To Mom & Dad

3am, the moon is high in the sky,
and Heebie is finally done
with school for the night.

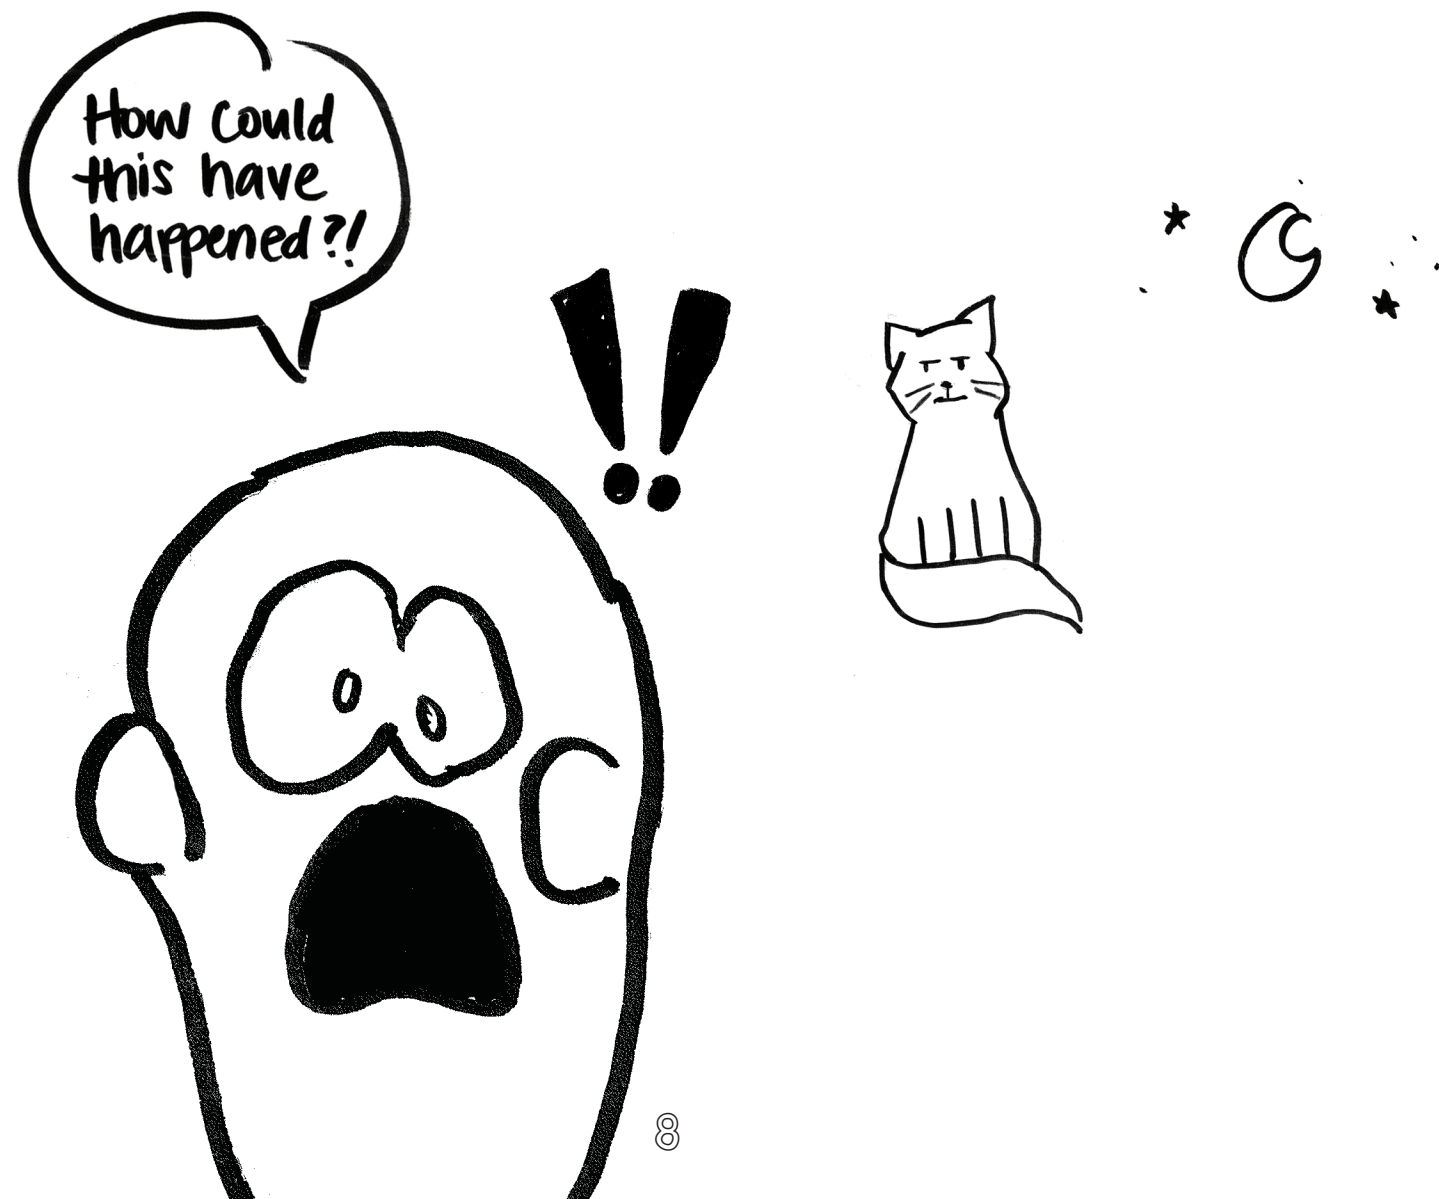

Heebie is supposed to go straight home, but tonight Heebie's friends want to play.

Heebie is having lots of fun playing
with the other ghosts, but soon the
moon begins to sink in the sky...

By the time Heebie realizes what time it is, the night is almost over.

