## SIXTEEN IN JAIL NOW; MANY AWAIT SENTENCE

Weary Wanderer Finds Feet Both Frozen and Burned When He Applies for Relief of Local Poor Department

There are 16 boarders at the county jail at present under the following charges: assault and battery, 5; forgery 1; vagrancy 3, larceny 2, child abandonment 1, drunk 3, and 1 charge of the city poor department.

Some days ago John Reed, a weary foot-sore wanderer applied for relief from Poor Director Dickinson. The man said he had frozen his feet and to the amazement of himself, found that he had also burned his feet a few days before coming to Grand Haven. He is now being cared for in the county jail.

Reed said after he had frozen his feet he warned them upon a radiator but did not know that he had burned the flesh, altho he realized that all feeling was gone.

H. Waltna and Joseph Kelley of Holland, are serving 30 days each in the county jail for simple larceny.

Cornelius Askes of Holland, is awaiting sentence on the charge of breaking a pane from Ionia, for child abandonment.

Fred Lamper of Holland is being held for sentence upon conviction of forging his brother's name to check.

## NEW POSTOFFICE CORNERSTONE LAID DEC. 12

ARTHUR VAN DUREN RESIGNS AS CITY ATTORNEY AND MEMBER OF BONUS COMMITTEE

Five Men Are Appointed on Censorship Board to Keep Ladies Company

As a prelude to the meeting of the common council last night Mayor Bosch gave out the information that the afternoon of December 12, has been decided upon for the laying of the cornerstone of the new postoffice building and the dedicating of the building. The council accepted an invitation to attend in a body and an appropriation of not more than \$50 was voted upon to defray expenses such as getting a band and other incidentals. The complete program has not yet been arranged.

The council meeting in itself was a busy one and considerable work was transacted in a short time. The principal event of the evening was the presentation by City Attorney A. Van Duren of his resignation as city attorney and also as trustee of the Bonus Committee and these were promptly accepted by the council. The following communication to the council explains Mr. Van Duren's reasons for not wanting the job any longer.

Holland, Mich., Dec. 2, 1914.  
To the Honorable the Mayor and Common Council of the City of Holland,

Gentlemen:

I hereby tender you my resignation as City Attorney, to take immediate effect. I am about to make some changes in my business connections, and believe that it will best serve the interests of the city that some other person should fill this office. Thanking my friends in the Council for their kind and courteous treatment, I am,

Very truly yours,  
ARTHUR VAN DUREN

The council then took up the matter of electing Mr. Van Duren's successor and on the third ballot At. Chas. H. McBride, a former city attorney was elected as City Attorney with At. M. A. Sooy getting three votes. Tom Robinson, W. O. Van Eyck and Ray Vlsscher also received some votes. Mr. McBride took oath of office this morning and commenced work immediately. Cnas. H. McBride was also unanimously elected to succeed Arthur Van Duren as trustee of the Bonus committee.

Mr. McBride served the city as city attorney for four years ending six years ago. He was then elected to the legislature from this district and now has his old position back. He is well qualified for the position and his appointment will meet with the general approval.

After the council meeting Mr. McBride entertained the mayor and council members, representatives of the press, city clerk city treasurer and a few friends present at an oyster stew at the Hotel Cafe. Mr. McBride declared in a short talk that he would endeavor to give the best in his power to the city's service. That he believed in keeping the city from litigation as much as possible; that he would never mix politics with his city affairs; that he would not have secrets on city affairs with any alderman or other men and that he would work along economic lines. Short speeches were made by each of the aldermen and the mayor congratulating the new city attorney.

## Men Added to The Motion Picture Censor Board

Motion picture censorship idea came up for no little discussion last night when the Censorship Board sent in a recommendation to the council that two ladies be appointed to fill vacancies and that five men be added to the committee. The recommendation is as follows:

To the Honorable, The Mayor and Common Council of the City of Holland.

Gentlemen:

We, your committee appointed to pass upon moving picture slides in the City of Holland, pursuant to an ordinance passed by your honorable body, hereby petition you to add to the present committee the following five persons: Prof. E. E. Fell, John Vandersluis, Mr. Moody, Rev. Mr. Holt and Prof. E. Dimment.

The reason of this request is that it requires each member of the present committee to devote part of two afternoons each and every week to visit and pass upon the slides in the two moving picture theatres, and although we are perfectly willing to give of our time, we still feel that in time it will become quite bur-

den-some to continue this work. If the committee is enlarged to twelve members, it would require each member only part of one afternoon each week.

We have given careful attention to the selection of the individuals above named and recommend their appointment for the following reasons:

Mr. Fell is superintendent of our public schools and is deeply and vitally interested in the boys and girls of the city.

Mr. Vandersluis is head of the Business Men's Organization and not only desires a progressive but also a moral citizenship.

Mr. Moody is secretary of the Y. M. C. A. and realizes that good pictures are a strong force in the development of the characters of young men.

Mr. Holt is the rector of the Episcopal church and one of the leaders in the Boy Scout movement.

Prof. Dimment of Hope College wants to see the four hundred students attending college trained along right lines.

None of these men are anxious for the position and are not seeking this appointment but are willing to give of their time and attention to this cause. They are not radical, are not trying to bring about anything revolutionary, but realize what a power for good or evil these moving picture shows are, and we trust you may see fit to enlarge the committee and appoint said men.

Before putting this question to the council Mayor Bosch read to the council a message upholding the council for the work upholding the taken along lines of censorship and telling of the good of the ordinance. The Mayor's message is as follows:

(Official)

Holland, Mich., Dec. 3, 1914  
To the Honorable the Common Council of the City of Holland, Gentlemen:

I am pleased to note the manner in which the censor committee appointed by the Council has taken hold of the work outlined for it in the ordinance, and the co-operation that exists between the censors and the Council, and striving to bring about better conditions in the City of Holland, in the picture show business.

The picture show is the "poor man's theatre," and we should do, nothing that will in any way injure this amusement for the people of our city if properly conducted, and if they give to our citizens what they need and should have, clean, wholesome, elevating amusement. I feel that we should aim to encourage the development of this amusement as far as possible, as will be consistent within the boundaries laid down and that we may all work for that end.

The censor committee has asked of the council to appoint certain well known men of this city, to assist them in their work, each peculiarly fitted for this work, and representing some distinct body or class of citizens or residents, and I most heartily endorse their appointment, and trust that the Council will agree with the censors and with me, and make these appointments.

I want to thank the Council for giving to the people this clean wholesome amusement, and for taking the steps necessary to so maintain it, without any idea of in the least of doing away with it, and trust that the work commenced may be continued to the betterment of our city and its amusements, and that the people may be both amused and educated in these picture shows. I know this can be done, and believe that if we will be careful we will soon be able to know that we have taken the right course in this safe guarding these amusements for our people.

Respectfully submitted,  
NICODEMUS BOSCH,  
Mayor.

On recommendation of Alderman Congleton both the Censorship Board communication and the Mayor's message were received and filed.

The committee on Ways and Means then submitted a communication recommending that the request of the Censorship Board be granted. The communication is as follows:

(Official)

Holland, Mich., Dec. 2, 1914

To the Honorable the Mayor and Common Council of the City of Holland,

Gentlemen:

Your committee on Ways and Means beg leave to report that in accordance with a request of the Censor committee we have appointed Mrs. G. J. Van Duren, and Mrs. W. J. Garrod, to fill the two vacancies on said committee, caused by resignations filed and accepted by your committee was also requested by said censor committee to add the following named gentlemen to said committee, viz.: Prof. Mr. E. E. Fell, Mr. John Van Der Sluis, Mr. Moody, Sec. of Y. M. C. A., Rev. Mr. Holt, and Prof. Mr. E. D. Dimment, and your committee would recommend that the request be concurred

## GOSSIP OF OUR CORRESPONDENTS THAT MAY OR MAY NOT INTEREST YOU

### EAST SAUGATUCK

Much interest was shown Thursday in East Saugatuck in the special prayer services that were held in the Christian Reformed church there because of the foot and mouth disease. The people of that section are interested in that epidemic just now almost to the exclusion of everything else and they came out in very large numbers to the Thanksgiving services which were to a large extent changed into prayer services.

