Dr. H. A. Morgan, President  
University of Tennessee,  
Knoxville, Tennessee.

Dear Dr. Morgan:

I have noted from time to time in the newspapers  
comment on the present student controversy in the University.  
It is regrettable indeed that students with such LIBERAL  
DEMOCRATIC ideas cannot work in cooperation and harmony with  
the policies of the institution.

It is needless to assure you that so far as this  
department is concerned we are back of the administration  
and the policies which you have inaugurated and are endeavor-  
ing to carry out. I trust that if you feel we can be of ser-  
vice in any way, you will take the liberty to command us.

Very truly yours,

  
L. A. Richardson,  
Specialist in Animal Husbandry.
