pounds in 1959 to over 124 billion this year. But farmers and their cows outwitted the prophets. Production is now, expected to hit a record 125 billion pounds, shattering the 1956 record. Next year the flood may reach 127 billion pounds."

"What has jolted the prophets even more is a drop in consumption — an expected equivalent of 18 pounds of milk below the 609 pounds USDA shows 591 pounds for commercial sale down by the average American last year. It's the sharpest decline since 1948, when per capita consumption shrank to 612 pounds, 39 pounds below the year before, because of short supply and high prices."

"Weight-watchers are cutting down on fat-rich dairy products. Budget-minded shoppers are switching to lower-priced margarine and other vegetable fats. Some doctors are prescribing diets containing little or no dairy products for patients with certain heart problems."

browse on cold winter evenings. The trees at the library entrance, covered with ice and snow, form a picturesque archway lighted by the lights from within. (Sentinel photo)

While one might very well disagree with the Journal's choice of words in several places, this very gloomy picture of what is currently happening in the dairy industry does present a fairly good outsider's view of the magnitude of the challenges that face dairymen as we enter a new year. It is safe to assume that the year will be a busy one, a year that will require a great deal of extra effort on the part of all segments of the dairy industry to meet these challenges.

Lockshore Diamond Butterfat, registered Guernsey bull, owned by Donald Kamps, Byron Center, has become a Summarized Sire, according to the American Guernsey Cattle Club. To attain this distinction, a bull must have at least 10 daughters with official production records.

"Butterfat," has 11 tested daughters that have made 19 official production records. Their average production is 9,056 pounds of milk and 450 pounds of fat, when converted to a twice-daily milking, 305-day, mature equivalent basis.

This fine Guernsey bull was bred by Estate R. F. Locke, Hickory Corners, Mich. This bull's sire was Coldspring's B. R. Cardinal and its dam was Lockshore Coral, that posted an official production record of 16,921 pounds of milk and 852 pounds of fat.

"Butterfat," also has had seven of his registered daughters classified with an average rating of Desirable.

# Ottawa County 4-H News

**By Willis S. Boss**  
County Extension Agent, 4-H

The 4-H Leadership Training meetings will be held Thursday at the Jamestown Public School for the Hudsonville district and Tuesday, Jan. 15 at the Coopersville Junior High School for the Coopersville District. Both meetings start at 8 p.m. Miss Jerene Baker will give a report on her Washington trip and a member from the district will report on the Lake Odessa Leaderette.

At the present time we have eight 4-H members in the Ottawa County swine project which is scheduled to have its showing in the middle of March in Zeeland. If interested, contact the 4-H Office at the Courthouse in Grand Haven not later than Jan. 17. This will be the deadline date to accept members in the swine project.

It has been announced that 4-H has run short of calendars this year. We have tried to cover all of the 1961 summer enrollment and the 1961-62 winter enrollment, but are about 250 short.

Ottawa County will again be taking part in a young adult leadership training program scheduled to be held on Feb. 8-9-10 at Camp Kett near Cadillac. This provides an excellent opportunity for young adults 15 years and older to take part in a conference entitled "Leadership Unlimited." There will be about 150 boys and girls taking part in this event. Ottawa County will have six delegates. Letters and applications have already been mailed to 20 prospective delegates and the 4-H Council will select them, at a later date.

The 4-H Council for 1962 includes — Hudsonville district, Gordon Schuitman, Mrs. Margaret Ohlman, Gerrit Berens, re-elected; Stuart Zandstra, appointed; Holland district — Barney Zildema, Mrs. Marvin Geerlings, Mrs. Alvin Kapenga, elected; Owen Franssens, appointed; Coopersville district — Roland Reed, John Koning, La Deane Sichterman, re-elected; Mrs. Richard McNitt, appointed. If ever you have any 4-H problems, please get in touch with your Council representative so that they may bring your problem up at a council meeting.

# Miss Telgenhof Honored At Miscellaneous Shower

Miss Mary Paul and Miss Mary Duzeman were hostesses at a miscellaneous shower Saturday evening at 131 West Central Ave., Zeeland, in honor of Miss Pat Telgenhof.

Games were played with prizes going to Miss Jan Dykman. Rehearsals were begun this week for the Holland High School Senior play which will be presented Feb. 12, 13, 14 and 15 in the auditorium of the new high school.