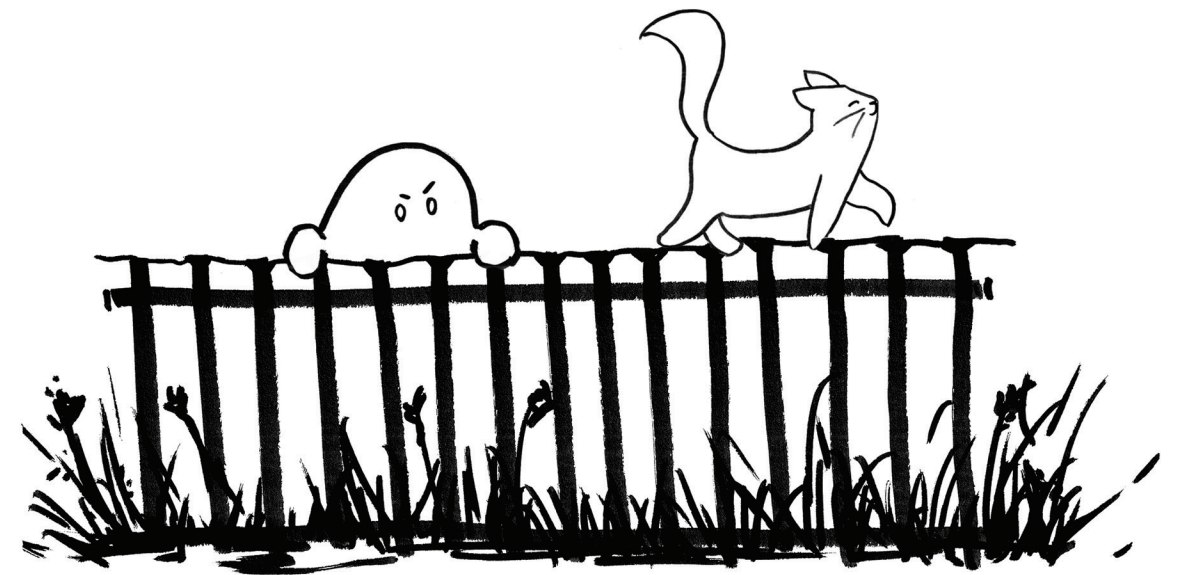

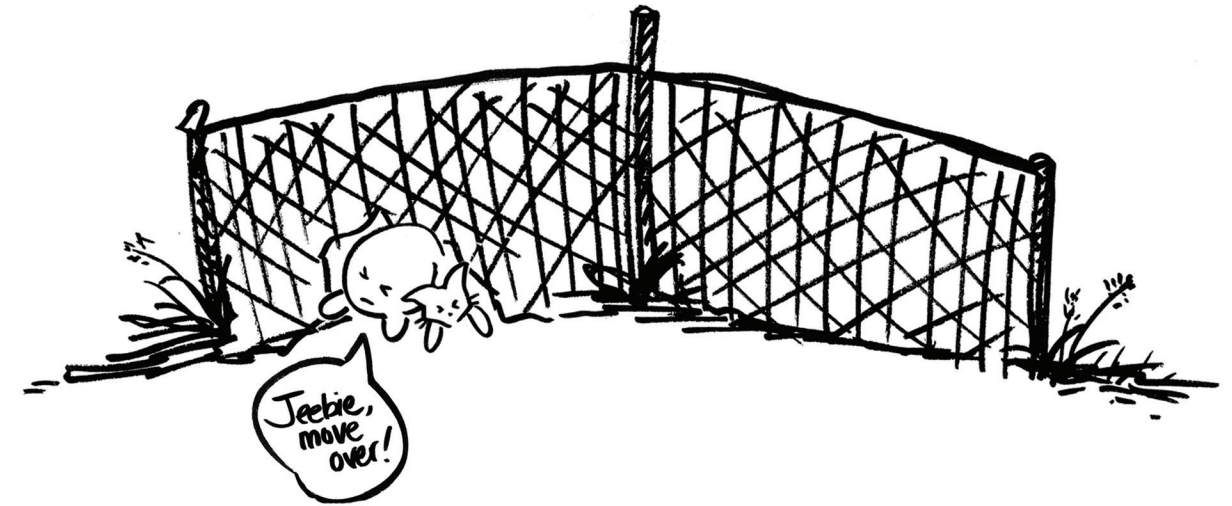

