Prof. Wilson,
Dear Sir,

I see by the paper that you have been granted leave of absence for two years and write to see whether you have made any arrangements for a substitute during that time, as I wish to find a modern language position for next year. I had charge of the modern language work here last year during the absence of Mr. Arnoldson in Europe and this year have been assisting in that department and in Latin and I wish to find a place where I may devote myself

exclusively to modern languages. I
have my A. B. and A. M. from Bowdoin
College, Brunswick, Me. and have lived
three years in Europe, studying two
in France and one in Germany
and I have also done graduate work
three summers in the University
of Chicago, and taught two French
courses there last summer. Should
you care to inquire into my record

on the Faculty here. I am very eager
to get a position this before summer
as I want to spend the vacation
studying in Spain, if I can
arrange it. I had some correspondence
with Trust Her last year about the
position you hold and perhaps
he will remember me.

Sincerely yours,
Frank R. Arnold.

My dear Sir:-- Prof. Wilson has just handed me your letter to him regarding the employment of a substitute in the department of Modern Languages in the College during Prof. Wilson's absence in Europe. I asked Prof. Wilson to write you regarding the work that would be required next year in languages.

No arrangements have been made for the work, and if, after you receive Prof. Wilson's letter, you think you would care to accept the position, it is quite probable that satisfactory arrangements can be made for your employment. I am not sure, however, that the work is such as to justify the payment of a salary that would warrant your accepting the position.

As I desire, as soon as possible, to arrange definitely for all of next year's work, I shall be pleased to have you write me at once, suggesting about what compensation you would expect.

Sincerely yours,

President.
