Dear Mrs. Darwin:

I wish to add my congratulations to those of your many other friends upon the recent honor paid you by the new Y.W.C.A. group which named its organization in recognition of the many years of loyal and valuable service you have performed.

I cannot think of a happier selection for the club's name than "Edveda", and I wanted you to know the high esteem in which you are held by the people of our community.

Sincerely yours,

Jack R. Wells
