## UNION POOLS

Trigg and Lyon County Planters Dispose of a Large Amount of Tobacco at \$8.15 Average.

Cadiz, Ky., March 18. The six pools of tobacco in the Farmer's Union, on this side of Cumberland river, were bought last Monday by Mr. W. M. Hancock of Hopkinsville, for the American Snuff Co. The six pools embrace from 650,000 to 700,000 pounds of tobacco, and the average price of the entire purchase will be about \$8.15 per hundred.

This deal was to have been made last Saturday, but was delayed on account of a mistake by the committee in figuring on the general average. We understand the price is very satisfactory to the members of the pool.

The Snuff people have rented Mr. W. C. White's large factory here, and this entire purchase will be received and put up here. Mr. T. G. Holman has been employed to superintend the receiving and pricing of this purchase, and will be assisted by Lock Humphrey, who has been working for the American Snuff Co. for several years.

The contract provides that they can begin delivering this tobacco next Wednesday. They will also make an effort to buy all the independent tobacco throughout this section that has not been sold. This company also closed a deal Tuesday for the Lamasco pool of tobacco, in Lyon county, which amounts to about 250,000 pounds, and that will also be delivered and handled here.

**What We Never Forget** according to science, are the things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures proves its merit. Unrivaled for piles, corns or cold-sores. Only 25c at Dale & Stubblefield's.

### Factory Burns at Hazel.

The large tobacco barn of Palmer & Brown, of Hazel, was destroyed by fire Tuesday morning together with a large amount of tobacco. The fire originated from a spark from the boiler.

room and started in a bulk of dry tobacco. A high wind was blowing and the building was quickly reduced to ashes. A small residence across the road from the factory was also burned. This is the second fire loss sustained by this firm in the past three years.

### Commercial Club Elects New Officers.

An enthusiastic and well attended meeting of the Murray Commercial Club was held last Monday. It was the occasion of the annual election of officers and resulted in the election of Nat Ryan, president; L. Y. Woodruff, vice-president; W. H. Finney, secretary; H. B. Gilbert, treasurer. The meeting was an enthusiastic one and renewed energy and vigor was injected into the club and promises for further accomplishments for the city and county were freely predicted.

John W. Sickelsmith, Greensboro, Pa., has three children, and like most children they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by dealers.

## PREACHED FUNERAL

Of Man On Date Set for His Marriage and the City of Fulton is Stirred by Tragedy.

Fulton, Ky., March 18. The little city of Fulton was profoundly stirred this morning by the suicide of Lucian Binford, one of the most prominent men of this place, who in the early gray of the dawn, placed an automatic revolver in his temple and blew out his own brains. Death ensued within a few hours.

Mr. Binford was to have been married on Wednesday, a day which was made sad by his obituary, a day on which his marriage rites spoke over his casket. A lovely young Fulton girl was the man's fiance and it was but a few hours after leaving her home that Lucian Binford ended his life. He left home shortly after 12 o'clock and went to the home of his brother, Pomp R. Binford, where he was staying until after the marriage. Going at once to his room upstairs, he remained without even lying down. As Pomp Binford left the house to board an early morning train, he was startled by a shot and rushed upstairs to find his brother prostrate on the floor, with a gaping hole through his temples and the automatic clutched in his hand.

A note was found in the room where the tragedy took place, which stated that financial troubles were the cause of the deed. "I love Pearl. She is sweet and good, and has nothing to do with this," ran the pathetic note, "but I couldn't take care of her like I should, so I am doing this."

He had just completed a handsome home near the city which he and his bride were to occupy. He was prosperous and his family estate was in no danger whatever of financial embarrassment of any nature. The Binford family is one of the most prominent of this section. But a few years ago a brother of Lucian Binford, Pink Binford, shot himself on his wedding eve. Three brothers, Charles, Lon and Pomp, well known Fultonians, survive him, besides two sisters, Mrs. Smith Fields and Miss Inez Binford.

