OFFICE OF THE DEAN

Professor James W. Silver
Department of History

Dear Professor Silver:

On my return from a vacation I find the proposed program for the St. Louis meeting. You ask about suggestions of change, and I do not have any unless we possibly should plan for someone to be ready to lead a little discussion after the two papers have been given. I feel sure that the talks or papers by Maunder and Horn will prove valuable and interesting. This should be a splendid opportunity for Mr. Maunder to present the work and plans of the Foundation, where such a presentation might have a good deal of impact.

Sincerely yours,

Theodore C. Blegen