Five herds, numbering about 140 head of cattle, were appraised and three herds were slaughtered in the warfare against the hoof and mouth disease by federal inspectors in Filmore township Thanksgiving day. The herds slaughtered numbered 70 J. Kleinheksel, H. H. Kleinheksel cows and hogs and were owned by H. and Johannes Ryzenga. These were all traced to the Filmore creamery.

### FILMORE

The fearful toll of the dreaded hoof and mouth disease in Filmore township and vicinity so far has been 288 head of cattle and 176 swine, and this afternoon a herd of 16 cattle and 10 swine on the farm of John Helder were appraised and slaughtered. The Helder farm is within about three miles of Holland and considerable alarm is felt in this city on that account. So far the disease has not entered the city proper, but it is not impossible with infected herds so near-by, that the disease should be carried here.

Dr. Trone of West Virginia has charge of fighting the epidemic in Holland and he has a small army of men at work all the time. Dr. Trone has his offices in a room in Hotel Holland with a hoof and mouth disease quarantine notice pasted on the door, and here he does all his business, such as taking reports from his deputies and directing the war against the disease. To show the quickness and dispatch with which a case is handled the Helder case can be used as an illustration. The herd on this farm was discovered infected Friday afternoon and by this afternoon it had been appraised, slaughtered and put under the ground.

The disease is now well under control and unless a fresh outbreak occurs it should be checked permanently in a short time. So far 19 herds have been slaughtered all of the owners which were patrons of a creamery. After the order forbidding the giving of skim milk and buttermilk to herds by the creamery 64 herds of cattle which had been receiving milk from the creamery were placed in quarantine. These cattle are still in quarantine and four men will be kept in this vicinity for some time to look after the herds, and prevent another outbreak.

The following are the herds that have been slaughtered: Benjamin Fokkert, 43 cattle, 17 swine; James Schipper, 9 cattle and 8 swine; G. Kleinheksel, 35 cattle and 3 swine; J. Agteres, 6 cattle and 2 swine; Henry Timmerman, 23 cattle and 18 swine; B. J. Tucker, 16 cattle and 7 swine; Henry Kleinheksel, 25 cattle and 16 swine; G. J. Fokkert, 9 cattle and 16 swine; John Zoet, 15 cattle and 9 swine; H. H. Kleinheksel 19 cattle and 16 swine; William Mulder, 14 cattle, and 5 swine; J. W. Mulder, 6 cattle and five swine; Mrs. Johannes Ryzenga, 15 cattle and 8 swine; Jacob Achterhof, 11 cattle and 8 swine; William Hoekje, 10 cattle and 10 swine; J. H. Hoekje, 1 cattle and 15 swine; Gerrit Jaarda, 10 cattle and 5 swine; Joe Van Dyke, 14 cattle and 7 swine killed and 3 swine died before slaughter; John Helder, 16 cattle and 10 swine.

### CRISP

A wedding took place at the home of Mr. and Mrs. Albert Arnoldink, last Wednesday afternoon, when their daughter, Clara, was married to Edward Van Dyke of New Holland, in the presence of a large number of relatives and friends. Rev. Wynngaarden officiating. In the evening a reception was given for the young people. They will make their home in Holland.

Mr. and Mrs. P. Werkman of Muskegon spent Thanksgiving with their parents, Mr. and Mrs. E. Nienhuis.

Miss Henrietta Plaggemars returned to Holland, after spending a couple days at the home of her parents.

Mr. and Mrs. Jacob Brandsen returned to Grand Haven after spending a few days with relatives in this vicinity.

The Misses Agatha and Letta Wynngaarden, of Grand Rapids spent Thanksgiving with their parents Rev and Mrs. Wynngaarden.

### DRENTHÉ

Proceedings that took on all the promise of developing into a law suit were commenced in Justice Clark's court in Zeeland when two Drenthé farmers, Engbert Seinen and Henry D. Maatman, father and son-in-law, were arraigned against each other. It appears that Mrs. Maatman is the only child of the Seinen's and when she and her husband commenced farming some time ago, her father kindly furnished the price for two cows, to assist them in getting started. Fearing that his son-in-law was not going to make good on the farm and that he would eventually lose the money he put into the cows, Seinen secured possession of the animals. This displeased Maatman who in turn replevined the same, upon which Seinen commenced suit. The matter was finally settled out of court, the cows remaining in the possession of Maatman, who proposes to pay his father-in-law for them at a certain date.

### HOLLAND TOWN

The grading of Lemmon Hill on the Zeeland road just east of Holland is now close to completion. The original plan was to cut away five feet of the hill to make it less steep. This has been practically completed but it is said that more of the hill will be cut away. The work is now progressing towards the bridge where the road must be widened.

While digging away the Lemmon hill a patch of gravel was struck from which, though it delayed the work some, was taken enough gravel to gravel 600 feet of the new road bed.

The work is being done by Boone and Boerman of this city.

Marie Hiddenga, aged 12 years, the daughter of Mr. and Mrs. Johannes Hiddenga, died Saturday night at her home on the North Side. The funeral was held Tuesday morning at 11 o'clock from the home. Death came following an operation for appendicitis.

Orris Buchanan, aged 70 years, a resident of Buchanan Beach on the North Shore of Black Lake for about 30 years died suddenly from apoplexy early Saturday. He leaves one daughter. Mr. Buchanan was driving home from Capt. Jennings' funeral and stopped at a farm house on the way. He was later found unconscious in an outbuilding. He was an old soldier and a member of A. C. Van Raalte post, G. A. R.

### GRAAFSCHAP

The Rev. M. Van Vessel, pastor of the Christian Reformed church of Graafschap has accepted the call extended to him a few weeks ago by the First Christian Reformed church of Zeeland. The announcement of the acceptance was made in the Zeeland church Sunday and at the same time the Graafschap pastor will announce to his congregation there that he is about to leave them.

The church whose call Mr. Van Vessel has accepted was served until some months ago by the Rev. D. R. Drukker, formerly of this city. It is the largest Christian Reformed church in Zeeland.

Mr. Van Vessel has been pastor in Graafschap for five years, coming to that church from Drenthé where he served for a number of years. He is one of the well known pastors of the Christian Reformed denomination and graduated from the seminary in Grand Rapids in 1887.

### VENTURA

The funeral of Orris Buchanan was held Tuesday forenoon at 11 o'clock from the home of Harry Chapman, Alpena Beach road, and at 1 o'clock from the Ventura church the Rev. J. W. Esveld officiated.

### JAMES VEITMA OF JAMES-TOWN IS VICTIM OF UNUSUAL ACCIDENT.

About a month ago, James Veitma was milking a cow on his celery farm near Jamestown when the animal nervously swither her tail and struck him in the eye.

Though he suffered considerable pain he did not realize the seriousness of the accident until some time later. An examination then by Dr. J. H. Innes of Grand Rapids disclosed the fact that there had been a hemorrhage inside the eye and after the most severe suffering it was found necessary Saturday to remove the injured optic.

Mr. Veitma is about 50 years old. He is at St. Mary's hospital recovering from the operation. The unfortunate man formerly lived in Grand Rapids city but moved several years ago to the Jamestown farm.

### LAKETOWN

A crowd of thirty spent Thanksgiving Day at the home of J. K. Aalderink. An old fashioned dinner was served. After dinner the boys and girls played ball and had a good time.

Meyer Bros were in Holland Saturday on business.

Henry Bieuker and Lammie Lemmen were married Wednesday at the home of the brides parents.

Harm M. Jager of Douglas was in Holland on business Monday and on his return he called on his wife who is staying with her parents. Harm left happy as his wife and daughter were going to follow him the next day. He said he was tired of keeping bachelor's hall.

Harry Aalderink who have been working for G. Wedeven this summer on the Belvedere Farm is back home with his parents.

Mr. and Mrs. Jager visit Mr. and Mrs. J. K. Aalderink last Tuesday in hopes to see their grand daughter; but they left about thirty minutes before they came.

Henrietta and Lillie Aalderink had some good exercise last Saturday by walking twelve miles. They say that when they got home they were as tired as dogs and hungry as wolves.

Jake Van Dyke and Henry De Pree have returned from a trip out west.

Gertie Wolters was a visitor at Knolls School last Monday.

Mr. and Mrs. J. K. Aalderink visited their parents in Graafschap last Wednesday.

Mr. De Pree of Paterson N. J. spent a few days with Jno. Meyerik last week.

J. K. Aalderink was in Holland last Saturday with a load of apples. Aalderink had a fine crop this year something over nine hundred bushels.

