Obituary.

Oliver James Clark, son of M. A. and Tammie Clark, was born May 20, 1897, and died October 11, 1918, age 21. He professed faith in Christ and baptism, four months and ten days. He professed faith in Christ and joined the church at South Pleasant Grove in October 1911. Was married to Miss Noyce Paris Learmonth 9, 1918.
 He was a young man of sterling character and marked talents, and appreciated most by those who knew him best. He was a true American, a patriot and a soldier.
 When his country's call came Oliver proved himself to be no slacker, he volunteered his services in the United States navy at Great Lakes, Ill., July 10, 1918. Later he was transferred to Norfolk, Va., where he was placed on the battleship Georgia and remained in training until death claimed him as its victim.
 He gave the pleasures of home and loved ones, yes, even more, he gave his life that we might remain a free and happy nation.
 He leaves a wife, many relatives and a host of friends.
Spend the Night Party.
 The teachers of No. 1 school gave a spend the night party in honor of Misses Miriam Givens, Lella DeLoe and Lenora Harvey. The house was beautifully decorated, the tables were thrown over with white, pink and red flowers, being given over the chairs, perfumes and toilet. In a corner of the room the punch bowl was decorated with pink and white flowers with a crown of pink roses, giving a very pretty appearance. Miss Nellie Clark and Miss Annie Gooden served the punch which was enjoyed by all between 6 and 8 o'clock. Dancing was indulged in until 10 o'clock throughout the evening, and the "Paul Jones" ended the evening with the familiar melody, "There's No Place Like Home."
 Those who enjoyed the evening were: Misses Miriam Givens, Lella DeLoe, Lenora Harvey, Harriet Leonard, Virginia Monk, Inez Johnson, Ruth Johnson, Ruby Algood, Nellie Chittie, Messrs. ENROUTE TO THE TRENCHES

Burrus Waters, artillery corps, Camp Knox, West Point, Ky., spent a short leave of absence here the first of the week with his wife and mother.

The name of 1st Lt. H. Raw, Sedalia, Mo., appeared among those who died in France the past week of disease. He was well known in this county and has many relatives here.

Borrel Valerme, artillery corps, Camp Knox, spent three days of the past week in the city with his parents. Borrel is a big husky soldier and is enjoying the service much better than he anticipated. He has been assigned to the regimental band but tells the Ledger that up to the present they have not been equipped with instruments.

Last week the Ledger stated that next to Co. F, 113th Ammunition Train, 38th Division (old Co. L), which contained the names of sixty-five Calloway boys, that Co. B, 113th Ammunition Train, same division, contained the next largest number of men from this county. The Ledger is under obligations to Geo. Armstrong of the east side of the county for names of men belonging to the last named organization and which are as follows: Connie E. Armstrong, Nina K. Walker, L. V. Clark, A. F. Hargrove, Rex Darnall, Dejon Ramsey, Clarence Walker, Frank Lyons, C. Youngblood, E. Woodall, Cognie Mills, Lilliana Alton, Earnest Smith, Mose H. Thompson, Jesse Henley, Herman Rogers, Fred McClure, Oatman Trevathan, Brent Edwards, Palle Duncan, Jeff Phillips and Herman E. Ray. This roster was made some several months ago and it is not possible to state just how many of these men are still with Co. B nor how many are in France. However, many relatives and friends in Calloway will be glad to know that the 38th Division was in action last week and took a prominent part in a hard fought battle. Likewise these same relatives and friends will be glad to hear from the Calloway boys and know that they came out of the contest with their lives.

Mr. Mike Fair has received a letter from his son, Robert, written October 15, from a base hospital. He tells his father he is suffering from flesh wounds received October 9, but hopes to be discharged from the hospital in a short time. Mr. Fair claims to have the largest number of relatives in service, two sons, Robert and Toy, one grandson, Lester Houston, four nephews, Aubrey and Erkin Fair, Herman Fair and Max Marshall.

Standers, Walkers, "Gets-It" for Corns

World Has Never Known Its Equal. "What will get rid of my corn?" The answer has been made by millions—there's only one corn-remover that you can bank on, that is absolutely certain, that makes any corn

Corn-Pain Is Eased—the Corn Is Doomed! On earth peel right off like a banana skin—and that's magic "Gets-It." Tight shoes and dancing even when you have a corn need not disturb you if you apply a few drops of "Gets-It" on the corn or callus. You want a corn-remover, not a corn-fool. You don't have to fool with corns—you peel them right off with your fingers by using "Gets-It." Cutting makes corns grow and bleed. Why use irritating salves or make a handle of your toe with tape or bandages? Why putter and still have the corn? Use "Gets-It"—your corn-pain is over, the corn is a "gone" sure as the sun rises. "Gets-It" the guaranteed money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill.

