Bethany,

Good morning! Thank you so much for your kindness in hosting all of the students' wonderful posters and manuscripts on DUNE – it is such a wonderful benefit! For my research section I have:

- Liz Michaud
- Devin Finnegan
- Bryan Raksnis
- Jordan Lamb
- Brooke Flaherty

They may have already been in touch about this but just to follow up, they have submitted their research abstract and have already been accepted to ACSM – we will be finding out if they will be presenting a poster or doing an oral presentation in February! Could we have their abstract/poster/manuscript embargoed until they finish their presentation May 26-30th. Many thanks for all your help – we so appreciate it!
