Dear Mother
In D.C. at 3:30 - now
settled at YMCA - called Bill -
he is working nights this
week, but we will get to-
gether some way! I plan to
call you on Sunday - sometime
in the morning. Trip so far
has been relaxing & pleasant -
D.C. is warm and rainy.
One thing I forgot - a field jacket -
I'll write if I want it. I have
a feeling that Daddy & HB are
with you in Boston - my
love to you all - best to the
Epsteins & all the clan -
Love,
Sumner