Laketown Grange held its regular meeting Saturday evening, November 28, at 7:30 p. m. in the evening. After a short business meeting the following Thanksgiving program was given.

### ZEELAND

At the first congregational meeting of the First Reformed church, Wm. Ossewaarde, P. Hoekstra and D. Pyl were re-elected as elders, while G. Meengs and J. Jekel were elected. Joe Meeuwssen was re-elected as deacon and J. Schipper and J. Ossewaarde were the newly elected deacons. The church is in a good financial condition during the year.

A happy family re-union took place at the home of Mr. and Mrs. R. De Bruyn on Thanksgiving day. Those present were Mr. and Mrs. R. DeBruyn and daughters, Francis and Margaret of Grand Rapids; Mr. and Mrs. Wm. Doedeman of Grand Rapids; Mr. and Mrs. Wm. De Bruyn and son, Williard of Muskegon and Mr. and Mrs. Dave De Bruyn and family of this city.

Last Wednesday afternoon, county road commissioner Cook let the contract of grading and graveling the five mile road due east from Borculo farmers. The work will be commenced soon.

Mrs. Katie Wabeke has left for Miami, Fla., where she will spend the winter with Mr. and Mrs. J. Van Gelderen, formerly of this city.

Wedding invitations have been issued by Mr. and Mrs. B. Habers, of the approaching marriage of their sister, Miss Alydia Habers, to Mr. Adolph De Koster of this city.

Henry Boone of Holland was in Zeeland Monday on business.

The annual congregational meeting of the First Christian Reformed church was held Monday night.

### WAR CAUSES MANY TO LEAVE

CANADA SAYS GERRIT BODE

The war in Europe may have considerable of an effect on immigration into Michigan, especially Western Michigan according to Gerrit Bode who has just purchased a farm near Borculo through the Weersing agency in this city. Mr. Bode was located in Monark, Alberta, Canada. When the war broke out conditions in Canada became such that he decided to go back to Michigan and locate here. He declares that a large number of his neighbors in Alberta will follow the same course and that an influx of people into this country from Canada can be looked for.

Many of the Hollanders there expect to come to Western Michigan to settle.

### WRECK IN WHICH HOLLAND MAN LOST HIS LIFE IS STILL A MYSTERY.

Rescuers Working on Curtis, Peterson and Marvin Hope to Find Explanation of Loss of Vessels.

As rescuers tear away the heap of wreckage piled high on the shore of Lake Superior—washed there from the steamer C. F. Curtis and her tows and the barges Peterson and Marvin—each keeps a sharp lookout for a message of some kind. A new rule compelling the carrying of a message case by every steamer of over 100 tons and not equipped with wireless was in force at the time of the wreck, and it is with the hope that such a message case with a note explaining the loss of the boats will be found, that adds to the rescuers' work.

Circumstances surrounding the loss of the boats never will be learned unless such a message is found. The loss of the three craft will it is

believed, impress other navigators with the law, which reads as follows:

"Whenever it appears to licensed officers of steamers of over 100 gross tons, not equipped with wireless telegraphy, navigating the Great Lakes, that the vessel is in imminent danger of being lost under conditions that there is a possibility of the facts in the case or cause of the loss being unknown, it shall be the duty of the licensed officers in charge to cause to be prepared a report stating the cause of the loss of the vessel and giving the facts therewith as fully as possible; also a list of the officers and crew, the same to be inclosed in a message case or receptacle to be carried for that purpose, in order that the facts in connection with the loss of the vessel may eventually become known to the officers of this service. (Sec. 4448; R. S.)

"The above rule does not specify a particular or standard receptacle or case, leaving it in the hands of the local inspectors making the inspection to pass upon the serviceability of the receptacle offered for such steamers at the time of inspection or after the passage of the rule requiring same; it is fair to presume that steambot inspectors will not accept an inferior article as the end desired is of such importance that the cases or receptacles will no doubt be insisted upon. At the last annual meeting of the board of supervising inspectors several types of cases were approved for use on vessels, although as above stated standard cases were not specified."

You can get away from the danger of contagion through milk by keeping your milk home and separating it with the Bluebell or Dairymaid separator. Keeping your skim milk to feed the pigs and calves and the best part of it all is that it will not really cost you anything, for this separator pays for itself by saving you time and work, and by actually increasing your dairy profits. Come in and see one of these machines set up. It is so simple you cannot help understanding it; so perfect you can't help liking it.

The skimming device on the Bluebell loses no butter fat in separation. The spiral cut gears, made of semi-steel, the phosphor bronze bushings at every wearing part, the trouble-proof, self-adjustable bowl spindle neck bearing, all insure long-lived, efficient machines. Come in and make personal examination. Bluebell and Dairymaid Cream Separators in these sizes:

### SHELBY MAN GETS \$25,000 FOR EIGHTY ACRE FARM

An example of what Western Michigan property can be developed into under proper care was shown in the sale of the famous Sessions peach farm near Shelby a few days ago. The farm comprises eighty acres of peaches and it was disposed of by Horace Sessions, some days ago to A. H. Near for the sum of \$25,000.

This peach farm was developed by Mr. Sessions on land that is not much better than land along the lake shore. He developed the orchard in such a way that it was considered one of the first in the United States and was often visited by fruit experts.

in and the appointments made. Respectfully submitted, F. J. Congleton, Committee on Ways and Means. Ald. Drinkwater protested against adding more members to the committee and said that the censorship business would drive the shows out of Holland. Alderman Vander Hill replied to this statement saying that the business of the picture men have increased since the censor committee commenced work. On roll call Drinkwater was excused from voting and the Ways and Means' recommendation was passed unanimously. Want to Divide Fifth Ward A petition signed by nearly every voter in the Fifth ward was submitted to the council last night asking that the Fifth Ward be divided into two different wards to be known as the Fifth and the Sixth wards. The division line to be the same as the two precincts are now divided. The petition was referred to the committee on Ways and Means to report at the next meeting.

Businessmen Want To Know Council's Attitude On Boulevard Lights

William Arendshorst, chairman of the boulevard lighting system committee of the Businessmen's association presented a lengthy communication to the council last night in which he inquires of the council what course that body intends to pursue in regards to the boulevard lighting system. His communication which reads as follows explains itself:

(Official)

To the Honorable Mayor, and Members of the Common Council of the City of Holland.

Gentlemen:— I was very much surprised to read an article published in the Daily Sentinel of November 19th, which said that the boulevard lighting system was less sure as a result of discussion of the Council, and as the Chairman of the committee of ten (10) of the Business Men's Association appointed to fulfill the conditions made by the committee on lighting, and the Ways and Means Committee and the former committee on Boulevard lighting of which I was also Chairman.

Now before going any further I wish to lay before the Common Council just the steps that have been taken, and if it becomes necessary for the Common Council to take action before we can be assured of the City's performing its part, we would desire that immediate action be taken that we would know just what to expect.

The former committee on Boulevard lighting system was composed of Bert Slagh, Nick Hoffman, John Vander Sluis and myself as Chairman who were appointed by President Dick Boter of the Merchant's Association. It appears that the Council had plans and estimates for a Boulevard light system prepared, and referred the matter to the Committee on Ways and Means and the committee on Public Lighting, and I was asked to have my committee meet with these committees in the City Hall, we did meet there, Mr. Slagh and myself being the only members of the committee as Mr. Hoffman and Mr. Vander Sluis could not be there, but the members of the Council committee composed of Messrs. Prins, Congleton, Vander Ven, Drinkwater, Slagh and Steketee were present and this matter of Boulevard lighting system was taken up, and it was my contention that the City should bear the entire costs of installing it as the entire City reaped the benefits, but there was on every hand potent objection to this raised by the members present, which convinced me, that perhaps I was wrong, and it was this: That if the City should install this system of Boulevard lighting on River Avenue and Eighth Street, then it would not be more than right to put it in all the streets of the City. It was finally decided that the City would install it on the Main streets, at least if the property owners and users would furnish the posts which it was said, could be purchased for about twenty-five or thirty dollars apiece.

And it was further understood that the City would install the system and take care of the lighting thereafter. In order that there could be no misunderstanding I saw both Mr. Drinkwater and Mr. Prins, chairmen of the committees mentioned, the morning after the meeting, and both again assured me that the agreement reached would stand. With that definite understanding the matter was later taken up by a committee of ten (10), appointed from the Business Men's Association and the Board of Trade. Estimates were made and much time spent in securing subscriptions to the fund to be raised and the work of the committee was nearing completion when the aforesaid article appeared in the Holland Daily Sentinel.

