Dear Sir:

An examination of your report for the year ended June 30, 1904, received today, shows that you have failed to give any information concerning the land grants received by the State of Utah for the benefit of your institution and of the funds derived from the sale of such lands. That some of such lands have been sold is evidenced by the information contained on page 2 of your report. Kindly supply the data concerning these matters as called for on page 3 of the report under "Property, year ended June 30, 1904."

Very truly yours,

Commissioner.