Chosen as this year's production is "Gentlemen Prefer Blondes" by Anita Loos and named as the lead is Marthina Bosch. She has been cast as Lorelei, a naive, innocent lass, "who with her traveling companion, Dorothy, played by Thelma Leenhouts, affords many laughs, as the two young girls travel through Europe together. The play takes place during the '20s."

It is directed by Robert Chard with Miss Mary Bosch as assistant director and Nancy Denig as student director.

Others in the cast are Linda De Vries as Mrs. Van Osborn; Liz Meyer, Sylvia; Maureen Munro, Mrs. Austin; Kay Borlace, Margaret; Linda Vukin, Miss Chapman; Eva Young, Mrs. Spofford; Jane Van Faasen; Aunt Dolly; Gerlinde Megow, chamber maid; Marshall Kramer as daddy.

Tom Van Howe will assume the role of Bert while Hans Hoffman will be the captain; Mike Longstreet, Henry; Sam Hayes as Mr. Brossard Sr.; Jim R. Dykstra, his son; Alan Vandevusse, Sam; Bill Parkes and Dan Ten Cate, stewards. Others in the cast are Jim Van Fleet, John Schmidt, Bob Groteler and Albert Oosterhof.

**GRAND OPENING** — The Beechwood I.G.A. store at 145 North River Ave. today opened their newly remodeled store. Owners, Maury Brower, and his son, Roger, bring 25 years of retail food experience to their completely modern equipped and enlarged supermarket. The renovation marks the second time in five years the store has been enlarged. During this week the store will be open until 9 p.m. each night. Regular hours are 8 a.m. to 6 p.m. Monday, Tuesday, Wednesday and Saturday and 8 a.m. to 9 p.m. Thursday and Friday.

# Players, Coach Guests At Kiwanis Meeting

Coach Fred Weiss and five members of Holland High's varsity basketball squad were guests of the Kiwanis Club Monday night at the Warm Friend Tavern. Coach Weiss spoke briefly on methods of coaching, emphasizing the need for varying method of play from year to year to best fit the abilities of each individual team.

Members of the team present were Mike De Vries, Dan Koop, Carl Walters, Tom Essenburg and Jack Vander Broek.

The invocation was given by Eric Britcher. Guy Bell led the club in singing, accompanied by Britcher on the piano. The Rev. Harvey Hoekstra, a missionary from the Reformed Church to the Sudan, was a guest at the meeting.

# Eagles Auxiliary Holds Regular Weekly Meeting

The Eagles Auxiliary held the first regular meeting of the new year in the Eagles' new building Friday evening with Mrs. Gene De Witt, president, presiding.

A district meeting is scheduled for Saturday at 7 p.m. in Grand Rapids. A letter was read from Mrs. Evelyn Schreiber, national president.

Warren Johnston from the Muscular Dystrophy Association presented Mrs. Frances Sroka, chairman of the Eagles Muscular Dystrophy drive held in November, with a citation for the auxiliary and a pin for herself.

Prizes were won by the Mesdames De Witt, Fred Raffenaud and Jean Kuhlman. Mrs. Leroy Austin and Mrs. John Huizenga won the gifts. Hostesses were the Mesdames Raffenaud, Kuhlman and Algie Ooms.

A minor fire in one of the laboratories at the Holland Color and Chemical Co., 482 Douglas Ave., Monday at 1:30 p.m. was put out by the firm's automatic sprinkler system. Ottawa County sheriff's deputies reported.

# Plan Group Holds Meeting

Several items of business were processed at a regular meeting of the Holland Planning Commission Tuesday afternoon in City Hall.

The commission tentatively approved a sketch plan of Ernest Wanrooy at Eighth St. and 112th Ave. but suggested he consult an engineer for a more detailed plan.

The commission adopted a major street plan submitted by City Engineer Laverne Serne. The new plan has no major changes.

No action was taken on the application for a service station on the southeast corner of Ninth St. and College Ave., pending further word from Shell Oil Co.

Action was delayed until after the Board of Review session in March on present service area policies. Chairman Willard Wichers reported he had discussed policies with the city manager and city assessor but the latter recommended the delay so that further study could be made on the tax base as well as plans for an industrial park.

