President W. V. Kerr,

Logan, Utah.

Dear Sir:-

I filed with you last July an application for an instructorship in Mathematics in Agricultural College of Utah. I now wish to renew that application, and write to ask that you will consider me as a candidate should there be a suitable vacancy in that department for next September.

If you have not preserved the application and testimonials which I sent you last summer, I shall be glad to supply you with new ones.

Very truly yours,

Frances B. Hatcher