### Murray Route 5.

Dear editor:—As I have not seen anything from this part of the county I thought I would write a few items.

There are no weddings to report. There was preaching at Locust Grove Sunday and a very good crowd for the roads to be so bad.

Say, there is nothing but mud in this part of the country, there's not but one road hole in the road that is from one end of the road to the other.

Glen Linn, and wife visited

## CONN LINN AND WIFE SATURDAY NIGHT AND SUNDAY.

Sherman Linn and Miss Lucille Nix visited Dee St John and wife Saturday night. Ivan Miller and wife and Frank Gippson and wife visited Late Cunningham and wife Sunday.

Miss Bessie Paschal and a Miss Swann and Sam Brewer visited Oscar Trevathan and wife Saturday night and Sunday. Hoyt Craig visited Porter Linn Sunday.

C. B. Linn visited his son J. L. Linn Sunday. Also his son, Glen, Sunday night. Tom Linn spent one night the last week with his brother, J. L. Linn.

Porter Linn has a new ring, who of you girls want to wear it.

Ask Rubie Linn what she knows about butter beans. Ask Bernard Trevathan if the roads are very dusty. Ask Polly Wilcox if she ever fell down with a bucket of milk.

There were a lot of the people went to town the other day to hear the trial of the Pettie boy who killed his father. Well I will ring off, hoping this will escape the waste basket and wishing success to the Ledger and all of its readers. Blue Bell.

### Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping cough and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by Dale & Stubblefield.

### Clarksville Tobacco.

Clarksville, Tenn., March 18. The past week was a good one on the Clarksville tobacco market, the loose floor concerns and the Planters' Protective association doing a splendid business. The deliveries for the past week have been exceptionally heavy, probably heavier than at any time this season. If the highways will permit the deliveries will likely continue this way until the bulk of the last years crop is disposed of.

The Planters Protective association the past week sold 123 hogsheads. The market is active, prices strong and everybody busy. Quotations: Trash, \$5.50; low lugs, \$5.75; common lugs, \$6.50; 7.00; medium lugs, \$7.50; good lugs, \$7.75; low leaf, \$8.25; common leaf, \$9.50; 10; medium leaf, \$10.12; good leaf, \$12.50; 13.50; fine leaf, none offering.

## FARM TRAIN

The Agricultural Special Will Exhibit in Murray During April, Under Auspices Agricultural College.

The Agricultural Special train which is being prepared by the College of Agriculture of the State Department of Agriculture at Frankfort, to be run over the various roads of Kentucky, will be one of the best educational opportunities that has ever been offered to the people of Kentucky. Much time and money has been spent in the effort to make this train a "university on wheels", to be taken to the very doors of the people.

This special will arrive in Murray about April 9th. Exact date will be announced later. Every farmer in the county should be here. A rare opportunity is offered the people to thus acquaint themselves regarding modern farming ideas. The State is at a heavy expense in providing this special and the people should be eager to grasp the advantage of learning the new ideas.

Besides the two living cars which will accommodate the thirty or more people who will compose the staff, there will be six cars devoted to the various lines of agriculture, fitted up with exhibits illustrative of the topics of the lectures. To give an index as to the make-up of the exhibits, the following may be mentioned: Grain and forage crops of Kentucky; improved farm implements; enlarged photographs, teaching lessons in agriculture; scores of agricultural charts; live stock of various kinds; illustrations of the work of the College; printed bulletins regarding free courses; samples of soils and fertilizers; spraying outfits for orchards and gardens; completely equipped dairy; work of insect and fungus pests and devices for their destruction; rations suitable for various classes of live stock; scores of fowls of all types; incubators, brooders, and poultry supplies; domestic science car fully equipped; large variety of agricultural bulletins and many other interesting things too numerous to mention.

