Dear Sir-

I couldnt help write you on this

What I can't understand why men servants of God and his teachings advocate mixing etc.

Arent you suppose to know the Bible in all its<sup>b</sup> phrases, teachings etc

Then where in the Bible does it say its God's law to mix the White Races with the Dark Races.....

Perhaps if the clergy got together

Trying to reach the moon is not far from what the people did when they tried to build the Tower of Bable. Mixing the races which had become almost intollable during that time was against teachings then as now...

Dear Sir -

I couldnt help write you on this  
What I cant understand why men see  
of God and his teachings advocate mix  
Cant you suppose to know the Bible in  
its principles, teachings etc.

Then where in the Bible does it say its  
law to mix the White Race with the Dark

This is a paper I received in the mail and  
I think you'd be most interested in it and how  
copies made to pass on to other Reverends and  
even Priests. Yet it's in newspapers & churches

Perhaps if the clergy got together and  
read more of the Bible and discussed things  
many things would adjust themselves in  
Peace and understanding of the Races we  
in see before distinction comes to pass for  
say what is happening now was the same  
for God to destroy the World as he once did

Trying to reach the moon is not far from  
what the people did when they tried to Build the  
Tower of Babel ?? Mixing the Races which has  
become almost intollable during that time was  
against teachings then as now

This is personal to you please dont use my name  
when you pass it on. God be with you in Peace  
(over)

guess why there's so much mystery in the Jews  
and they think will Communist parties that lack  
these racial distinctions.

It was shocking that Mrs Stern  
got the Times Magazine living copy. Three months  
before Kennedy was slain she was going  
free T.V. time on her T.V. station W.H. & R. Oswald &  
New Orleans to Oswald was as cracked (but  
did not) kill Kennedy as he could in his Red Vienna  
she was arrested in New Orleans for bank robbery  
& big Communist part D.C. Police has record. Her  
father Rosenwald gave Mrs and to Stalin for  
Communism Her father in law Alfred Stern  
killed in the Iron Curtain Country when he was young  
investigated in New York City for his Communist  
activities. These are the ones to do gooders  
among us, and take damn the people follow and  
will not blindly led to slaughter ourselves every day  
wrong news we are informed. But there  
are none so blind as those who do not a care  
to see.

One good example of this is in the days of Honey Long  
when people was washing of the good roads to give  
He got a truck truck in many sack of cement and other  
materials used and they the fools later paid it with  
taxes. But he gave you some good roads!!!

Oswald if he was in that department could have  
fire the shot as it came not from the back but the front  
When bullets enter a place its a clean wound but  
its when it comes out it shatters and shatters the  
departure place. ???

# 'Bible statements against Integration'

Compiled by Alice Irene Stout B. D. D. D., Th. D.  
Here is the answer to the universal question,

Where in the Bible does it state that the White Race  
must not marry any of the Dark Races?

For the benefit of those who want the answer, following is  
a list of books, Chapters and verses in the scriptures which  
makes the positive statements and convey the definite  
understanding that the "White Race" is commanded  
to keep its "seed" "Racially Pure". Always remember  
that "God's" Chosen People were of the White Race  
direct descendants of Heber (or Eber) who was the Father  
of the Hebrews (not Jews) and of Shem Father of the White Race  
after the flood.

Abraham Isaac and Jacob were all of the White  
Race, so were their wives - selected from their own family  
Sarah was Abraham's niece (Lot's sister) Rebecca  
was Isaac's Cousin Leah & Rachel were Jacob's Cousins)

None of these were Jews as the Jew had not then  
come into existence. The first time the word "Jews"  
appeared in the Bible is in 1 Kings 16:6 and the time  
was more than 1200 years after Abraham -

The Jews did not come into existence until White  
Hebrew Israelites brought children into the world  
by Canaanite Heathen Mates which was in direct  
disobedience to the Laws of God in the Bible. Judah  
Jacob's fourth son to whom the scepter had been given) was one  
of the first to break this Law (Genesis 38:1-7)

Where ever in the Bible speaks of the "Mixed Multitude"

in the midst of the twelve Tribes of Israel it means just that I a mixture of the White Hebrew Israelites with the Dark Skinned Canaanites, those who were the mongrelized children resulting from the mixture of the two races - something absolutely forbidden in the laws of God.

Check the following for proof of these Forbidden Jews
