## \$500,000 Loss Seen; No One Hurt

**Blaze Started in Fan** Motor at 6:15 a.m.; **Spread Through Ducts** 

GRAND HAVEN-Fire destroyed the 61-year-old Central Elementary School Monday, causing a loss estimated by Fire Chief Henry Hobeke at nearly \$500,000.

The blaze was discovered by Hugo Walter, engineer at the adjacent Grand Haven Junior High School. Walter found a ventilating fan motor on fire about 6:15 2.m

At 6:30 a.m. Herm Swiftney, head custodian at Central Elementary School, discovered flames in one of the school's stairwells.

Detective William Cram of the State Police Fire Marshal Division in Rockford said fire from the overheated ventilator motor was blown into the school building through heating ducts and quickly reached all sections of the three-

story red brick building. Cram said the Fire Marshal Division had recommended, following an inspection of the school Jan. 22, 1962, that a heat activated automatic shut-off be placed on the discharge side of the ventilator fan to prevent fire from being forced from the heating plant into the school

spection a little more than a year ago, the Fire Marshal Division had made 14 safety recommendations to Grand Haven school officials concerning Central Elemen-

ed that the school had a large, poorly protected ventilating system which operated at high temperatures. Ventilating shafts opened into the attic of the school, from which the fan drew the air to be reheated.

GRAND HAVEN - A giant crane started knocking down walls of historic old Central Elementary School on Sixth St., early Tuesday, after a \$500,000 fire destroyed the 61-year-old structure early Mon-

All through the day Monday, Supt. R. M. Van Volkinburg was kept busy with offers of help from neighboring schools and churches, willing to "loan" classroom space to the Board of Education.

"We need 21 classrooms," he said Monday after a special meeting of the Board in his new office in the former Gardner-Denver plant. He sent Principal Lamont Dirkse of the Central School and Business Manager Jack Musser out with Detective William Cram of the state fire marshal's office Monday afternoon to check buildings near Central school that may be used.

water backed up in the boiler room and into the rear of the school. Junior High School students will complete their midyear tests Wednesday and will be closed Thursday and Friday.

The superintendent was given authority Monday to purchase any needed equipment and supplies to resume school. The Board decided that at a regular meeting Feb. 5 it will consider a change in the date of the coming election on a \$31/2 million bond issue. The election has been set for June 10 but now may be held earlier.

**Maroons Take** 

Holland Christian's basketball squad pulled away in the second half Tuesday night in the Civic Center to defeat the Zeeland Chix, 53-31 before 2,000 fans for its second win over the Zeeland club this season Christian's victory boosted the

Maroons over the .500 mark with a 7-6 season record while the Chix are now 3-8 overall. The game was typical of a Hol-

land Christian-Zeeland affair, hard fought and neither club playing top flight ball. Both clubs were guilty of many fouls and frequent errors. The worst aspect of the contest showed up in the shooting department with Christian managing to

hit just 26 per cent on 18 out of 69 tries while the Chix could only collect 18 per cent on nine out of Coach Art Tuls' Maroons led only 22-20 at halftime but pulled away in the second half with out too High School, Aquinas College, much difficulty despite the poor shooting percentage. Meanwhile

## Smooth Concordia Wins Building Activity Down **Over Slow Hope 80-73**

## Dutch Drop Fifth Game **This Season**

Smooth - working Concordia Teachers College, executing its pattern basketball to perfection, defeated Hope College, 80-73 Saturday night before 1,400 fans in the Civic Center.

The loss was the fifth in 13 starts for the Flying Dutchmen while Concordia has a 9-4 record. Paced by two of the best guards Hope has seen this season, Myron Schumacher and Dick Wegehaupt, Concordia moved its patterns well, working for the opening or shooting from out.

Schumacher hit 13 baskets, seven in the second half while 5'10" junior Wegehaupt made 10 baskets, eight in the second half including six in a row midway in the final half.

