President of Agricultural College of Utah.

Logan, Utah.

Sir:-

If there arise a vacancy in your Art department for the next school year, I should like to correspond in regard to the same.

I have studied the Fine Arts abroad as well as in some of the best schools of United States as: M. Julian School, Paris and under the master Jean Paul Laurens - New York Art League and School and Cincinnati Art Academy.

For the past five years I have

from the director of the Art department of Colorado State Normal School at Greeley, Colo but owing to ill-health from the high altitude, I resigned my position last May. While teaching I am taking the advanced year of Applied design and crafts at the Philadelphia School of Industrial Art. Designing for all kinds of materials. I am also taking a review of History of Art at Drexel Institute and University Extension Course, tho I have had some elsewhere and given talks on it.

However if a vacancy arises I will be pleased to give detailed information of what I teach which includes nearly everything under the head of my vocation and is too numerous to mention in first letter.

Hoping I may hear from

you favourably at an early date -

Very respectfully -

(Miss) Harriet Jay.

Yours truly,
