ROBIN GATE

Alton June 28-02
President ~~Peck~~
Dear Sir:

As I am very anxious to get back to school next winter I thought it better to write you before it got too late asking for a job janitor work. I would like to get back for Foot Ball, but if I can't get work this winter, will be unable to start before holidays as I have been under the doctors care for catarrah since May 12th. If Larson can let me have the work I had before I quit school or about three hours per day I can start with school in the fall.

I would like a catalogue
of next years work if you
send them to students.

I remain yours truly
