Ogden, Utah,

Apr 7. 1903.

Pres. W. J. Kerr.  
Logan, Utah.

Dear sir:— I noticed in the columns  
of a Salt Lake paper, that another  
teacher in mathematics would not be  
engaged at the A. C. this year.

I forwarded to you some letters  
written by Messrs Wilson and  
Allison and asked if you would  
have the kindness to return them

to me. They are the original copies,  
of which I have none. I desire to  
use them further. If it will not  
inconvenience you, I should like very  
much to have them again.

Yours truly

Mr. John A. Thompson,  
Ogden High School,  
Ogden, Utah.

Dear Sir:-- I am just in receipt of your favor of the 7th inst., and, as per your request, send you herewith the letters of recommendation which you sent with your application for a position in the department of Mathematics.

It is improbable that we shall require any further assistance in the department of Mathematics for next year. Should there be an opening later, I shall be pleased to write you.

Yours truly,

President.