Heebie knows that the usual way
home will take too long,

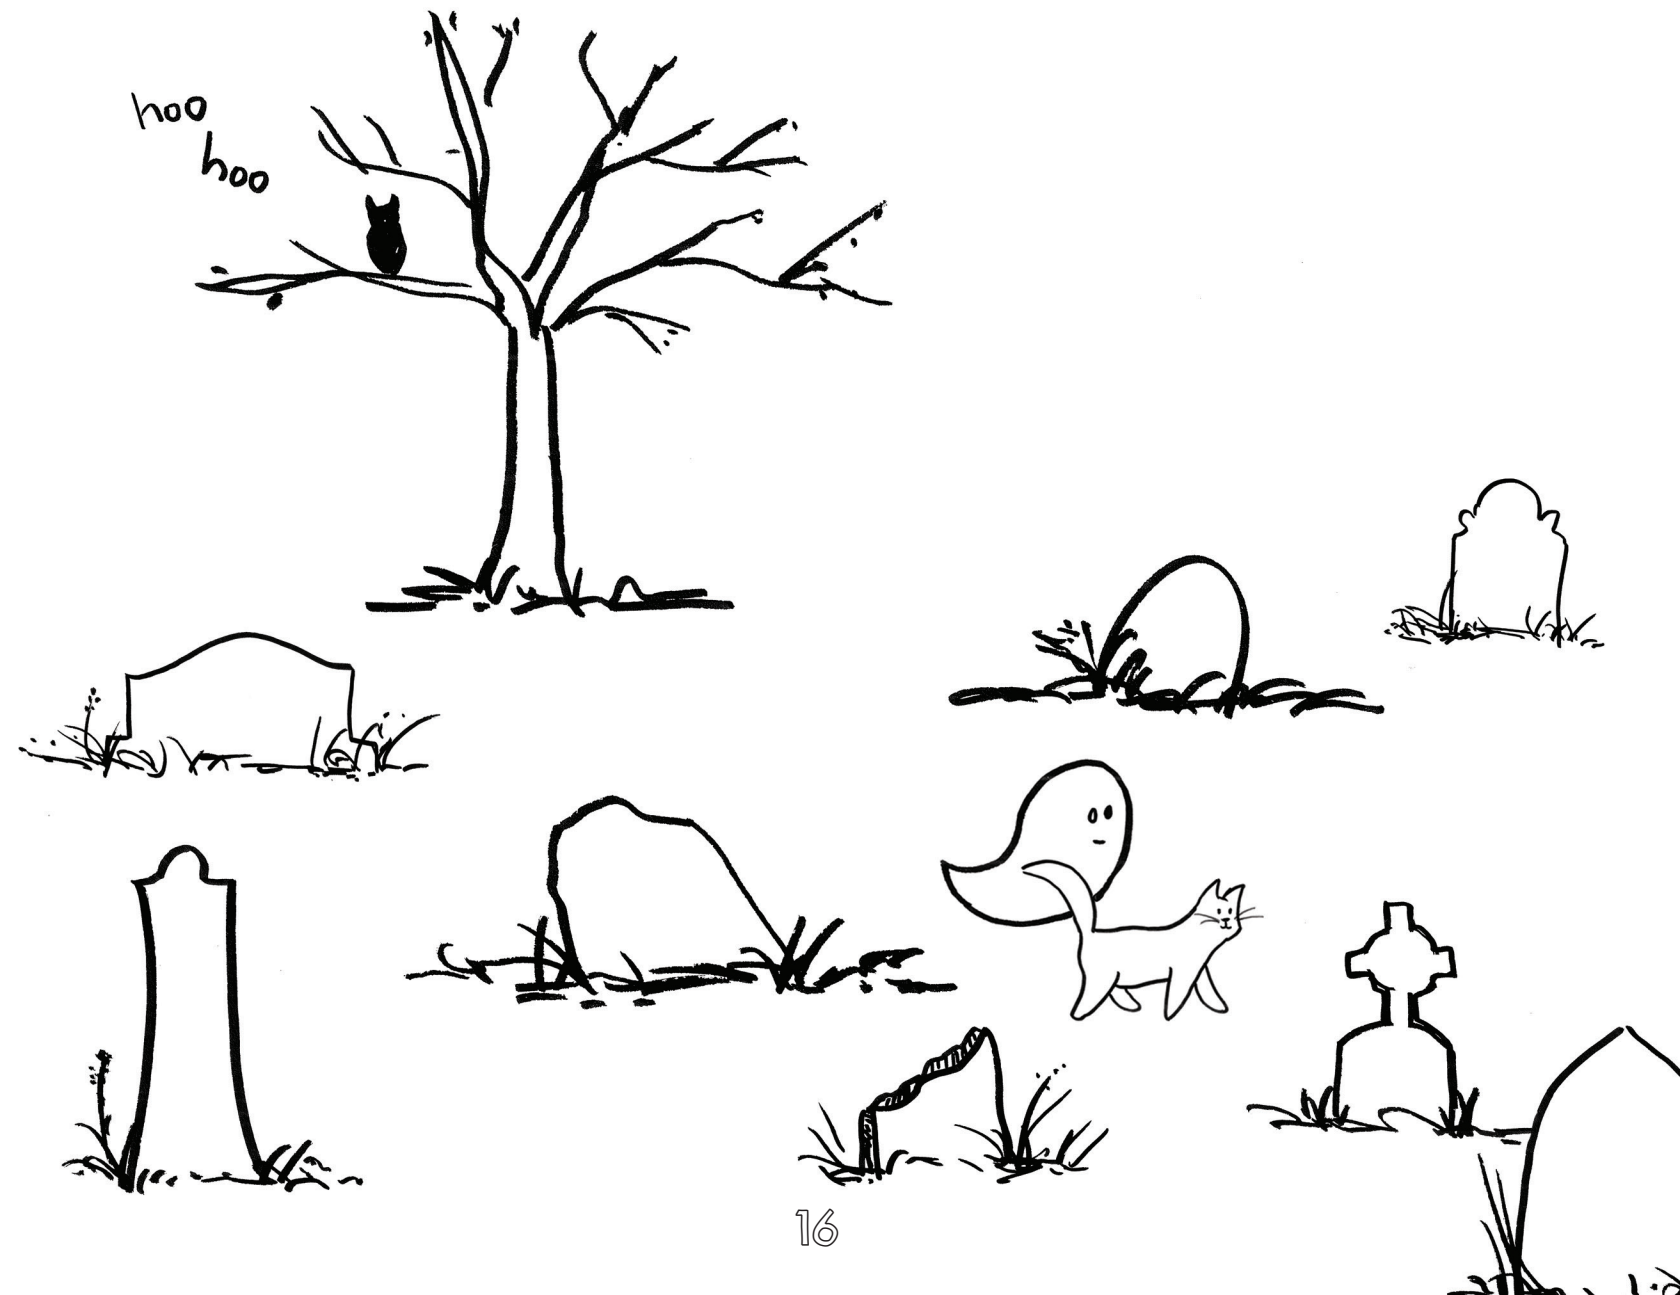

so Heebie and Jeebie decide
to take a shortcut.

