## **Tenn-Share Statewide Library Courier Survey**

#### 1. Introduction and Informed Consent

This is a interlibrary loan shipping and courier needs assessment survey of the Tenn-Share Library Consortium. The results will assist Tenn-Share in exploring shipping options for libraries across Tennessee.

Participants will be asked to answer questions related to their institutions' interlibrary services and resource sharing operations. The survey should take about 10 minutes to complete. There are no foreseen risks to participating in this project. Information in the responses will be kept confidential and data will be stored securely by the Principal Investigator (PI). Data will be reported in aggregate form to the Tenn-Share membership, and in subsequent presentations and publications.

If you have questions at any time about the study or the survey, you may contact the researcher/PI, David Atkins, Head of Resource Sharing and Document Delivery, John C. Hodges Library, University of Tennessee, Knoxville, TN 37996-1000, 865-974-6866, or <a href="mailto:datkins@utk.edu">datkins@utk.edu</a>. If you have questions about your rights as a participant, contact the UT Office of Research Compliance Officer at (865) 974-3466.

Your participation in this survey is voluntary; you may decline to participate without penalty. If you decide to participate, you may withdraw from the survey at anytime. If you withdraw from the survey before data collection is completed your data will be destroyed.

\* 1. Participation in this Tenn-Share member survey is completely voluntary. If you decide not to participate there will not be any negative consequences. Please be aware that if you decide to participate, you may stop participating at any time.