I am attaching to this letter an estimate cost of the proposed system as compared with the cost of present are system prepared by Superintendent Champion. You will note from this estimate, that Eighth Street west of River Avenue has been eliminated, owing to the fact, that at present it seems difficult to raise the necessary money from property owners on that street.

Now, if for any reason your Honorable body does not see fit to concur in or ratify the action of your committees as aforesaid we would like to be informed, and if it is willing to ratify or concur in such action, we wish that such official action would be taken that your hon-

orable body may deem necessary and proper.

Respectfully yours, WM ARENDHORST Chairman of the Committee of Boulevard Lighting System. P. S. In Mr. Champion's estimate interest is figured on the total investment. Since the property owners and users on Eighth Street and River Avenue will raise about \$3000 the interest charge should be \$150 less per year. The present cost of the arc system should also be deducted viz: \$326.40 making a total of \$476.40 to be deducted from \$3737.32 leaving net cost of operation \$3260.88 per year. W.M. A.

A motion by alderman Slagh that the action taken by the committee appointed by the council referred to by Mr. Arendshorst be concurred in and ratified by the council.

Alderman Congleton explained that he was a member of the committee referred to by Mr. Arendshorst but that at the time the committee met they did not have an estimate on the cost of lighting and stated he wished more time to consider the matter.

Other aldermen wished to do the same and the discussion was ended by a motion from Ald. Congleton that the matter be referred back to the committee to report at the next meeting.

Books Ordered By City Attorney Paid For

The committee on claims and accounts recommended that the bill of \$39 for a set of books on municipal law ordered by City Attorney Van Duren and held over from the last meeting be added to the other bills ordered paid. The books are the property of the city and will be turned over to City Attorney Mc Bride.

Mayor Compliments Prins For Work On Poor Committee; Aldermen Pleased With Prins' Report

The poor committee of which Alderman Prins is chairman jumped into the limelight at last night's council meeting when alderman Prins explained several important matters that have come up for consideration by that committee. Prins told his story in his simple but concise manner giving full and detailed particulars of conversation and interviews and the aldermen were sorry when he had finished that there was no more to the story.

The first proposition thrashed out was what should be done with Lucas De Weerd, well known as Mc Kinley Mr. Prins stated that as far as could be learned that Lucas has from \$400 to \$500 within easy reach but in spite of this the man is on the city poor list and is receiving \$1.50 a week from the poor committee. On the other hand if he is sent to the poor farm it will cost the city \$2.50 a week to keep him there. Ald. Harrington declared that the committee thought seriously of sending him to the poor farm knowing well that he does not want to go there and because of this he would soon get out and support himself.

Alderman Prins did not agree with Harrington, stating that it was better to give him \$1.50 a week and keep him here than pay the county \$2.50 a week for keeping him in the poor house. Both Prins and Harrington agreed as did the council that De Weerd's financial standing should be investigated, and if it is found that he has money and property that the city refrain from supporting him further. Mayor Bosch said that he was present when the said De Weerd was offered at least \$700 for his equity in a piece of property.

Another lady Mr. Prins declared had refused to have city physician Dr. Winter for her doctor and a man working for her benefit, supposedly declared that Dr. Winter was a good doctor for the rich but not for the poor. Mr. Prins however disagreed with this and he asked Dr. Winters to go and see the woman. This Dr. Winters did. He left some medicine but the woman refused to take it and the next time the doctor called she would not have him at all. Mr. Prins declared that if the woman will not have doctor Winter, who is recognized as one of the best physicians in the city she can pay for her own doctor. Some one contended that Dr. Winter did not make the call on the sick woman when requested, but this was found untrue, in fact the doctor had been there twice in two days and left medicine which the woman refused to take, thus making it useless for the doctor to call. It seems to be a case of prejudice and stubbornness.

The chairman of the poor committee's best story was perhaps that of Mrs. Mast. He said that for this case he had Jake Lokker and the Ladies Aid society going after him strong. His story follows: He went to see Mrs. Mast on request of neighbors and found that her husband had been employed for \$2.50 a day at the Holland Gas plant this summer and was now working in the paper mills at Otsego. He told Mrs. Mast that if she would sign a complaint against her husband for non-support and force him to contribute to her support the city would help her. This she would not do. The lady was in want at that time and on request of Henry Geerlings he had groceries sent to her home.

A few days later Mr. Lokker and

others came to him and wanted to know if he was going to give aid to Mrs. Mast saying she was in want. Prins said he would not but he did go to her home with the intention of giving her money out of his own pocket. However he found out Mrs. Mast had just baked six loaves of bread and had flour and potatoes left and that her husband was expected home that night. "and then I just keep the \$1.50 in my pocket." says Ald. Prins.

However, the mayor and councilmen all praised Prins for his able handling of the poor department. Get State Inspectors Here To Investigate Milk Dealers

Ald. Congleton started another uprising against the Schaap Bros., milk dealers who were raked over the coals a short time ago for not having their farm in sanitary condition. Ald. Congleton when he declared that there is another case of typhoid in the city and that the patient received milk from Jacob Schaap. The alderman declared that nearly every case of typhoid in Holland during the past summer was traceable to the Schaap brothers or at least the patients had been receiving milk from one of the Schaap dealers. He was in favor of prohibiting them from selling milk in the city at once.

Mayor Bosch said that the board of health wanted some action from the council and although the disease cannot be traced it seems peculiar that in all cases the milk received comes from Schaaps and that Schaap Bros. do not believe in bacteriology and because their fathers and forefathers were not so restricted they should not be. "It is hard to take such action against these men" said the mayor, "but what is a few dollars to the Schaaps compared to the sickness and possible deaths endured by our people."

A motion by Alderman Harrington that the state health inspectors be summoned here to go over the Schaap place at once was finally adopted by the council and City Clerk Overweg was instructed to call the inspector by telephone the first thing in the morning.

Items of Interest A motion by Alderman Vander Hill that Mr. Vander Veen be ordered to clean up his vacant lot, corner of River Avenue and 15th Street and put in sanitary condition was adopted by the council.

On recommendation of Ald. Steketee the council ordered the removal of barb wire fences from the B. L. Scott lot on Central Avenue and the Gaverlink lot, corner of Central and 26th Street. The wire has fallen

across the sidewalk and is dangerous to passersby.

The members of the Motion picture censor board took their oath of office.

The following is the test of gas during the past two weeks: Number of tests, 31; Highest, 636; lowest, 590; average, 614.1. Three were below 600 B. T. U.

Ald. Prins reported the expenditure of \$93 for temporary aid during the past two weeks.

Manager J. W. Heimbaugh of the Royal Theatre submitted a communication to the council last night in which he states that he always has and always will live up to the motion picture censor ordinance and cooperate with the committee in enforcing it.

A petition from Henry Van Dommelen for license to operate a saloon at 72 East Eighth street was referred to the license committee to be reported at an adjourned meeting of the council, Friday night. Van Dommelen has bought out the Vander Water saloon.

The adjourned meeting of the council is for the purpose of considering sewer bonds.

FORTY-NINE CATTLE AND THIRTY-SIX SWINE SACRIFICED ON KLEINHEKSEL FARM

The Federal Inspectors making a farm to farm canvass in Fillmore township with view of modifying the foot and mouth disease quarantine should no diseased herds be found were given a set-back Tuesday afternoon when the foot and mouth disease was discovered in the herd of James Kleinheksel. The herd numbering 49 cattle and 36 swine was immediately condemned and the entire herd was slaughtered this morning.

FAIR EXHIBITORS CHANGED FROM KNOCKERS TO BOOSTERS

The exhibitors at the Holland Fair this year who first kicked strenuously because they claimed the fair association was not living up to promises and given premiums advertised have been changed into a bunch of boosters. The reason is that secretary E. P. Stephan's assurance that they would get their money as soon as things were recorded was carried out to the letter. Delay in squaring up with some exhibitors was caused by errors on account of the very large number of entries.

