Gentlemen:

Some years ago, Dr. E.L. Thorndike and his staff made an extensive survey concerning living conditions in some of the larger cities and towns in the country.

If such is available, I would greatly appreciate receiving a copy of the report made by Dr. Thorndike, after he completed his survey.

Very truly yours,

GUY P. LADOUCEUR,
Manager.

Mr. Guy P. Ladouceur,
Lewiston Chamber of Commerce,
90 Middle Street,
Lewiston, Maine.

Dear Mr. Ladouceur:

According to my information Dr. Edward L. Thorndike
published at least three monographs as follows:

144 Smaller Cities	Harcourt Brace	1940
Your City	Harcourt Brace	1939
American City and States, Annals of the New York Academy of Science 39, Art. 4, pp. 213-98		

The Institute of Psychological Research, however, has
no copies available. I would suggest that you may
obtain copies of the first two publications from
Harcourt Brace and Co., and the third from the
secretary of the New York Academy of Science.

Very truly yours,
