*“...the cold only kills”*

# Love letters

*“We have just stopped for the day, after drudging and pulling the sledges for ten hours. I am really rather tired but must chat a little. First and foremost I must congratulate you on your birthday. Oh, how I wish I could tell you now that I am in excellent health and that you need not fear for us at all. We are sure to come home by and by.”*

*Silver box*

*“Ashes from near the heart of*

*Anna Albertina Constance Hawtrey (née Charlier)*

*To be placed near the grave of Nils Strindberg*

*To whom she was engaged in 1897*

*- And may the Great Conductor allow them both to share in the Music  
of the Spheres”*