**They squeeze under fences
and climb over walls**

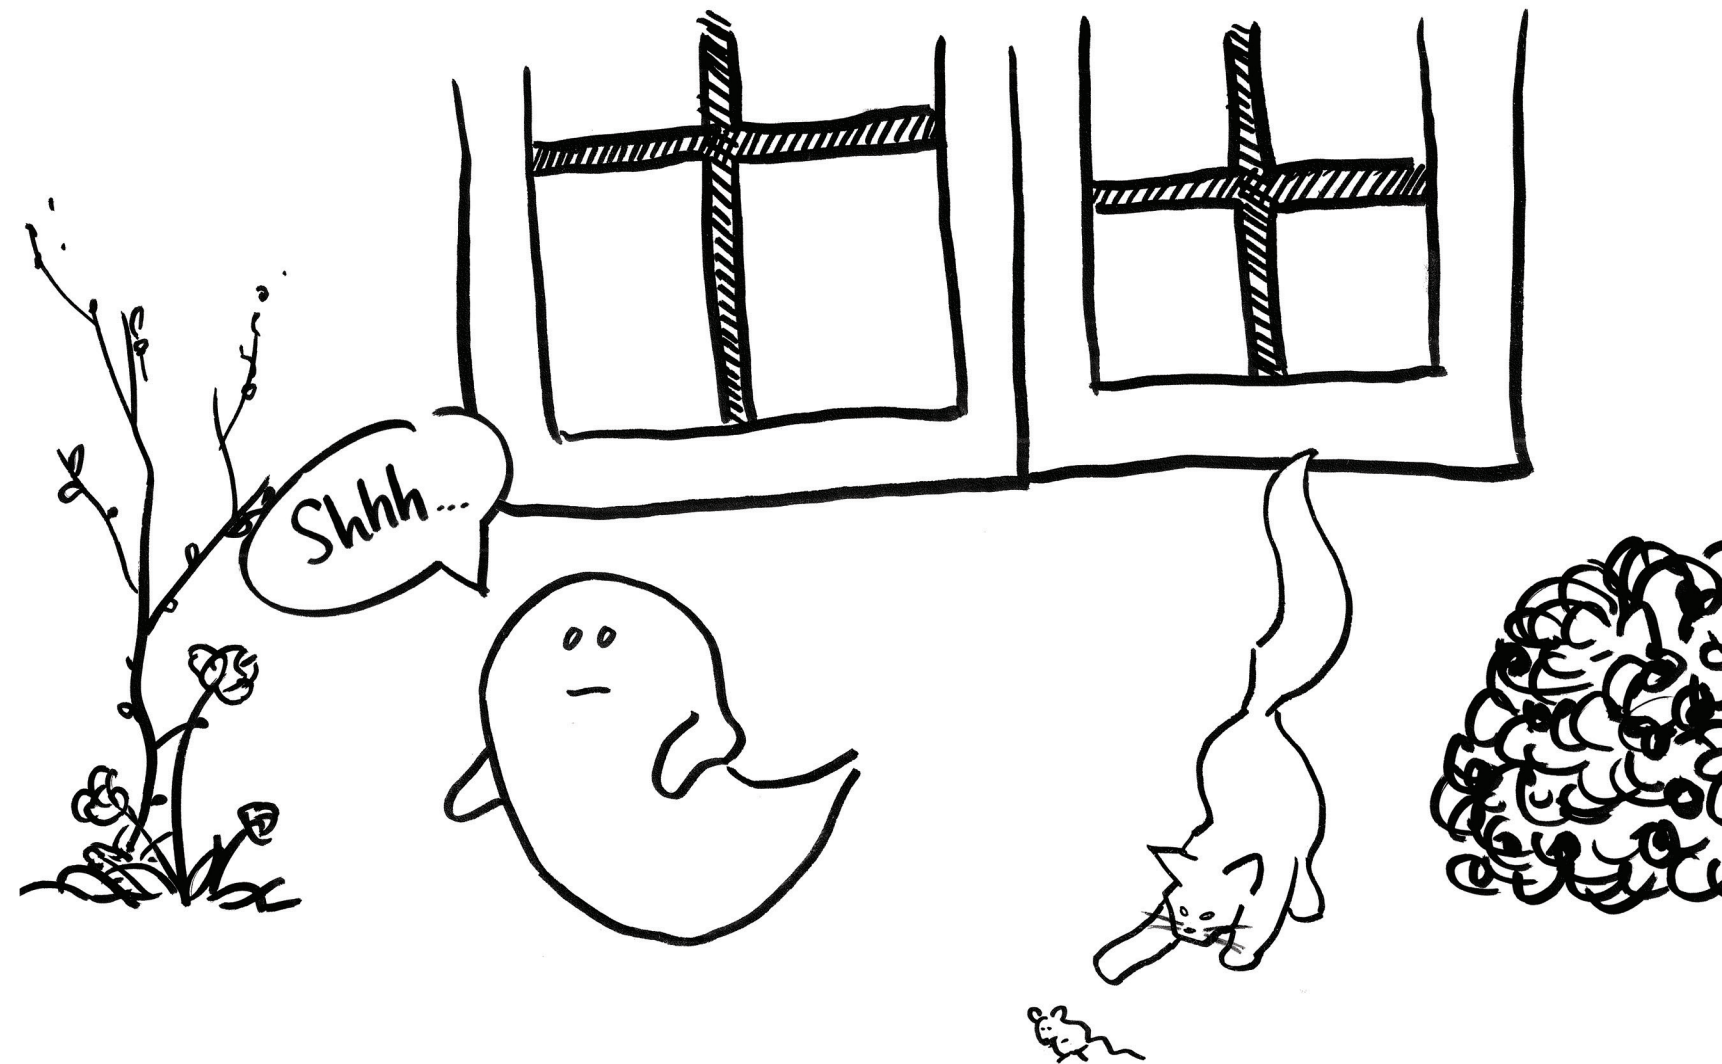

sneak through a graveyard
(which is nice and quiet)

and a human yard
(which is scary and loud)

