Gentlemen:

I write to ascertain if you are in need of a thoroughly trained teacher of Gregg Shorthand and Touch Typewriting for next year.

If so I should like to recommend a candidate who has been trained at this school and is a thoroughly proficient Gregg Writer and Touch operator, besides being familiar with the method of organization that has given this school whatever prestige it may have.

All information will be treated in strict confidence, and I sincerely hope you will go into detail with me.

Very truly,
