Vision for Tomorrow

UMaine's Comprehensive Campaign

Vision for Tomorrow

Young children have little sense of the future; their minds are absorbed in the present. As we mature, we become more conscious of what tomorrow might bring, and of how we might shape the future. Philanthropic giving, especially when coupled with volunteerism, affords us the opportunity to make a difference in the future of organizations we care most about.

How are donors, who care about the future, impacting our university? Every gift from every donor has short- and long-term benefits. Even the most modest annual gifts help us take advantage of special opportunities. Scholarships make a UMaine education affordable. Graduate fellowships help UMaine to attract and educate the next generation of scholars. Endowed chairs and professorships reward talented and dedicated faculty members who devote their careers to our students and research and outreach that bring acclaim to our university. Named funds create meaningful opportunities for students to learn in and well beyond the classroom — in laboratories, museum galleries, performing arts spaces, and athletic facilities, among other places.

To a child, the world is full of endless possibilities. Infinite choices also await the thoughtful and creative donors who wish to make a difference in the future of our university and its fundraising partners.

A MESSAGE FROM the Board Chair and Foundation President

We are pleased to announce the public phase of the Vision for Tomorrow comprehensive campaign for the University of Maine.

Our donors' gifts build on the goodwill and thoughtfulness of previous generations. The University of Maine Foundation now holds 1,662 endowment funds and assets totaling \$232,941,554, thanks to an investment return of 12.9 percent this past fiscal year. Altogether, the endowments held at the University of Maine Foundation, University of Maine System, University of Maine Pulp & Paper Foundation, and the Maine 4-4 Foundation total a record breaking \$304,258,055.

Endowments are only one way in which donors contribute to a bright future. Our donors' gifts to the Annual Fund make it possible for us to take advantage of special opportunities, enhance important budgets and meet unexpected challenges. In addition, gifts for capital needs allow us to create and maintain facilities that are second-to-none in Orono and around the state. Generous expendable gifts, sometimes pledged over a period of years, have an immediate impact on our mission.

The University of Maine Foundation is proud to be leading the \$200M Vision for Tomorrow comprehensive campaign for the entire UMaine community. We remain grateful and humbled by the support of thoughtful donors who share a vision for a tomorrow which is full of promise.

A MESSAGE FROM the President of the University of Maine

Many of our alumni and friends have heard me say that as President of the University of Maine, I have the best job in the world. This is because the University of Maine has a leadership role in shaping the future of tens of thousands of students, including our largest-ever class of undergraduates who arrived this fall. We also have a responsibility to ensure that UMaine remains a place of excellence and a source of pride, with a sense of community that is second to none.

Since 1934, the University of Maine Foundation has worked with university presidents, alumni and friends, to raise the financial resources that make bright futures possible for our graduates. The role of the University of Maine Foundation and our other fundraising partners is of special importance to us.

We are very thankful for over \$121 million in campaign contributions to date that have supported so many priorities on campus and led us to this public phase of our fundraising efforts. We are confident that generous alumni and friends will continue to invest in the future of UMaine as we prepare for the arrival of Lydia (pictured on the cover), along with the other members of the UMaine Class of 2037.

Susan J. Hunter '50H, Ph.D.
President

SPENDING POLICY

In managing the General Endowment, the University of Maine Foundation keeps two primary goals in mind: providing a significant and stable flow of funds to support the purpose of the endowed fund, and maintaining the long-term purchasing power of our donors' endowed funds. The Foundation's spending policy is designed to be in accordance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA requires us to ensure the duration and preservation of the endowment fund by appropriating a prudent amount for expenditure from endowment funds within the restrictions of any gift agreements. The net return of the General Endowment for the year ended June 30, 2017 was 12.9%.

The Foundation Board set a reduced spending rate at its February 23, 2017 meeting in light of concerns regarding the uncertainty of the investment markets. Because long-term growth of Foundation endowments is essential to providing stable and meaningful distributions over time, the target spending amount will be 3.25% of the market value of an endowment.

Annual spending is calculated by applying the percentage to the trailing twelve quarter average market unit value of the General Endowment as of September 30 of each year.

