Dear Mr. Cupit:

Thank you for your letter of September 17 indicating that you will be able to attend the organizational meeting of the L. Q. C. Lamar Society. There is no registration fee as our grant from the Stern Family Fund will cover the cost of food and lodging. However, we do hope that you will decide to join the L. Q. C. Lamar Society. You will note from the material that I sent you previously that the membership dues for a student are \$10.

From your letter I assume that we shall plan on your arrival on Saturday morning rather than Friday evening. Let me know if you find that you will be able to make it for Friday night so that we can make appropriate arrangements. I shall look forward to meeting you in November.

Sincerely,

Thomas H. Naylor
