I wish to announce that I have appointed Mr. William S. Provencher to take charge of the revived Civilian Defense Fire Fighters. Mr. Provencher, who was head of the Civilian Defense during the war period, has generously accepted to serve in such capacity during this period of emergency.

I would like to ask all those that served as fire fighters with the Divilian Defense organization during the last war, or from any other volunteers to give their names in person or by telephone to the Central Fire Station as soon as convenient,

I feel that evéry possible step should be taken to face the situation if and when an emergency arises.
