Storm Sewer Report Given To Council

Master Drain Plan Sets Pattern for Area For Next 50 Years

City Council Wednesday night uthorized final payment of \$7,500 for an extensive report on a master drain plan for Holland city as done by Black and Veatch, consulting engineers of Kansas City. Mo. This firm also did engineering studies for the Holland water plant and for the proposed sewage treatment program.

The study, authorized last November at a cost of approximately \$22,000, included aerial maps which can be utilized in many engineering programs for this area. The purpose was to set up a drainage pattern for the area which will serve for the next 50 vears.

Council is considering instituting at least one critical drainage project in connection with the santary sewer program, thereby elmiating tearing up local streets more than once.

In general, Holland has good drainage contours, and less trouble with flooding than many another city of similar size. The present storm sewer system, considered fairly adequate some years ago, is currently considered about 20 per cent of what an adequate program should be. The report contends it might take 35 years before all proposed drains are completed. Two engineers of Black and veatch explained the report at an

nformal meeting of Council earlier in the evening. The 40-page report with maps and graphs contained formulas on rainfall in this area, runoffs, existing drains, critical areas, proposed drains, as well as estimated costs. Council spent considerable time

Tigers had driven 85 yards in the second quarter to the tying touchdown and then went ahead on the two-point extra point. This is the first time the NCAA two-point rule was used here.

After having been stopped in the second quarter, Hope returned in the third quarter and the first time the Flying Dutchmen got the ball they drove 80 yards for a touchdown.

Then on the first scrimmage play following the kickoff, Paul Mack (37), Hope quarterback, intercepted a De Pauw pass and the wheels began churning for Hope's third touchdown.

Hope's first touchdown came with 9:43 gone in the first period on a 28-yard pass play from Mack to sophomore end Jon Schoon (81). The touchdown was set up by Sharky Vander Woude's (23) rethe Tiger 41 on the second scrim- Allen. mage play of the game.

Four smashes, including three by fullbauk Steve Slagh (41), put the ball on the De Pauw 28 where Schoon broke clear of the Tiger defense, snagged the aerial on the seven and raced home. Mack kicked the first of three successful conversions.

Following the kickoff halfback Dan Blunt (21) fumbled and Hope end Mike Blough (82) recovered on the Tiger 44. Ken Visser (48). Hudsonville freshman, aided by a key block by Chuck Truby (62) yards. It took Hope 11 plays to score with Visser, John Vandenburg (45), Slagh and Vandenburg (45), Slagn and Vander Woude ripping the guards Golf Aces and tackles while Mack hoisted a 15-yard pass to Blough to the Tiger 16.

From the 16. Visser cracked off tackle on a crossbuck, hit full golf course Saturday and one last speed at the line of scrimmage, Thursday and Holland golfers are found a large hole and scored standing up with 54 seconds to go in the third period.

Mack intercepted quarterback Ed Meyer's (15) pass on the Hope 33 and returned to the Dutch 49. He hit end Dale Schoon (84) for nine yards and then alternated between Vande Woude and Visser off guard and tackle and on the sixth play Vander Woude ran the final four yards to score with 10:42 left in the game. De Pauw opened its aerial game

and Menighan hit end Jim Downey (82) for 17 yards and then a pass interference penalty gave the Tigers the ball on the Hope 15. Two runs and a personal foul gave the Tigers the ball on the six but in four pass plays failed to score. Hope's Jim Bultman (43) knocked Menighan back to the 11 on one play and then tackled Vink. Skeeters on the one-yard line to stop the drive.

Tackle Jim Gladden (70) downed Slagh in the Hope end zone onthe first play and De Pauw picked up the safety with 6:05 left. Bob Bonnette (35), Hope defen-

Dutch Woman Honored Here

Mrs. Geerda Van Beekhoff was guest of honor at a luncheon in the Centennial room of the Warm Friend Hotel at noon on Friday. She is president of the Associated Country Women of the World. Her home is in Zoelen, Betuwe, The Netherlands, and in her official capacity she is touring the midwestern states of the United States, Mrs. Carolyn Spencer of South Haven, a member of the State Board of the Michigan Economic Extension Council is traveling with her on her tour of

On Wednesday they were honored at the Allegan County Fair, and they went from Holland to Ludington on the next stop of their tour. Mrs. Van Beekhoff, a charming mother and homemaker, had pictures of her family and her comfortable home in The Netherlands. Her husband is not only Burgomaster of his village, but carries the title and authority of Count of the Dikes, an ancient title dating back to 800 A.D.

The Associated Country Women of the World is an organization of numerous groups concerned with the affairs of farm women and homemakers, including the County Extension groups. There are groups associated with the ACWW in practically every country in the world except behind the Iron Curtain. One of the most recent groups joining was from Liberia. Africa. Next year Mrs. Van Beekhoff will tour the ACWW groups in Africa. The International convention of the organization was in Regnerus, Holland. Scotland last year and will be in Melbourne, Australia in 1962. Mrs. Van Beekhoff told of the

effort of The Netherland's government to consolidate some of hereditary farms into larger more efficient units. She also spoke of the large road building program that takes up most of the land Saturday at Borgess Hospital, area. reclaimed from the sea, in The Netherlands.