The Board may apply a lesser prudent spending amount for funds with insufficient earnings to support the general spending rate — unless such expenditure is prohibited by the gift instrument. To provide for the accumulation of earnings, only endowments held at least one year are eligible for spending. In addition to the general endowment spending rate, an administrative fee of 1.25%, which is reviewed annually by the Board of Directors, is charged to the General Endowment Fund to support the operations of the Foundation.

The accompanying endowment funds list in this year's annual report also includes endowments at the University of Maine System, the University of Maine Pulp & Paper Foundation, and the Maine 4-H Foundation, which support the University of Maine. These endowments are managed under the investment objectives and policies of the respective organizations.

ALUMNI MENTOR KEY TO AGILENT TECHNOLOGIES RESEARCH GRANT

Heather Hamlin, Ph.D., associate professor of marine biology and aquaculture in UMaine's School of Marine Sciences, is a reproductive endocrinologist. Her research explores how environmental factors influence the reproduction and development of aquatic animals. Hamlin grew up in Hampden, Maine, not far from the Orono campus. Those familiar with Maine history will recognize her last name; Hannibal Hamlin was indeed her great-great-grandfather.

Her proposal "Metabolic Profiling of Zebrafish Embryos for Assessing Environmental Toxins" resulted in a \$170,000 gift from Agilent Technologies, Inc. The gift will help Hamlin and others to use a specialized piece of equipment to rapidly screen whether and how toxins, such as pharmaceutical drugs and pesticides, impact cellular respiration.

The gift was made through Agilent's university relations program to establish a mutually beneficial research collaboration. As part of the collaboration, Hamlin will work closely with Andy Neilson '79, '81 who will serve as a mentor. Neilson, an R&D Scientist for Agilent, holds an undergraduate degree in mechanical engineering technology and serves on the Advisory Board for the UMaine College of Engineering. It was Neilson who brought the competitive grants program to Hamlin's attention. Hamlin did not know of Neilson's UMaine connections at the time.

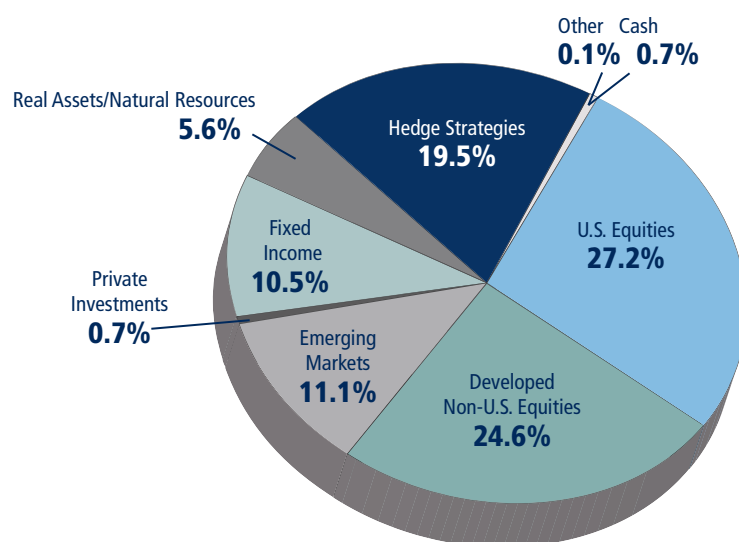

"This gift from Agilent is significant, and will impact undergraduate and graduate students, as well as faculty here at UMaine," says Hamlin. "It is also likely to help us develop preliminary research results that can lead to additional funding from other sources."

AREAS OF SUPPORT

ANNUAL GIVING

President's Club Membership up 45%

In 2017 there were 1,106 members of the University of Maine President's Club, a 45% increase in membership in four years! President's Club members make an annual commitment of \$1,000 or more to benefit UMaine.

Annual giving provides immediate support for UMaine students, faculty and staff. Thousands of donors including alumni, friends, parents, athletics fans, arts patrons, students, faculty, staff and others participate in the UMaine Annual Fund. Some direct their gift to a specific area or areas, while others choose to leave their gift unrestricted so that it can be used where and when it is needed. Many donors make their first gift to UMaine through the Annual Fund, and choose to continue to support the Annual Fund every year, while expanding their philanthropy to include major and planned gifts in areas of interest.