The lectures will be upon such subjects as the following: Soil management; restoration of worn soils; mixing and applying fertilizers; crop rations; feeding, breeding and management of live stock; judging of live stock; market classes and grades of live stock; dairy cattle, breeding and

feeding; dairy management; diseases of live stock; orchard and small fruit management; insect and fungus pests and their eradication; sprays and spraying; truck gardening; poultry raising and management; cookery, composition of foods, etc.; household equipment and home decoration; home and farm sanitation; and agricultural clubs.

The specialists from the College will treat the various lines of agriculture that are to be presented and their work will be supplemented by the services of some of the most widely known authorities in the United States. Special attention should be called to the woman's work, which will occupy one entire coach. This will be in charge of some of the best known authorities in the country on home economics in all its branches.

Literature on the topics treated will be given away to those interested in any particular subject. The day and hour at which this train will arrive here will be printed in this paper, special notice having been sent from headquarters.

A pain in the side or back that catches you when you straighten up calls for a rubbini application of Ballard's Snow Liniment. It relaxes the contracted muscles and permits ordinary bodily movement without suffering or inconvenience. Price 25c, 50c and \$1.00. Sold by Dale & Stubblefield.

**Held to the Grand Jury.** Cleve James, who was arrested some few days ago upon a warrant charging that he secured money falsely, and placed under a \$500 bond was given a preliminary hearing Wednesday morning before Judge Patterson and held to the grand jury and bond was fixed at \$500 which he promptly executed. Mr. James was until recently associated with J. B. Swann in the prizing of association tobacco at Lynn Grove and it is alleged that in this capacity he secured money falsely.

**"Old Pide" Removed.** The farmers of the county can now come to town and leave their effects in their wagons and buggies without suffering any agonies or fears from the deductions of "old pide." Commencing with today the bovine tribe will have to be kept confined by their owners or the city marshal will take care of them, at the owner's expense.—Benton Tribune-Democrat.

FAREWELL DAY AT KY CAPITAL

LEGISLATURE OF 1912 NOW ENDS. DURES IN MEMORY ONLY. MEMBERS GOING HOME. EXCEPTIONALLY HARMONIOUS

Frankfort, Get-away day for members of the legislature of 1912 brought its usual sad features. The capital practically is deserted, there being only a remnant of the legislators left. Each train carried out of the city the members in every direction...

House Defeats Employer Act

Anti-Lobbying Bill Defeated. The bill to regulate lobbying and the conduct of legislative counsel and agents in Kentucky, fourteen years were cast for the bill and thirteen against it after a motion by Senator Brock to table the bill had been lost. Senator Hubbarth, explaining his vote, said that he had never before come to the lower house. I was told that lobbyists were red devils with horns. I have never been approached improperly by a lobbyist, but on the other hand I have received a good deal of valuable information from them which has enabled me to legislate properly on the other side. The bill passed the house Jan. 25, 9 to 25 and now goes to the governor. Three amendments offered to the measure in the senate were voted down. One by Senator Doolittle of Lawrenceburg, sought to make the law applicable only to cities of the first and second classes, while another by Senator Hubbarth of Paducah sought to limit the law to cities of the first class. Both these amendments were lost by decisive viva voce votes. He said he would vote against the bill. The bill was passed by a vote of 29 to 9. Senator Ryan moved that it be cleared immediately...

I had a son, when quite young he suffered from bladder or kidney affliction. I called in my physician, he attended him, but did him no good. Altho by accident I noticed an advertisement about the curative properties of Dr. Klinger's Swamp-Root. I procured a bottle and gave it to him according to directions. It cured him of what was thought was almost impossible and the same with others of my family. I have such strong faith in Swamp-Root that I have never done without it. It has cured my wife's bladder and kidney troubles and I am led to believe that it is one of the best medicines for the purpose for which it is used, that has ever been discovered.

