## CLEMSON WINS S. C. FOOTBALL CLASSIC

In our annual game with Carolina at the Fair, which this year was styled as the Clemson Fair Exhibition by one of the leading papers of the State, we had our longings satisfied by a walkover score of 27 to 0. Our boys just romped over the Gamecocks and after the game they looked more like a bunch of wet hens than like Gamecocks. The Tigers completely outclassed the team from the Capitol City.

The day was a good one for football and the park was crowded to overflowing with supporters of both sides. In spite of the fact that our corps was unable to get down to Columbia the boys who were allowed to go and the Alumni who were present made things lively. The Carolina boys started off rooting loudly, but it was not long after the game started and they saw the way our boys were running things over their team that they quieted down and some even left the park before the game was over. It was a pity the whole corps could not get down, for it would have done all of them good to see "Dopey," "Fish," "Stump," and the other men carry that ball through the Carolina line and around their ends.

Capt. Major was the shining star of the game. Never in his career has he played better football, and this came very fittingly now as he was engaged in his last struggle with the team that so much is always banked upon. "Dopey" had the big end of the kicking game easily. On defense he seemed to be everywhere, while on offense his end runs, passes, and executing of the trick plays were far superior to anything shown by his opponents. Witsell ran his team in great style and kept Carolina guessing all of the time. His interference was splendid. Banks, probably the smallest man in the game, ran wild. His end runs, catching of passes, interference, and tackling were indeed brilliant.

"Dutch" Wiehl at left end shone both

"FISH" WITSELL, QUARTER AND HALF-BACK.

"SERG." POOLE, TACKLE.

on offensive and defensive work. It fell to his lot to receive four kick-offs, and he ran all of them back well. His breaking up of interference and tackling was especially good. "Crump" Brown was a fit running mate for "Dutch" and Adams, who took Brown's place later in the game, showed up well. These ends made life miserable for the Carolina backs who received the punts.

Every man on the team played hard and well, and each one deserves special credit. Not a one but who outplayed his opponent, and "Mutt" Gee played rings around the Carolina center.

Our team worked fast and most of the time the Carolina men were kept ignorant of the whereabouts of the ball. It did not take the Carolina bunch long to find out that our line was well nigh impregnable and they resorted to punting and forward passing, but were outclassed in these tactics of the game also. Our line held like a stone wall; the tackles and guards playing their opponents off their feet.

Our backfield pulled off a few fake plays on the Carolina boys and one could see them standing up in the middle of the field with their mouths wide open, while "Dopey" or some of the other backs raced down the field with the ball. The people on the stands went wild over these plays. As many have remarked already this season: Our team will lick any team in the South its size.

The touchdowns were made by Major,

THE SQUAD THAT TOOK THE GAME OUT OF GAMECOCK.

Banks, and Witsell, little "Dinlge" going over the Carolina goal twice for as many touchdowns was just as much a star in the backfield as any of the others. He played a very clever game. It was he who handled the fake that gave us about forty yards.

The Carolina backfield used the forward pass frequently but with very little success. "Bill" Matthews made things very unpleasant for Hampton, the Carolina back, tackling him and throwing him to the ground whenever he attempted to handle forward passes. Adams was good on getting back to him also when this style of play was attempted. It is impossible to say that any one man in the line starred without doing the others an injustice for they all played a splendid game as the score proves. Just ask any of the fellows who were so fortunate as to see the race.

The game play for play was as follows:

Clemson took the East goal and Carolina the West. Hampton kicked off to Wiehl who returned 10 yards. Major fumbles and McMillan recovers. Carolina's ball. Kerr takes fifteen. Kerr fumbles but recovers. Kerr takes two. Clemson was penalized five yards for offside. Ball on Clemson's 10 yard line. Moore is substituted for Kilgore. Kerr

"MUTT" GEE, CENTER.

fails to gain, and for the second time he fails to gain. A forward pass attempted by McMillan to Crouch fails. Kerr then attempted drop kick which was blocked, Hardin, for Clemson, recovering the ball and going ten yards before he was downed. Major sweeps left end for 20 yards, but on the next play Banks fails to gain. Hardin takes two, but Clemson is penalized five yards for offside. Major punts 40 yards. C. Waring receives and is downed within ten yards. Seaborn gets through line for 15 yards. Kerr takes 3, and then Banks intercepts a forward pass attempted by McMillan. Hardin takes three. Banks gets four. Major skirts left end for twelve yards. Banks gets three through the line. He takes three more in the same way. Hardin bucks the line and goes for twelve yards. He takes four more through the same place. On the next play Major passes behind the line to Banks who gets away and goes twenty-five yards for the first touchdown. "Crump" Brown kicks goal.

Score: Clemson 7, Carolina 0.

Hampton then kicks off to Wiehl again who returns the ball twenty-five yards. Waring was hurt and time had to be taken out for him. Banks takes three, but Clemson is penalized five yards for offside. The first quarter up, ball in Clemson's possession on their 45-yard line.

Banks gets one yard, but pulls a fake, passing ball to Major who runs forty yards around right end. Hardin gets

## CAROLINA'S CONTRIBUTION TO FAIR WEEK

The student body of Carolina contributed greatly to the pleasure of the visitors (and to the amusement of Clemson men especially) by giving a night-shirt parade Friday night after the Freshmen victory. It is reported that the shirts were ready the previous night—but the students did not feel very much like parading. However, the shirts had to be used, hence the parade Friday night. The exhibition was a good one; and if the Freshmen ever get over it, they are in for a good time at the University. We are glad that the Carolina lads had a chance to give vent to their spirit, and to try to cover up the sting of the 27 to 0 defeat of the previous day in such yells as "Wait 'till next year." Every time anybody mentioned 27 to 0, they had to back off and get a new start to keep the spirit and noise up. It is a good thing to be optimistic, but next year it will be the same thing over—or worse.

If any of the Seniors who attended the Fair are regretting it, they are certainly keeping quiet. The exhibits, Columbia and Chicora Colleges, visiting ladies, little side trips home to see homefolks (?), seeing old friends and Clemson Alumni, and then *The Game*, all contributed to make the occasion a valuable as well as an extremely pleasurable one.

Among other things that happened to Clemson men might be mentioned the following:

States Finley and Dick take a joy (?) ride.

Bill Harris learns the way to Columbia College and thereafter keeps the trail hot.

"Dopie" makes a hit and has his date card overflowing (Leap Year).

"Major" loses the way and "doesn't get home 'till morning."

Bill Hutson has pleasant trip as far as Anderson, from Columbia.

"Rat" Allison lectures to a crowd of Winthrop girls on the boll weevil.

Numerous Carolina sympathizers (female) are converted to wearers of the Purple and Old Gold.

## WINTHROP GIRLS MAKE TRIP

One of the biggest pleasures of the week to those of the boys who were there was the stay of about five hundred of our "sisters". Under President Johnson, aided by several matrons and Prof. "Tommy" Haddon, '14, they arrived in Columbia about nine-thirty and remained until six o'clock that afternoon. Altho several of the boys were disappointed by the failure of certain ones to arrive, the others more than made up this disappointment. The girls seemed to enjoy their trip very much, judging from the happy looks and their reluctance to leave.

One regret: that the entire student bodies of Clemson and Winthrop could not be there together.

## THE HONOR SYSTEM

Since the Class of 1917 raised a kick and uncovered the then existing conditions which under the so-called Honor System, prevailed at Clemson, the need has been felt for one that will really work. Various members of the different classes have worked on this problem, but as yet have reached no solution.

The conditions at Clemson now are much more conducive to the installation of an Honor System than they have been in quite a number of years. Below we give an extract from *The Orange and Blue* relating to the system as it is at Auburn. It works there, and we should have one that works and reflects credit upon the student body.

"The Honor System, installed a few years ago, has grown steadily in the respect and confidence of the student body and Faculty. The students themselves are its sternest guardians and executors. A strict adherence to its regulations is the foundation of the true "Auburn Spirit."

"On the 1st of October of each year there is a public installation of officers. On this occasion the regulations of the Honor System will be fully explained for the benefit of all new students.

"Every Auburn man is expected to uphold this system.

### *Constitution and By-Laws of the Honor System*

1. The Honor System shall apply to all students of the Alabama Polytechnic Institute.

2. This system of honor shall apply to all work done in the class-room and on examination.

3. Every student is honor-bound to hand in to the Honor Committee a report in writing of any unfair or dishonest methods which he may see used by any student in the class-room or during examinations. When anyone sees any dishonesty in the class-room or during examinations, he shall, when practical, call the attention of one or more students near him to see what is being done. But no one shall fail to report dishonesty for lack of witnesses.

4. The Honor Committee shall be composed of one member from each of the four classes—Seniors, Juniors, Sophomores and Freshmen—and one graduate student. Each class shall elect its member not later than the 1st of October of each scholastic year. The term of office for members of the Honor Committee shall last for that session.

5. The duty of the Honor Committee shall be to receive all reports of dishonesty in the class-room or during examination, and to collect all evidence possible to add to or corroborate any reports received by them. When all evidence has been carefully considered, the Honor Committee shall determine a verdict, and shall decide what punishment shall be inflicted upon the accused. For conviction and punishment a vote of three in favor of such action shall be required.

6. Any student has the right to appeal to the Faculty in case he is not satisfied with the decision of the Honor Committee.

7. No student shall be permitted to leave the room during examination; but in case of an emergency, the student shall submit the case to the professor in charge, who shall act as discretion suggests.

8. Furthermore, a professor or instructor shall be in the room during an examination to add dignity to the examination and to render any information necessary.

9. The Honor System, as presented, will be adopted on the majority of written ballots cast for it by the student body. (Adopted spring of 1910.)

10. At some time during the first week of October, a mass meeting of the students shall be held in Langdon Hall for the purpose of informally installing in office the members of the Honor Com-

mittee for the session, and also for explaining the Honor System. Moreover, copies of the constitution shall be printed and distributed among the students.

The Honor System at Auburn was given a new impetus this fall by the adoption of the constitution, which calls for public installation of officers. The committee was installed before the student body with very impressive ceremonies last October.

The Honor System stands for everything that is clean, manly, and sportsmanlike, both in and out of class- and examination-rooms. You are expected to uphold its rules and to abide by its principles."

## BIBLE STUDY CLASSES

The Bible Study classes were organized last Sunday evening. We have the best prospects for Bible Study this year that we have ever had. There are five hundred and ninety-two men enrolled in this voluntary work. They are distributed among the college classes as follows: Seniors, forty-eight; Juniors, one hundred; Sophomores, one hundred and fifty-eight; Freshmen, two hundred and eighty-six. Of these men, sixty-two are leaders of the sixty-two classes. These leaders are also organized into normal classes and are met some time during the week by members of the Faculty. This insures for them a thorough preparation of the lesson.

The classes are small, usually about eight or ten men in a class. The classes meet in various rooms in barracks. We have an ideal way in which to reach every man in college, as all of our students are in barracks.

Last year there were nearly five hundred men enrolled, with an average attendance of 86 percent. This year with more than a hundred more men enrolled we expect to do even better. Our record for the past session came very near being the best of any college in North America, and if we go at it as we should this year, working our hardest, we can put Clemson on top.

Let every man who is enrolled put forth every effort to attend every meeting, for only in this way can the most benefit be derived from the work. It is not an impossibility for us to have perfect attendance. One class attained to this distinction last year, and why cannot many of them do as well this year.

## SUNDAY SCHOOL CONFERENCE

The Oconee County Interdenominational Sunday School Association will hold district conventions at Fairplay on Friday Nov. 10; at Salem on Saturday, Nov. 11; and at Newry on Sunday, Nov. 12. All Sunday Schools in Oconee County, regardless of denomination, are urged to send delegates to their convention, as well as to the county convention which meets on Friday and Saturday, Dec. 1 and 2. Dr. White of Anderson and Mr. Webb of Spartanburg, General Secretary of the Sunday School work in South Carolina, together with other speakers of great prominence, are expected to be present. If every School in the county will do its part Oconee will be one of the "gold-star" counties of the State.—*Keowee Courier*.

The Cadet Sunday School, conducted by the Cadets in Chapel, is the only Sunday School at Clemson located in Oconee County. This is a very unique School, being the only one, so far as we know, of its kind. It is a part of the great organized Sunday School work of the State. We have always been one of the leading schools of Oconee, last year sending a number of delegates to the county convention, also being well represented at the State Convention. We also contribute liberally to the support of the organized work. We must not be found wanting at this time. Let us be well represented at these conventions, and thereby do our part towards making Oconee a "gold-star" county.

## ALUMNI

J. D. Clark, '16, better known to all of us as "Crip," is working with R. H. Mays Chemical Co., Greenville, S. C., as analytical chemist.

B. L. Hamilton, John Trescot, and Frank Barnes of the class of '15, are connected with the Henry Ford Assembling Plant at Chicago, Illinois.

J. C. Foster, '15, is teaching in a high school in Virginia. "Carrie" was full of ambition, and we all predict for him a most successful future.

P. N. Smith, '16, is working for the Buckeye Oil Company, in Alabama.

The following are some of the many old loyal Clemson students who witnessed the "Tigers" feast upon the "Gamecocks" last Thursday: L. A. May, '16; J. P. Harrall, '16; J. M. Jackson, '16; "Bill" Perry, '14; J. W. Chatham, '16; E. W. Mather, '16; V. P. Corbett, '15; J. D. Clark, '15; S. M. Richards, '16; D. Wallace, '16; W. H. Dicks, '16; W. L. McMillan, '16; C. E. ## FRESHMAN ELEVEN LOSES TO CAROLINA "RATS"

After the big boys had taken the feature game away from the old Gamecocks, the Young Tigers had the hard luck to lose their game to the Young Birds of Columbia. Up to the fourth quarter our Freshmen had the Carolina Freshmen beat, the score being 13 to 7. Then in the last quarter the Clemson backs went up in the air, due to inexperience, for the Carolina Freshmen rushed back and forth down the field for touchdowns, making twenty points. The game finally ended with the score standing 27 to 13, with the long end on Carolina's side.

The Clemson line held good and it seems that our team was able to gain consistently through the Carolina line. Frew, the little red-headed quarterback, for the Clemson Freshmen, played good ball until the last quarter when he lost his head and with the rest of the men in the backfield, let the boys from the capital city rush things over them and take the game away in the last stages.

There was a good crowd out to see the contest and needless to say, quite a number of them were disappointed for all of our boys thought that the Freshman team was sure to get their game. This was the first game between these two teams. It is to be an annual affair at the Fair hereafter.

For the two teams the work of Hough, Armstrong for Clemson, and Brown for Carolina in the backfield were the feature, while in the line Lightsey, Williams, Roper and Potts did well. For Carolina, Moorman at end, was the man who beat our Young Tigers. He made no less than three touchdowns in the last quarter.

Hough got away in the first part of the game and ran 70 yards around the Carolina end for a touchdown. Time and again the Freshmen had a chance to score when they were within ten or fifteen yards of the Gamecocks' goal, but the backfield men would stand up and talk it over and time was lost until the opportunity to score was gone.

Play for play the game was as follows: Frew kicks off to Turner who returns 8 yards. West took three yards, Turner fails to gain. Brown kicks 20 yards out of bounds. Thackston takes 4 yards. Bartles takes 4 more. Thackston makes first down. Armstrong gets 7 yards. Bartles takes 7. Frew takes 3. Frew takes 5 around end. Time out for Carolina. Armstrong makes first down. Bartles takes 6 yards. Armstrong gets 30 yards. Bartles thrown for 7 yard loss. Forward pass fails—ball goes over. Ball on Carolina's 15-yard line. Clemson penalized 5 yards for being offside. Brown takes 5 yards around end. Turner takes 7 yards. Turner fails to gain. Brown gets 17 yards over end. Turner no gain. West gets 3 yards. Clemson penalized 5 yards for offside. Brown gets 2 yards. West loses 3 yards. Forward pass fails. Brown kicks 25 yards. Armstrong receives and is downed in his track by Moorman. Frew attempted to kick, but it was blocked and Carolina recovered. West loses 1 yard. Turner loses 8 yards. Forward pass fails. First quarter up. Score: Clemson 0, Carolina 0.

Ball on 28-yard line. Carolina kicks out but ball is blocked. West recovers. West fails to gain. Brown forward passes to Moorman. Armstrong attempts to intercept but failed to hold the ball, Moorman catching the ball and running for a touchdown. Brown then kicked goal, making the score 7 to 0 in favor of the Carolina Freshmen. Frew kicked to Brown. After another play Brown kicked. Our Freshmen then made two first downs with a short forward pass, Thackston to Roper. Roper was hurt in this play and had to be taken out. L. Brown was sent in to take his place. The Young Tigers then tried to gain through the line but they failed and the ball went over. Brown dropped back to kick. The pass was too low and before the Carolina back could

recover the little Clemson end, Brown, had him to the ground, throwing him for a ten-yard loss. Brown then dropped back to his goal line to kick. Potts, Stanford, and Gilmer blocked the kick, and Williams dropped on the ball, making a touchdown for the Young Tigers. He failed to kick goal. Frew kicked off and the Carolina player fumbled the ball and fell on it. Clemson started for a touchdown and went right up to the goal posts when the backfield men started to talking the thing over and they were held by the Carolina Freshmen. The half ended with fourth down and goal to make. This made the score 7 to 6 in favor of Carolina. The only other scoring that the Young Tigers did was in the third quarter, when Brown kicked off to our Brown, who came back to the 35-yard line. Clemson lost the ball on downs after they had made one first down. A play by the Carolina men was followed by a long kick when Clemson kicked back. Carolina kicked again. Hough was then substituted for Armstrong. The ball was given to the fast Hough who circled end for 70 yards and a touchdown.

## PROF. ROUSE CARRIES HIS SECTION TO SOUTHEASTERN

On October 19th, the Animal Husbandry section, thru the interest and under the auspices of Prof. Rouse, enjoyed a most pleasant and educational trip to the Southeastern Fair in Atlanta. Here they were shown the assets and defects of the United States best animals.

We arrived in Atlanta about twelve o'clock. Having found accommodations for our stay, and gotten dinner, we went directly to the fair grounds.

From the ending of the races until 7:30 the time was occupied by visits thru the agricultural exhibit buildings, art buildings, and other places of interest. From 7:30 until 10:00 P. M., we watched the show of roadster type and fine gaited horses. After the horse show an exhibition of fireworks on the lake was given.

On Friday the 20th, beginning at 9 A. M., a study of comparison of the different herds of the beef type and dairy herds of cattle was made. Also a study of the different types and breeds of sheep was made before going to the races. At 1:30 P. M., racing began again with the two year old trotting class. This day's racing was marked by racing of some of the fastest horses in the world; such as "Lee Axworthy", the world's champion trotting stallion, whose record is 1:58 1-4, and Peter Mac holding a 2:03 1-2 record.

That night "Heavy Harness," three gaited saddle horses, combination, and pony class was watched. This exhibition was distinguished by the world's greatest show horses. Saturday was spent in studying all classes and types of horses at close range, and examination of all types and breeds of hogs and in watching the auction sale of cattle and hogs. The evening was spent in seeing the city. The fifteen minutes experience just before leaving remains sacred to Section 5 Seniors. The whole trip was of great benefit and the experience gained is invaluable.

four. Kerr is hurt and Clemson is penalized five yards for left guard offside. A fake, Major to Brown nets the Tigers twenty yards around left end and almost a touchdown. On another fake Banks to Witsell only two yards were clipped off. Banks takes two, and Major follows him with the same, and then Banks fumbles the ball on Carolina's five yard line. He recovered, but the ball went over to Carolina. Hampton punts and Witsell returns 15 yards. Attempted pass by Major and Hardin fails. Banks takes three, and Major two more. Third down and eight to go. Forward pass by Major fails and ball goes over. Carolina's ball on their forty-five yard line. Kerr goes forty yards but on the next run fails. Clemson offside. Ball on Clemson's 25-yard line. Kerr fails to gain. Marion is substituted for Moore. Kerr takes two yards, but Wehl tackles Waring behind the line before he can get started and throws him for a good loss. Simril goes in for Kerr. Pass by Hampton to Simril nets the Gamecocks ten yards, but failed to make first down, and ball goes over. First half ends. Score: Clemson 7, Carolina 0.

Second half was started by Clemson sending in the same line-up. For Carolina, Kerr was sent in for Simmons and Kilgore for Marion. Major kicks off and Waring who receives is downed in his tracks. Kerr takes three and then Seaborn takes one yard. Time out for Carolina. Knight goes in for Seaborn. Hampton punts 30 yards to Banks. Major clips off 15 yards around left end, but Clemson is penalized 15 yards for holding. Major punts out 40 yards. Kerr is downed in his tracks. Kerr takes one yard, but Carolina's 25-yard line. Major takes ing. Carolina's ball on their own 10-yard line. Hampton punts to the side lines and the ball goes over to Clemson on Carolina's 25-yard line. Major takes ball around left end for the twenty-five yards and a touchdown. Brown fails to kick goal. Score: Clemson 13, Carolina 0. Adams is sent in for Brown. Kerr kicks off and Wehl returns 10 yards. Time taken out for Crawford and Hardin. Newbold is sent in for Crawford. Witsell loses four and is hurt in the play. Had to be carried off the field. Finley for Witsell, and Blackmon for Clarke. Major punts and Waring returns ten yards. Kerr takes one yard. Forward pass by Kerr fails. Carolina's ball on their own 30-yard line. Hampton punts and McMillan grounds ball. Clemson's ball on their 35-yard line. Major punts. Waring receives and is downed in his tracks. Waring fails to gain. Ball on Carolina's 35-yard line. Chandler for Waring. Forward pass by Hampton fails. Pass by Hampton to Kerr to Crouch is fumbled by the latter. Kerr punts and Major receives, but is downed in his tracks. Banks takes six. Clemson's ball on Carolina's 35-yard line. Hardin takes three. R. Waring goes in for Blackmon.

STATES FINLEY, BACKFIELD.

"DUTCH" WIEHL, END.

Major takes two yards and makes first down. Major takes eight more. Banks goes the other 28 yards for a touchdown. Major kicks goal, making score Clemson 20, Carolina 0. Nimitz goes in for Harmon. Hampton kicks off and Wehl receives again, returning ten yards. Ball on Clemson's 30-yard line. Banks takes four. Major punts, Chandelor receives, and Wehl downs him in his tracks. Wehl is hurt and time is taken out. Ball on Carolina's 35-yard line. Clemson penalized 15 yards for man failing to report to referee. Duckett goes in for Wehl. #### OUR FUNNY LANGUAGE

A sleeper is one who sleeps. A sleeper is that in which a sleeper sleeps. A sleeper is that on which the sleeper runs while the sleeper sleeps. While the sleeper sleeps in the sleeper the sleeper carries the sleeper over the sleeper under the sleeper, which carries the sleeper, jumps the sleeper and wakes the sleeper in the sleeper by striking the sleeper under the sleeper on the sleeper, and there is no longer any sleep for sleeper in the sleeper on the sleeper.—Winthrop Weekly News.

## Clemson Agricultural College

A young man can make no better investment than in a technical education. Viewed merely as a matter of business, even if he has to borrow the money at interest, he will find that his increased earning capacity perhaps even the first year after graduation will be sufficient to repay the loan. It is a poor business policy to wait to earn the money necessary to pay for an education with an earning capacity only one-half or one-third that of an educated man. Every year of untrained, uneducated labor represents a direct financial loss. Every boy of ability and ambition whose parents are unable to pay for his education, should get some friend to indorse his note at the bank and begin preparation that will make for greater earning capacity and a fuller life. There is no time to lose. The world is looking for men of large ability and is willing to pay for them. Already there is a surplus of the one-horsepower variety.

#### SOUTH CAROLINA'S SCHOOL OF ENGINEERING AND AGRICULTURE

One of the largest and best equipped Agricultural and Mechanical Colleges in the South. 1,544 acres of land. Value of plant over \$1,300,000. Over 120 teachers, officers and assistants. Enrollment of over 800. Every county in South Carolina represented. 13 Degree Courses. 4 Short Courses. 26 Departments of Instruction. New and Modern buildings, equipment and sanitation. Over \$100,000 expended in public service.

#### VALUE OF A TECHNICAL COLLEGE EDUCATION

A college education is no longer a luxury of the rich, but more a necessity of the poor boy whose parents can give him little or nothing to start on. In earning capacity, it represents at the outset a capital of from \$15,000 to \$30,000, depending upon the energy, character and personality of the possessor, and the capital increases with every year of its efficient use.

There never was a time in the history of the world when expert knowledge was so much in demand, so indispensable to individual success, and so highly compensated. For the untrained await the positions of low wages, long hours and poverty.

Clemson College brings within the reach of every boy in South Carolina the benefits and possibilities of a technical education. The way is provided whereby, if he have the ambition and capacity for knowledge, he need not continue in ignorance. Here, at a cost lower than at any similar institution, can a young man obtain an education that will prepare him for self-sustaining, self-respecting citizenship.