Some donors contribute to the Annual Fund as a result of an appeal letter; others make a gift after hearing from a student caller through the phonathon. The University of Maine's secure and convenient online giving site (umaine.foundation.org/give) is yet another option for Annual Fund donors. There are a number of ways in which donors can maximize their annual gifts, such as corporate matches and recurring gifts.

Gifts to the Annual Fund are a big piece of the *Vision for Tomorrow* Campaign at the University of Maine. Every gift to the Annual Fund matters and makes a difference, especially to the students who turn to UMaine for an outstanding, yet affordable education in the land grant tradition.

With gifts to the Annual Fund come special donor recognition based upon the amount and frequency of their annual gifts. Annual giving donor recognition is based on the university's fiscal year, which extends from July 1 to June 30. Donors who give for two or more consecutive years are eligible for membership in UMaine's Loyal M Society. Donors who give \$1000 or more may join the prestigious President's Club.

MAINE DAY OF GIVING 2017

The second annual Maine Day of Giving — a 24-hour, online fundraising event that coincides with Maine Day, the traditional day of service at the University of Maine — was held May 3, 2017. Making a gift to honor this longstanding UMaine tradition allows everyone to participate, whether on campus or around the world.

Alumni, friends, faculty, staff, and current students certainly showed their Black Bear pride!

MAINE DAY OF GIVING

The second annual
 Maine Day of Giving
 was held on
 May 3, 2017.

WAYS OF GIVING

Charitable giving often carries significant tax benefits for donors. All gifts to the University of Maine Foundation for UMaine and its fundraising partners are tax-deductible to the extent allowed by law. If you have questions regarding the tax implications of your giving, consult your attorney or financial advisor. The type of gift that is best for you depends upon many factors, including your age, health, family and employment situation, assets and lifestyle choices. Many companies will match your gift, maximizing the impact of your personal philanthropy.

Cash

Gifts of cash to the Foundation can maximize your charitable deduction and deliver immediate benefits to the University of Maine. Many donors choose to make their cash gifts with a credit card, check or wire transfer. We invite donors to consider our secure online giving site, umainefoundation.org/give.

Payroll Deduction

UMaine employees may make a gift through payroll deduction. Contact the University of Maine Foundation for a payroll deduction form or visit umainefoundation.org/employeeegiving to download the form.

Bequests

A provision for the University of Maine Foundation in your will allows for a substantial contribution without diminishing assets during your lifetime. Donors who let us know about plans for bequests or deferred gifts are eligible for membership in the Charles F. Allen Legacy Society. We can work with you to prepare a fund description which will describe how the fund will be administered and reflect special conditions you wish to be included.

Sample bequest language:

I give and bequeath ___ to the **University of Maine Foundation** of Orono, Maine to create the (insert fund name) to be administered as set forth in the fund description on file at University of Maine Foundation offices.

Appreciated Securities

A gift of long-term appreciated securities often has at least two advantages: it can provide an income tax deduction equal to the fair market value of the securities and may reduce capital gains tax. It is possible to make a gift using shares of mutual funds, but such gifts typically require more advanced planning, as the transfers take longer.

Real Estate and Tangible Personal Property

A residence, forestland, or other real estate property may be given to the Foundation as an outright gift, or you may prefer to donate your property to the Foundation and retain the right to occupy the property for life. Treasures like valuable antiques, stamp and coin collections, works of art and other personal property may also be acceptable charitable gifts.

Increasing the Impact of Your Gift to UMaine

Honorary/Memorial Gift

You can make a gift to the Foundation supporting any area of the University of Maine in memory or honor of a professor, coach, student, relative or friend. Honorary and memorial gifts are a special way to celebrate a birthday or anniversary, or the graduation of a child, grandchild or other loved one. Memorial gifts are a thoughtful way to recognize a person's influence and accomplishments while advancing the mission of the University of Maine and helping the students we serve. When you make an honorary or memorial gift, we will (if requested) notify the honoree or next of kin and will administer the gift as you direct.