The Cougars captialized on every Hope mistake and intercepted frequent passes, stole the ball and outfought the losers although the taller Dutchmen managed to win the rebound battle, 40-37. Hope led at half 42-41 on Jim Vander Hill's driving layup with 11 seconds left.

At times Hope's reactions to play situations were slow and Concordia didn't miss the opportunity. But the winners didn't gain control for good until Wegehaupt's basket flurry which started with Are Required 10:50 left.

## Weatherman Sees Two Months of Heavy Snow

GRAND RAPIDS (UPI) -- Why not blame Lake Michigan for the snow miseries along its eastern shore. She's pretty vulnerable. That's what Fred Baughman, meteorologist at the U.S. Weather

Bureau here, is doing. Baughman, however, is much more polite about it, he speaks in terms of the lake's "influence."

It seems certain that folks living along the lake from New Buf-" falo to Petoskey might view it differently, with a little more harshness in their voices. Baughman's statistics are frightening and his crystal ball

tells us to expect at least two months more of heavy snow in the west state area.

Muskegon, for example, already has accumulated 127.4 inches of snow this winter, shy of its all time record of 146.8 inches which fell in the winter of 1961-62. But remember, Baughman's wordstwo months more.

Grand Rapids, although inland from the lake, unmistakably is feeling this winter's snowfall. The Furniture City's accumulated total this winter is 69.6 inches or twotenths of a foot more than the average of past winters.

What explains this snow-drenching in West Michigan when across the lake, Milwaukee, Wis. has suffered a total snowfall of only 15.4 inches this winter? Baughman's explanation: "This is the good influence of Lake Michigan. We have had a predominantly west or northwesterly flow this winter and during the past 15 days the daily average minimum in Milwaukee has been 14 below. In Grand Rapids, for the same period, it has been one above

"The mechanism causing this excessive snowfall in West Michigan is the temperature on Lake Michigan which has averaged 33 above. With extremely cold air coming across the lake, this sets up a very strong convective." County Road Commissioners see nearly all local streets.

## Panthers **Notch Fifth** League Win

West Ottawa's basketball team layed its finest offensive game of the season as the Panthers easily defeated Godwin, 83-51, before 1,400 fans Friday night to stay unbeaten in the Grand Valley league race.

The Wolverines stayed with the Panthers until halftime but then West Ottawa unleashed its best fast break offense of the season to simply outplay Godwin in every department in the second half. Godwin led after three minutes

elapsed in the first quarter, 4-3, but the Panthers scored eight straight points on two buckets by LeRoy Vedder and single baskets by George Donze and Rodger Borgman to give the Panthers a good lead. With the help of Vedder's seven points, the Panthers maintained an eight point, 17-9 first quarter lead.

The second quarter was a free scoring affair as each team made 19 points with the Panthers holding a 14 point lead at one time, only to see it dwindle to eight points, 36-28, at halftime. Tom Vizithum, who has been bothered by an ankle injury, returned to his early season form to score eight points in the quarter on jump shots and off the fast break. Randy Mick and Gary Rhoades led Godwin in the second stanza with seven and six points respectively.

Vizithum really put on an offensive show early in the third quarter to demoralize Godwin. The Panthers outscored Godwin, 10-2,

at the start of the third quarter with Vizithum making eight on three jump shots and one layup off the fast break. Later in the quarter, Duane Overbeek took over on offense as the Panthers outscored the Wolves, 25 to 16, to open up a 61-44 lead after three quarters.

Godwin was completely letdown at this point and the Panthers outscored the losers, 10-1, to open the fourth quarter. West Ottawa scored three baskets on layups after stealing the ball three times in a row.

Coach Gene Nyenhuis of Godwin put his subs in with about five minutes to go and Coach Jack Use Snowshoes York and Hiddinga Lead In Chicago Round Shoot Bonham followed similarly a minute or so later. The Panthers outscored the losers in the fourth quarter, 22-7.

