Pres. W. J. Kerr,
Logan, Utah.

My preparation was made in the Iowa State Normal School where I took

the complete pedagogical Course and in the University of Michigan from which I hold the degree of Bachelor of Philosophy, together with a Special Diploma in English.

As to my experience in teaching, I have spent five years in the high schools of Iowa, chiefly in the departments of English and Latin; one year as the head of the English Department in Santa Ana, California; and

Am now in my second year's work
in English in the Ogden High School.
Before entering high school work,

with Mr. Wilson and find him very

of nothing, as yet, that should hinder
my accepting your kind offer,

You may consider me a willing Candidate for the position, providing the salary is satisfactory. I think you will agree with me that my preparation and experience should command \$1,000 per year.

If I should decide to go abroad and find it impossible to visit the College after our High School closes,

I shall try to come up some Saturday,
if that would be satisfactory.

Hoping to receive a favorable
reply in the near future,