Corporate Partnerships

Companies, large and small, are choosing to partner with the University of Maine in ways that are mutually beneficial. Corporate partnerships can involve internships and assistance with recruitment. The naming of laboratories and other facilities brings visibility for the company, and also provides an important source of funding for equipment, scholarships, student travel and other needs.

Recurring Gift

Many donors choose to make an automatic monthly gift to benefit UMaine using their credit card or another type of electronic fund transfer. This is convenient for donors, can help reduce printing and mailing costs, and can now be set up online at umainefoundation.org/give.

Pledge

A commitment over time allows you to make a significant gift in multiple payments. This can be completed directly through our giving staff or on our online giving form.

Life Insurance

You may make a gift of life insurance in support of the University of Maine or one of its fundraising partners by naming the Foundation as owner and irrevocable beneficiary of a policy. The gift may be a paid policy, an existing policy with cash value or a new policy.

Retirement Plans

You can name the Foundation as a beneficiary of your retirement plan or tax-sheltered annuity through your plan administrator or explore taking advantage of IRA rollover legislation to save taxes.

Trusts

There are a variety of ways to create trusts that benefit you and your loved ones as well as UMaine. Choosing the right trust or other planned giving vehicle depends on your age, assets and many other factors and our experienced staff can help you.

Charitable Gift Annuity

Through a simple contract, you agree to donate cash, stocks or other assets to the University of Maine Foundation. In return, you and someone else, if you choose, receive a fixed amount each year for the rest of your lives. The remainder is endowed to support the University of Maine.

Donor Advised Funds

Donor advised funds help donors to be actively involved in the granting process to UMaine and other charities. Funds are managed and administered by the Foundation, but the donor advises the Foundation about preferences regarding grant recipients, grant amounts and fund permanence. Donor advised funds receive the maximum tax benefits and the donor is not responsible for the tax filings.

HONORS COLLEGE STUDENTS RAISE FUNDS AND BREAK RECORD TO FEED HUNGRY

The University of Maine Honors College has a number of connections to food systems in Maine. The Sustainable Food Systems Research Collaborative (SFSRC), for example, is an initiative of the Honors College that brings together students, faculty, and community partners in an interdisciplinary approach to solving problems of food production, food distribution, and food security. According to Dean François Amar, this initiative impacts the Honors curriculum and has influenced at least eight Honors theses over the past three years. "Honors students want to make a difference locally, as well as globally," Amar explains. "We remain very committed to integrating community engagement with our students learning throughout their years in college."

The Honors College's commitment to regional food security gained additional visibility as a result of The Hungry 100K: Maine Day Meal Pack-Out on May 3, 2017. On Maine Day, with the support of the Bodwell Center for Service and Volunteerism,

250 student volunteers surpassed their goal of feeding 100,000 hungry Mainers by packing 107,500 meals — about 5.5 tons of food — which was sent to food banks and shelters around the state. As a result of this effort, UMaine Honors students set a new record for the most meals packed by a university in New England. In addition to planning and executing the meal packing and delivery, Honors students and staff were engaged in raising money for the project from UMaine employees and other donors.

Claire Sullivan, Ph.D., Coordinator of Community Engagement for UMaine, notes that the Honors College initiative, while record-breaking, reflects how many faculty, students, staff and alumni want to make a difference through meaningful outreach. "We are seeing creative and thoughtful engagement from virtually every part of campus," she explains. "Community engagement is becoming a central theme of our student experience."

Dean Edward N. and Dr. Sharon Ashworth Scholarship
Established by colleagues, alumni and friends of Dean Ed Ashworth and Dr. Sharon Ashworth to assist deserving students in the College of Natural Sciences, Forestry, and Agriculture.

Bodwell SPIFFY Travel Fund
Russell S. & Barbara H. Bodwell Dean's Excellence Fund
Russell S. Bodwell '44 and his wife Barbara Higgins Bodwell '45 created these funds with planned gifts. One fund will provide travel expenses for the SPIFFY program's educational trips, and the other fund will promote excellence in the College of Engineering.

