Salt Lake City, Utah, May 10, 1906.

Hon. W. J. Kerr,

President Agricultural College, Logan, Utah.

Dear Sir:

It occurs to me to inquire of you about how long I am expected to speak at your commencement exercises. I assume that the exercises will be somewhat lengthy, and it would be out of place to make an address consuming more than thirty minutes' time---and probably even less than that would be preferable. And again, I would like to know if my remarks are expected to be addressed to the graduates. I should be glad to hear from you as soon as possible, and will appreciate any suggestions that you may make outside of the above inquiries.

Yours truly,

E. M. Allison