The commission held an informal discussion on proposed plans to expand Willow Mobile Home Park. While such use is in character with future planning for the area, there are several current problems and the Board of Appeals will be so informed.

Attending were Chairman Wichers, Clarence Klaasen, Lawrence Wade, Ward Hansen, Richard Smith, Mayor Nelson Bosman, Guy E. Bell, Henry Weyenberg, W. A. Butler, City Manager Herb Holt, William Layman, Gordon Streur, Laverne Serne and Terry Hoffmeyer.

# Mr. and Mrs. Irving Wolbrink

Mr. and Mrs. Irving Wolbrink left Saturday for New Port Richee, Fla., to spend a few months.

# School Opening Set for Jan. 29

Seventeen days remain before the opening of the new Holland High School. Alvin J. Cook, chairman of the buildings and grounds committee, told the Board of Education at its monthly meeting Monday night in E. E. Fell Junior High School.

Cook added that many things remain to be done, but it also is remarkable how many things have been accomplished. The new school is scheduled to open with the second semester Monday, Jan. 29.

His comments followed reports of two meetings of the buildings and grounds committee concerning purchase of horizontal blinds for the two academic units and a 70-foot tower for the educational program. The board approved the committee's recommendation.

## Moving Schedule Set for School

A moving schedule has been set up by the Holland Trucking Association to move equipment from the present high school to the new high school which will open Jan. 29.

Beginning Saturday, two trucks will move supplies of the music and library departments.

On Saturday, Jan. 20, one truck will move athletic equipment, another truck will move records from offices of the principal and unit chairmen. A third truck will move classroom furniture from Third Church, a fourth will move art equipment from Bosman's store and a fifth truck will move the business department.

On Tuesday, Jan. 23, two trucks will be on hand for moving at the east unit and at the west unit. The remainder of the week will be used by faculty and administration in getting settled in the new building.

Senior high students will take semester examinations Jan. 15, 16, 17 and 18.

On low bid of \$5,312.40 for blinds from Locke A-V Corp. of Kalamazoo, less 5 per cent discount.

Also approved was the bid of RCA Service Co. of Grand Rapids of \$3,564 for installing the tv tower in a concrete base with antennae, converters and distribution system.

This quotation was the highest of three bids but the other two were rejected because of specifications or lack of experience in servicing.

At the close of the reports, President Jack Plewes presented Cook with an award in appreciation of his many years of service on the buildings and grounds committee and the countless meetings he attended not only on the new high school but throughout the years on all school matters.

The award was a chrome-plated section of bulb-T mounted on a block of wood, with a sterling silver plate for inscription. Plewes explained that the bulb-T (stripping used in mounting roofs) was chosen for the award since Cook at one time expressed his ignorance and that of the entire committee on just what a bulb-T was.

Harry Frissel of the schools committee announced that in addition to the series of dedication programs in which the work of separate departments would be highlighted will be a series of general open houses, perhaps three or four evenings, to allow the public to visit all building units at one time early in the spring.

Edward Donivan, assistant to the superintendent, presented projected enrollment figures for the school district and said enrollment next year will be approximately the same as the present school, listing 850 to 875 for the high school and 1,100 to 1,135 for junior high. He listed public school enrollment at 3,856, Christian schools at 2,529; Catholic school at 403 and Seventh Day Adventist at 31.

Walter W. Scott reported for the Junior high principal and curriculum committee on utilizing the present high school for Junior High next semester, stating that the additional building will provide considerably more room but still will not allow for the expanded program originally visualized.

# Board Hires 3 Teachers For Semester

Three new teachers for the second semester were hired at a monthly meeting of the Board of Education Monday night in E. E. Fell Junior High School.

Louis George Smith of Holland, a graduate of Fernwood High School of Chicago and Hope College, will teach English in the high school. He is married and has one child.

Mrs. Joyce Magee of Holland, who attended Wheaton College and was graduated from Hope College, will teach English and physical education. She is married and has one child.

Mrs. Carol Granberg of Holland, who attended Wheaton College, the University of Missouri and Hope College, will teach first grade at Longfellow School, replacing Mrs. Marjory Egger who is leaving Holland for Pittsfield, Mass., where her husband is being transferred by General Electric. Mrs. Granberg is married and has three children.