Boston Executive Club of the University of Maine Today & Tomorrow Scholarship Endowment
BECUM is a group of dedicated UMaine alumni and friends in the Boston, MA area who created this scholarship to support students in good academic standing, preferably from Massachusetts.

Inez Boyd Memorial/Bangor Nature Club Quasi-Endowed Scholarship Fund
This fund was made possible by the Bangor Nature Club through a bequest from Inez Boyd for scholarship aid to deserving juniors who have shown a special interest in the conservation of all natural resources.

Robert C. Burgess '54 Fund
Robert C. Burgess '54 created this fund for the Maine Business School to create excellence in teaching, research or scholarship.

Pat Burnes and Harvey Kail Professional Development Fund
Established in honor of Professors A. Patricia Burnes and Harvey Kail upon their retirements because both were pioneers in teaching and researching writing programs and centers. The fund will support adjunct faculty, tutors, and teaching assistants in the Department of English in their professional development as teachers, tutors, and researchers of writing.

Coburn Card Memorial Art Scholarship
The family of Coburn Card established this fund in his memory to support deserving students majoring in Art, preferably to students with financial need who are Maine residents and are artistically talented.

Alan G. Clark and Linda Hovestadt Clark Scholarship

Alan and Linda Clark, both members of the Class of 1973, established this fund to assist students with financial need majoring in Wildlife Ecology.

Class of 2016 Scholarship

Established by members of the Class of 2016 to assist deserving undergraduate students at the University of Maine.

Class of 2018 Scholarship

Established by members of the Class of 2018 for deserving students, preferably direct descendants of members of the Class.

Class of 2019 Scholarship

Established by members of the Class of 2019 for deserving students, preferably direct descendants of members of the Class.

Class of 2020 Scholarship

Members of the Class of 2020 established this fund for students with academic merit with a preference for direct descendants of members of the Class of 2020.

Robert "Bob" A. Cobb Scholarship

Colleagues and friends of former Dean Robert Cobb established this scholarship in his honor in the hope of encouraging first-year students to enroll in the College of Education and Human Development. First preference will be given to students with financial need.

Francie Criner and Family Fund

ALFOND FUND

ALFOND FUND TRANSFORMS UMAINE ATHLETICS

Thousands of fans associate the Harold Alfond Foundation with its generous support of UMaine's football program. In 2016, The Harold Alfond Foundation extended its annual support to benefit other teams at UMaine, creating momentum for athletic giving as a whole.

The three-year, \$1.5 million gift helped UMaine to establish and brand the "Alfond Fund," which is similar to other centralized athletic giving programs around the nation. "The Harold Alfond Foundation's impact on our Division I Athletic program is transformational," says Karlton Creech, Athletic Director. "The top athletic programs around the country focus on the big picture — the overall experience of fans, donors, and players alike. With the help of the Harold Alfond Foundation, we are getting much closer to where we need to be."

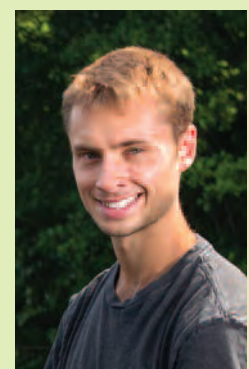

The new Alfond Fund includes streamlined options for giving, greater constituent engagement, a membership-based benefits plan, and the development of signature events for athletics among other initiatives.

"While fans and donors will see improvements as a result of the new Alfond Fund, our student athletes will benefit the most," says Creech. "We are committed to creating an environment that

supports our student athletes' physical, emotional, and mental well-being. This is the right thing to do, and produces stand-out athletes and winning teams that are an inspiration for our entire state."

The University of Maine has more than 400 student athletes who currently play for the Black Bears and over 18,000 student-athlete alumni worldwide.

Stand-out track and field athlete, Jesse Orach '18, is one of many Black Bears who benefit from the Alfond Fund. When Orach graduates in 2018, he will have earned an MBA, a bachelor's degree in chemical engineering and a minor in mathematics. He is also one of two people ever to be named a two-time recipient of the "M" Club Dean Smith Award.

