Mr. Wm. J. Kee

Pres. A. U. Utah

Dear Sir

I write to you in regard to a Mr. Frank Arnold who wishes to apply for the position of instructor in the Modern Languages in your College.

I have known his work for two years and regard him as a most excellent teacher in both French and German

He came to the University while
our regular instructor was away
on leave of absence, and on
his return assisted him in
some of his classes

I hope if you have not already
engaged some one for the
position. I understood there
is to be a vacancy, that you
will consider Mr. Arnold's
application.

Yours Sincerely

Pres. W. J. Kerr,
Agricultural College of Utah.

Dear Professor Kerr:

Permit me to commend the efficiency of Mr. Frank R. Arnold as an instructor in both ancient and modern languages. During his employment here he has shown great enterprise, not only in teaching classes in French, German, and Latin, but also in getting up French and German plays, and working up interest in French and German

As it has been my pleasure to read French philosophy with him for some months past, I have personal knowledge both of the breadth of his educational attainments, and of his special qualifications as a teacher of French.

He has the good will of the teachers here, who, I think, all recognize his fitness to be the head of a college department of modern languages.

That position was filled here before Mr. Arnold came. However, he had
