1. **Approval of Minutes:** Rose Ellen Davis-Gross moved to approve the minutes of the April 2, 2008 Staff Senate meeting as submitted. Reggie Hawthorne seconded the motion.
2. **Open Commentary:** None.
3. **Parliamentarian Procedure,** Janice Kleck. A handout with basic parliamentary procedure was briefly discussed (Attachment A). If anyone has questions concerning meeting protocol, contact Janice Kleck at 656-5274 or jkleck@clemsun.edu.
4. **Announcements from the President**
 - A. **Academic Council,** Dave Crockett. Has not met.
 - B. **Administrative Council,** Lawrence Nichols. The Council met May 12. A student led study was discussed. The study addressed things that draw people to campus. The results should be released soon.
 - C. **Board of Trustees,** Dave Crockett. No report.
 - D. **Governmental Affairs,** Dave Crockett. The Appropriation Bill is on the House Calendar with the Senate amendments. The House must also make cuts that reflect the lower Bureau of Economic Advisors revenue estimate in order to keep the budget in balance. The Legislative Affairs office is working to have the non-recurring funding for PSA and the SC Light Rail restored on the House side. The bill will then go back to the Senate where they will insist on their amendments and a Conference Committee will be appointed to work out the differences. This is the usual course of events. The one percent cost-of-living salary adjustment for all state employees is still contained in the bill and is the same amount the House had originally proposed before the measure made its way to the Senate. Because it is an election year, there is some thought that the strategy is to complete the budget process early so that members can adjourn on time and go home to campaign for the June 10th primary.
 - E. **President's Cabinet,** Dave Crockett. The Cabinet met May 12. Campus Master Planner, Gerald Vander Mey, offered an update on the status of various construction projects both on and off campus. The dozen or so projects described range in size from the multi-million dollar Life Sciences Building which will displace the parking lot behind the Poole Agricultural Center this fall to the modest Rotunda now under construction in President's Park near Sikes Hall. The presentation also led to a brief discussion on campus parking and safety issues. Other items discussed included a small fire at the Madren Conference Center the preceding weekend, the record amount of positive national publicity for Clemson during the first quarter of the year,

and continuing explorations of the City of Clemson working with the University to found a national "Town and Gown Association".

F. Other:

1) **Human Resources**, Lawrence Nichols. 1) Employee Recognition Day was a huge success. Aramark donated the food and food services for the event. Everyone was encouraged to let Aramark know how much it was appreciated. 2) Approximately 5 (five) staff members are left in the Motor Pool and Printing Services. If they have not found a position within the next couple of weeks, Nichols will seek approval from Administrative Council to do a direct placement of these individuals. 3) The verbiage will be updated on policy addressing tuition assistance. HR should have it on the website today. 4) HR is undergoing a restructuring process. A notice will be sent to campus detailing the changes.

5. **Treasurer's Report**, Kristina Corbett. The regular budgeted E&G spending account balance is \$1,000.37 in Other and \$63.67 in Travel. The Vending balance is \$507.13. The Staff Senate Scholarship Endowment principal is \$217,472.66. Phil Landreth moved to approve the report as submitted. Barbara Bergman seconded the motion.

6. Committee Reports

A. Standing Committees

- Continue to provide the meeting summaries
- Develop alternate ways to communicate with staff
- Organize the Benefits Fair booth
- Continue to assist with the Web site
- Create a Staff Manual

Instructions on emailing each area were disseminated along with a new roster that included area and committee list serves (Attachment B). Time will be allotted at the end of the meeting to select a designee from each area to be responsible for distributing monthly summaries. If you have questions on the information provided, contact Rose Ellen Davis-Gross at 656-5452 or regross@clermson.edu.

3. **Membership**, Phil Landreth. Lead senators will be assigned to projects.

- Elections
- Awards luncheon
- Monthly meetings

4. **Policy and Welfare**, Michael Atkins. Michael Atkins moved to seek the formulation of a calendar committee that would consist of all interested constituent groups. Karen Countryman seconded the motion. Discussion followed.

5. **Scholarship**, Reggie Hawthorne. 1) Dave Crockett's payroll deduction challenge encouraged 7 (seven) senators to either join or increase participation in the Annual Fund. The payroll deductions designated to the Staff Senate currently fund 10 (ten) scholarships at \$1,150 each. Dave Crockett and Dan Schmiedt will increase their deductions accordingly. Thanks to all who participated. 2) A volunteer sheet for the golf tournament was routed. The tournament is Friday, May 16. Contact Hawthorne if you have any questions at (864) 650-8283.