The University of Maine and the University of Maine Foundation have moved into the final, public phase of the Vision for Tomorrow comprehensive campaign, a \$200 million fundraising drive for UMaine. The campaign has been in its "quiet phase" for the past few years as it developed the effort's base of support. As a result, funds raised so far now total over \$121 million. This phase of the campaign is at a time when UMaine has record numbers in giving society memberships, enrollment, endowment totals and state support.

“Vision for Tomorrow is a bold fundraising campaign that will enable us to make a greater difference in the lives of students, and to conduct our critical work statewide and beyond.”

— Susan J. Hunter, *President*
University of Maine

Campaign Priorities

Fostering Student Success

Student success is at the heart of the University of Maine. As a student-centered university, UMaine offers scholarships, the state's most comprehensive academic offerings, unparalleled student research opportunities, and internships and other community engagement initiatives. As part of the UMaine experience, students are involved in real-world enterprises that inform their academic work and provide growth opportunities. It's in these engagement opportunities that students discover their passion and forge their path.

Ensuring Access for All of Maine

The University of Maine was established to serve Maine and its people. Maine's flagship university provides teaching, research and economic development, and engagement statewide. UMaine is committed to accessibility and affordability, and links its resources with the needs of industries and businesses, schools, cultural organizations, state government and communities. We attract the best and brightest students, champion lifelong learning, provide outreach in every Maine county, and offer unique initiatives in arts and athletics.

Catalyzing Maine's Economy

Maine's potential is UMaine's purpose. As the state's major research university, UMaine delivers infrastructure and innovation, prepares the future workforce, and collaborates with businesses and organizations in the public and private sectors to grow Maine's economy. World-class faculty turn knowledge into solutions and mentor students to be tomorrow's leaders. Every year, the University of Maine graduates more students than any other institution in the state, and those graduates are prepared to succeed.

Accelerating Discovery to Impact

UMaine's nationally and internationally recognized research benefits Maine. Undergraduate and graduate students collaborate with faculty conducting fieldwork and scholarship throughout the state and around the globe. This engagement, at the core of the state's public research university, enriches the academic experience and helps address real-world needs. UMaine students graduate from Maine's land grant university knowing the difference their contributions can make in this state and beyond.

GIVING SOCIETIES

Every gift we receive from our generous donors advances the mission of the University of Maine, and every donor makes a difference.

The Stillwater Society was created in 2000 to celebrate donors who have given at least \$25,000 to the University of Maine and its partners over the course of their lifetimes. Donors are eligible for the society based on their cumulative outright gifts and irrevocable planned gifts. Some friends and alumni are members of the Stillwater Society as the result of a single gift; others are members as the result of faithful, longtime support. New members are inducted at a formal recognition dinner and presented with a pin symbolic of their respective Stillwater Society level. (**S** will appear after donor name)

The Katahdin Society (the highest level of the Stillwater Society) honors alumni and friends who have given \$1 million or more to benefit the University of Maine. Such exceptional generosity helped ensure UMaine's success for the first 150 years, and will be even more important in the years to come, as costs for a college education continue to rise and the need for exceptional teaching, research and outreach escalates in an increasingly complex and competitive world. (**K** will appear after donor name)

The Charles F. Allen Legacy Society, named for the University of Maine's first president, was established in 1995 to recognize and honor alumni and friends who intend to remember the University of Maine or its affiliated organizations by making a bequest or other form of planned or deferred gift. Such gifts will benefit the university in the years ahead without necessarily requiring that the donor fund the gift at the present time. While the gift is deferred, the benefits of membership in the society begin immediately. If you let us know that you have provided for the University of Maine or its affiliated organizations in your will, trust, pooled life income fund, life insurance policy, gift annuity or retirement fund, you immediately become a full member of the society. Charles F. Allen Legacy Society members receive a membership certificate recognizing their intentions and a lapel pin. Members also are honored at a special event on campus. (**L** will appear after donor name)