The Century club Monday night enjoyed a Thanksgiving banquet in the Woman's Literary Club Hall. In addition to the regular members a number of guests partook of the feast upon invitation of the club, and plates were laid for a hundred and seven. A bountiful feast was provided by the committee composed of Mrs. Oggel, Mrs. Sooy, and Mrs. Sutphen. Between the courses the company sang familiar songs. G. J. Diekema acted as toastmaster and the following responded to toasts: Dr. A. F. Bruske, "Thanksgiving"; Mrs. C. H. McBride, "The Men"; Dr. J. W. Beardslee, Jr., "Our Club"; Mrs. J. E. Telling, "The Boys"; and Prof. E. D. Dimment, "Danelijons and Eidelweis." A. H. Landwehr as a guest was called upon by the toastmaster for remarks and responded with a few appropriate words.

A very pretty wedding occurred Wednesday evening at 7:30 p. m. at the home of Mr. and Mrs. G. Boyenga, on East Eighth street, when Dick Schaftner and Miss Jennie Boyenga were united in the holy bonds of matrimony, the Rev. P. A. Hoekstra officiating. The bride was attended by Miss Cora Schaftner, sister of the groom, and the groom by Peter Boyenga, brother of the bride. Miss Carolyn Van Etta, acted as ring-bearer, and she did her part very nicely. The ring ceremony was used. The bride was dressed in white Marquissette over silk. The wedding march was played by Miss Etta Boyenga, sister of the bride. The rooms were tastefully decorated. Bert Vander Poel was master of ceremonies. The wedding was private, only near relatives being present. Dainty refreshments were served, which were in charge of the Misses Henrietta and Jennie Slagh and Della Bronkhorst. The gifts were very useful and beautiful. The guests departed at a late hour and all reported a fine time, all wishing the young people the best in life's voyage. Mr. and Mrs. Dick Schaftner will make their home on West Ninth street. Mr. Schaftner is one of Holland's preeminent young business men operating the Electric Shoe Hospital, located on East Eighth Street.

Mr. Tromp will now occupy the whole building with his Art Gallery and picture framing shop. The change was completed Tuesday and Mr. Tromp has considerable more room for a good display of his wares.

Charlie Post came very near taking the city billiard championship laurels away from Will Blom Friday evening when the two billiard experts met in the Palace Billiard parlors for a match game. The score at the end of the contest was 95 to 100 in favor of Blom, the closest he has been to defeat for a long time. A large crowd witnessed the game and the closest score tells something of the thrills that the spectators got out of the contest. It has further served to arouse interest in the city series.

Austin Harrington of this city, Dr. Chapel and Charles Jones of Grand Rapids, and Levi Fellows, Fred Graham, James Nicholas, George Roof and E. Fellows, all of Ottawa county have returned from their camp in the north woods, bringing with them 15 deer, just falling one short of the number allowed by law. The party has a permanent camp at Watersmeet. Mr. Harrington said that hunting conditions this year are poor but that he thinks the supply is inexhaustible, as hunters are now restricted in their killing.

Ed. Oswald carp fisher at Saugatuck shipped a carload of about 15 ton of carp to New York Tuesday.

Grand Haven Tribune.—Captain Everett Zwemer of the Str. Manchester arrived home from Milwaukee Thanksgiving Day morning, and had holiday turkey with his family. The captain states that it is the first time since his marriage that he had been able to eat his Thanksgiving dinner at home. This year lake freight business is so poor that the freighters are being laid up much earlier than usual. The steamer Manchester which has had a fairly good year, has been laid up in Milwaukee.

The board of police and fire commissioners has granted the necessary relief to the motion picture censors by providing badges for them that will be "woman size." Until now the censors, in their capacities of special officers, have been compelled to wear the enormous special officer badges that seemed to some to weigh in the neighborhood of a ton, more or less. Monday the commissioners decided to provide smaller badges for the women. The wording on them will be "Censor—Special Police. Arrangements have also been made by the board with the theater men to allow the special officers to attend the pictures free of charge. The special badges after this will constitute a pass for the censors.

Tobacco dealers in this city, as well as in other cities, are hit hard by the new tax which was put in force Tuesday, Dec. 1. All retail merchants selling \$200 or over in cigars a year must pay forty cents a month tax which will be \$3.20 by

June 30. Manufacturers of cigars must pay from \$3 for the sale of 100,000 cigars to \$2.496 for the sale of 40,000,000 cigars. Tobacco manufacturers must pay from \$6 for 100,000 pounds of tobacco to \$2,496 for 20,000,000 pounds. There are three cigar manufacturers in Holland, two of whom also sell retail. One dealer also manufactures tobacco products, so he must pay all three taxes. If the tax is not paid by Tuesday the dealer will be fined a certain per cent of his total tax.

Monday the Michigan deer season closes and after Monday it is unlawful to kill the animals. Practically all the hunters from this city who went to the north woods have returned, most of them having shot their full quota of deer allowed by the state game laws. In fact the local hunters have been rather exceptionally successful this season. They have met with no bad accidents in spite of the deep snow and other unusual conditions. The statistics of the number of hunters killed and wounded including today have not yet been compiled. Up to Sunday there were 15 fatalities reported in northern Michigan, with half a dozen shootings that may result fatally. It is estimated that between 10,000 and 15,000 hunters ranged the woods of the upper peninsula this fall.

The schooner Woolen was successfully in getting off the beach on Wednesday night last and is now safely moored to the dock. Our whole fleet is in now with the exception of the schooner Jose.

One day last week an Indian who was hunting near this city discovered a large bear in the top of a tree, and shot him with his rifle. The bear fell to the ground wounded but not yet dead, and, as the Indian approached to cut his throat he was grabbed by the bear, and a combat ensued which proved to be fatal to both. When found, the Indian was still in the embrace of the bear, having been literally hugged to death, while the beast was covered with some twenty or thirty wounds from the Indians knife, showing that the struggle must have been terrific.

A meeting of the members of the First Reformed Church on Thursday afternoon last, the following elders and deacons were re-elected: Eide—H. Broek, F. Beeuwkes, P. Wilferdink and J. Schrader. Deacons—J. Ter Vree, A. Vennema, and L. Sprietsma. "De ouden blijven." The collection taken up in that church in the forenoon amounted to \$89.32 of which amount \$45.71 is for the education of students; \$5.25 for foreign missions; \$2.00 for Bible society; \$27.86 for the poor of the congregation; and \$8.50 to be distributed among the poor of the congregation on Thanksgiving Day. All these donations were classified by the donors.

A martinique journal avers that an anchor belonging to one of Columbus's vessels has been found six feet below ground in Venezuela, 382 feet from the coast line. It is a simple form and rude manufacture, the stock being round and eight feet long, with a ring a foot in diameter at one end, and with flukes five feet in length. The weight is 1,100 pounds. Columbus had on the 4th of August 1498 three vessels at anchor off the southwestern extremity of the island of Trinidad in the narrow strait separating it from Venezuela, and his son Ferdinand related that a great storm suddenly disturbed them and caused such a strain upon the cables that one of them parted. The anchor to which this cable was attached is the one recently dug up. The land in that part of Venezuela has gained so much upon the water since that period that gardens are now planted where ships once sailed.

S. Senate.

**THOMAS MAHAN FOUND GUILTY  
AFTER A BRIEF TRIAL**

One of the biggest surprises in the trial of Thomas Mahan, charged with feloniously assaulting Fred (Turk) Allison, was the comparatively short length of time taken by the attorneys. Acknowledged one of the most sensational cases in criminal records Thomas Mahan's trial began at two o'clock Monday and ended at noon Wednesday. Nearly half of this time was consumed by the arguments of Prosecuting Attorney Osterhous and Attorney Jay Lindsey.

At 1:50 o'clock Wednesday afternoon the jurors returned a verdict of guilty.

Thomas Mahan sat alone at the table and smiled as the verdict was repeated. Mrs. Mahan and the three children were not in the court room when the returns were received.

The jury retired at 11:45 a. m., and were excused long enough to have dinner.

The following are the men who found Thomas Mahan guilty of attempting to maim Fred Allison, in his home on Fulton street, April 14, 1914: R. Brosset, John Kolean, C. Hollis, Lewis Kamphuis, L. W. Pierce, George W. Reeves, Wm. H. Cameron, Henry Schaefer, C. F. Reiner, Henry Ponstein, W. Bryant, Charles Parker.

