President W. J. Kerr,
Logan, Utah.

Dear Sir:

I take this liberty, although you are not acquainted with me, of recommending to you Mr John Foster as a thorough, conscientious student. He has been at Stanford for four years past two of which I was with him. I have no hesitation in saying that any work you may assign him in his line will be performed with credit to any institution. His character too is all that any one might desire.

If you have any opportunity to include him in your faculty, I feel ^{sure} that he will become a very valuable and permanent addition thereto.

Very respectfully,
O. J. Jensen

Associate professor of Pedagogy,
S. D. S. U. Salt Lake City.
