A Black Women's Health Agenda: Applying an Intersectional Systems Approach and Reproductive Justice Lens

Dara Mendez, Tiffany Gary-Webb, Esa Davis, Abi Fapohunda, Tomar Pierson-Brown, Jada Shirriel, Alysia Tucker, Dannai Wilson, La'Tasha Mayes

Black women and femmes carry the disproportionate burden of health inequities in Allegheny County (Pennsylvania and in the US). The Black Women's Health Agenda for Allegheny County will be developed through continuous community engagement and facilitation from Black-women led experts in strategic development.