**CHARLEY VAN DYKE JUMPS INTO LAKE THEN CRAWLS OUT AGAIN.**

Walked Six Miles from Home Shoeless and Coatless and Then Tries to Take Own Life

Charley Van Dyke aged 37 years, of Grand Haven, who has been working in this city and at Castle Park for the past six months or so, attempted to commit suicide Sunday morning by jumping into Black Lake from Poole's Dock after walking there from the home of his uncle in Laketown, a distance of about six miles, in his stocking feet, coatless and bareheaded. However, after he had made the leap, VanDyke thought better of it and dragged himself out. A caretaker at the Poole farm took him into one of the houses and called up the Holland police. Van Dyke was taken to the jail at Holland where he was examined by Dr. Tuttle.

He did not seem able to say anything and merely sat staring into vacancy. He was morose and sullen. His heart was found to be in bad condition and with a high fever his condition was alarming. He was taken to the home of his uncle at Laketown where he had been staying.

Van Dyke is usually a happy, good natured fellow and has a host of friends. For the past few days, however, he has been despondent and he has often said that he felt like jumping into the lake and ending his life.

**JOHN KAMBHOUTS CHARGES MAN WITH STEALING A BARREL OF LIQUOR**

An interesting case was thrashed out before Justice Sooy in the city hall yesterday afternoon when Charles Perkins was placed on trial on a charge of stealing a barrel of wine from John Kambhout's saloon. Complaint was made by Kambhout.

It is alleged that Kambhout owed Perkins for some goods and that Perkins took this method of collecting.

**LARGE SUMS FLOWED INTO COFFERS OF CHURCHES  
THANKSGIVING DAY**

People of Holland Contribute Liberally to the Church Collection Plates

The Thanksgiving Day services in the local churches Thursday were for the most part well attended. In most of the churches there were special music appropriate to the day.

During past years the custom has grown up of making special collections in many of the churches and yesterday the total sum collected was again very large, the sum amounting to about four thousand dollars. As usual the Third Reformed church again leads the list, with a collection of about nine hundred dollars. This church makes its annual offering for foreign and domestic missions on Thanksgiving day, which accounts in part for the very large offering each year. Adding to the nine hundred dollars collected Thursday the individual contributions made during the year the church has contributed \$1680 to this cause. Collections in the other churches so far as reported were as follows Thursday.

First Reformed church, \$100; Central Avenue Christian Reformed church, \$602; 14th St. Christian Reformed, \$380.41; Ninth St. Christian Reformed church, \$651; Prospect Park Christian Reformed church, \$371.31; Maple Avenue Christian Reformed church, \$69; Trinity Reformed church, \$60; Hope Reformed church, \$40.

**FEDERAL INSPECTOR ASKS MAY AGAINST FOOT AND MOUTH DISEASE**

Dr. W. O. Trone Declares That The Regulation About Dogs is No Joke

Since the quarantine was issued against dogs in suppressing foot and mouth disease in the townships of Fillmore, Overisel, Heath, Manlius, Saugatuck and Laketown in Allegan county and Holland, Zeeland, Blendon and Olive in Ottawa county, the people in all except Fillmore township, where the disease was felt severely and where many dogs and birds as well as the cattle and swine have been killed, have treated this quarantine as a joke and it has been repeatedly violated in Holland as well as in other districts in quarantine.

The quarantine reads that all dogs shall be kept chained and not be allowed to run at large. The owner is liable to fine and imprisonment should his dog be caught running loose and the dogs very likely will be killed. This quarantine will not be lifted until the general quarantine in the township shall be lifted.

Dr. W. O. Trone, the Federal inspector leading the fight against foot and mouth disease today asked Mayor Bosch to co-operate with him in having the people of Holland keep their dogs chained. "If the people have dogs they do not care for they should have them destroyed and not let them run loose. A dog running loose will cover many miles of territory in a day and is frequently the means of spreading disease. People should have enough respect for their neighbors and be interested enough in eradicating this disease to keep their dogs chained," said Dr. Trone. In Fillmore many fine dogs have been sacrificed and many crows and pigeons have been killed.

**HOLLAND BOYS HAVE COVERED 1500 MILES OF JOURNEY TO CALIFORNIA ON WHEEL AND THEY SAY THEY LIKE THE TRIP.**

Edward Glerum and John Glerum of this city and David Howland of Douglas who started six weeks ago on a bicycle trip to San Francisco, have reached Holly, Colo., according to a letter received by Adrian Glerum Saturday. Aside from a few punctures and broken spokes the boys have experienced no mishaps.

The boys have covered about 1500 miles and travel from 50 to 60 miles a day. They carry with them a tent and a collapsible stove to do their cooking. At night they pitch their tent along the roadside.

When the boys left Holland each had \$15. They expect to work their way across when their money gives out and last week they worked four days picking apples for a fruit farmer near Holly.

**MEMBERS OF FAIR ASSOCIATION TO ELECT OFFICERS NEXT WEEK**

Important Gathering In The City Hall Will Be To Make Plans For Next Year

The annual business meeting of the South Ottawa and West Allegan Fair association that was to have been held in the city hall Tuesday has been postponed for one week. It will be held in the court room at 1:30 o'clock next week Tuesday. The change in plans was made because of the inability of Secretary Stephan to be present. Since the report of the secretary will be a vital part of the proceedings it was considered better to postpone the meeting until such a time that he could be on hand.

Besides the report of the secretary, Treasurer Benj. H. Brower will also make his annual report at that time. The treasurer has worked as hard at his end of the game as the other officials have worked at their's and the annual report will be interesting, especially from the standpoint of comparison with the reports of other years.

The success of the fair has the effect of bringing a large number of new members into the organization so that the meeting will probably make a better showing than ever before. A great many men, both businessmen and farmers who never paid much attention to the local fair, have become interested in the association because of the record of the past year.

The election of the officers will be the main business of the meeting a week from tomorrow. Among the members chief interest centers in the office of secretary since on that official depends much of the success of a fair. The following are the present officers: President, Otto C. Schaap, Zeeland; Vice president, H. Koolker, Overisel; treasurer, Benj. Brower, Holland; secretary E. P. Stephan, Holland.

Ten new directors are to be chosen this year, the terms of office of the following expiring: John Schouten, Holland; Hub Boone, Holland; Dick Boter, Holland; H. Van Tongeren, Holland; Klaas Koster, Holland; Henry Siersma, Holland; C. A. Floyd, Holland; J. Emmink, Holland; M. Van Zoeren, Zeeland; G. T. Haan, Holland.

**DRAW UP CONSTITUTION FOR HOLLAND NEW CHAMBER OF COMMERCE**

COMMITTEE IS APPOINTED TO DRAW UP DOCUMENT FOR PROPOSED COMMERCIAL BODY.

A committee composed of G. J. Diekema, A. H. Landwehr and John Vandersluis was appointed Monday to draw up a constitution of the proposed Holland Association of Commerce. These men will report to a joint meeting of the men who were members of the Holland Business Men's association and of the Holland Board of Trade. The committee was appointed Monday at a meeting of the two committees recently appointed by the two organizations.

Although the project of organization of an association of commerce is practically assured there are still a great many details to be worked out and the committee chosen Monday has no easy task before it.

The committee will hold a formal meeting next Monday evening when they will put down in black and white the principle points of the new constitution. As soon as this document is in shape, a meeting of the two committees representing the two organizations will be called. These committees will then have an opportunity to pass on the new constitution and to make further plans and suggestions. After all this preliminary work has been disposed of the members of the two organizations will be called together to pass on the work done by the committees. If they accept the constitution the new association of commerce will be a reality and the old organizations will automatically go out of existence.

**Six Local Men Get 188 Rabbits and 37 Partridge**

A party of six hunters from this city in a week's hunting at Falmouth, Michigan, a short distance from Cadillac, bagged 188 rabbits, among which were several large "jacks" and 37 partridge. The party composed of Frank Nash and son Clifford R. A. Howlitt, Harry Duer, Lard Vanden Bert and Herman Beeuwkes, returned Monday.

**HOLLAND INTERURBAN SUED**

David H. Hill, Files Bill in Ottawa Circuit Court; Says Will Never Recover From Injuries Received May 7th

David H. Hill, has filed suit for \$5000 against the Grand Rapids, Holland & Chicago railway, in the Ottawa circuit court. The plaintiff in the bill of complaint declares that in May of this year, he was riding in an automobile driven by Rachael Hutchins, and at a point in Zeeland township, known as Winter's Crossing, the motor was struck by an Interurban car.