The finance committee reported having met Jan. 5 to examine the general operating fund report. Board orders to the superintendent last July 10 to trim \$35,000 from the school budget had been put into effect immediately, and such savings plus additional receipts have reduced the anticipated deficit from \$213,000 to \$125,000 as of Dec. 31, 1961. Deficit is expected to remain at \$125,000 for the year, and the board will hold a special meeting Tuesday, Jan. 16, at 7:30 p.m. in the E. E. Fell Junior High School to discuss school finances further. The regular February meeting of the board will be held in the new high school.

Estimated expenses for January were listed at \$141,414 of which \$107,000 is for teachers' salaries.

On recommendation of Buildings and Grounds Supt. Edward Prins, the board approved paying an additional \$100 to John Risselada, new head custodian at the new senior high school, for services the balance of the school year.

High School Principal Jay W. Forman reported he explained the new scheduling program for Holland High at the adjourned meeting of the North Central Association of Colleges and Universities in Ann Arbor. He was granted 45 minutes to present the program, and the resultant discussion took two hours with complete approval by the association. Supt. Walter Scott added that the reception of the new program was most enthusiastic.

Harvey Butler who last month announced local truckers were donating their services in moving equipment from the present high school to the new high school said William J. Mokma Heavy Movers have been added to the list.

President Jack Plewes presided at the meeting which adjourned at 8:50 p.m. Harry Frissel gave the invocation. All members were present.

The board approved low bid of \$348.50 for choral risers entered by the McFadden Corp. Recommendations of the administrative staff to complete purchase of classroom furniture for \$5,091.50 was accepted. Also approved was the purchase of a 19-foot aluminum telescoping scaffold for \$317.

William Sanford presided in the absence of Dr. J. Dyke van Putten, board president.

# Park Township Permits Near Million Mark

A total of 164 building permits were issued in Park Township during 1961 totaling \$970,350, according to Township Building Inspector John Van Wieren.

Of the total, there were 64 new homes for a total of \$93,385, 65 permits for additions and alterations totaling \$24,365, 18 garages for \$19,600, a gas station for \$35,000, a fruit stand for \$2,000 and a swimming pool for \$3,000.

The list also includes \$12,000 for the new South Shore Baptist Church.

# West Ottawa Hires 4 New Teachers

Contracts for four new teachers for West Ottawa school district were approved by the Board of Education Monday night at a meeting set ahead a week because of a meeting of the county school boards scheduled Jan. 15 in the high school audio-visual auditorium.

Teachers who started their duties Jan. 2 are Kathleen M. De Witt, teaching first grade in Pine Creek School; Marian Groenewelt teaching kindergarten at Waukazoo School; and Emily Mow as substitute teacher in Beechwood School. Joanne Hoffman will teach in Glerum Elementary School starting Jan. 26. Recommendation for hiring the teachers was made by Supt. Lloyd H. Van Raalte.

A status report on team teaching in the Ventura building was presented by Dan Paul and Gus Feenstra.

The board approved low bid of \$348.50 for choral risers entered by the McFadden Corp. Recommendations of the administrative staff to complete purchase of classroom furniture for \$5,091.50 was accepted. Also approved was the purchase of a 19-foot aluminum telescoping scaffold for \$317.

**BPW PAYS OFF** — Holland Board of Public Works President Randall C. Bosch (center) presents a check for \$100,000 to City Treasurer Alden J. Stoner (left) as the local taxpayers' share of last year's earnings of the BPW electric department. Looking on approvingly is BPW Superintendent Guy E. Bell. The check, which went into the city's general fund, reduced the city-tax rate by nearly 11 per cent, Bosch said. Instead of paying \$20.18 per \$1,000 assessment, he said Holland taxpayers paid an average rate of \$17.96, a savings of \$2.20 per \$1,000 assessment. The balance of electric department earnings is used for plant expansion and improvements. (Special photo)

# Coffee Shop to Celebrate Its Fifth Anniversary

The Holland Hospital Auxiliary will celebrate the fifth anniversary of the hospitality shop with a coffee in the hospital lobby Monday, Jan. 15, from 2 to 4 p.m., and 7 to 9 p.m. Coffee and birthday cake will be served to the public with emphasis on a "thank you" for all volunteer workers. Auxiliary members and their guests are invited to visit the hospital that day.

More than 200 auxiliary members donate an average of 2 1/2 hours a month in the coffee shop which is just off the main lobby at Holland Hospital. Of this number, 53 women have worked regularly over the five-year period. Many others have served as hostesses and in other positions long before the hospitality shop opened.

