President of the State University,  
Logan, Utah.

Dear Sir, - Will you kindly inform me if there will be a vacancy in the department of English or of Latin in your university?

I have completed almost two years' graduate work in English in the State University of Iowa, and, as scholar and fellow in English, I have done critical work for different English classes. I expect a master's degree this year. During my undergraduate career, I carried Latin throughout the classical course of this institution, I am able to furnish references, should you desire them,

Yours very truly,  
Mary E. Polk.
