Pres. W. J. Kerr
A. C. U. Logan,

Dear sir:

Is it likely that you will need additional instructors in the departments of Mathematics, History and English. I sent an application to the Agricultural College some time ago for a position in these departments. Thinking that a change might have been made since the general election of teachers and that there might be such a position to fill, I write to you at this time.

Yours respectfully
John D. Speirs
(A. B. U. of W.)

June 2, 1904.

Mr. John D. Speirs,
Richmond, Utah.

Dear Sir:-

Replying to your favor of May 31st, will say that our instructors have all been employed for next year. Should there be an opening for you in the future, I shall be pleased to communicate with you

Yours very truly,

W. J. KERR, President.