Mr. Hill declares he was thrown from the machine and suffered injuries, which were both serious and permanent. Because of his advanced age, 71 years, the plaintiff declares he can never hope to fully recover from his experience.

At Winter's crossing the plaintiff states, the view of the interurban track is partly obscured by buildings and he asserts in his bill of complaint that the men in charge of the car failed to warn him of the approach as they should have done, either by whistling or in any other manner.

The Gabriel Glee club of Grand Rapids will render the Cantata, "Saul, The King of Israel," on the evening of Tuesday, December 8, at 7:30 o'clock at the North St. Christian Reformed church, at which time a silver collection will be taken for the benefit of the Belgian-Holland Relief fund.

CREAMERIES TO PASTEURIZE

EMERGENCY MEASURE FOR EPIDEMIC MAY BE MADE LAW THINKS LOCAL CREAMERY MAN.

Interest Is Aroused in Pasteurization Because of Present Disease Among Cattle

According to C. J. Lokker of the local Crystal Creamery, the precautions now being taken to stamp out the foot and mouth disease may result in a permanent law providing for the pasteurization of all skimmed milk and butter milk returned to the farmers to feed to hogs.

The order to pasteurize all products of creameries has aroused considerable interest in the process of pasteurization. Although the order is given now, it is by no means anything new.

Stated in its simplest form pasteurization is the process of subjecting milk or cream to heat for a certain length of time. Although some authorities make the degrees of heat necessary as low as 145 F., Mr. Lokker says that experience has shown that more heat is necessary.

Mr. Lokker quotes an experiment from a milk expert showing how the germ life is killed by pasteurization. According to the experiment the raw milk contained from a quarter of a million to about 52 billion germs per cubic centimeter (16 drops).

STUDENTS CAN NOW VOTE BY MAIL

THIS AMENDMENT WAS THE ONLY ONE OF THE FOUR TO PASS.

After this the students from other counties and states will be able to cast their votes—those who are old enough—without making a trip to their home. Reports from the office of the secretary of state show that this constitutional amendment is the only one of the four proposed at the last election that passed.

This is the amendment that was proposed as the result of an agitation started about two years ago when Henry Rotschaefre formerly of this city, now of the University of Michigan, and others drew up a bill to the legislature asking for such a measure.

SEVENTY-SEVEN YEARS OLD JACOB FLEEMAN RETURNS

FROM TRIP OF DEER HUNTING

Has Been Bagging Deer Each Fall For About Sixty Odd Years

Jacob Fleeman, the veteran hunter who has been going to the North Woods quite regularly for sixty years, returned to his home in this city Monday morning after spending about three weeks across the Straits.

Mr. Fleeman and his party were up at Sage River. The party was composed of five hunters and they landed nine deer.

It was at the early age of sixteen that Mr. Fleeman shot his first deer. Now he is 77 and stands the strain as well as many a younger hunter.

"I never believed in being a deer-hog," he said. "I shoot deer merely to get some venison, not to show how many I can shoot. Of course there is a legal limit now, but there was a time when a hunter could shoot as many as he liked.

Mr. Fleeman loves to go north every fall and he is probably better versed in woodcraft than anyone else here. He never has any fear of getting lost.

CITY LAW PASSED IN 1907 IS NOW RESURRECTED

Complaints having come to the health officer about the practice of some of the local merchants of sweeping dust and dirt from their stores onto the sidewalks and into the street, that official was making preparations to have the health board take some action.

Section 8 of Ordinance No. 254, he found, forbids this practice. It seems to have been completely forgotten until resurrected at this time.

Epidemic of Diphtheria Is Under Control in Zealand

The epidemic of diphtheria in Zealand is practically under control. There are still a few cases but the health authorities think the disease is now fully under control and its spread is not to be seriously feared.

MAPLE GROVE SCHOOL LIBERAL

They Give Donations To Needy Families for Thanksgiving Day.

The pupils at Maple Grove school made several families happy Thanksgiving day, through their generous donations of fruit and vegetables.

The pupils worked very hard for this purpose and they took a very deep interest in the work of making others happy on Thanksgiving day.

TWENTY-FOUR NEW MEMBERS JOIN WOODMEN FRIDAY NIGHT.

One of the largest classes in the history of the Modern Woodmen was adopted Friday night, when 24 new members joined. Deputy C Harmon already has secured some fifteen others for adoption in December.

After the exercises in the Woodman hall the whole company ninety strong adjourned to the Boston restaurant where they were served with a chicken supper. After the supper M. A. Sooy was introduced as toastmaster and the following responded to toasts: Benj. Van Raalte Jr., Dr. G. W. Stegeman, Dr. Wm. Brunsma, John Dykstra, W. A. Cobb, for the old members, and P. Damstra and Roy Newman, members of the class adopted Friday night, for the new members.

IS THOUGHT THAT LIFE SAVING STATION WILL BE KEPT OPEN UNTIL DEC. 20.

Capt. Van Weelden has not yet received orders as to the closing of the Macatawa Park Life Saving station but it is thought that the station will be kept open until about Dec. 20 which was the time of closing last year.

Chief of Police VanRy has notified the superintendent that he will fish from this port as long as it is possible to keep the harbor open and the Graham and Morton Co., will run a barge from this port as long as it is possible.

PAIGE AUTOMOBILE A DANDY

Come In Second and Third, In Most Difficult Auto Test in the World

The Los Angeles-Phoenix race is generally conceded to be the hardest and most dangerous race in the world. No course has ever been selected that proves such a terrific grind as the 706 miles covered by the drivers between these cities, November 9, 10 and 11.

For hundreds of miles the road winds over the hot desert, cut deep with ruts, hollows and chuck holes, in some places, so narrow that two cars cannot pass. Sharp rocks, big boulders and cactus are strewn everywhere.

Twenty cars started in the seventh cactus derby. Only eight survived, and many of these came in on their last legs.

A Stutz car, driven by Oldfield, was the first. This car is the special racing machine that was built to compete in the 500-mile Indianapolis race in the Elgin trophy race.

The real appreciation of the consistency of performance of these two Paige cars must be based upon their relative values. The Paige cars were \$1,195 stock cars, without the slightest change in their mechanism, while the other cars in this competition were specially built racers, and high-grade, high-powered machines costing up to \$6,500.

**ROBERT M. DE PREE SUCCUMBS TO POISONOUS INFLAMMATION OF THE HEART.**

Had Been Ill For Two Months; Body Arrives Here on Noon Train.

A few minutes before 12 o'clock yesterday at the home of his brother Dr. Peter De Pree in Grand Rapids, Robert M. De Pree of this city died after an illness of about two months with poisonous inflammation of the heart. Mr. De Pree was taken ill two months ago while on a trip in the interest of the De Pree Chemical Company and his condition has been very serious for some weeks.

Mr. DePree was thirty-three years old and had spent most of his life in this city. While a boy he attended Hope College for a time. Later he was employed in the Holland City State bank. For a number of years he conducted a drug store on the corner of Eighth street and Central avenue, which business he sold to the Gerber Drug Co. After leaving that concern he became associated with the De Pree Chemical Company, with which concern he held a position as traveling salesman at the time of his death. Bob was also a great lover of athletics and during the time Holland had its fine ball teams he always was one of the star members.

Mr. De Pree is survived by a widow and two children. Definite arrangements have not yet been made for the funeral. The body will arrive in Holland on the noon train today.

**HOLLAND GIRL WEDS IN MILWAUKEE**

Miss Alice Nash, daughter of Mose Nash formerly of Holland was married in Milwaukee. Mr. Nash for several years was an employee of the Holland City News. The Milwaukee Free Press prints the following account of the wedding:

An unusually pretty and solemn wedding was that of Miss Alice Elizabeth Nash to Roy Lyon Dodd at Kingsley M. E. church on Thursday afternoon, Nov. 26, Rev. T. G. Cocks officiating, he using the full and impressive marriage ritual of the Church.

Promptly at four o'clock, to the music of Mendelssohn's wedding march, rendered by Miss Louisa Swartwout, the church organist, the bride, escorted by her father and the groom, followed by the Misses Helen Dodd and Genevieve King as bridesmaids, and Messrs. Benj. M. Nash and Jesse Milles as best men, took their places before the altar, where the pastor of the bridal couple spoke the solemn words that made them man and wife and pronounced the benediction upon the bridal pair. The bride was arrayed in a dress of point lace over shell pink satin and carried a bouquet of pink bridal roses. The groom shone in conventional black.

