President Dr. Kerr, Agricultural College of Utah

Dear Sir, I don't know whether I am rightly informed or not, but I have been told that it is not impossible you might make a change in your writing prose which would necessitate the employment of a man for the modern languages.

If I am erroneously informed you need of course pay no further attention to this - otherwise please let me know what the chances are.

I was told that you are compelled to economize and cannot afford much for instruction in modern languages.

As I care for a position in the localities of Utah more than I for a salary, I will accept a position at \$600 per annum.

At this low salary you could afford the risk of finding out whether or not I might be useful to you. Of my competency you will have no doubt - as you probably remember the character of the recommendations I sent you.

But you may, if you feel like it, ask Prof. Dr. S. W. Cutting, the Univ. of Chicago, and Prof. Dr. A. R. Hollfeld of the Univ. of Wisconsin, Madison, Wis. about me - also the Superintendent of Chicago City Schools, Hon. E. G. Cooley, Tribune Building, Chicago. I have been teaching in the City High schools, but don't like the work. - If my supposition is wrong, please excuse

Very truly
C. Heggert

Dear Sir:-

Replying to your favor of the 2d inst., will say that, so far as I know at present, there will be no vacancy in the Department of Modern Languages of the College next year. Should there be an opening for you, I shall be glad to write you.

Yours truly,

W. J. KERR, President.