Sold in Murray and recommended as the world's best corn remedy by H. P. Wear.

ALL MOVEMENTS OF MEN IN THE DRAFT ARE STOPPED

Washington, Nov. 11.—Almost the first act of the war department today after announcement of the signing of the armistice with Germany, was the cancellation of all army draft calls under which more than 300,000 men had been ordered to entrain for camps before November 30.

Urgent telegrams prepared three days ago at the direction of the provost marshal general were sent out to all local draft boards, directing that the movement of 252,000 men to entrain between today and Friday be stopped immediately.

"I have suspended further calls under the draft and inductions," Mr. Baker said. "There will be for the present no additional men brought in under the draft and, to the extent that we can, we will turn back those who have been entrained and have not yet reached training camps."

The provost marshal general's office had to estimate of the number of trains before the cancelling order was issued. All men assembled for entraining are to be considered as honorably discharged from the army and paid accordingly. Until further notice, no inductions or calls, except for the navy and marine corps, will be permitted. One call for a few thousand men for the navy is now in preparation, but volunteers to date have more than filled the requirements of the navy and marine corps.

As required by the selective service act, local boards will continue their work of examining physically and classifying for military service all men between 18 and 45 who registered September 12.

Since August 1917, when the first calls were issued under the army draft law, 2,700,000 men have been inducted into military service. Practically all physically unqualified men between the ages of 21 and 31 who were placed in class one are now in the service. The men who were to have moved to camp this month were of the new registrants enrolled September 12.

Morale Is Winning the War!

AN American is capturing a Hun—not because he is any heavier or stronger or older or bigger, but just because he has the fighting spirit which his enemy is losing.

That's morale.

"Where are those Germans? Let's get at 'em!" yelled an American before Chateau-Thierry. He was going under fire for the first time. He was wild to get there!

"We are constantly on the alert and are afraid the Americans are going to attack," wrote a German to his wife. He was captured before he could mail the letter.

"The men are so embittered," wrote another Hun, "that they have no interest in anything, and they only want the war to end, no matter how. We are only slaves of the Government." Now he is a prisoner, too.

Every despatch from France brings new proof of American fighting spirit—stories of individual valor. Morale makes Americans glad to fight for freedom. The lack of it makes Germans hate to fight for Prussia.

Our soldier knows he is a free-born fighter. He is no slave of any Government. He is part of a nation waging war. He wants to fight. He needn't be driven into battle. He yells: "Let's go!"

That's morale! Let's let them keep it! Let's keep them keen and fit and confident!

General Pershing finds that 900 men who have a hut to spend their evenings in are more effective than 1000

men without it. Napoleon called morale three times as important as other factors in war.

The strain comes with the first swift change from civil to military life, when these organizations give your man a place to meet his family, books to read and study, the hospitality of American homes, when whole cities are readjusted to the new conditions created by having a cantonment nearby.

It comes later, too, when a man has been off in some lonely camp for weeks, when the war itself seems miles away, when letters are irregular and home seems somewhere in another world, when a man has lived out in a gun-pit or a dug-out, has slept in filthy straw, when the bodies of his friends lie just beyond him, out in No-Man's Land.

That's when the men and women of your organizations overseas can show our fighters that they aren't forgotten, that home is following them up to the guns. Sports, entertainment, education, religion, warmth, and cheer and friendship—these are the forces that are working to keep morale up to a victory pitch.

On you, this week, depends this question of morale. These are the seven recognized activities through which the Government enables you to stand behind your fighters. Their value depends on just how much you, as an individual, will give to help them hasten victory. Give as you never gave before! Give for morale!

Why you should give twice as much as you ever gave before!

The need is for a sum 70% greater than any gift ever asked for since the world began. The Government has fixed this sum at \$170,500,000.

By giving to these seven organizations all at once, the cost and effort of six additional campaigns is saved.

Unless Americans do give twice as much as ever before, our soldiers and sailors may not enjoy during 1919 their:

5,000 Recreation Buildings	2,500 Libraries supplying 5,000,000 books
1,000 Miles of Movie Film	85 Hostess Houses
100 Leading Stage Stars	15,000 Big-brother "Secretaries"
2,000 Athletic Directors	Millions of dollars of home comforts

When you give double, you make sure that every fighter has the cheer and comforts of these seven organizations every step of the way from home to the front and back again. You provide him with a church, a theatre, a cheerful home, a store, a school, a club and an athletic field—and a knowledge that the folks back home are with him, heart and soul!

You have loaned your money to supply their physical needs.

Now give to maintain the Morale that is winning the war!