For the second time this season zone defense bothered the Warriors and paved the way for the Holland victory. Although the defenses were not the same both times, they did a good job in throttling big Rick Duistermars, Muskegon center. He popped in 17 points but a good number of those were on rebound shots. The warrior used a press on the Maroons periodically during the game and bothered the Maroons somewhat. However on several other occasions the press allowed the Hollanders some easy layups.

SNOW MOUNTAIN - Two of Holland's busy National Guardsmen stop to survey this huge cliff of snow overhanging the old Saugatuck Road south of 142nd Ave. Whipping over a small rise, wintry winds this week created the giant drift which

dwarfs National Guard Lt. Glenn Mulder (on truck) and driver Sp-4 Eugene Vugteveen. In spite of several drifted areas, the old Saugatuck Road is open to traffic, but Graafschap Rd., between 146th and 142nd Aves., is clogged by snow.

Thursday night 60 men and six women spent the night in the armory. Cots and blankets were provided and coffee and rolls were in the form of milk from Hillcrest Creamery, sandwiches from the VFW, rolls from Dutch Boy Bakery and soft drinks from 7-Up Co.

With 24 guardsmen on duty, the local company operated vehicles around the clock, providing convoys for two cars to Saugatuck and eight cars to Hamilton, working in cooperation with state police and local police in freeing several cars from drifts. Twice they rescued oil trucks bringing supplies to outlying homes low on fuel.

Last Thursday night, guardsmen delivered groceries, fuel oil, chicken feed and other supplies to a trailer court on 142nd Ave.

On the post office front, rural carriers were making their rounds although unable to enter all roads. Postmaster Louis Haight said patrons were cooperating well in providing temporary boxes in those areas where mail boxes are hope lessly buried in the snow.

Ottawa and Allegan road commissions were able to keep primary roads opened and worked Friday on some secondary roads. North-south roads continued to be the greatest problem.

There was a growing number of flags or pennants on car aerials after the Sentinel's picture a few days ago. Most of these contrived flags are red, but any brightly colored piece of fabric or plastic will do. These flags are proving to be a great aid for motorists in driveways or entering certain intersections where snow piles are high.

Elsewhere in Michigan, the weather was a problem although

## 2 Bound Over In Burglary

Two Holland men arrested in connection with the theft of a safe from Haan Motor Sales last week waived examination in Municipal Court Monday afternoon and were bound over to Ottawa Circuit Court to appear Thursday in Grand Haven.

Leon Everett Smith, 22, of 5383 128th Ave., was charged with nighttime breaking and entering. His bond was set at \$1,000.

Reford Kennedy, 29, of 163 168th Ave, was charged with malicious destruction. His bond was placed at \$ 500. Bond was not provided in either case.

Holland detectives currently are looking for a third suspect believed involved in the theft of a safe Jan. 23 from Haan Motor Sales at 25 West Ninth St. The safe, broken open, was found Saturday after noon in Laketown township south of Castle Park. None of the money estimated at \$250 to \$300 was recovered.

Police said Smith admitted taking the safe from the garage but was unable to load it, arranging for Kennedy to help him later. Smith was picked up by city police in Holland Saturday.

Smith implicated Kennedy after questioning by police. Smith also admitted previous burglary a Haan's last Aug. 6 which netted between \$250 and \$300.

DRIVER ESCAPES INJURY - A semi-truck

trailer was cut in half Monday afternoon at

32nd St. crossing when the stalled vehicle was

struck by a train. Edward Neuman, 47, of 315

Washington Ave., was not injured. Neuman

told police his truck rammed a snowbank and

stalled across the tracks when he swerved to

avoid an oncoming truck. Neuman said he was trying to shovel the truck free when he saw the train coming. He was unable to flag down the train. The tractor (top) ended up on one side of the tracks and the trailer (bottom) on the other side.