Members of the Margaret Hummer guild will serve as hostesses with Mrs. William Lalley as chairman.

The hospitality shop operates an average of 10 hours a day, six days a week. It operates from 9 a.m. to 4 p.m., and then reopens at 5:30 p.m. to run until about 9 p.m. Usually eight different women work in the course of a day. This cheerful shop, often described as the nicest corner in the entire hospital, is mainly a service to hospital visitors and patients, although profits continue to

mount each year. In the five-year period, proceeds have financed many pieces of equipment for the hospital.

Mrs. W. A. Butler is chairman of the shop with Mrs. J. D. Jenks in charge of food, Mrs. Vernon D. Ten Cate in charge of gifts and Mrs. Clarence Grevenoged scheduling volunteers. Mrs. Adrian Klaassen stocks magazines and Mrs. Charles Ridenour assists Mrs. Ten Cate in the gift department. Mrs. William Jellema is auxiliary president and Mrs. Leonard Zick is treasurer. Disposition of shop profits is determined by the auxiliary board of directors.

Mrs. Butler announced plans for the birthday party, at a monthly meeting of the board of directors Monday afternoon in the hospital. It was emphasized that the function of the shop is one of service rather than profit-making, and the woman who volunteers time each month in the service of others usually benefits to a greater degree herself.

It also was announced that Mrs. Joseph Brent will serve as legislative chairman and Mrs. W. C. Kools was elected vice president to fill a vacancy. Each guild secretary was asked to forward news of her guild to Mrs. William Lalley, editor of Hospi-Tales, by March 17 for the April edition.

**TAKE CARIBBEAN CRUISE** — Mr. and Mrs. Jay A. Wabeke of Grand Rapids have returned from a 14-day cruise to some of the islands in the Caribbean Sea aboard the S. S. Statendam. Here, the Wabeikes (left) are being greeted by the ship's captain W. J. Dijk (second from

right) and the ship's hostess, The Wabeikes left Dec. 18 on the Holland-America Line Ship. Included in the trip were visits to San Juan, St. Thomas, St. Lucia, Martinique, Trinidad, Grenada, and Cap Haïpian. Wabeike is employed by a Holland firm.

## Forest Grove

The Rev. J. Prins' sermons last Sunday were entitled "The Sufficiency of God," and "A Badly-Coated Tongue." The senior choir furnished the morning music and a women's trio, Mrs. Marian Van Dam, Mrs. Iris Myaard and Mrs. Melvin Klooster, sang vocal selections at the evening service.

## Probation Is Given In Breakin

GRAND HAVEN — Paul Herman Ramsey, 41, Dorr, who pleaded guilty Dec. 20 to breaking and entering charges after pleading not guilty June 12, was put on probation Monday by Circuit Court for three years. He must pay \$150 costs and make restitution out of his earnings for goods taken, the amount to be determined by the probation department.

Ramsey, who told the court he has spent 20 years of his life in prison, was apprehended last May 29 at 1 a.m. by two Holland policemen after fleeing the scene of a break-in at Von Ins Radio at 210 River Ave. He had in his possession a small transistor radio, but Zeeland Police Chief Lawrence Veldheer identified two portable tv sets found in his car as having been taken from Boes Radio and TV store in Zeeland the same night.

Kenneth Merriweather, 19, of 682 Saunders, Holland, pleaded guilty to nighttime breaking and entering and will return for sentence Jan. 31. The alleged offense occurred Dec. 11 when he entered a shed belonging to the city of Holland at the city dump.

James Williams, 17, Grand Haven, pleaded guilty to unlawfully driving away an automobile and will return for sentence Jan. 22. He allegedly took a car from an apartment house parking lot in Grand Haven Dec. 23, was apprehended in Crawfordsville, Ind., and was returned to Grand Haven. His 13-year-old male companion is being referred to Juvenile Court.

The case of Gerald John Erickson, 21, Nunica, on a charge of driving while his license was revoked, second offense, was adjourned a week to allow him time to consult an attorney.

Emil H. Schwandt, 57, Marne, who pleaded guilty Dec. 20 to a charge of offering for sale decomposed pork chops, was sentenced to pay \$25 fine and \$25 costs.