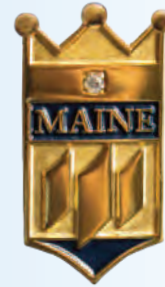

The President's Club is UMaine's front door to special donor recognition. Members of the President's Club give at least \$1,000 a year to UMaine. President's Club gifts are often made as monthly recurring gifts or annual pledges paid in installments. Gifts can be unrestricted or designated for a particular need or priority; they may be used for current operations or directed toward an endowment. President's Club members range from recent graduates to Senior Alumni, represent virtually every major, are scattered across the country and share a common commitment to improving the lives of others. President's Club members receive a pin and are invited to a special brunch during Homecoming Weekend. (**P** will appear after donor name)

The Triple Crown of Support

This report includes the names of alumni and friends who are truly shaping the future of the University of Maine as members of the Stillwater Society, Charles F. Allen Legacy Society and President's Club. The Triple Crown is a realistic goal for many donors who make philanthropy a priority, plan ahead and thoughtfully consider the many ways of giving. There is no ideal way to make a gift; the timing and nature of your gifts will depend on your unique circumstances. We encourage donors to work closely with their legal and financial advisors, as well as our fundraising professionals, to determine a path that is mutually beneficial for donors, their loved ones and the University of Maine.

(👑) will appear after donor name)

The Loyal M Society

recognizes UMaine's most faithful philanthropists.

Membership is open to donors who have made gifts to benefit UMaine over at least two consecutive fiscal years, regardless of the gift amount, type or purpose. Recurring monthly gifts, set up with a credit card or electronic fund transfer from a checking account, are a convenient way to secure ongoing membership in the Loyal M Society. Membership is noted with the years of consecutive support in parentheses, e.g., (15) denotes that a donor has made gifts to UMaine for 15 consecutive years, including FY17.

() consecutive years of support after donor name (Actual years of consecutive giving may be greater; the count extends back to when the Office of University Development transitioned from paper records to a fundraising database.)

THURSDAY CLUB SCHOLARSHIPS BENEFIT STUDENTS

The University of Maine is a tight-knit community; its warm and friendly environment has often encouraged faculty members and their loved ones to remain in the area well after retirement. Community members enjoy the Collins Center for the Arts, New Balance Student Recreation Center, campus lectures, games, and many other campus amenities and activities.

The Thursday Club and its commitment to undergraduate scholarships reflect the university's unique sense of community. The Club was established in 1911 to enable faculty wives, women faculty members and other campus women to share common interests, to interact both intellectually and socially and to support each other and women students, according to a newsletter published a century after the organization was established.

Fanny Allen, wife of Dr. Edward J. Allen, dean of the College of Liberal Arts and Sciences, summarized the greater Orono community in a Thursday Club scrapbook from 1937. "I am glad to be living in Maine where one can enjoy family life more than it is possible to do in the metropolitan areas... here life is not so

impersonal, one feels that she is a part of the community right away."

For many years and across multiple generations, Thursday Club members enjoyed dances, fashion shows, an annual craft sale, lectures and demonstrations, Hostesses at Home coffees and interest groups such as Bridge, the Gourmet Dinner Group, the Furniture Refinishing Group, the Academic Gown Group and the Travel Group.

The Thursday Club continues to hold an annual event and philanthropy became more important than ever after members established an endowment for the Thursday Club Scholarship Fund through the University of Maine Foundation. The fund has grown over time, thanks to gifts from many members, including a gift of real estate from long-time member Helen Klocko (top photo right). Another loyal member, Dr. Barbara Fraser Csavinszky (top photo left), created the Barbara F. Csavinszky Thursday Club Scholarship through a bequest to help even more nontraditional undergraduate students who have financial need.

HUMANITIES CENTER NAMED FOR GENEROUS DONORS

The University of Maine Humanities Center has a new name, reflecting the generous support of Clement McGillicuddy '64 and his wife Linda of Hobe Sound, Florida and Northeast Harbor, Maine.

The McGillicuddys support the Humanities Center through a fund they established at the University of Maine Foundation. The two met in New York City while working in the computer industry, and are committed to "giving back" to a state that means a great deal to their family.

