March 21<sup>st</sup> 1906.

President Agricultural  
College, Logan, Utah.

If there is a position  
open in the music depart-  
ment of the Agricultural  
College for the summer or  
winter school I should like  
to apply for the same.

Am a graduate of the  
Music Department of Teach-  
ers College, Columbia Uni-  
versity, 1904, and have taken

special lessons in voice culture from the Mehos in New York City for four years.

Last summer I had charge of the music and taught hand work at the Utah University Summer School.

Mr. Stewart was the principal of the school and I can give his name as reference, also Mr. Charles Furusworth supervisor music at Teachers College.

I have also had a  
experience in teaching  
sic and land work in  
New York City.

Yours respectfully,

Emily W. Jessup.
