# Harlan Hyink Sets MIAA **Passing Mark**

Harlan Hyink, Hope College sophomore quarterback from Kohler, Wis., set an MIAA passing yardage record this season and sophomore teammate Bill Hultgren, Dearborn end, won the pass receiving and scoring title.

Hyink had a total of 769 yards on 46 completions in 100 attempts. The old league mark was 742 yards, set by Jim Northrup of Alma in 1959.

"Hurlin' Harlan" achieved the record in a five game league season while Northrup, now a member of the Detroit Tigers farm system, had six league games.

Hultgren led the pass receivers both in the number of receptions, 17, and in yardage, 379. In yardage he had a margin of 120 yards over Van Mulligan of Alma, who finished second with 259 yards.

Hultgren also won the scoring title, nabbing two touchdown passes from Hyink in the league finale against Olivet to finish with 44 points, achieved on seven touchdowns and one two-point conversion by pass reception. All of Hultgren's scoring came on passes as all seven touchdowns were on pass catches.

NEW LOOP LINE --- Cooperation between city departments is demonstrated here with the aerial truck of the fire department providing a lift for a Board of Public Works employe working on a new loop line carrying 12,500 volts along Pine Ave. from the James De Young power plant to 22nd St. and on 22nd St. to Van Raalte Ave. This picture taken from 12th St. shows Third Reformed Church in background. The line

eventually will be extended east to tie in with the substation at 25th St. and Lincoln Ave. The man on the lofty perch is applying insulated "spreaders" to the triple line at intervals of 25 to 30 feet. Poles are 150 feet apart and the line is 55 feet up. This installation costing \$30,000 is part of a five-year improvement program revamping and enlarging the present loop system.