They tiptoe past windows

duck down alleys

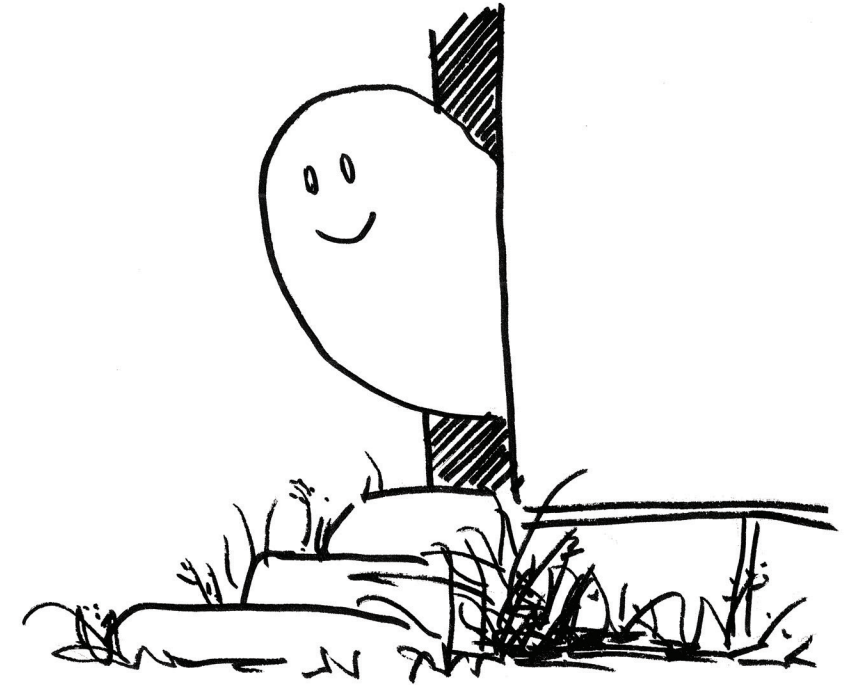

Almost there, Jeebie!

slip through the shadows and
race against the rising sun.