Prove What Swamp-Root Will Do For You. Send to Dr. Klinger & Co., Piquette, Mich., for a sample bottle. It will convince anyone. Not That Kind. "It would save a lot of trouble," said a newspaper man the other day to Representative Stuyden of Texas, after the Democratic caucus on the Henry resolution to investigate the "money trust." "If you would allow us to attend the caucus?" "On the contrary," replied Mr. Stuyden, "with a female in the eye, I thought it would make a lot of trouble."

Five Minutes' Trial and Sentence.—Baltimore, Md.—Emmons Waller, a negro, who assaulted Ella Bailey, the pretty 16-year-old daughter of Justice of the Peace W. H. H. Bailey, of Hebron, Md., and who was taken to the jail at Salisbury to await trial, is now in the Maryland penitentiary in this city, serving a term of 10 years.

The authorities at Salisbury, anticipating trouble, had the grand jury indicted Waller. Then Judges Sloan and Jones appointed counsel for Waller, who immediately pleaded guilty. He was convicted and sentence imposed, five minutes elapsing during the entire procedure. Waller was then hurried into an auto and carried to the train for Baltimore.

## TRIED REMEDY FOR THE GRIP.

Atorished Husband.  
"De Wolfe Hopper tells a good story about the domestic unhappiness of another actor. The hero of the joke was a man who had married because the woman had much money, although he was naturally after the wedding ceremony and the acquisition of the bride's financial resources, the husband was never very attentive to her. Another member of the company in which the couple were appearing was, however, far more appreciative of the lady's charms, and proceeded to make love to her in an ardent but stealthy manner. The grand finale came one evening when the actor discovered the other man kissing his wife. The fond lover stood petrified with fear, and expected to be shot down the next moment. No such thing happened. The outraged husband only lifted his hands toward the ceiling with a gesture of intense surprise, and exclaimed: "Merciful heaven! And he didn't even have to!"

His Big Complaint.  
Senator Beveridge, at a luncheon in New York, was talking about the child labor problem.  
"Children are so plucky and so cheerful," he said, "we don't realize how horribly overworked they are till it's too late—till their bodies and minds are stunted irrevocably."  
"I was once talking to a tiny errand boy at the height of the Christmas shopping season. He was working, I knew, 17 hours a day. As he walked sturdily along with a mountain of parcels piled on his thin, narrow shoulders, I said to him:  
"Do you like your job?"  
"Yes, sir," he said; "I like it fine. Only—"  
"Here he grinned up at me gayly from beneath his load.  
"Only I'm afraid I'm doing an automobile truck out of a job."

## HARD TO DROP But Many Drop It.

A young Calif. wife talks about coffee:  
"It was hard to drop Mocha and Java and give Postum a trial, but my nerves were so shattered that I was a nervous wreck and of course that means all kinds of trouble. At first I thought bicycle riding caused it and I gave it up, but my condition remained unchanged. I did not want to acknowledge coffee caused the trouble for I was very fond of it.  
"About that time a friend came to live with us, and I noticed that after he had been with us a week he would not drink his coffee any more. I asked him the reason. He replied, 'I have not had a headache since I left off drinking coffee, some months ago. The last week, when I began again, here at your table, I don't see how anyone can like coffee, anyway, after drinking Postum!'  
"I said nothing, but at once ordered a package of Postum. That was five months ago, and we have drunk no coffee since, except on two occasions when we had company, and the result each time was that my husband could not sleep, but lay awake and tossed and talked half the night. We were convinced that coffee caused his suffering, so we returned to Postum, and instead of a friend, and he is troubled no more by insomnia.  
"I myself, have gained 8 pounds in weight, and my nerves have ceased to quiver. It seems so easy now to quit the old coffee that caused our aches and fits and take up Postum." Name given by Postum Co., Battle Creek, Mich.  
Read the little book, "The Road to Wellville," in plain, "There's a reason." It tells you the above letter! A new one appears from time to time. They are genuine, true, and full of health interest.