Messrs. Leonard Sloan, John Erb, Alfred Jupp and Robert Moscrip officiated as ushers, and the Misses Clara Dahlmann, Hilda Prah, Annie Cody and Marion Purdy did the honors as waitresses at the bridal dinner.

The audience was large and by their presence attested to the love and esteem in which the young couple are held, and all wish them God-speed on their journey through life.

The following sat down to the nuptial dinner:

Rev. and Mrs. T. G. Cocks, Mr. and Mrs. Roy Lyon Dodd, Mr. and Mrs. L. A. Dodd, Mr. M. B. Nash, Mrs. Alice Robinson Mr. and Mrs. Charles Jahnke, Mr. and Mrs. A. Houkamp, Mr. and Mrs. Leonard Sloan, Mrs. Mabel Mallory, Mrs. Clara LeGrand Mrs. Della VanSas, Mr. Harold Dodd Mr. Louis Mallory as also the bridesmaids the best men, and the waitresses.

After the supper the happy couple left on a short wedding tour.

Mrs. Dodd formerly was a member of the city's teaching force, having served under Principals Stivers, of Detroit Street School, and Hill of the Thirty-seventh Street School.

**JOHN BENJAMIN LOCAL SHOE MAN FACES CHARGE OF KEEPING DISORDERLY HOUSE**

Three Patrolmen Surprise the Place and Inmates Appear in Local Court Tuesday

John Benjamin was arrested Tuesday morning on a charge of keeping a disorderly house, as a result of a raid on the Benjamin shoe store building, East Eighth street at two o'clock Tuesday morning by Police Wagner, Steketee and O'Connor. L. Bell of this city and Lucy Rees of Grand Rapids are charged with being inmates of the house, having been found there in the raid. Bell was released Monday night and asked to appear before Justice Sooy Tuesday morning. Miss Rees was locked up in a room at Hotel Bristol.

Tuesday Miss Rees pleaded guilty to being an inmate of a disorderly house and a common prostitute when arraigned before Justice Sooy. After telling her story she was released and sentence was withheld. The other two involved were ordered to appear before Justice Sooy Tuesday afternoon at 2 o'clock.

Both men stood mute when arraigned before Justice Sooy but later Bell pleaded guilty and paid a fine of \$15 and costs. Benjamin said this morning he intended fighting the case in the courts.

**SIMON VANDER MEULEN PLEADED NOT GUILTY TO CHARGE OF JUMPING BOARD BILL**

Simon Vander Meulen of this city pleaded not guilty to jumping a board bill when arraigned before Justice Robinson this afternoon. He was released after furnishing bonds for \$100. Complaint was made by Mrs. Lra Gaze, West 8th street. The trial was set for one week from today in the court room of the city hall.

This is the third time Vander Meulen has been arrested on a similar charge.

**Y. M. C. A. DELEGATES RETURN FROM ANN ARBOR**

Schmid's Heads Delegation in Parade With Wooden Shoes

An enthusiastic bunch of Y. M. C. A. boys returned from Ann Arbor Monday night accompanied by secretary L. O. Moody and Dick Boter, who looked after the interests of the twenty lads during their stay in Ann Arbor. There were gathered together from different parts of the state 2,043 boys who acted as delegates from their different localities. Holland had a representation of twenty while other localities had still more. The city of Ann Arbor treated their visitors royally and all returned with a good word for the hospitality extended to them during their stay.

To show that this organization in convention is for young men, the meeting was put into their hands immediately. Charles French of Port Huron a young man of 19 years old, presided over the deliberations of that great body and did it well. One of Holland's boys was also honored when it came to selecting a vice president. Simon Den Uyl was elected as 5th vice president of the employed boys department during the ensuing year.

The Holland delegation played a conspicuous part in the parade as the boys were drum majored, by John Schmidt whose lower extremities were ensconced in a pair of wooden shoes. Not alone was Schmidt seen but also heard, which made a hit with the crowd.

Had Some Great Speakers That the boys were treated to the best talent obtainable on the lecture platform is shown by the following eminent men who as orators have a world wide reputation. Among them were: Gov. Ferris; Senator Townsend, of Michigan. E. M. Robinson, International Senior secretary Boys Work Dept. Y. M. C. A. Wm. Jennings Bryan, Secretary of State. Dr. F. H. Burt, President, Y. M. C. A. College, and Fred B. Smith of New York.

Monday the Holland boys left their native country and skipped over to Windsor Canada. They were also taken through the Ford Automobile works and the large Y. M. C. A. in the city of Detroit.

The boys were well cared for by Dick Boter and Secretary Moody.

The following are the delegates who represent Holland Y. M. C. A. at the convention.

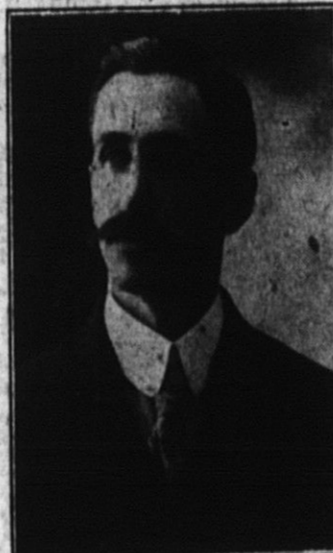

James Van Ry, Bert Van Ark, James Van Ark, Marinus De Fouw, Gordon Oltmans, Roelof Peters, Geo. Harmsen, Gustave De Vries, Henry Van der Schel, John Schmidt, Jake Fris, Dan Den Uyl, Simon De Uyl, Louis Den Uyl, Edgar Kimpston, Albert Vanslow.

President Wilson says the door of opportunity has been reopened to all it's your own fault now if you aren't getting rich.

**FUNERAL OF JAY P. JENNINGS WAS HELD FRIDAY AFTERNOON.**

Friday, under the auspices of the Masonic lodge and with the Eagles attending in a body, the funeral of Captain Jay P. Jennings took place from the home of his parents. The captain who lost his life in Lake Superior storm a week ago Thursday was laid to rest in Ventura, Cemetery. His parents lived in Ven-

tura until they moved to Holland a few years ago. The late captain's father was the last postmaster of that place, resigning the position when the postoffice was discontinued.

Another body was found Thursday eight miles from Grand Marais, which is supposed to be the body of Captain John Walker, of the barge Annie M. Peterson. Captain Walker's home is in Muskegon. This is the nineteenth body found so far.

**Hope College Graduate is Promoted.**

The Rev. Jas. Ossewaarde, Chaplain of the Twenty-first Infantry, U. S. A. at present stationed at Vancouver Barracks, Washington, has been promoted to chaplain at the Federal prison at Alcatraz Islands, in San Francisco Harbor. He served nearly 15 years as army chaplain.

Chaplain Ossewaarde graduated from Hope College in 1890 and continued his education at Princeton and Edinburgh, Scotland. Before his army appointment he occupied a pulpit in Grand Rapids.

Charles Perkins, a representative of the firm of Amberg & Co., of Grand Rapids, paid the costs before Justice Sooy yesterday when the charge of taking a barrel of wine from John Kamhouts' saloon was dropped by Mr. Kamhouts.

At a congregational meeting of the 14th street Christian Reformed church held last evening, P. DeGoe, Jr., R. Mulder and J. De Jongh were re-elected as elders and Albert Kamperman was elected in place of P. Schoon who declined a re-election. E. S. Holkeboer was re-elected as deacon and John Stegerda elected in place of G. J. Deur, who declined to be re-elected. It was resolved to adopt the U. P. A. Spalters, the consistency to provide for a sufficient number of the new books. It was also resolved to adopt the duplex envelope system for raising church funds.

SAYS END OF THE WORLD IS NEAR  
Elder C. L. White in speaking to the meeting of the Seventh Day Adventists last Sunday night predicted that the present war in Europe and the peace propoganda in this country meant that the end of the world is near. He said that all prophecies of the bible are now being fulfilled and that we are living in our last days.

The peculiar thing of people wanting to pay out money before they have to is the case at the City Treasurers office. Many people undoubtedly understood that the tax collector commences the first of December instead of the first Monday in December and City Treasurer Vanden Brink has been kept busy telling people that they cannot pay until Monday. A dozen or more people have called each day since the first of the month wanting to pay their taxes.

In some of the Belgium cities there's hardly a chimney left standing for Santa Claus to go down.
