MONDAY MORNING  
EYE-OPENER

FROM THE STATE LIBRARY OF IOWA

February 24, 2020

## DALINC Conference in Eastern Iowa

The Dubuque Area Library Information Consortium—**DALINC** for short—is holding its second annual continuing education event on **April 3** at **Loras College in Dubuque, IA**. This year's theme is ***Telling Stories with Data: Making Numbers Meaningful***; this one-day conference runs from 9:30AM-3:30PM.

The opening keynote speaker is Linda Hofschire, Director of Colorado State Library's Research Service. Her keynote presentation is titled ***Data-Powered Libraries: Informed, Innovative, and Impactful***. From the **DALINC** website comes this description: *"Do you want to increase your library's value and relevance to your community? The key is in the data. As librarians, we collect a lot of data—visits, circulation, reference transactions, user satisfaction and more. But is your data gathering dust in spreadsheets or being used simply to fulfill reporting requirements? In this presentation, learn about the power of moving from having data to using data. All to make informed decisions, provide innovative services, and demonstrate the library's impact on your users and community..."*

Over lunch, Stephen Hearn, Metadata Strategist at The University of Minnesota, will provide a second keynote presentation titled ***Finding a Role for Libraries in the Web Environment***. From the **DALINC** website: *“The cataloging community is facing many changes to its standards and practices. A major goal of the changes is to open catalog data up to the web and to expand the use of web-based data in library catalogs. What could this mean? What are the implications of this shift for the current shared cataloging model? Greater integration between library metadata and the web promises new opportunities to provide rich contexts for the resources and services libraries have to offer, but getting there will not be simple...”*

Registration begins at 9:30AM with coffee and pastries; the opening keynote begins at 10:00AM, followed by a sandwich and salad luncheon. The remainder of the day offers six breakout sessions as well as a roundtable to talk about successfully using data. Breakout sessions topics are expected to include:

- Using Census Data
- Using Data For Collection Decisions and Space Needs
- Data-Driven Decision-Making in Cities
- Using Data to Improve Your Website
- Navigating Privacy Data and Community Engagement

The full day’s schedule will be posted to the [DALINC](#) website soon, so check back there for all details. Registration, though, is ready to go! **Note registration deadline is March 25th**. The cost for the full day, including morning refreshments and lunch, is **\$55.00**. The **DALINC Conference** is open to college, public, and school library staff. Thanks to Southeast District Consultant Becky Heil for extending this invitation!

### **Renew Participation in BRIDGES**

By March 31<sup>st</sup>, all current **BRIDGES** libraries need to renew their participation in this statewide eBook / audiobook consortium. Current **BRIDGES** members must complete and return a **“Letter of Agreement”** in order to renew their subscription. These are the steps:

- Find the **BRIDGES** Letter of Agreement at the State Library's website--click below
- From the left-hand menu, choose **MEMBERSHIP DOCUMENTS**
- Choose **LETTER OF AGREEMENT FOR CURRENT MEMBERS FY2021**
- Complete the form and return it to the address at the bottom of the form. Note deadline for receipt of the **AGREEMENT** is **March 31, 2020**
- **BRIDGES** member libraries will receive the invoice for their annual subscription in July. Please do not send any payment before you have the invoice in hand and then follow instructions for issuing and mailing your checks.

This is also the time of year for libraries that have not yet joined the **BRIDGES** group to do so. From the same webpage, non-participating libraries must follow the instructions from the tab **FOR NEW LIBRARIES** and choose **LETTER OF AGREEMENT FOR LIBRARIES JOINING BRIDGES FY2021**. New libraries will also find the annual subscription cost. Note that libraries joining **BRIDGES** for the first time will be assessed a \$400.00 one-time set-up fee in the first year, in addition to the annual subscription. In subsequent years, the cost goes down to the annual fee.

[Feb 27 == Pop YS Live \(1:00-2:00PM\)](#)

Join youth services staff statewide once a month for a POP of continuing education—February's installment is this Thursday February 27. Led by Youth Services Consultant Angie Manfredi, some months will be dedicated entirely to collection development, some months will look at programming, and some months hear directly from other librarians in Iowa about what they're up to. No matter what, attendees will leave each session with new ideas for best practices and keeping youth services fresh. Registration still open:
