LGBTQ+ Film Award  
Nominees & Winners

A graphic design for a display. It features the text 'LGBTQ+ Film Award Nominees & Winners' in a black sans-serif font. To the right of the text is a small, square inset image showing two film award wheels. Below the text and inset is a large, vibrant rainbow flag waving against a blue sky.

# Display Description

Cooper's got a new film display up, and this time it's all about LGBTQ+ award winners and nominees!

The films have been culled from various awards including:

- The GLAAD Media Awards, which recognize and honor various branches of the media for their outstanding representations of the LBGT community and the issues that affect their lives
- The Teddy Award, an international film award for films with LGBT topics, presented at the Berlin International Film Festival
- The Queer Lion Award, awarded to the Best Movie with LGBT Themes and Queer Culture at the Venice International Film Festival
- The Queer Palm Award, an independently sponsored prize for LGBT-relevant films, presented at the Cannes Film Festival, and
- The Sebastiane Award, a prize delivered to a film or documentary screened during the San Sebastian International Film Festival that best reflects the values and reality of the LGBT community

The display is up throughout November and December, so come by once or twice and checkout a great film!
