The President  
Agricultural College of Utah  
Logan -

Dear Sir,

Your favour of 25<sup>th</sup> inst to hand, and I beg to thank you for your kind assurance of assistance in the matter of employment.

There are one or two questions I should like to ask. In the catalogue I notice a clause for "Special Students" - do I understand aright that a student may take up one special study, and go right through with that, or must he take up several studies? My desire is to study especially "Poultry Culture" and devote all my time to that study if it is permissible, but if not, I shall of course take the regular courses - And, is it absolutely necessary to enter the college at the opening date, or could one enter say two or three weeks later?

Trusting I am not giving too much trouble

Yours respectfully,  
H. Garling

Mr. F. W. Garling,

Lapgreen, via. Silver City, Utah.

Dear Sir:--

Your communication of the 15th inst. is at hand. In the catalogue which the Secretary sent you, will be found general information regarding the work of the College. I am unable to assure you sufficient employment to meet your expenses while attending the College, although a large number of students have work each year sufficient to pay part, and, in some cases, all of their expenses.

Should you attend the College, I should be pleased to help you in any way I can by giving you such employment as we may have for you.

Any further information desired will be gladly given.

Yours truly,

President.