B. University Committees

1. **Accident Review Board** – Phil Landreth and Lydia Arneson (alternate). Has not met.
2. **Alcohol & Other Drugs Task Force**, Carrie DuPre. No report.
3. **Athletic Council**, Rose Ellen Davis-Gross. The Athletic Council met May 7. Larry LaForge spoke to the Council about the accomplishments of the athletes over the last year. Five athletes were inducted into Phi Beta Kappa and several others received national, regional, state and local awards. Dr. LaForge also reviewed the recently released Academic Performance of Scholarship Student-Athletes (NCAA Graduations Success Rate [GSR]; NCAA Academic Performance Rate [APR]; Federal Graduation Rate [FGR]; and the Difference between Athlete Graduation Rates and Institutional Graduation Rates.

He discussed four conclusions that can be drawn from the data:

- 1) Female athletes do better than male athletes
- 2) NCAA graduation rates are higher than the federal graduation rate
- 3) ACC is a good conference academically
- 4) Our performance as compared to the ACC varies by measure

Bill D'Andrea thanked the Council for their work over the last year and said that he would have more information on the Seat Equity Plan and Season Ticket sales at the next meeting. There will be no meetings during the summer.

4. **Bookstore Advisory**, Negar Edwards. Has not met.
5. **Faculty Senate Budget Accountability**, Dave Crockett. Has not met.
6. **CATS**, Robbie Nicholson. No report.
7. **Clemson University Environmental**, Tim Drake. 1) Earth day went well and Clemson had satisfactory participation, but there were a few problems with getting enough volunteers to assist with activities. Solid Green had a booth at Earth Day. This group is planning to meet with President Barker on June 6. 2) A Clemson University Sustainability Action Plan has been written and was distributed at the meeting. A letter was sent by Gerald Vander Mey to President Barker stressing the need for a central Clemson University office to coordinate and promote sustainability efforts. 3) An update was given by Gerald Vander Mey on the campus development plan. Many new buildings are either being constructed, or are in the planning stage. This new construction will take many parking spaces from existing lots in the future, so plans need to be put into place along with future expansion that will accommodate parking needs. 4) A greenhouse gas audit needs to be performed by September of 2008. 5) Proposed changes to the CUEC By-Laws were approved by a vote of the committee. One of the changes was to modify the title "Classified Staff Senate" to "Staff Senate". Changes to the CUES By-Laws and other documents distributed at the meeting will be given to Karon Donald and placed in the Staff Senate Office for review if anyone desires to see them.
8. **Clemson University Foundation Board**, Dave Crockett. Has not met.
9. **Council on Community & Diversity**, Rosa Grayden. No report.
10. **Human Resources Advisory**, Michael Atkins. HRAC met on April 9. 1) The public employees recognition week cookout was May 7, Military Heritage Plaza, 11:00 a.m. until 1:00 p.m. 2) The Benefits Office scheduled hours are Monday-Friday, 8:00 a.m. - 4:30 p.m., no hours on Wednesday. 3) The 2nd increase to the federal minimum wage is occurring and the student pay scale will be adjusted. 4) HR is behind six months on service pins, please be patient they are coming. 5) Everyone is asked to destroy or correct documentation that has Social Security numbers listed, use CU ID numbers. 6) Tele-commuting and alcohol/drug policy notifications will go out soon by e-mail. 7) New fringe-benefit changes are going or are in effect, CU is currently running a large deficit for fringe benefits. 8) CUBS HR upgrade is scheduled for June 4. HRAC meets the 2nd Wednesday of each month at 1:30 p.m. The next meeting is May 14.
11. **Joint City/University**, Karon Donald. JCUB adjourned for the summer.
12. **Library Advisory**, Wade Culler. Has not met.
13. **Parking Advisory**, Bill Hughes. The Parking Advisory Committee met on April 17. This followed a meeting Geary Robinson called on the 16th to present some financial plans for financing parking garages. He had Steve Robbins present the numbers to a variety of campus constituents to include the Faculty, Student, and Staff Senates. After Robinson presented some numbers, there was discussion about the plans. All plans recommended a three-fold increase in staff parking fees. The differences

were in the timing. At the Parking Advisory Committee meeting, this meeting from the previous day was discussed, but only briefly. There was also some discussion about greater incentives to encourage ride-sharing.

