I shall hold then a Bachelor of Arts degree and a College-Normal certificate from the University of Utah. I have paid special attention to English and to mathematics in my course, and should be glad to teach.

Besides the regular Normal training, I have had some practical experience in teaching Composition in the University Preparatory School here, during nineteen six and nineteen seven, with irregular salary as references I beg to offer Professor F W Reynolds of the English Department and Mr. Stewart, president of the Normal school, from the University of Utah, and Mr George A Eaton, principal of the Salt Lake City High School, of which I am a graduate

Respectfully Yours,