"Goebel" is dead, and as a result Ellie Cochran and his family have been wearing "widow's weeds" since last Sunday morning. "Goebel" was the faithful and intelligent old dog belonging to the family and after several days illness Dr. Tyree was called in Sunday and administered a fatal dose and "Goebel" passed into the happy hunting grounds. He was an exceptional dog, and no man ever possessed a better friend than a good dog.

Last Saturday was a pleasant, warm spring day and the first day of sunshine that Calloway has been blessed with "in a coon's age," and as a result the town was well filled with people from the county. Mr. Haley was here buying mules, and the examining trial of the Pettie boy for the murder of his father caused many of the people to be here.

D. L. Thomas, the well known merchant of the east side, died Thursday morning of this week at his home after a short illness of pneumonia. He was about 62 years of age and one of the county's substantial citizens and was widely and well known. He is survived by a wife and one son.

Will Linn, of Chickasha, Ok., arrived here Tuesday night and will spend a few days here the guest of relatives and friends. His little daughter will possibly return to Oklahoma for a months stay with her father.

The T. F. Banks' stock of goods including the soda fountain, was sold last Monday by the receiver and was purchased for the Bank of Murray by J. E. Owen for \$821.

**MONROE A. THOMAS**  
**REAL ESTATE EXCHANGE**

To My Friends and Patrons in Murray and Calloway County:

I want to say to all parties desiring to list their property with me to do so as early as possible. This is a great advantage to both buyer and seller, and gives one more time for advertising. Anyone can sell and buy now, to get and give possession in the fall. Parties doing this can often times get property they so much desire.

I do not promise that I can sell every piece of property that might be placed in my hands for sale, but all property listed with me for reasonable prices and time will put forth every honest effort possible to effect a sale.

All parties desiring to buy or sell town or county property, would be pleased to have you call on me. Would appreciate your coming in and talking with me along this line of business, whether you list with me or not. A hearty welcome and courteous treatment to all.

Thanking all parties having already and will list their property with me.

## Nervous? Thin? Pale?

Are you easily tired, lack your usual vigor and strength? Then your digestion must be poor, your blood must be thin, your nerves must be weak. You need a strong tonic. You need Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. We believe your doctor will endorse these statements. Ask and find out. If you think constipation is of troubling consequence, ask your doctor. He will advise you of that notion in short order. "Correct it at once!" he will say. "Then ask him about Ayer's Pills. A mild liver pill, all vegetable."

### CAN YOU ASK MORE?

Your Money Back for the Asking. You Promise Nothing.

We are so confident that we can furnish relief for indigestion and dyspepsia that we promise to supply the medicine free of all cost to every one who uses it according to directions who is not perfectly satisfied with the results. We exact no promises and put no one under any obligation whatever. Surely nothing could be fairer. We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one who is troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home, and give them a reasonable trial, according to directions. If they don't please you, tell us and we will quickly return your money. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents, and 50 cents. Remember, you can obtain Rexall Remedies in Murray at our store, The Rexall Store, Dale & Stubblefield.

### CHILDREN INJURED

Ordinary Cathartics and Pills and Harsh Physics Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very greatest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other after-effects that are frequently health-destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, and particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents, and 50 cents. Remember, you can obtain Rexall Remedies in Murray at our store, The Rexall Store, Dale & Stubblefield.

### Card of Thanks.

We desire to thank the good people of Murray and Hazel who were so kind to us and did so much for us and ours in our recent bereavement. May the Lord bless and comfort you with such friends when you or yours come to die. May He love and keep you till that hour is our prayer.

He was a medal winner in the \$1000 saddle stake at Pembroke in 1908 with ten entries of the best horses in Kentucky and Tennessee. His sire sold for \$2500 and his grandsire Artist 75 for \$2000 at the age of 16 years. ### MORE TAAN SKIN DEEP

MORE THAN A SKIN IS NEEDED TO CURE PILES PERMANENTLY. Don't be disappointed if you fail to get a lasting cure of piles with salves. The cause of piles is more than skin deep. It is sluggish, flabby veins—pockets filled with thick, bad blood.