14. **President's Commission on the Status of Black Faculty & Staff**, Rosa Grayden. No report.
15. **President's Commission on the Status of Women**, Susan Pope. The Women's Commission had their annual retreat on Thursday April the 24th at the Outdoor Lab. Updates on subcommittee reports were shared. The Commission decided not to sponsor a wellness/health fair for the upcoming year but will support other groups and have representation at the upcoming HR Benefits Fair in October as well as provide collaborative presentations on different areas for a healthy life such as "Fiscal Fitness" etc. It was also discussed that perhaps the commission could assist in providing periodic lunch gatherings with female student groups to discuss issues/topics of interest. A review of achievements and accomplished goals for '07/'08 were discussed as well as setting goals for '08/'09. New Commission members were voted on, two staff and two faculty members. Chair Rachel Mayo provided the Chair's Assessment Report and announcements. It was also announced that the SCWHE Conference will be held in Columbia on March 6-7, 2009.
16. **Recreation Advisory**, Dexter Hawkins. The committee met on April 16. This was the last meeting until the fall. Old business: Construction in Fike is almost complete. The proposed babysitting service will not move forward, because of fire code. No direct access to an exit. We examined some of the budget planning for 'FY 09'. Future projects include: field lights, storage facilities, building signage, women's weight area, and racquetball court – glass back walls.
17. **South Carolina State Employees Association**, Richard Cowan. No report.
18. **Student Conduct Code Review Committee**, Richard Cowan. No report.

7. Unfinished Business

- A. **Ad-hoc Committee on Staff Development**, Bill Hughes. A draft of the SDP has been provided to Provost Helms. Once her feedback is received and the plan is finalized, the Ad hoc Committee will seek approval from Administrative Council.

8. New Business

- A. **Parking**, Geary Robinson. Geary Robinson, Parking Service Director, discussed the future of parking on campus. He shared a presentation that can be found on the Parking Services website at <http://www.clemson.edu/studentaffairs/parking/multimedia/pdf/proformo.pdf>. Tony Dickerson, Student Affairs Business Officer, reviewed some financial implications of the plan presented. Discussion followed. Questions and comments can be sent directly to Robinson at gearyl@clemson.edu.
- B. **CSS 2008-03** - Tim Drake moved to create a resolution thanking Aramark for their generosity and continued support of Clemson University employees by providing the food and food services for the may 2008 "Employee Recognition Day". Dianne Harris seconded the motion.

9. Announcements

- A. **Summer Schedule** – The Executive Committee will not meet in June, and the Staff Senate will not meet in July.

10. Adjournment: There being no further business, the meeting adjourned.

Next Meeting: Tuesday, June 10, 2008, 10:30 a.m., Seminar Room I, Madren Conference Center

What Is Parliamentary Procedure and why is it important?

Quite simply it is a set of rules for conducting business at meetings. These rules allow everyone to be heard and to make decisions without confusion. So it is very important that everyone know these basic rules! It is never okay to interrupt or attack the person speaking!

Staff Senate Meeting Guidelines: The Clemson University Staff Senate uses parliamentary procedure to follow a fixed order of business for monthly meetings. Below is a typical example of our meeting structure:

1. Senate Members and Guest Sign in Sheet [All meeting attendees must be accounted for]
2. Call to order. [Senate President]
3. Approval of the Minutes [Sent by email for review prior to meeting]
4. Officers Reports
5. Committee Reports
6. Special business or speakers previously designated per agenda at this meeting.
7. Unfinished business.
8. New business.
9. Announcements.
10. Adjournment.

How to Present a Motion: The method used by the senate to approve or validate a request or change is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue or request. Staff Senate President presents (or calls upon a particular member to present) the requested action. The process simplified is:

1. Present the Motion
2. President calls for a Motion to Approve [Senator motions approval]
3. Debate/Discuss the motion if necessary prior to call for Second Approval.
4. Call for Second of the Motion to Approve [Aye by all approving].
5. Motion Stands Approved as Presented.

There are two other motions that are commonly used that relate to voting.

1. Motion to Table -- This motion is often used in the attempt to "kill" a motion, to "take from the table", for reconsideration by the membership at a later time.
2. Motion to Postpone Indefinitely -- This is often used as a means of parliamentary strategy and allows opponents of motion to test their chances of approval without an actual vote being taken. The motion is not "lost" but simply up for re-discussion at a later date.
3. Call the Question – This is a request to end discussion on a motion. It is only seeking to end discussion; it is only a vote regarding continued discussion and not the issue being discussed. If the question is "called" and seconded, then a vote must be taken on the original motion itself.

Parliamentary Procedure is the best way to get things done! But, it will only work if you use it properly.

1. Allow motions that are in order.
2. Have members obtain the floor properly.
3. Speak clearly and concisely.
4. Obey the rules of debate.

Most importantly, *BE COURTEOUS AT ALL TIMES!*