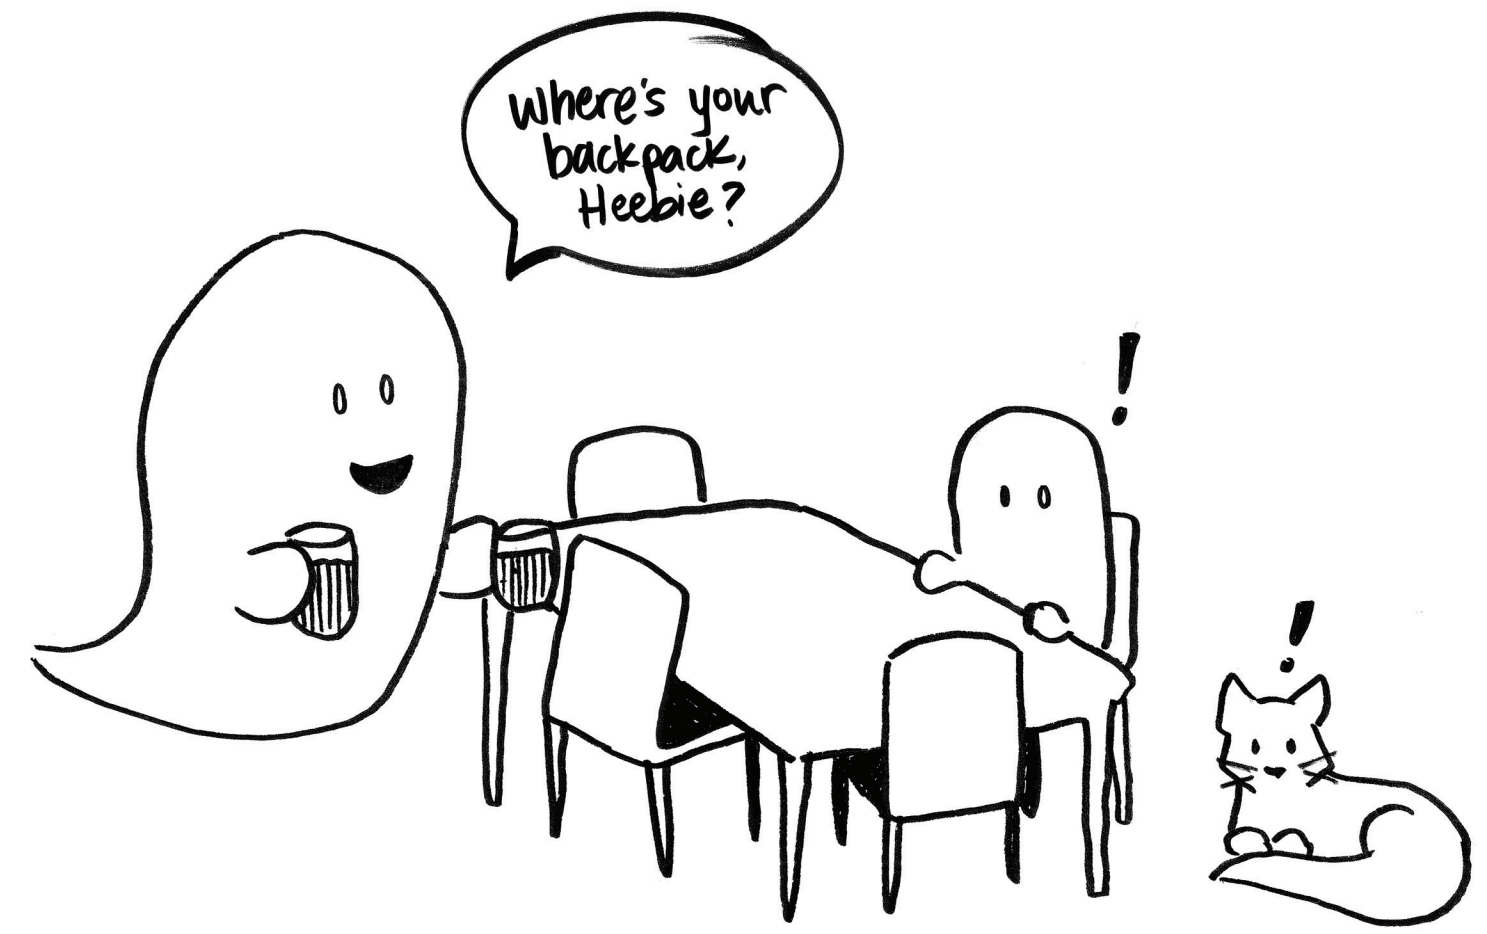

The sky is starting to get light
when they finally arrive home,

safe and sound,

and just in time for dinner.

THE END