Linda McGillicuddy describes her husband as someone who reads constantly, turning to *Poetry Magazine*, *The Atlantic*, *MIT Technology Review*, *The New Yorker*, and *The Economist*. He prompts her to expand this list to include "books about dead presidents, Michael Connelly detective stories and quite recently, Chinese philosophy."

Given his eclectic interests, it is no surprise that he is quick to voice his appreciation for the Humanities Center's diverse activities in Orono and across the state. He is especially appreciative that the Center's outreach extends well beyond classroom learning and opens new horizons for high school students and other Maine citizens. He cites poetry as a long-time, personal interest that is celebrated by the Center, and lauds the Center's director, Jennifer Moxley as "a splendid poet and inspirational speaker."

The UMaine alumnus notes that the Center's mission resonates with his own experience as an undergraduate who grew up in Houlton, Maine. "The University of Maine exposed me to many new situations, including an introductory course that required us to pick up and read *The New York Times* every day. To this day, *The New York Times* feeds my deep interest in the human condition and how the world works. Many of my courses at UMaine, unrelated to my major, contributed to my curiosity and created a foundation for lifelong learning."

"An important role of the University of Maine is to advance — and advocate for — the humanities," says UMaine President Susan J. Hunter. "Humanities teaching, research and engagement are critical to fulfilling our statewide mission. In collaboration with private and community partners, we help ensure that culture enriches the human experience."

"Clem and Linda are champions of the arts and humanities," says Jeffrey Hecker, UMaine vice president for academic affairs and provost. "Their support for this center at the state's flagship university will impact students and faculty, and the countless community members of all ages who benefit from outreach efforts. Their vision and commitment to the arts and humanities, especially here in Maine, are inspiring."

KING CHAIR IN ENGLISH JOINS UMAINE

Private support is increasingly important to colleges and universities as they compete to recruit top scholars and teachers. Named endowments for professorships and chairs provide financial support for faculty members, but equally important, carry a sense of honor and prestige that benefits the entire institution.

A generous gift from the Harold Alfond Foundation is allowing Dr. Caroline Bicks, a Shakespeare scholar, to join UMaine in the Fall of 2017 as the first Stephen E. King '70, '87 Hon. L.H.D. Chair in Literature. Bicks, who has family ties to Maine, spent summers in Castine and read King's books from the local public library. Bicks notes, "It's very rare that a chair is endowed specifically to promote the humanities, not just within one institution, but between scholars, students, and the larger community. This is a tremendous opportunity to build on the university's strengths and to help make connections between the exciting work being done by individuals and organizations on campus and beyond it: at local high schools, retirement communities, theaters, poetry slams, and more. It's such an honor to be entrusted with this mission."

DICK '68, '70G AND PAT ARBOUR FOX '68

Share UMaine's Vision for Tomorrow

Growing up on the family farm on Fox Hill in Athens, Maine, Dick Fox could hardly have imagined his future as an engineer. At age 8, Dick purchased his first heifer with help from his dad. Dick built his own herd and saved the milk money for college tuition. "My dad was a great dairy man. He loved the animals, but I preferred to work on the machinery."

Pat was a "city girl" from Augusta and completed a B.A. in French. Dick and Pat dated in college and were married their senior year. They raised a family and helped their daughters achieve undergraduate degrees in STEM fields. Fox retired as Chairman and Chief Executive Officer at CDM Smith, Inc., an engineering and construction company headquartered in Boston. Fox received the

Edward T. Bryant Distinguished Engineering Award in 2008, the most prestigious award conveyed to alumni by the University of Maine College of Engineering. Dick serves as an active member of the College of Engineering Dean's Advisory Council. Members help guide the college's curriculum, facilitate partnerships, speak to the needs of industry, and serve as advocates for the state's only comprehensive engineering program. Dick also mentors aspiring engineers, through Dean Dana Humphrey's leadership course. Dick and Pat have established the Arbor-Fox PaCesetter Scholarship to benefit civil engineering students and also support the Alford Fund; Dick played on UMaine's Tangerine Bowl football team.
