We shall deem it a special favor, therefore, if you will kindly furnish us with a list of Japanese students for the current scholastic year.

Thanking you in advance for your courtesy, we are.

Mrs. L. B. Best,

Ogden, Utah.

Dear Madam:

Your letter of the 24th of August has just been received. I am sending you by this mail a copy of our latest catalogue. You will find full description of the manual training course on pages 50, 53 and 80 to 85. You will find the work in music described on pages 125 to 129. Private instruction on the piano may be arranged for with the instructors in music upon the arrival of your daughter here.

In the College dormitory it is customary for two girls to room together. The dormitory this year will be conducted on the club plan and students will be furnished board at actual cost. In some private places it is somewhat cheaper for two individuals to room together.

I shall be glad to give you any further assistance that I can. We shall be glad to do all we can in behalf of your daughter when she arrives.

Very sincerely yours,

President.
