My dear Sir:

It gives me pleasure to endorse Miss Blanche Cooper as a teacher of Domestic Science. Miss Cooper tells me that she has received a letter from you saying that her application for a position as assistant in Domestic Science is on file.

Miss Cooper is remaining with us a year, and will receive our diploma at the end of that time. Miss Cooper has a good mind, is an excellent student and a hard worker. She is not yet sufficiently mature to become the head of a department, but I am sure that she will do faithful work as an assistant. She has an open mind, is ready to take suggestions, and her practical work is good. She is ladylike, and has a pleasing personality.

I shall be happy to answer any questions that may occur to you.

Very truly yours,

Helen Kinne
